Celebrating 30 Years of the Network

We are excited to celebrate our 30th anniversary throughout 2023. To mark the milestone, we have launched a [Celebrating 30 Years](#) webpage that features how the Network connects with Iowans, historic information, timelines, and upcoming future projects.

Read a message from Randy Goddard, ICN Executive Director.

Impact Statements

One of the most important pieces of celebrating our anniversary is thanking our customers, partners, and others that have had an impact. ICN would not be successful without this support.

NETWORK IMPACT

Celebrating 30 YEARS ICN 1993-2023

“ Now, with most services hosted in the cloud, [the ICN] is a pathway for all of our residential hall students to stay connected online.

We have been **using the DDoS [mitigation] service for almost 4 years now. This service is invaluable** as learning online has become more prevalent. ”

Has the Network Impacted You?

Share your story with the ICN by emailing icn.info@iowa.gov.
