Announcing a Supercharged Storytimes for All Iowa Cohort

Storytimes are a key part of so many early literacy initiatives in libraries, and yet it can be difficult to know if you're doing it "right." [Supercharged Storytimes](#) for All is a curriculum from WebJunction designed to ***“provide training in how to intentionally apply research-based practices to boost early literacy in young children attending library storytime.”***

The State Library is pleased to announce that we'll be leading a cohort of 12-15 Iowa librarians through six modules of the curriculum. The training, discussions, and resources in this curriculum will supercharge your storytimes to make them even better!

Full details of the schedule, discussion topics, and timing can be [found in this document](#).

At the end of the six sessions, cohort members will have the opportunity to share on a panel during the December Pop YS Live. Librarians who successfully complete the program will be awarded 15 hours of CE Credit towards their endorsement renewal.

Applications close Wednesday, August 21 at 4:30 p.m. Selected candidates will be notified Friday, August 23.

We hope you'll consider joining us as we Supercharge storytimes around the state!

to insert citations and references. Eunice will take us on a spin through this oldie-but-a-goodie piece of tech to see how we can use it in our libraries today!
