Retail Sales and Tax by County and City	20-35
Retail Sales and Tax by County and Business Group.....	36-60
Retail Sales and Tax by Business Classification	61-62

Use Tax Statistics

County Treasurer Motor Vehicle Use Fee Report	63
Retailer's Use Sales and Tax by Business Classification	64-65
Consumer's Use Sales and Tax by Business Classification	66-67
Consumer's Use Tax by County	68

Forward

Each fiscal year, July 1 to June 30, a retail sales and use tax report is published for each of the four quarters ending September 30, December 31, March 31, and June 30. The annual report covers sales made on July 1 of one year through June 30 of the following calendar year.

Retail sales activity by type of business is classified using the 1997 North American Industry Code Classification System (NAICS). In 1999, the Department of Revenue converted many of the 1987 Standard Industrial Classification (SIC) codes to the appropriate four digit NAICS code. Where an exact match was not possible, the Department attempted to match as closely as possible with the NAICS codes.

Retail Sales Tax Summary: This section contains a brief history of the development of the Iowa Retail Sales Tax, listing some major legislation impacting the Iowa Sales and Use Tax base. The remaining pages of the section present various retail sales statistics.

Use Tax Summary: This section begins with a history of the development of Use Tax in Iowa followed by a summary of the various use taxes. The Local Option Tax for Hotels and Motels is included on pages 17-19.

Retail Sales Tax Statistics: This section includes three tables (1) "Retail Sales and Tax by County and City" provides data for all cities in Iowa where at least 40 returns were filed during the fiscal year. The "Other" category provides data for all cities not satisfying the minimum requirements. (2) "Retail Sales and Tax by County and Business Group" provides data by 12 business groups for each county. Breakouts are provided for each business group within a county where at least 20 or more returns were filed in a fiscal year. An "S", representing "Suppressed", is placed in any business group that does not have at least 20 returns filed. (3) "Retail Sales and Tax by Business Classification" provides data broken out by the 12 business groups and 82 business classifications. In order to protect the confidentiality of individual businesses, information for any business classification with less than 20 returns filed during the fiscal year are aggregated and put in the "NonClassified" category in the "Miscellaneous" group.

Use Tax Statistics: This section includes data for the three types of use taxes: Motor Vehicle Use Fee, Retailer's Use Tax and Consumer's Use Tax. The Motor Vehicle Use Fee data are aggregated by the county in which the vehicle was registered. Retailer's Use Sales and Tax data are presented by business group and business classification. Consumer's Use Sales and Tax data are presented separately by county and business classification.

GLOSSARY

BUSINESS CLASSIFICATION	Business classifications are based on the major type of activity performed by the business. As a result, business classifications may include sales other than normally suggested by the class title. Classifications are based on the 1997 North American Industry Classification System (NAICS).
BUSINESS GROUP	Consolidation of related business classifications into 12 broader business groups.
COMPUTED TAX	The applicable rate (6%) times the taxable sales.
CONSOLIDATED FILER	A business that has multiple locations in Iowa that aggregates sales tax data of all the locations and files a single sales tax return per quarter.
NONCLASSIFIED	Includes all businesses where less than 20 returns were filed for the applicable classification during the fiscal year. These were included in the "Miscellaneous" business group.
NUMBER OF RETURNS	The number of quarterly sales tax returns filed during the fiscal year. The annual report represents the sum of quarterly returns received and therefore the approximate number of businesses may be computed by dividing the number of returns by four.
OTHER	Includes all businesses located in rural portions of a county and those cities with less than 40 returns filed for the annual report and 10 returns filed for a quarterly report.
TAXABLE SALES	Gross receipts plus the value of taxable goods and services consumed by the business that were purchased tax exempt, minus the amount of exemptions. For a complete list of exemptions go the Department's Web site http://www.iowa.gov/tax/educate/79120.pdf

History of Iowa Retail Sales Tax

A 6 percent tax is imposed on the gross receipts received from the retail sales of tangible personal property in Iowa and from receipts received for the performance of certain taxable services in Iowa. The amount of gross receipts is adjusted by adding the value of goods consumed by businesses which were purchased tax exempt and subtracting the amount of any exempt sales.

The sales tax was first imposed in 1934 in Iowa at the rate of 2 percent. The tax was imposed only on the gross receipts received from the sale of tangible personal property; the sale of metered gas, electricity, water, and communication services; and the sale of admissions to places of amusement or athletic events. The tax was set to sunset in three years. On April 1, 1937 the tax was made permanent and a use tax was imposed. On July 1, 1955 the rate increased to 2.5 percent. The rate was dropped back to 2 percent on July 1, 1957 and was increased to 3 percent effective October 1, 1967. The rate increased to 4 percent on March 1, 1983, and to 5 percent on July 1, 1992. The most recent increase to 6 percent was effective July 1, 2008.

Since 1934 there have been many changes to the Iowa Sales tax base. Some of the major sales tax base impositions and expansions are listed below.

- April 24, 1947: Retail sales tax was imposed on sales of all forms of amusement devices and commercial amusement enterprises.
- January 1, 1966: Extended tax to hotel and motel rooms.
- October 1, 1967: Extended tax to certain services.
- July 1, 1971: Sales of all vehicles subject to registration were made subject to use tax.
- July 1, 1985: An exception to the exemption for food for human consumption was made for candy, candy-coated items, certain beverages, and certain prepared food.

Some of the major exemptions are listed below.

- July 1, 1974: The sale of food purchased for home consumption, prescription drugs, and medical devices.
- July 1, 1975: The sale of medically supplied oxygen
- July 1, 1979: Sales by cities and counties except utility service.
- July 1, 1987: Purchases of certain farm and industrial equipment and machinery
- January 1, 2002: Phase out of Iowa Sales Tax on residential utilities at a rate of 1 percent per year until phase out was completed January 1, 2006.

For a complete list of items that are taxable and exempt from Iowa sales tax go to the Department of Revenues Web site at <http://www.iowa.gov/tax/educate/79120.pdf>.

THE YEAR IN REVIEW
Retail Sales Tax

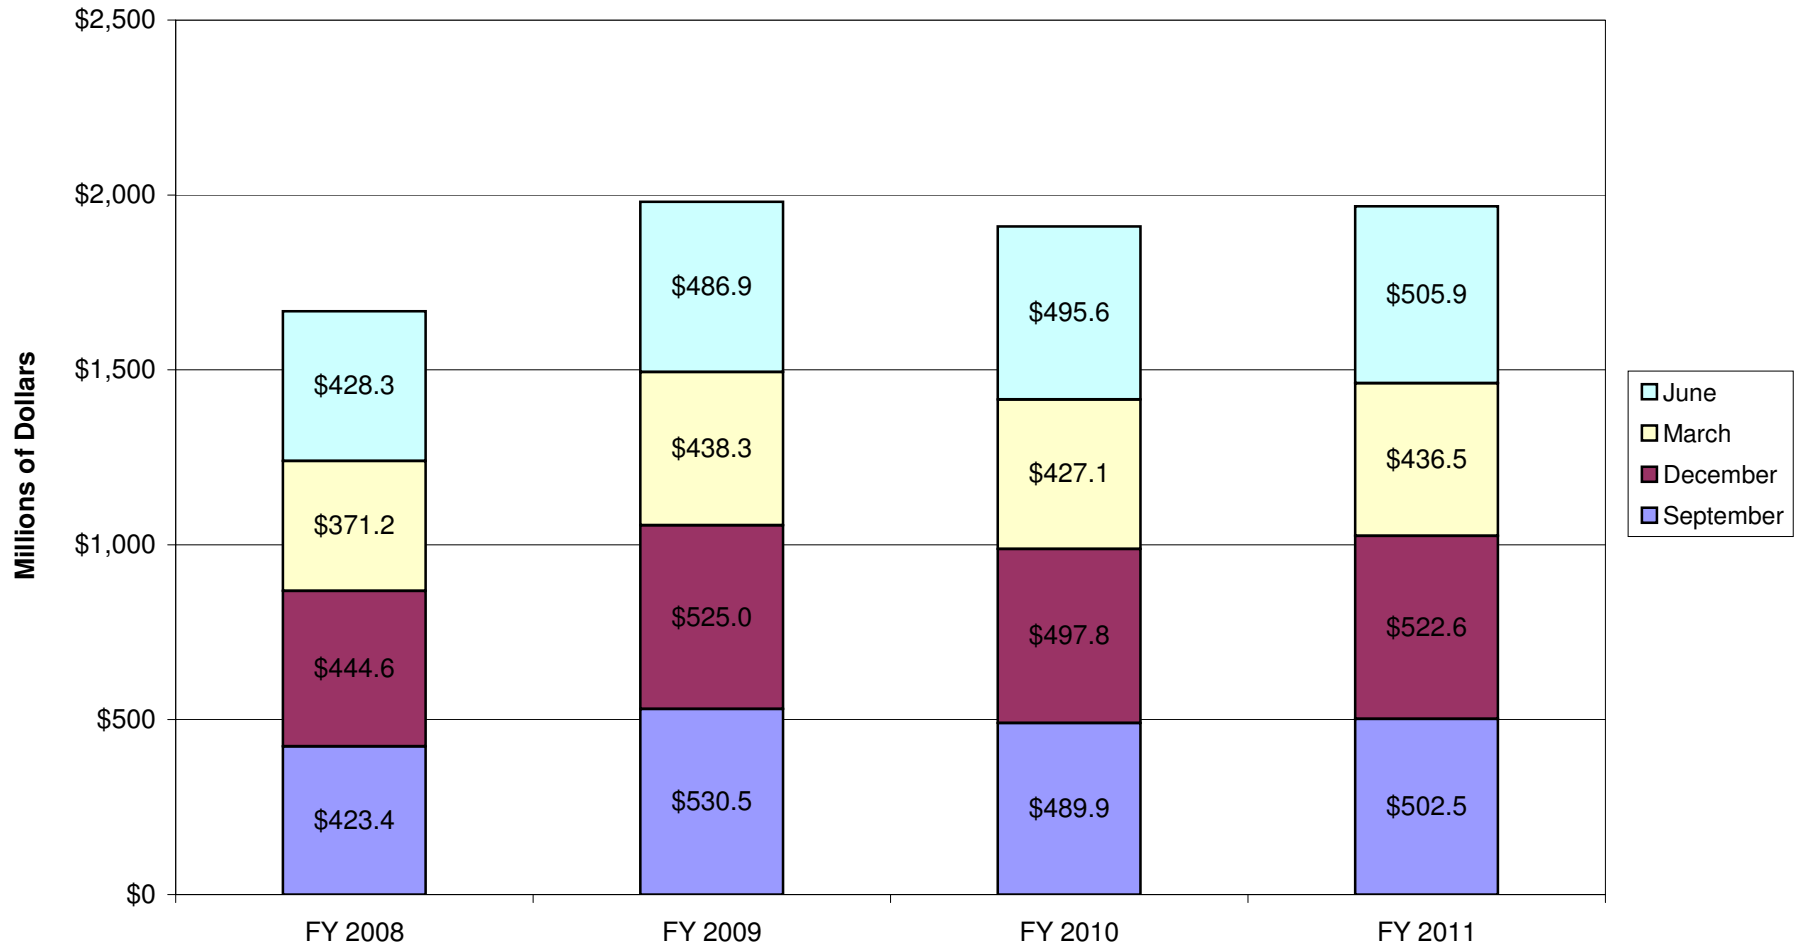

Beginning with fiscal year 2009 annual reports cover the period beginning July 1st and ending June 30th. Previously, the fiscal year for the Annual Iowa Retail Sales and Use Tax Report covered the period beginning April 1st and ending March 31st. The change was made so the period covered is consistent with the State's fiscal year. Quarterly statistical summaries are also provided on the Department's Web site.

Total retail sales tax due on returns filed for the fiscal year ending June 30, 2011, was \$1,967.5 million, a 3.0 percent increase from the \$1,910.4 million collected in fiscal year 2010. The number of quarterly returns filed decreased from 350,870 in fiscal year 2010 to 342,381 in fiscal year 2011, a 2.4 percent decrease.

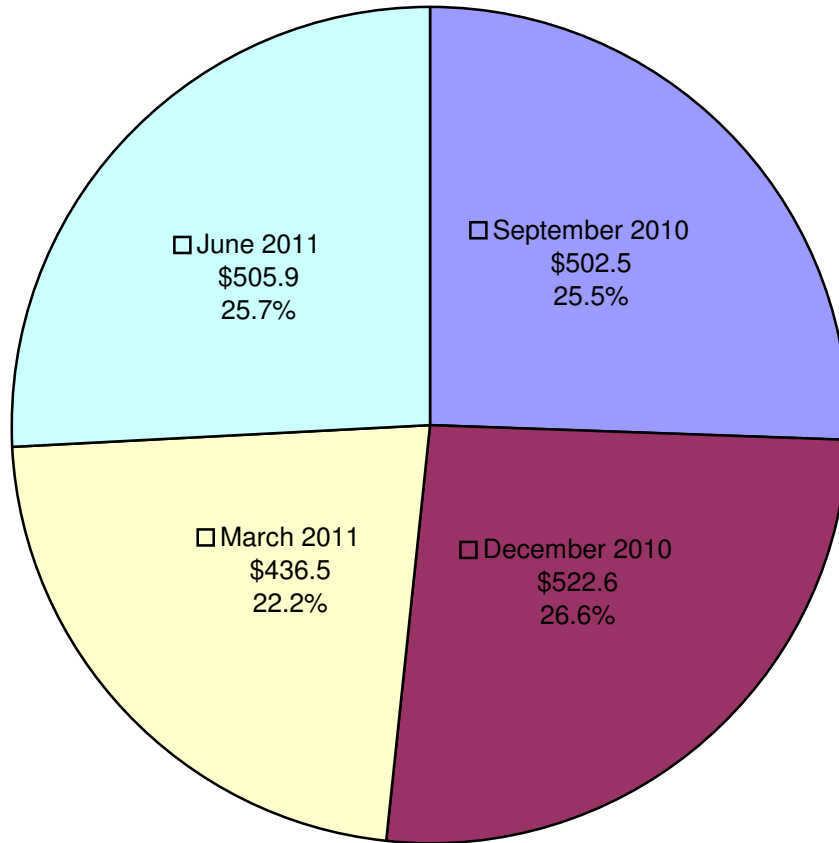

Review of Quarterly Data in FY 2011

The December quarter had the most computed tax, 26.6 percent of the 2011 fiscal year total. The Figure on page 5 presents the quarterly tax collections during fiscal year 2011 and for each of the past three fiscal years.

Retail Sales Tax by Fiscal Year 2008-2011

History of Iowa Use Tax

Effective July 1, 2008, Iowa imposed a use tax at the rate of 6 percent on the purchase price of tangible personal property which is purchased outside of Iowa for use in Iowa. The tax is also owed on taxable services purchased outside of Iowa when such services or the result of such services are used in Iowa.

A use tax was first imposed in Iowa in 1937 in conjunction with the permanent adoption of the sales tax. Since its adoption, the development of the use tax has generally paralleled that of the sales tax both in terms of tax base and rates. Credits are provided, however, against the amount of use tax due in Iowa for any sales, use, or occupational taxes paid to another state.

Iowa use tax is collected under two complementary use taxes: (1) Retailer's Use Tax and (2) Consumer's Use Tax. Beginning July 1, 2008 the Motor Vehicle Use Tax was replaced with a one time registration fee on new and used vehicles.

(1) Retailer's Use Tax is collected by registered retailers from the purchaser on the sale of all taxable tangible property and services. Retailers located outside of the State who maintain a place of business in Iowa are required to register with the Department of Revenue and collect the tax on all sales made into Iowa.

(2) The Consumer's Use Tax is paid by individuals or businesses that purchase taxable goods or services outside of Iowa for use in the State. Individuals or businesses that purchase taxable goods or services of property on which the tax has not been paid are required to file a quarterly Consumer's Use tax return in conjunction with payment of the tax.

(3) A 5 percent one-time registration fee is imposed on the sale of new and used motor vehicles which are subject to registration. The tax is imposed on the taxable price which is the delivered price less cash discounts and the value of any property traded. Payment of the tax is made to the county treasurer where the vehicle is registered. Credits are also provided for sales or use taxes paid on motor vehicles to other states.

Hotel and Motel Tax Summary
Fiscal Year 2011

During fiscal year 2011, one hundred and forty eight cities and fifteen unincorporated areas had a hotel-motel tax.

The tax is instituted by voter approval and is collected and processed by the Iowa Department of Revenue. The tax rate may not exceed 7%.

The tax is imposed upon the gross receipts from the renting of sleeping rooms, apartments or sleeping quarters in any hotel, motel, inn, public lodging house, tourist court, bed-and-breakfast or in any place where sleeping accommodations are furnished to transient guests. The rooms must be contracted for periods of 31 consecutive days or less.

For the fiscal year ending June 30, 2011, a total of \$40,083,868 was certified from the following jurisdictions.
