The Iowa Missing Persons Bulletin is published monthly by the Iowa Department of Public Safety Missing Person Information Clearinghouse in order to provide information concerning missing persons from the State of Iowa. By publishing this bulletin, we hope to increase public awareness and cooperation with the ultimate aim of helping to locate these people.

**National Center for Missing and Exploited Children
Team Adam Program**

On January 29, 2003 The National Center for Missing and Exploited Children announced their new Team Adam Program which has been funded by the Michael and Susan Dell Foundation to assist in cases of child abduction and exploitation.

Named after Adam Walsh, the 6-year-old abducted and murdered son of John and Revé Walsh, and patterned after the National Transportation Safety Board's system for sending trained specialists to the site of serious transportation incidents, Team Adam does the same thing in serious child-abduction and child-sexual-victimization cases. It is an on-site response and support system that provides assistance to local law-enforcement agencies.

An initial team of specialists are currently on call to respond directly to the scene of these incidents. The specialists are chosen based on their expertise and, secondly, on their geographic home base to minimize response time and travel costs. All Team Adam specialists are chosen through a formal selection board process that includes the participation and involvement of the FBI.

You can learn more about the Team Adam Program by contacting the National Center for Missing and Exploited Children at 1-800-346-5507 or accessing their web site at:

www.missingkids.org

A toll-free telephone line is available twenty-four hours a day, seven days a week, to take information on persons reported missing and help with the filing of missing persons reports. If you recognize someone from this bulletin, **DO NOT TAKE ANY ACTION YOURSELF**. Get as much information as you can (e.g., license number of a vehicle, exact location of sighting, activities individual involved in) and then call the local law enforcement agency named in the bulletin or our hotline number, 1-800-346-5507. Any information we receive will immediately be referred to the appropriate law enforcement agency for further investigation.

The following names have been taken from the August 25, 2003 computer listing of missing persons and have been missing for 30 days or longer:
