IOWA INDUSTRIAL COMMISSIONER

507 10th Street
3rd Floor Colony Building
DES MOINES, IOWA 50319

Instructions:

1. Determine employee's gross weekly earnings and round to nearest dollar. See sections 85.34, 85.36 and 85.37, Code of Iowa.
2. Determine MAXIMUM number of exemptions to which the employee is ENTITLED for actual dependency, blindness and old age (e.g. a 65 year old, single person who is blind is entitled to 3 exemptions).
3. Match appropriate gross weekly wage in column with appropriate marital status and number of exemptions.
4. The amount shown is the benefit amount to which entitled.

Maximum benefit for temporary disability, healing period, permanent total disability and death benefits is \$542.00.

Maximum benefit for permanent partial disability is \$499.00.

An individual's benefit is based on 80% of spendable earnings up to the maximum allowable benefit.

Spendable earnings = Gross Wage Less Federal & State Withholding and FICA. (Amounts Rounded).

STATEWIDE AVERAGE WEEKLY WAGE FOR 1981 \$271.15; 35% of SAWW, rounded to nearest dollar \$95.00.

§86.11 Report of Injury

To be filed with the industrial commissioner within four days, by the employer or insurance carrier (not counting Sundays or holidays) after knowledge of injury when:

1. Injury results in temporary total disability for a longer period of time than three days.
2. Injury results in permanent disability, permanent partial disability or death.

§86.13 Compensation Payments (Notice of Payment)

If an employer or insurance carrier pays weekly compensation benefits to an employee, the employer or insurance carrier shall file with the industrial commissioner on forms prescribed by the industrial commissioner a **notice of the commencement of the payments**. The payments establish conclusively that the employer and insurance carrier have notice of the injury for which benefits are claimed but the payments do not constitute an admission of liability under this chapter or chapter 85, 85A, or 85B.

If an employer or insurance carrier fails to file the notice required by this section, the failure stops the running of the time periods in section 85.26 as of the date of the first payment. If commenced, the payments shall be terminated only when the employee has returned to work, or upon thirty days notice stating the reason for the termination and advising the employee of the right to file a claim with the industrial commissioner.

This section does not prevent the parties from reaching an agreement for settlement regarding compensation. However, the agreement is valid only if signed by all parties and approved by the industrial commissioner.

If a delay in commencement or termination of benefits occurs without reasonable or probable cause or excuse, the industrial commissioner shall award benefits in addition to those benefits payable under this chapter, or chapter 85, 85A, or 85B, up to fifty percent of the amount of benefits that were unreasonably delayed or denied.

§85.30 Maturity Date and Interest

Compensation payments shall be made each week beginning on the eleventh day after the injury, and each week thereafter during the period for which compensation is payable, and if not paid when due, there shall be added to the weekly compensation payments, interest at the rate provided in section 535.3 for court judgments and decrees (currently 10%).

§85.36(10)(a) Voluntary Fire Fighter

In computing the compensation to be allowed a volunteer fire fighter, or reserve peace officer, the earnings as a fire fighter or reserve peace officer shall be disregarded and the volunteer fire fighter or reserve peace officer shall be paid an amount equal to the compensation the volunteer fire fighter or reserve peace officer would be paid if injured in the normal course of the volunteer fire fighter's or reserve peace officer's regular employment or an amount equal to one hundred and forty percent of the statewide average weekly wage, whichever is greater.

For example, in 1982, one hundred and forty percent of the statewide average weekly wage is \$379.61.

Rule 500-8.2(85) IAC "**Overtime**" as used in section 85.61(12) of the Code means amounts due in excess of the straight time rate for overtime hours worked. Such excess amounts shall not be considered in determining gross weekly wages within section 85.36 of the Code. Overtime hours at the straight time rate are included in determining gross weekly earnings.

Rule 500-8.6(85,85A) IAC **Calendar days — decimal equivalent**. Weekly compensation benefits payable under Chapters 85 and 85A are based upon a seven-day calendar week. Each day of weekly compensation benefits due may be paid by multiplying the employee's weekly compensation benefit rate by the decimal equivalents of the number of days as follows:

1 day	=	.143 x weekly rate
2 days	=	.286 x weekly rate
3 days	=	.429 x weekly rate
4 days	=	.571 x weekly rate
5 days	=	.714 x weekly rate
6 days	=	.857 x weekly rate

Rule 500-3.1(2)(3) IAC Final Report

- 1. The final report is to be filed when:**
 - a. Compensation benefits are terminated.
 - b. A significant interruption in payment of weekly benefits occurs.
- 2. Medical information is to be filed that supports payments when:**
 - a. The employee sustains a permanent disability.
 - b. Temporary total disability exceeds thirteen weeks.
 - c. Temporary partial disability exceeds thirteen weeks.

Rule 500-8.1(85), IAC Mileage Reimbursement

Transportation expense is to be computed at the rate of \$.24 per mile effective July 1, 1982.

Transportation expense for previous years:

July 1, 1981	\$.22
July 1, 1980	\$.20
July 1, 1979	\$.18
July 1, 1974	\$.15
July 1, 1965	\$.10

Ten Percent (10%) Interest Table

See page 119 for ten percent interest table.

This table is for use in computing interest while the disability is payable. The change in principle from week to week has been included in the table.

Column A = number of weeks of continuous disability

Column B = interest multiplier

To find the interest on a weekly benefit amount:

1. Find the number of weeks of continuous disability in column A.
2. Find the interest multiplier from that line in Column B.
3. Multiply the weekly benefit amount by the interest multiplier to find the interest payable.

example: 52 weeks at \$200.00 per week

interest multiplier is 2.55

$\$200.00 \times 2.55 = \510.00 of interest.
