REVENUE SUMMARY (OPERATING FUND)
1989-90 DATA

Bureau of School Administration and Accreditation

February 1991

This report reflects the percent and per pupil amount, based on the September 1989 Certified Enrollment, of each LEA's revenue account to the total operating fund revenue. The information was obtained from page 3 of the 1989-90 LEA's Annual Report.

Use of certified enrollment causes expenditures per pupil to be overstated for LEAs receiving students under sharing or other tuition arrangements. Therefore, comparisons of expenditures per pupil between LEAs may not be appropriate.

Attached is a list of school districts that are Whole Grade Sharing either by (1) one way, (2) two way, or multiple plan.

It is the policy of the Iowa Department of Education not to discriminate on the basis of race, religion, national origin, sex, age, or disability.

The Department provides civil rights technical assistance to public school districts, nonpublic schools, area education agencies, and area schools to help them eliminate discrimination in their educational programs, activities, or employment. For assistance, contact the assistant chief, Bureau of School Administration and Accreditation, Iowa Department of Education.
