 2 provisions of this act shall be distributed as follows:

 4 this act and the regulation of motor carriers one-fifth (1/5) or so
 5 much thereof as may be necessary shall be paid to the commission
 6 by warrant drawn from time to time by the auditor of state upon
 7 the treasurer of state.

8 (b) The balance shall be allocated each month by the commission
 9 to the various counties in the proportion that the number of ton-miles
 10 of travel in the respective county bears to the total number of ton-
 11 miles of travel within the state. The commission shall certify the
 12 amount due to each county to the auditor of state who shall draw
 13 warrants upon the treasurer of state to be transmitted to the re-
 14 spective county treasurers. Such funds shall be used by each county
 15 board of supervisors for the maintenance and repairs of highways
 16 over which motor carriers operate.

5 thirty days from the time the decision was rendered, by giving at
6 least ten days notice to the commission to be served on its chairman

8 and by filing with the clerk of the district court a bond for costs in
9 the sum of not less than five hundred dollars. Upon appeal being taken,
10 the secretary of the commission shall make and certify a transcript

2 after the applicant shall have filed with the commission a liability in-
3 surance bond, in form to be approved by the commission, issued by
4 some company authorized to do business in this state, in such penal

6 of the public with due regard to the number of persons and amount
7 of property involved, which liability insurance bond shall bind the
8 obligors thereunder to make compensation for injuries to persons and
9 loss of, or damage to, property resulting from the operation of such

1 **SEC. 13. Solid tires—weight limit.** No motor carrier shall be per-
2 mitted to operate upon the highways a motor vehicle equipped with

3 solid rubber tires which, together with its maximum load, weighs

12 outside part of the vehicle.

13 (d) On freight carrying motor vehicles no part of the load shall
14 be allowed to project more than six inches beyond the running board,
15 or measure more than eight feet wide over all.

16 (e) All motor vehicles, upon approaching any steam or electric
17 railroad track at grade shall be brought to a stop at such a point

31 markings or tags as shall be prescribed by the commission.

1 **SEC. 16. Additional rules.** The commission shall promulgate such
2 other safety rules and regulations as it may deem necessary to govern
3 and control the operation of motor vehicles upon the highways and
4 the maintenance and inspection thereof.

1 **SEC. 17. Cancellation.** For violation of any provision of this act,

2 or of any rule or regulation promulgated thereunder by any motor
3 carrier, the commission may, in addition to other penalties herein pro-
4 vided, revoke and cancel the certificate of such motor carrier.

9 may be required by the board. The licensee owning or conducting
10 any such hospital shall immediately after the death in a maternity
11 hospital of a woman or an infant born therein or brought thereto,
12 cause notice thereof to be given to the state board of control with
13 such details as the board may require.

1 **SEC. 11. Reports open to inspection of certain persons.** All reports
2 received by the state department under section ten shall be kept of
3 record and shall be accessible to the members of the board of control
4 and authorized employees thereof, the attorney-general, and any
5 county attorney, but said reports shall not be accessible to any other
6 person except on the order of a court of record.

1 **SEC. 12. Records and inspection.** The board of control shall have
2 the same right and duties with respect to maternity hospitals relative
3 to prescribing record forms, requiring reports and making inspections
4 as are provided in connection with the licensing of child-placing agen-
5 cies. Reports and information acquired through the operation of this
6 act shall be confidential under the same conditions provided by law
7 in connection with child-placing agencies. Officers and authorized
8 agents of the state board of control may inspect the premises and
9 conditions of such agencies at any time and examine every part
10 thereof, and interview the inmates, and may inquire into all matters
11 concerning such hospitals and the women and children in the care
12 thereof. Said officers or authorized agents of the state board of con-
13 trol shall visit and inspect the premises of licensed maternity hos-
14 pitals at least once every six months and preserve written reports of
15 the conditions found therein. Officers and authorized agents of the
16 state department of health and local board of health in the city, village
17 or town where a licensed maternity hospital is located may make
18 sanitary inspections at any time. The licensee shall give all reason-
19 able information to such inspectors and afford them every reasonable
20 facility for the performance of the duties mentioned.

CHAPTER 80

CHILD-PLACING AGENCIES

H. F. 131

AN ACT to define, license, and regulate child-placing agencies, to regulate the surrender or commitment of minors to such agencies, and to repeal sections thirty-six hundred sixty-two (3662), thirty-six hundred sixty-three (3663), thirty-six hundred sixty-four (3664), thirty-six hundred sixty-five (3665), thirty-six hundred sixty-nine (3669), thirty-six hundred seventy (3670), thirty-six hundred seventy-two (3672), thirty-six hundred seventy-three (3673), thirty-six hundred seventy-four (3674), thirty-six hundred seventy-five (3675), and thirty-six hundred eighty-four (3684) of the code, 1924, relating thereto.

Be it enacted by the General Assembly of the State of Iowa:

1 **SECTION 1. Child-placing agency defined.** The words "person" or
 2 "agency" where used in this act shall include individuals, institutions,
 3 partnerships, voluntary associations, and corporations, other than
 4 institutions under the management of the board of control or its offi-
 5 cers or agents. Any agency, public, semipublic, or private, which
 6 represents itself as placing children permanently or temporarily in
 7 private family homes or as receiving children for such placement, or
 8 which actually engages, for gain or otherwise, in such placement, shall
 9 be deemed to operate a child-placing agency.

1 **SEC. 2. License required.** The board of control of state institu-
 2 tions is hereby empowered to grant a license for one year for the con-
 3 duct of any child-placing agency that is for the public good, and is
 4 conducted by a reputable and responsible person; and it shall be the
 5 duty of the board to provide such general regulations and rules for
 6 the conduct of all such agencies as shall be necessary to effect the
 7 purposes of this act and of all other laws of the state relating to
 8 children so far as the same are applicable, and to safeguard the well-
 9 being of children placed or cared for by such agencies. No persons
 10 shall conduct a child-placing agency or solicit or receive funds for its
 11 support without an unrevoked license issued by the board of control
 12 within the twelve months preceding to conduct such agency. No such
 13 license shall be issued unless the person applying shall have shown
 14 that he and his agents are properly equipped by training and experi-
 15 ence to find and select suitable temporary or permanent homes for

16 children and to supervise such homes when children are placed in
17 them, to the end that the health, morality, and general well-being
18 of children placed by them shall be properly safeguarded. The license
19 shall state the name of the licensee and the particular premises in
20 which the business may be carried on, and such license shall be kept
21 posted in a conspicuous place on the licensed premises. A record of
22 the licenses so issued shall be kept by the board of control.

1 **SEC. 3. Revocation of license—appeal.** Licenses granted under this
2 act shall be valid for one year from the date of issuance thereof unless
3 revoked in accordance with the provisions hereof. The board of control
4 may, after due notice and hearing, revoke the license:

5 a. In case the person to whom the same is issued violates any
6 provision of this act.

7 b. When in the opinion of this board such agency is maintained
8 in such a way as to waste or misuse funds contributed by the public
9 or without due regard to sanitation or hygiene or to the health, com-
10 fort, or well-being of the child cared for or placed by the agency.

11 c. In case of violation by the licensee or his agents of any law of
12 the state in a manner disclosing moral turpitude or unfitness to main-
13 tain such agency.

14 d. In case any such agency is conducted by a person of ill repute
15 or bad moral character.

16 e. In case said agency operates in persistent violation of the rea-
17 sonable regulations of the board of control governing such agencies.

18 Written charges against the licensee shall be served upon him at
19 least ten days before hearing shall be had thereon and a written copy
20 of the findings and decisions of the board upon hearing shall be served
21 upon the licensee in the manner prescribed for the service of original
22 notice in civil actions.

23 Any licensee feeling himself aggrieved by any decision of the board
24 revoking his license may appeal to the district court by serving on
25 the board of control and filing with the clerk of the district court in
26 the county where his agency is situated, within ten days after written
27 notice of such decision, a written notice of appeal specifying the
28 grounds upon which the appeal is taken.

29 The appeal may be brought on for hearing in a summary manner
30 by either party by an order obtained from the court to show cause
31 why the decision of the board should not be confirmed, amended, or
32 set aside. The written notice and decisions shall be treated as the
33 pleadings in the case and may be amended in the discretion of the
34 court. The issues shall be tried anew by the court as an equitable
35 proceeding and decree rendered.

1 **SEC. 4. Record forms.** The board of control shall prescribe forms
2 for the registration and record of persons cared for by any child-
3 placing agency licensed under this act, and for reports required by
4 said board from the agencies. The licensee shall keep a record and
5 make reports in the form to be prescribed by said board.

1 **SEC. 5. Annual report.** Every such agency shall file with the
2 board of control, during the month of January of each year, an annual
3 written or printed report, which shall show:

4 1. The number of children cared for during the preceding year.

- 5 2. The number of children received for the first time and the
6 number returned from families.
- 7 3. The number placed in homes.
- 8 4. The number deceased.
- 9 5. The number placed in state institutions.
- 10 6. The number returned to friends.
- 11 7. The number and names and number of months of each of those
12 attending school.
- 13 8. A statement showing the receipts and disbursements of such
14 agency.
- 15 9. The amount expended for salaries and other expenses, specify-
16 ing the same.
- 17 10. The amount expended for lands, buildings, and other invest-
18 ments.
- 19 11. Such other information as the board may require.

1 **SEC. 6. Inspection.** Officers and authorized agents of the board
2 of control may inspect the premises and conditions of such agency
3 at any time and examine every part thereof; and may inquire into
4 all matters concerning such agencies and the children in the care
5 thereof. Said officers and authorized agents of the board of control
6 shall visit and inspect the premises of licensed child-placing agencies
7 at least once every six months and make and preserve written reports
8 of the conditions found, and authorized agents of the state department
9 of health and of the local board of health of the city, village, or town
10 in which a licensed child-placing agency is located may make inspec-
11 tion of the premises. The licensees shall give all reasonable informa-
12 tion to such inspectors and afford them every reasonable facility for
13 obtaining pertinent information.

1 **SEC. 7. Information confidential.** No individual who acquires
2 through the operation of the provisions of sections four (4), five (5),
3 and six (6) of this act or from the records provided for in this act,
4 information relative to any agency or relative to any person cared for
5 by such agency or relative to any relative of any such person, shall
6 directly or indirectly disclose such information except upon inquiry
7 before a court of law, in a coroner's inquest, or before some other
8 tribunal, or for the information of the governor, general assembly,
9 board of control, state department of health, or the local board of
10 health where such agency is located. Provided, however, that nothing
11 herein shall prohibit the board of control from disclosing such facts
12 to such proper persons as may be in the interest of a child cared for
13 by such agency or in the interest of the child's parents or foster
14 parents and not inimical to the child, or as may be necessary to pro-
15 tect the interests of the child's prospective foster parents, and pro-
16 vided that nothing herein shall prohibit the statistical analysis by
17 duly authorized persons of data collected by virtue of this act or the
18 publication of the results of such analysis in such manner as will not
19 disclose confidential information.

1 **SEC. 8. Placement of children.** No person other than the parents
2 or relatives of the child within the fourth degree may assume the
3 permanent care and custody of a child under fourteen years of age
4 except in accordance with the provisions of this act, and no person
5 may assign, relinquish, or otherwise transfer to another his rights,

6 or duties with respect to the permanent care or custody of a child
7 under fourteen years of age unless specifically authorized or required
8 so to do by an order or decree of court, or unless the parent or par-
9 ents sign a written release attested by two witnesses, of the permanent
10 care and custody of the child to an agency licensed by the board of
11 control. Neither parent may sign such release without the written
12 consent of the other unless the other is dead or hopelessly insane, or
13 for one year immediately preceding has been under indictment for
14 abandoning the family, or is imprisoned for crime, or is an inmate or
15 keeper of a house of ill fame, or has been deprived of the custody of
16 the child by judicial procedure because of unfitness to be its guardian,
17 or unless the parents are not married to each other. If the parents
18 are not married to each other, the parent having the care and pro-
19 viding for the wants of the child may sign the release. Children
20 so surrendered may not be recovered by the parents except through
21 decree of court based upon proof that the child is neglected by its
22 foster parent, guardian, or custodian, as neglect is defined by the
23 statute relating to neglected children.

1 **SEC. 9. Inspection of placements.** Every month every child-plac-
2 ing agency licensed by the board of control shall report to the board
3 the names of all children placed out by the agency since its preceding
4 monthly report, together with the name and address of the person
5 with whom each child has been placed, and such other information
6 regarding the child and its foster home as may be required by the
7 board. The board of control shall satisfy itself that each licensed
8 child-placing agency is maintaining proper standards in its work, and
9 said board may at any time cause the child and home in which he has
10 been placed to be visited by its agents for the purpose of ascertaining
11 whether the home is a suitable one for the child, and may continue
12 to visit and inspect the foster home and the conditions therein as
13 they affect said child.

1 **SEC. 10. Authority to agencies.** Any institution incorporated under
2 the laws of this state or maintained for the purpose of caring for,
3 placing out for adoption, or otherwise improving the condition of
4 unfortunate children may, under the conditions specified in this act
5 and when licensed in accordance with the provisions of this act:

6 1. Receive neglected, dependent, or delinquent children who are
7 under eighteen years of age, under commitment from the juvenile
8 court, and control and dispose of them subject to the provisions of
9 chapter one hundred eighty (180) of the code, 1924.

10 2. Receive neglected, dependent, and delinquent children under
11 twenty-one and over eighteen years of age, under commitment from
12 the juvenile court, and control and dispose of them as in this act
13 provided.

14 3. Receive, control, and dispose of all minor children voluntarily
15 surrendered to such institutions.

1 **SEC. 11. Importation of children.** No agency shall bring into the
2 state any child for the purpose of placing him out or procuring his
3 adoption without first obtaining the consent of the board of control,
4 and such agency shall conform to the rules of the board. It shall file
5 with the board a bond to the state, approved by the board, in the
6 penal sum of one thousand dollars, conditioned that it will not know-

7 ingly send or bring into the state any child who has a contagious or
8 incurable disease or who is deformed, feeble-minded, or of vicious
9 character; that it will remove any such child who, in the opinion of
10 the board of control, becomes a public charge, or who, in the
11 opinion of the board of control, becomes a menace to the community
12 prior to his adoption or within five years after being brought into
13 the state, or who, in the opinion of the board, has been placed in an
14 unsuitable home; that it will place the child under a written contract
15 approved by the board that the person with whom the child is placed
16 shall be responsible for his proper care and training. Before any
17 child shall be brought or sent into the state for the purpose of plac-
18 ing him in a foster home, the agency so bringing or sending such
19 child shall first notify the board of control of its intention so to do,
20 which notification shall state the name, age, and personal description
21 of the child and the name and address of the person with whom the
22 child is to be placed, and such other information as may be required
23 by the board. The person bringing or sending the child into the
24 state shall report at least once a year and at such other times as the
25 board shall direct, as to the location and well-being of the child so
26 long as he shall remain within the state and until he shall have
27 reached the age of eighteen or shall have been legally adopted; pro-
28 vided, however, that nothing herein shall be deemed to prohibit a
29 resident of this state from bringing into the state a child for adop-
30 tion into his own family. In the case of a breach of said bond a con-
31 clusive presumption shall prevail that the amount of said bond was
32 intended to constitute liquidated damages.

1 **SEC. 12. Exportation of children.** Before any child is taken out or
2 sent out of the state for the purpose of placing him in a foster home,
3 otherwise than by parent or guardian, the person or agency so taking
4 or sending him shall give the board of control such notice and informa-
5 tion and procure such consent as is specified in section eleven (11),
6 and thereafter shall report to the board at least once each year, and
7 at such other times as the board shall direct, as to the location and
8 well-being of the child until he shall have reached the age of eighteen
9 years or shall have been legally adopted.

1 **SEC. 13. Agreement in child placements.** Every agency placing a
2 child in a foster home shall enter into a written agreement with the
3 person taking the child, which agreement shall provide that the
4 agency placing the child shall have access at all reasonable times to
5 such child and to the home in which he is living, and for the return of
6 the child by the person taking him whenever, in the opinion of the
7 agency placing such child, or in the opinion of the board of control, the
8 best interests of the child shall require it. The provisions of this
9 section shall not apply to children who have been legally adopted.

1 **SEC. 14. Proof of relationship.** In a prosecution under the provi-
2 sions of this act or any penal law relating thereto, a defendant who
3 relies for defense upon the relationship of any woman or child to him-
4 self shall have the burden of proof.

1 **SEC. 15. Penalty.** Every person who violates any of the provisions
2 of this act or who intentionally shall make any false statements or
3 reports to the board of control with reference to the matters con-

4 tained herein, shall be guilty of a misdemeanor and upon conviction
5 shall be punished accordingly.

1 **SEC. 16. Repeal.** That sections thirty-six hundred sixty-two
2 (3662), thirty-six hundred sixty-three (3663), thirty-six hundred
3 sixty-four (3664), thirty-six hundred sixty-five (3665), thirty-six hun-
4 dred sixty-nine (3669), thirty-six hundred seventy (3670), thirty-six
5 hundred seventy-two (3672), thirty-six hundred seventy-three
6 (3673), thirty-six hundred seventy-four (3674), thirty-six hundred
7 seventy-five (3675), and thirty-six hundred eighty-four (3684) of the
8 code, 1924, be and the same are hereby repealed.

Approved March 28, A. D. 1925.

CHAPTER 81

PATERNITY

S. F. 134

AN ACT to repeal sections twelve thousand six hundred fifty-eight (12658) to twelve thousand six hundred sixty-seven (12667), both inclusive, code, 1924, relating to children born out of wedlock and to enact a substitute therefor, being an act with reference to proceedings to establish paternity.

Be it enacted by the General Assembly of the State of Iowa:

1 **SECTION 1. Obligation of parents.** The parents of a child born out
2 of wedlock and not legitimized (in this act referred to as "the child")
3 owe the child necessary maintenance, education and support. They
4 are also liable for the child's funeral expenses. The father is also
5 liable to pay the expense of the mother's pregnancy and confinement.
6 The obligation of the parent to support the child under the laws for
7 the support of poor relatives applies to children born out of wedlock.

1 **SEC. 2. Recovery by mother from father.** The mother may recover
2 from the father a reasonable share of the necessary support of the
3 child. In the absence of a previous demand in writing (served per-
4 sonally or by registered letter addressed to the father at his last
5 known residence or in the manner provided for service of original
6 notices) not more than two years' support furnished prior to the
7 bringing of the action may be recovered.

1 **SEC. 3. Recovery by others than mother.** The obligation of the
2 father as hereby provided creates also a cause of action on behalf of
3 the legal representative of the mother, or on behalf of third persons
4 furnishing support or defraying the reasonable expenses thereof,
5 where paternity has been judicially established by proceedings brought
6 by the mother or by or on behalf of the child or by the authorities
7 charged with its support, or where paternity has been acknowledged
8 by the father in writing or by the part performance of the obligations
9 imposed upon him.

1 **SEC. 4. Discharge of father's obligation.** The obligation of the

2 father other than that under the laws providing for the support of
3 poor relatives is discharged by complying with a judicial decree for
4 support or with the terms of a judicially approved settlement. The
5 legal adoption of the child into another family discharges the obliga-
6 tion for the period subsequent to the adoption.

1 **SEC. 5. Liability of the father's estate.** The obligation of the
2 father, when his paternity has been judicially established in his life
3 time, or has been acknowledged by him in writing or by the part
4 performance of his obligations, is enforceable against his estate in
5 such an amount as the court may determine, having regard to the age
6 of the child, the ability of the mother to support it, the amount of
7 property left by the father, the number, age, and financial condition
8 of the lawful issue, if any, and the rights of the widow, if any. The
9 court may direct the discharge of the obligation by periodical pay-
10 ments or by the payment of a lump sum.

1 **SEC. 6. Non-exclusiveness.** Proceedings to establish paternity and
2 to compel support by the father may be brought in accordance with
3 the provisions of this act. They shall not be exclusive of other pro-
4 ceedings that may be available on principles of law and equity.

1 **SEC. 7. Complainants.** The proceedings may be brought by the
2 mother, or other interested person or if the child is or is likely to be
3 a public charge, by the authorities charged with its support. After
4 the death of the mother or in case of her disability, it may also be
5 brought by the child acting through its guardian or next friend.

1 **SEC. 8. Time of bringing complaint.** The proceedings may be in-
2 stituted during the pregnancy of the mother or after the birth of the
3 child, but, except with the consent of the person charged with being
4 the father, the trial shall not be had until after the birth of the child.

1 **SEC. 9. Jurisdiction.** The proceedings shall be entitled in the name
2 of the state against the defendant and shall be brought in the district
3 court in the county in which the alleged father is permanently or
4 temporarily resident, or in which the mother or the child resides or
5 is found. It is not a bar to the jurisdiction of the court, that the
6 complaining mother or child resides in another state.

1 **SEC. 10. Complaint—where brought.** The complaint may be made
2 to any judge or magistrate having power to commit for trial.

1 **SEC. 11. Form of complaint.** The complaint may be made in writ-
2 ing, or oral and in the presence of the complainant reduced to writing
3 by the judge or magistrate or the clerk of the court. It shall be
4 verified by oath or affirmation of the complainant.

1 **SEC. 12. Substance of complaint.** The complainant shall charge the
2 person named as defendant with being the father of the child and
3 demand that he be brought before the judge or magistrate to answer
4 the charge.

1 **SEC. 13. Process.** The judge or magistrate shall issue his warrant
2 for the apprehension of the defendant, directed to any officer in the
3 state authorized to execute warrants, and such warrant may be exe-
4 cuted in any part of the state. With the consent of the complainant,

5 an original notice may be issued in the first instance as in other civil
6 cases, instead of a warrant, which original notice shall be served as
7 in ordinary action.

1 **SEC. 14. Lien and attachment created.** From the time of the filing
2 of such complaint, a lien shall be created upon the real property of
3 the accused in the county where the action is pending for the payment
4 of any money and the performance of any order adjudged by the
5 proper court. The district judge may order an attachment to issue
6 thereon without bond, which order shall specify the amount of prop-
7 erty to be seized thereunder, and may be revoked at any time by such
8 judge or the district court on a showing made to either for a revoca-
9 tion of the same, and on such terms as such court or judge may deem
10 proper in the premises.

1 **SEC. 15. Preliminary hearing.** Upon the return of the warrant, or
2 upon return of the original notice showing service on the defendant,
3 the judge or magistrate before whom the complaint was made, or, in
4 his absence, any other judge or magistrate having power to commit
5 shall proceed to examine the complainant and any other witnesses
6 and receive any other evidence that may be produced, touching the
7 charge. The defendant shall have the right to be present at the
8 examination and to controvert such charges, if he so desires. The
9 examination shall be reduced to writing.

1 **SEC. 16. Result of preliminary hearing.** If the examination fails
2 to show probable cause the defendant shall be discharged without
3 prejudice to further proceedings. If the examination shows probable
4 cause the judge or magistrate shall bind the defendant in bond or
5 recognizance, with sufficient security, to appear at the next term of
6 the district court to be held in the county. On neglect or refusal to
7 furnish such security he shall commit the defendant to jail to be
8 held to answer the complaint. The warrant, the examination reduced
9 to writing, and the security, shall be returned to the court.

1 **SEC. 17. Continuance of trial.** If the child is not born at the time
2 set for the trial, the case shall, unless the defendant consents to trial,
3 be continued until the child is born, and the defendant shall remain
4 bound or held until trial.

1 **SEC. 18. Trial.** The trial shall be by jury, if either party demands
2 a jury, otherwise by the court, and shall be conducted as in other civil
3 cases. The county attorney, on being notified of the facts justifying
4 a complaint as provided in this chapter, or of the filing of such com-
5 plaint, shall prosecute the matter in behalf of the complainant. Unless
6 objection is raised by either party to the action the judge shall ex-
7 clude from the hearing all persons except the employees of the court,
8 witnesses and immediate relatives of the parties involved.

1 **SEC. 19. Absence of defendant.** If the defendant fails to appear,
2 the security for his appearance shall be forfeited and shall be applied
3 on account of the payment of the judgment, but the trial shall pro-
4 ceed as if he were present, and the court shall upon the findings of
5 the judge or the verdict of the jury make such orders as if the de-
6 fendant were in court.

1 **SEC. 20. Effect of death or absence or insanity of mother.** If after

2 the complaint the mother dies or becomes insane or cannot be found
3 within the jurisdiction, the proceeding does not abate, but the child
4 shall be substituted as complainant. The testimony of the mother
5 taken at the preliminary hearing, and her deposition taken as in other
6 civil cases, may in any such case be read as evidence and in all cases
7 shall be read as evidence if demanded by the defendant.

1 **SEC. 21. Death of defendant.** In case of the death of the defend-
2 ant, after the preliminary hearing, the action may be prosecuted
3 against the personal representative of the deceased with like effects
4 as if he were living, subject as regards the measure of support to the
5 provision of section 5 except that no arrest of such personal repre-
6 sentative shall take place or bond be required of him.

1 **SEC. 22. Finding for defendant.** If the verdict of the jury at the
2 trial or the finding of the court be in favor of the defendant the costs
3 of the action shall be paid by the county. If there be motion for a
4 new trial, he shall be held until such motion be disposed of; and if a
5 new trial is granted, the same course shall be pursued as in case of a
6 continuance.

1 **SEC. 23. Judgment.** If the findings or verdict be against the de-
2 fendant, the court shall give judgment against him declaring paternity
3 and for support of the child. The judgment shall be for annual
4 amounts, equal or varying, having regard to the obligation of the
5 father under section 1, as the court directs, until the child reaches
6 the age of sixteen years. The payments may be required to be made
7 at such periods or intervals as the court directs. In addition to pro-
8 viding for support, the judgment may also provide for the payment
9 of the necessary expenses incurred by or for the mother in connection
10 with the birth of the child.

1 **SEC. 24. Payment to trustees.** The court may require the payment
2 to be made to the mother, or to some person or corporation to be
3 designated by the court as trustee. The payments shall be directed
4 to be made to a trustee if the mother does not reside within the juris-
5 diction of the court. The trustee shall report to the court annually,
6 or oftener as directed by the court, the amounts received and paid over.

1 **SEC. 25. Security, commitment, probation.** The court may require
2 the father to give security by bond with sureties, for the payment of
3 the judgment. In default of such security, when required, the court
4 may commit him to jail. After one year the person so committed
5 may be discharged but his liability to pay the judgment shall not
6 thereby be affected. Instead of committing the father to jail, or as
7 a condition of his release from jail, the court may commit him to the
8 custody of the probation officer or other proper person selected by
9 the court, upon such terms regarding payments and personal reports,
10 as the court may direct. Upon violation of the terms imposed, the
11 court may commit or recommit the father to jail.

1 **SEC. 26. Enforcement on default.** Where security is given and
2 default is made in any payment, the court shall cite the parties bound
3 by the security requiring them to show cause why judgment should
4 not be given against them and execution issue thereon. If the amount
5 due and unpaid be not paid before the return day of the citation, and

6 no cause be shown to the contrary, judgment shall be rendered against
7 those served with the citation for the amount due and unpaid together
8 with costs, and execution shall issue therefor saving all remedies upon
9 the bond for future defaults. The judgment shall be enforceable as
10 other judgments.

1 **SEC. 27. Contempt process.** The court also has power, on default
2 as aforesaid, to adjudge the father in contempt and to order him com-
3 mitted to jail in the same manner and with the same powers as in case
4 of commitment for default in giving security. The commitment of
5 the father shall not operate to stay execution upon the judgment on
6 the bond.

1 **SEC. 28. Desertion statute applicable.** The provisions of chapter
2 five hundred ninety-eight (598), code, 1924, relating to desertion and
3 abandonment of children shall have the same force and effect in cases
4 of illegitimacy where paternity has been judicially established, or has
5 been acknowledged by the father in writing or by the furnishing of
6 support, as in cases of children born in wedlock.

1 **SEC. 29. Agreement or compromise.** An agreement or compromise
2 made by the mother or child or by some authorized person on their
3 behalf with the father concerning the support of the child shall be
4 binding upon the mother and child only when adequate provision is
5 fully secured by payment or otherwise and when approved by a court
6 having jurisdiction to compel support of the child. The performance
7 of the agreement or compromise, when so approved, shall bar other
8 remedies of the mother or child for the support of the child.

1 **SEC. 30. Continuing jurisdiction.** The court has continuing juris-
2 diction over proceedings brought to compel support and to increase or
3 decrease the amount thereof until the judgment of the court has been
4 completely satisfied, and also has continuing jurisdiction to determine
5 the custody in accordance with the interests of the child.

1 **SEC. 31. Probation.** Upon a prosecution hereunder, or entry of a
2 plea of guilty or after conviction, the court, instead of imposing sen-
3 tence or as a condition of his release, may commit him to the custody
4 of a probation officer or other proper person, upon such terms as to
5 payment of support to or on behalf of the mother or child and as to
6 personal reports, as the court may direct. Upon violation of the terms
7 imposed, the court may proceed to impose the sentence and commit
8 or recommit in accordance with the sentence.

1 **SEC. 32. Concurrence of remedies.** A criminal prosecution shall
2 not be a bar to, or be barred by, civil proceedings to compel support;
3 but money paid toward the support of the child under the provisions
4 of section 31 shall be allowed for and accredited in determining or
5 enforcing any civil liability.

1 **SEC. 33. Limitation of actions.** Proceedings to enforce the obliga-
2 tion of the father shall not be brought after the lapse of more than
3 two years from the birth of the child, unless paternity has been judi-
4 cially established, or has been acknowledged by the father in writing
5 or by the furnishing of support.

1 **SEC. 34. Judgment of other state.** The judgment of the court of

2 another state rendered in proceedings to compel support of a child
3 born out of wedlock, and directing payment either of a fixed sum or
4 of sums payable from time to time, may be sued upon in this state and
5 made a domestic judgment so far as not inconsistent with the laws
6 of this state, and the same remedies may thereupon be had upon such
7 judgment as if it had been recovered originally in this state.

1 **SEC. 35. Reference in relation to mother and child.** In all records,
2 certificates or other papers hereafter made or executed, other than
3 birth records and certificates or records of judicial proceedings in
4 which the question of birth out of wedlock is at issue, requiring a
5 declaration by or notice to the mother of a child born out of wedlock,
6 it shall be sufficient for all purposes to refer to the mother as the
7 parent having the sole custody of the child or to the child as being
8 in the sole custody of the mother and no explicit reference shall be
9 made to illegitimacy, and the term natural shall be deemed equivalent
10 to the term illegitimate when referring to parentage or birth out of
11 wedlock.

1 **SEC. 36. Report to registrar of vital statistics.** Upon the entry of
2 a judgment determining the paternity of an illegitimate child the clerk
3 of the district court shall notify in writing the state registrar of vital
4 statistics of the name of the person against whom such judgment has
5 been entered, together with such other facts disclosed by his records
6 as may assist in identifying the record of the birth of the child as the
7 same may appear in the office of said registrar. If such judgment
8 shall thereafter be vacated that fact shall be reported by the clerk in
9 the same manner.

1 **SEC. 37. Operation.** This act applies to all cases of birth out of
2 wedlock where birth occurs after this act takes effect, except that
3 section 35 applies to all cases occurring after this act takes effect.

Be it enacted by the General Assembly of the State of Iowa:

1 **SECTION 1. Organization and definition:** Any seven residents of
 2 the state of Iowa may apply to the superintendent of banking for
 3 permission to organize a credit union.

 24 (e) The superintendent shall thereupon notify the applicants of
 25 his decision. If it is favorable he shall issue a certificate of approval,
 26 attached to the duplicate certificate of organization and return the
 27 same, together with the duplicate by-laws to the applicants.

 32 as articles of incorporation are recorded and indexed and return it,
 33 with his certificate of record attached thereto, to the said superin-
 34 tendent of banking for permanent record.
 35 (g) The applicants shall thereupon become and be a credit union,
 36 incorporated in accordance with the provisions of this chapter.
 37 In order to simplify the organization of credit unions, the superin-

 39 thereafter as sufficient fees shall have accumulated to liquidate the
 40 cost of same, shall cause to be prepared an approved form of certificate
