Look for the Missing Person Information Clearinghouse Booth at the Iowa State Fair

One of the most important tools in locating a missing child is a picture of the child. The National Center for Missing and Exploited Children (NCMEC) has found that with the public's help, one out of every six missing children featured in their "Picture Them Home" campaign is recovered as a direct result of someone seeing that child's photograph and notifying authorities.

To enable parents to be prepared in the event their child should become missing, staff of the Iowa Missing Person Information Clearinghouse will be providing diskettes with pictures of their child along with important child safety information. Look for the booth in the Hall of Law at the east end of the Grandstand.
