

Be a Part of the

Iowa Youth Technology Team

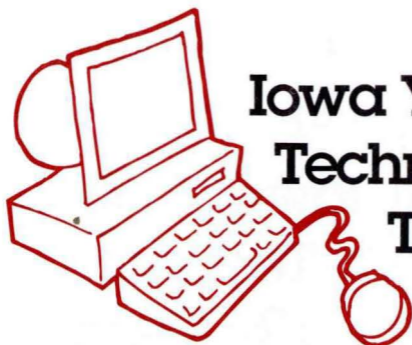

E·SET

- Learn marketable technology skills
- Gain leadership skills
- Meet other teens with similar interests
- Use skills/knowledge you already have
- Develop a community service project using technology
- Experience cutting-edge technology (virtual reality, ISU opportunities, etc.)
- Work with technology experts from around the state and country
- Gain access to the latest technology tools
- Be a delegate to Iowa 4-H Youth Conference

IOWA STATE UNIVERSITY
University Extension

Iowa Youth Technology Team

We are excited about the opportunity to form this year's statewide team of teens interested in information technology. Members of the Iowa Youth Technology Team will get to help plan and set the goals for this year and the future.

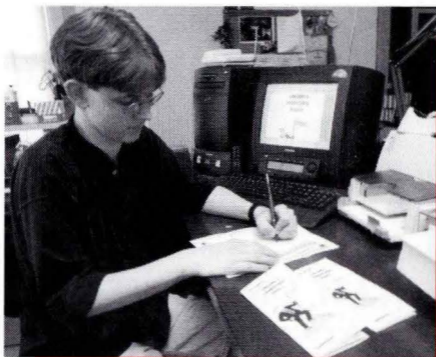

You can learn more about this exciting opportunity that will be available in the coming year and what this year's team has done by checking out our web site at:

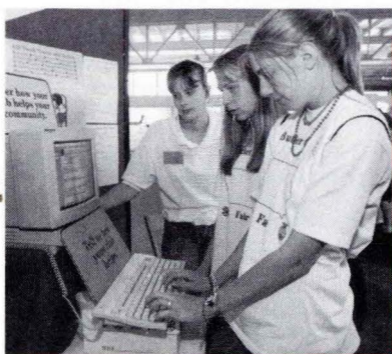

<http://www.extension.iastate.edu/Pages/y4h/techteam/>

To Apply

Contact your county Iowa State University Extension office by mid-January. The phone number for your county is on the back.

Request the application form for the Iowa Youth Technology Team. Be sure to ask for the county application deadline.

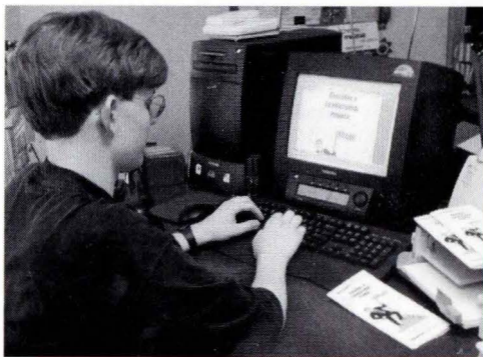

Criteria for Selection/Application

- Is a freshman, sophomore, or junior in high school when applying
- Has or can easily obtain access to a computer, the Internet, and e-mail
- Is interested in information technology (computers, Internet, etc.)
- Is interested in volunteering time and talents
- Possesses skills in one or more of the following areas:
 - Working with/training people
 - Public presentation and speaking
 - Editing
 - Organization
 - High level computer skills
 - Web page development/design
 - Photography
 - Graphic design
 - Video/animation
 - Drawing/art
 - Audio
 - Computer programming
 - Conflict resolution
- Two letters of recommendation (Preferably one recommendation should come from a local school teacher or administrator.)
- Up to five pages of written support materials or up to 10-minute video or audio tape
- The area selection committee also may conduct a face-to-face interview.

Membership Responsibilities

- Attend four face-to-face meetings.
 - The first meeting will be from Sunday, May 7 through Monday, May 8, 2000.
 - The second meeting will take place from Monday, June 19 through Thursday, June 22 at the Iowa 4-H Youth Conference.
 - The third and fourth meeting dates will be set up by the technology team members.
- Commit to one year with an opportunity to reapply if interested.
- Demonstrate high standards of ethical behavior while using technology.
- Help develop the state technology team plan of work.
- Work with teens on the State 4-H Council to improve the state youth 4-H web page.
- Be a 4-H ambassador (need not be in 4-H now).
- Help promote technology at the Iowa 4-H Youth Conference to be held in Ames during the second face-to-face meeting.
- Participate in bimonthly distance communication as needed (includes e-mail, web chats, ICN, etc.).
- Develop and carry out an individual plan of work.
- Commit to 1-2 hours of work each week outside of face-to-face meetings.

. . . and justice for all

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, and marital or family status. (Not all prohibited bases apply to all programs.) Many materials can be made available in alternative formats for ADA clients. To file a complaint of discrimination, write USDA, Office of Civil Rights, Room 326-W, Whitten Building, 14th and Independence Avenue, SW, Washington, DC 20250-9410 or call 202-720-5964.

Issued in furtherance of Cooperative Extension work, Acts of May 8 and June 30, 1914, in cooperation with the U.S. Department of Agriculture. Stanley R. Johnson, director, Cooperative Extension Service, Iowa State University of Science and Technology, Ames, Iowa.
