

HIV and HCV Prevention Program Snapshot

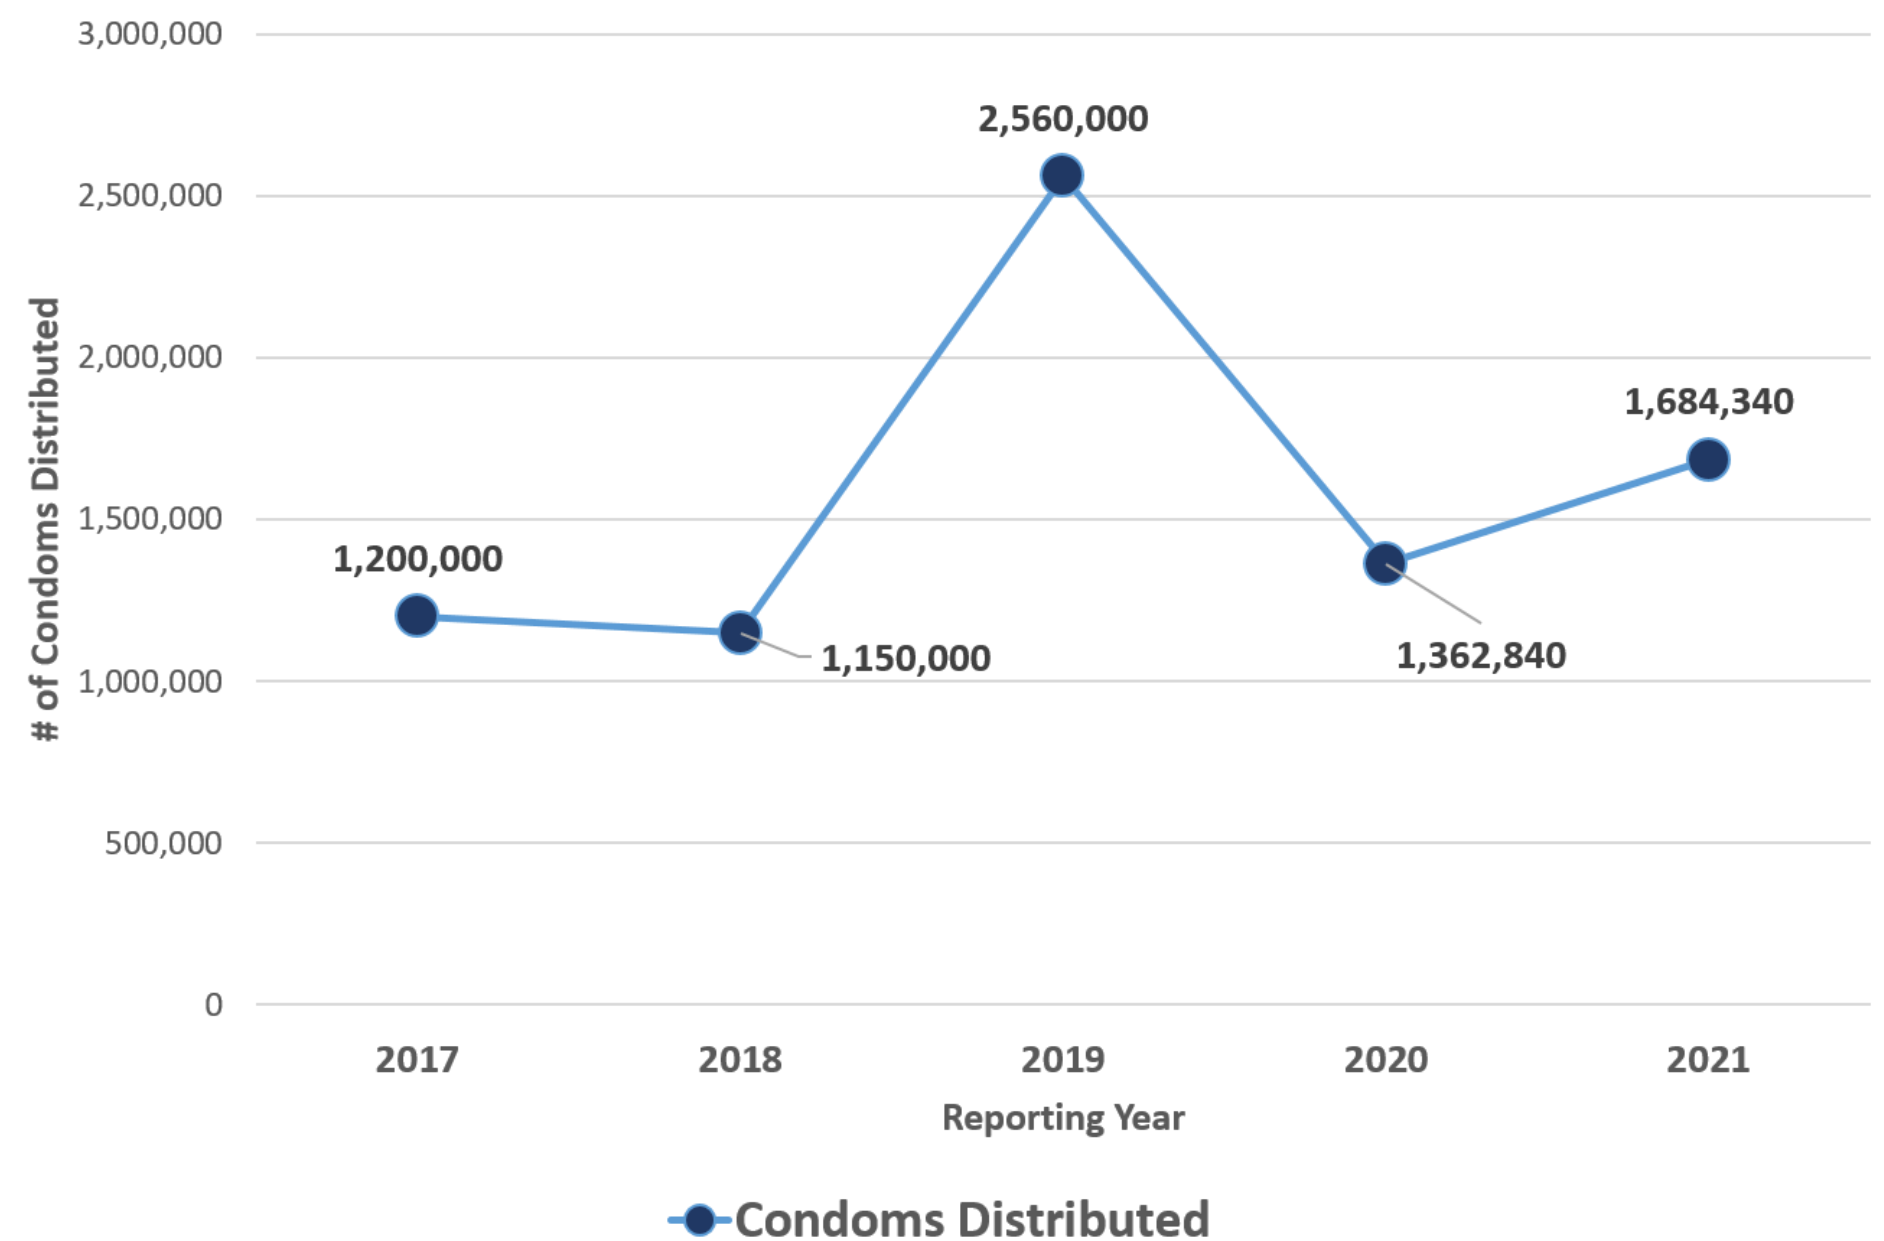

Condom Distribution: 2021

The Bureau of HIV, STD, and Hepatitis reported an annual distribution of **1,684,340** condoms statewide in partnership with **436 organizations**.

- This represents a **24% increase in total distribution** compared to 2020.
- The number of participating organizations **increased by 5%** during 2021.
- 817 individual supply packages were shipped directly to Iowa homes upon request.

While condom distribution efforts have not yet rebounded to pre-pandemic levels, **2021 distribution was 5.8% higher than the 5-year average**.
