State and Community Demographic and Indicator Profiles – Definitions

Demographic Profiles	Indicator Profiles
<p>Number of Children 0 - 5 (2010)</p> <p>The total number of children ages 5 and under. Source: U.S. Census Bureau Published Source: Decennial Census http://2010.census.gov/2010census/index.php</p>	<p>Percent of Children in Poverty (2010-2014)</p> <p>The percentage of Iowans age 5 and under whose income is at or below the federal poverty level. Source: U.S. Census Bureau Published Source: American Community Survey http://www.census.gov/acs</p>
<p>Number of Live Births (2015)</p> <p>The total number of live births. A birth that shows any sign of life after delivery. The World Health Organization considers any sign of breathing or showing any other evidence of life, such as beating of the heart, pulsation of the umbilical cord, or definite movement of voluntary muscles, whether or not the umbilical cord has been cut or the placenta is attached. Source: Iowa Department of Public Health - Bureau of Vital Statistics Published Source: Iowa Department of Public Health, Vital Statistics in Brief http://idph.iowa.gov/health-statistics/data</p>	<p>Incidence (Rate per 1,000) of Confirmed or Founded Child Abuse for Children Age 0 –5 (2015)</p> <p>Total number of children, age 0 –5, with a confirmed or founded child abuse within a calendar year divided by the total population (2010 U.S. Census). Source: Iowa Department of Human Services, U.S. Census Bureau Published Sources: Iowa Department of Human Services http://dhs.iowa.gov/reports/child-abuse-statistics, U.S. Census Bureau</p>
<p>Percent of Births to Mothers Under Age 20 (2015)</p> <p>Calculated rate that divides the total number of live births to mothers age 20 and under by the total number of live births. Source: Iowa Department of Public Health - Bureau of Vital Statistics Published Source: Iowa Department of Public Health, Vital Statistics in Brief Published Sources: IDHS Website, US Census http://idph.iowa.gov/health-statistics/data</p>	<p>Juvenile Arrest Rate (2015)</p> <p>Calculated rate that divides the total number of total juvenile arrests by the estimated mid-year population under age 18. Rate is 1 per 100,000 population. Source: Iowa Department of Public Safety</p>
<p>Number of Out-of-Wedlock Births (2015)</p> <p>Total number of live births from a mother that is not married at the time of delivery. Data reported is based on residence data, which is compiled by the usual place of residence without regard to geographical place where the event occurred. For births, the mother’s usual residence is used as the place of residence of the child. Source: Iowa Department of Public Health - Bureau of Vital Statistics Published Source: Family and Community Information Tracking System (FACITS) http://idph.iowa.gov/health-statistics/data</p>	<p>Number of NAEYC Accredited Centers/Preschools (2016)</p> <p>The number of child care centers and preschools accredited by the National Association for the Education Young Children (NAEYC) as reported in November 2015. Source: NAEYC Published Source: NAEYC on-line Accredited Program Search http://www.naeyc.org/academy/accreditation/search</p>
<p>Percent Low Birth Weight (2015)</p> <p>Calculated rate that divides the number of live births with a birth weight less than 2,500 grams by the total number of live births. Data reported is based on residence data, which is compiled by the usual place of residence without regard to geographical place where the event occurred. For births, the mother’s usual residence is used as the place of residence of the child. Source: Iowa Department of Public Health - Bureau of Vital Statistics Published Source: Vital Statistics http://idph.iowa.gov/health-statistics/data</p>	<p>Number of Licensed/Registered Slots (2016)</p> <p>The number of slots available for children age 18 and under as reported by licensed and registered child care settings in October 2015 Source: Iowa Department of Human Services, Child Care Unit Published Source: None</p>
