AUTHENTICITY

STATE OF IOWA

Office of Superintendent of Printing

The former statute which required the compiler of the session laws to certify to the authenticity thereof has been repealed in the belief, evidently, that such authenticity is fully covered by the following section of the code, to wit:

“11312. Printed copies of the statute laws of this or any other of the United States, or of congress, or of any foreign government, purporting or proved to have been published under the authority thereof, or proved to be commonly admitted as evidence of the existing laws in the courts of such state or government, shall be admitted in the courts of this state as presumptive evidence of such laws.”

11 mence an equitable action in the district court of the county where
12 said defective, unsafe or dangerous portion of said pipe line, device,
13 apparatus or equipment is located to compel compliance with its said
14 order. If, after due trial of said action the court finds that said order
15 is reasonable, equitable and just, it shall decree a mandatory injunc-

COUNCIL BLUFFS

AN ACT to legalize the proceedings of the city of Council Bluffs, Iowa, with respect to the holding of a special election for the purpose of authorizing a one mill levy for the establishment, improvement, maintenance and operation of an airport and in issuing airport certificates for such purpose, and to authorize the annual levying of such tax and the anticipation of the collection of such tax by the issuance of said certificates.

WHEREAS, there was held on August 26, 1929, a special election in the city of Council Bluffs, Pottawattamie county, Iowa, at which the following proposition was submitted:

"Shall the following public measure be adopted?

Yes
No

Shall there be levied in the city of Council Bluffs, Iowa, a special tax of one mill in addition to all other taxes to pay all or any part of the cost of acquiring, improving, equipping, operating and/or maintaining an airport within or without the corporate limits of said city as contemplated by chapter 138, acts of the 43rd general assembly?"

which proposition received a majority of the votes of the electors of the city of Council Bluffs, voting at said election and the right of the city of Council Bluffs to levy such tax annually has been questioned on the ground that the word "annually" was omitted following the word "levied" in line one (1) of said proposition, and it has been made to appear that it was the intention of the voters to authorize the levying of an annual tax as contemplated by the acts of the general assembly referred to in the proposition; and,

WHEREAS, in the official notice of said election it was provided that the polls should remain open until seven o'clock in the afternoon instead of eight o'clock in the afternoon, as provided by the statutes of the state of Iowa, and it has been made to appear that the polling places in all precincts

actually remained open until eight o'clock in the afternoon on said date, and no persons were deprived of their franchise by reason of such irregularity; and,

WHEREAS, airport certificates have been and may be issued by the city of Council Bluffs pursuant to said election, under the provisions of chapter one hundred thirty-eight (138), acts of the forty-third (43rd) general assembly, and the validity of said certificates has been questioned on the ground that there has been no compliance with the provisions of chapter three hundred nineteen (319) of the code, and in particular with section sixty-two hundred forty-five (6245) thereof, and such certificates do not constitute indebtedness within the meaning of said chapter or section.

Be it enacted by the General Assembly of the State of Iowa:

1 SECTION 1. That all proceedings relating to the election held in
2 Council Bluffs, Iowa, on August 26, 1929, on the proposition of levying
3 a tax to pay for acquiring, improving, equipping, operating and main-

8 collection of such tax for a period of not more than twenty (20) years
9 by the issuance of airport certificates, and its actions in levying such
10 annual tax and in issuing said certificates and in holding said election
11 are hereby declared to be legal and valid, notwithstanding any irregu-

CHAPTER 335

SPECIAL CORPORATION COMMITTEE

HOUSE JOINT RESOLUTION providing for the appointment of a special corporation committee for the purpose of proposing legislation to make the corporation laws of Iowa comprehensive, adequate, modern and harmonious with present business conditions and requirements, and to report to the next regular session of the general assembly of the state of Iowa, and providing an appropriation therefor.

WHEREAS, there has been no general revision of the corporation laws of this state since their adoption in 1851, and said laws have been amended in a piecemeal way from time to time and fail to meet the needs of modern business and operate against the citizens of our own state, and the present laws are in some particulars inadequate and contain inaccuracies and inconsistent provisions and do not constitute a complete, comprehensive and harmonious body of corporation laws, with the result that many corporations that naturally should be formed in Iowa are organized in other states, depriving our state of such business extension and of revenue that should inure to it, and

WHEREAS, the national conference of commissioners on uniform laws, appointed by the American bar association, as the result of years of labor, has drafted and recommended the adoption of a proposed uniform business

corporation act, which has been adopted by some states and used as the basis of a complete set of business corporation laws by other states, and

WHEREAS, said recommended act varies in important provisions from our present laws, but possibly may be used as the basis of a business corporation act suitable to the needs of our people, and

WHEREAS, if the corporation laws of this state are to be rewritten, the subject is one which should have careful consideration, not only by the members of the legislature, but by the citizens of the state carrying on their business in corporate form, and

WHEREAS, the Iowa state bar association at its last session adopted a resolution recommending that a commission be created to report to the general assembly a general revision of the corporation laws of this state, and there exists an urgent and insistent demand that such revision be made, therefore

Be it enacted by the General Assembly of the State of Iowa:

1 SECTION 1. That a special corporation committee to consist of two
2 members appointed by the speaker of the house of representatives
3 from the members thereof; of two members appointed by the lieutenant
4 governor, president of the senate, from the members thereof; of
5 the attorney general, or such person from his staff as he shall designate;
6 of the secretary of state, or such person from his staff as he
7 shall designate, and of the code editor be appointed, whose duty it
8 shall be, in conjunction with such committee for said purpose from
9 the Iowa state bar association as shall be appointed by the president
10 of said association, to collect information and formulate proposed legislation
11 to make the corporation laws of Iowa comprehensive, adequate,
12 modern and harmonious with present business conditions and
13 requirements and to make a written report and recommendations for
14 said proposed legislation, said report to be made to the regular session
15 of the forty-fifth general assembly; that such committee be given
16 authority to employ stenographic and clerical help, and said committee
17 is directed to make its first report to the governor on or before December
18 1, 1931.

1 SEC. 2. The members of said special corporation committee and of
2 said committee of the state bar association, working in conjunction
3 therewith, shall be paid their actual necessary expenses incurred
4 while engaged in their duties as members of said committees, and
5 there is hereby appropriated out of any funds in the state treasury,
6 not otherwise appropriated, the sum of two thousand dollars (\$2000.-
7 00), or so much thereof as may be necessary to pay the expenses of
8 the committees in making said investigation and preparing said report
9 to carry out the provisions of this resolution.

House Joint Resolution No. 6. Approved April 9, 1931.

CHAPTER 336

INVESTIGATION OF EXPENDITURE OF PUBLIC FUNDS

A JOINT RESOLUTION, to establish a committee composed of two members of the senate and two from the house of representatives and two from the state at large to make a thorough study and investigation of state, county, township, city, and town governments for the reduction of the expenditure of public funds; to make a report to the governor of the state not later than November 15, 1932; and to make an appropriation to defray the expenses of such committee.

WHEREAS the cost of government has been steadily increasing, and whereas it is desirable that the expenses of government be reduced without decreasing its efficiency, and whereas it is necessary that a systematic study be made of this question now, therefore:

Be it resolved by the General Assembly of the State of Iowa:

1 SECTION 1. That there is hereby established a committee, which
2 shall be known as a committee on reduction of expenditures, to be
3 composed of six members, two from the senate appointed by the
4 president of the senate, two from the house appointed by the speaker
5 of the house and two appointed by the governor of Iowa.

1 SEC. 2. It shall be the duty of the committee to make a scientific
2 study of the state, county, township, city and town governments, and
3 the organization of the several school systems of the state, and to
4 collect such information and make such recommendations as the com-
5 mittee may deem pertinent relative to the organization and structure
6 of the state government and of the several local governments, includ-
7 ing school districts, and make such other recommendations that will
8 render the state government, the several local governments and the
9 school systems more efficient and will enable them to operate more
10 economically.

1 SEC. 3. The committee shall report to the governor not later than
2 November 15, 1932, setting out its recommendations and proposing

5 and its political subdivisions as enumerated in Sec. 2, hereof, and

1 SEC. 4. The members of the committee shall serve without compen-
2 sation from the state, but the members of the committee shall be paid
3 their necessary traveling and hotel expenses. The committee is like-

6 in carrying out its work.

1 SEC. 5. There is hereby appropriated from the funds of the state
2 treasury, not otherwise appropriated, the sum of ten thousand dol-
3 lars (\$10,000), or as much in all as may be necessary to carry out
4 the proposals of this act.

Senate Joint Resolution No. 12. Approved April 25, 1931.

CHAPTER 337

WHEREAS, the thoughtless encroachments of commercial and private ownership have polluted too many of our streams, unwisely drained our lakes, destroyed many of our beauty and scenic spots, and cut off the approach to the natural playgrounds of our people, and

WHEREAS, our scattered efforts toward conservation and reclamation need to be co-ordinated under an expertly devised and statewide continuing program, immune to the favoritism of changing political forces, therefore

1 SEC. 2. That such plans and specifications, when completed and
2 approved by the state board of conservation and fish and game de-
3 partment, subject to the approval of the executive council, shall con-
4 stitute a definite and well-ordered twenty-five (25) year budgeted
5 program looking to the acquisition of waste lands, streams, marsh
6 and lake borders, scenic areas for state parks, and the improvement
7 thereof; the construction and establishment of fish hatcheries, game
8 preserves, bird refuges and sanctuaries, scenic highways, and such
9 other recreational activities as may be incident thereto, toward which
10 the various funds available for conservation in Iowa during said
11 twenty-five (25) year period may be concentrated and spent in an
12 orderly and scientific development of the natural resources, recre-
13 ational areas and park systems of the whole state, giving and direct-
14 ing precedence to the completion of any project now in the process of
15 rehabilitation or development, and which project has been specially
16 authorized by a legislative act, and on which project state expendi-
17 tures have been made for surveys, plans, and land contracts.

1 SEC. 3. That the state board of conservation and the state fish
2 and game department are hereby directed to set aside from their
3 funds already appropriated or hereafter appropriated, sufficient funds,
4 not to exceed a total of twenty-five thousand (25,000) dollars to de-
5 fray the cost of said contract, said sum to be paid, one half by the
6 state board of conservation and one half by the state fish and game
7 department.

1 SEC. 4. This act being deemed of immediate importance shall be
 2 in full force and effect from and after its publication in the West
 3 Union Argo Gazette, a newspaper published in West Union, Iowa, and
 4 in the Waukon Republican and Standard, a newspaper published in
