PREFACE

CERTIFICATION

We, Glen P. Dickinson, Director, Legislative Services Agency, Richard L. Johnson, Legal Services Division Director, Leslie E. W. Hickey, Iowa Code Editor, and Joanne R. Page, Deputy Iowa Code Editor, certify that, to the best of our knowledge, the Acts and Resolutions in this volume have been prepared from the original enrolled Acts and Resolutions on file in the office of the Secretary of State; are correct copies of those Acts and Resolutions; are published under the authority of the statutes of this state; and constitute the Acts and Resolutions of the 2010 Regular Session of the Eighty-third General Assembly of the State of Iowa.

STATUTES AS EVIDENCE

Iowa Code section 622.59 is as follows:

622.59 Printed copies of statutes. Printed copies of the statute laws of this or any other of the United States, or of Congress, or of any foreign government, purporting or proved to have been published under the authority thereof, or proved to be commonly admitted as evidence of the existing laws in the courts of such state or government, shall be admitted in the courts of this state as presumptive evidence of such laws.

EXPLANATORY NOTES

Temporary Code numbers. CODE NUMBERS ASSIGNED TO NEW SECTIONS AND SUBSECTIONS IN THE ACTS ARE TEMPORARY AND MAY BE CHANGED WHEN THE 2011 IOWA CODE IS PUBLISHED. Changes will be shown in the Tables of Disposition of Acts in the 2011 Iowa Code.

Typographic style. The Acts and Resolutions in this volume are printed as they appear on file in the office of the Secretary of State. No editorial corrections have been made. Underlined type indicates new material added to existing statutes; strike-through type indicates deleted material. Italics within an Act indicate material that the Governor has item vetoed. Item vetoed text is also indicated by asterisks at the beginning and ending of the vetoed material. Superscript numbers indicate explanatory footnotes.

Effective and enactment dates. The Acts of the 2010 Regular Session took effect on July 1, 2010, unless otherwise provided. The date of enactment generally is the date an Act is approved by the Governor, which is shown at the end of each Act. See Iowa Code section 3.7.

State mandates. Iowa Code section 25B.5 requires that for each enacted bill or joint resolution containing a state mandate (defined in section 25B.3), an estimate of additional local revenue expenditures required by the mandate must be filed with the Secretary of State. Section 2B.10 states that a notation of the filing of the estimate must be included in the Iowa Acts with the text of the bill or resolution. A dagger is placed at the beginning of the enacting clause and a footnote is included for any enrolled Act or Resolution for which a mandate notation is required. No enrolled Acts required the filing of the estimate this year.

Resolutions. Concurrent resolutions and Senate and House resolutions are generally not included. See Senate and House Journals for adopted resolutions.

Orders for legal publications should be addressed to the Legislative Services Agency, 1112 E. Grand Avenue, Miller Building, Des Moines, Iowa 50319. Telephone (515) 281-6766

The program shall act to verify the information within forty-eight hours of notification. If the information is verified, the requirements of paragraph “c” shall be applied by the program to determine whether or not the student’s involvement in a clinical education component may continue. The program may allow the student involvement to continue pending the performance of an evaluation by the department of human services. A student who is required by this subparagraph to inform the program of a conviction or entry of an abuse record and fails to do so within the required period commits a serious misdemeanor.

(2) If a program receives credible information, as determined by the program, that a student has been convicted of a crime or a record of founded child or dependent adult abuse has been entered in the abuse registry after the record checks and any evaluation have been performed, from a person other than the student and the student has not informed the program of such information within the period required under subparagraph (1), the program shall act to verify the credible information within forty-eight hours of receipt of the credible information. If the information is verified, the requirements of paragraph “c” shall be applied to determine whether or not the student’s involvement in a clinical education component may continue.

(3) The program may notify the county attorney for the county where the program is located of any violation or failure by a student to notify the program of a criminal conviction or entry of an abuse record within the period required under subparagraph (1).

e. If a certified nurse aide training program is conducted by a health care facility and a student of that program subsequently accepts and begins employment with the facility within thirty days of completing the program, the criminal history and abuse registry checks of the student performed pursuant to this subsection shall be deemed to fulfill the requirements for such checks prior to employment pursuant to subsection 1.

Sec. 67. Section 8A.402, subsection 2, paragraph g, Code Supplement 2009, is amended to read as follows:

g. (1) (a) Consult with the department of management and discuss and collaborate with executive branch agencies to implement and maintain a policy for incrementally increasing the aggregate ratio in the number of employees per supervisor supervisory employee in executive branch agencies to be fourteen employees for one supervisor. For purposes of determining the effects of the policy on the state employee workforce, the base date of July 1, 2008, shall be used and the target date for full implementation shall be July 1, 2011. The target aggregate ratio of supervisory employees to other employees shall be as follows:

(i) For the fiscal year beginning July 1, 2010, one to fourteen.

(ii) For the fiscal year beginning July 1, 2011, one to fifteen.

(b) For the purposes of this paragraph "g", "supervisory employee" means a public employee who is not a member of a collective bargaining unit and who has authority, in the interest of a public employer, to hire, transfer, suspend, lay off, recall, promote, discharge, assign, reward, or discipline other public employees, to direct such public employees, or to adjust the grievances of such public employees, or to effectively recommend any such action.

(c) In this paragraph "g", executive branch agencies, except the department of public safety, shall not grant a supervisory employee with the right to replace or bump a junior employee not being laid off for a position for which the supervisory employee is qualified.

(d) The policy shall allow appropriation units with twenty-eight or fewer full-time equivalent employee positions to apply for an exception to the policy through the executive

council. The policy shall allow for exceptions when the supervisory employee ratio is mandated by a federal requirement.

(e) (i) Beginning July 1, 2011, the policy shall allow a director of an executive branch agency who believes that the agency will not be able to reach the applicable target aggregate ratio to apply for a waiver of that requirement through a five-person review board. In applying for a waiver, the director shall provide detailed documentation to the board describing the efforts that the executive branch agency has made in attempting to meet the applicable target aggregate ratio provided in this paragraph "g". The review board shall consist of the director of the department of management or a designee of the director, three agency directors or the designees of those directors as designated by the governor, and one public member selected by the employee organization representing the greatest number of executive branch employees. However, if a department represented on the review board seeks a waiver, the member representing the department shall not participate in the decision on whether to grant a waiver for that department.

(ii) Prior to determining whether to grant a waiver, the review board shall make an initial determination of whether the executive branch agency has provided sufficient information to conduct a review. If not, the review board shall deny the request and notify the executive branch agency of the information needed to consider the request for waiver. If a waiver is granted, the review board shall limit the waiver to only those operations within an executive branch agency in which adequate justification for granting a waiver has been established.

(f) The policy shall provide that if layoffs are implemented, the number of middle management position layoffs shall correspond to the relative number of direct service position layoffs.

(g) The policy shall improve on the system in effect as of the base date by specifically defining and accounting for supervisory employee span of control.

(h) The policy shall provide that in calculating the span of control ratio for an executive branch agency, unfunded full-time equivalent positions shall not be utilized.

(e) (i) The department shall present an interim report to the governor and general assembly on or before April 1, 2010, annual updates on or before April 1 subsequently, and a final report on or before April 1, 2011 2012, detailing the effects of the policy on the composition of the workforce, cost savings, government efficiency, and outcomes.

(d) (j) The policy developed pursuant to this paragraph "g" shall not encompass employees under the state board of regents, the department of human services, or a judicial district department of correctional services. However, the department of administrative services shall work with the state board of regents, the department of human services, and the judicial district departments of correctional services to advance the policy as a goal for the supervisory staff of these units of state government.

(2) Evaluate the state's systems for job classification of executive branch employees in order to ensure the existence of technical skill-based career paths for such employees which do not depend upon an employee gaining supervisory responsibility for advancement, and which provide incentives for such employees to broaden their knowledge and skill base. The evaluation shall include but is not limited to a review of the classifications for all positions and providing options for eliminating obsolete, duplicative, or unnecessary job classifications. The department shall present interim reports to the general assembly on or before January 15, 2010, and January 14, 2011, concerning the department's progress in completing the evaluation and associated outcomes.

Sec. 68. NEW SECTION. 262.9C Span of control policy.

1. The state board of regents shall develop and maintain a policy regarding the aggregate ratio of the number of employees per supervisory employee at each of the institutions under the control of the board subject to the requirements of this section.

2. The target span of control aggregate ratio of supervisory employees to other employees shall be one to fifteen. The target span of control ratio shall not apply to employees involved with direct patient care, faculty, and employees in other areas of the institutions that must maintain different span of control ratios due to federal or state regulations.

3. For the purposes of this section, "supervisory employee" means a public employee who is not a member of a collective bargaining unit and who has authority, in the interest of a public

employer, to hire, transfer, suspend, lay off, recall, promote, discharge, assign, reward, or discipline other public employees, to direct such public employees, or to adjust the grievances of such public employees, or to effectively recommend any such action.

4. The policy shall allow departments within an institution under the control of the state board of regents with twenty-eight or fewer full-time equivalent employee positions to be granted an exception to the policy by the board. Departments applying for an exception shall file a statement of need with the applicable institutional human resources office and the office shall make a recommendation to the state board of regents.

5. The state board of regents shall present an interim report to the governor and general assembly on or before April 1, 2010, with annual updates detailing the effects of the policy on the composition of the workforce, cost savings, efficiencies, and outcomes. In addition, the report and annual updates shall identify those departments within each institution under the control of the board granted an exception by the board to the policy as provided in this section.

Sec. 69. **EFFECTIVE UPON ENACTMENT.** This division of this Act, being deemed of immediate importance, takes effect upon enactment.

⁹ See chapter 1193, §35 herein

¹⁰ See chapter 1193, §35 herein

b. Before setoff, the state agency shall obtain and forward to the collection entity the full name and social security number of the person liable to it or to whom a claim is owing who is a natural person. If the person is not a natural person, before setoff, the state agency shall forward to the collection entity the information concerning the person as the collection entity shall, by rule, require. The collection entity shall cooperate with other state agencies in the exchange of information relevant to the identification of persons liable to or of claimants of state agencies. However, the collection entity shall provide only relevant information required by a state agency. The information shall be held in confidence and used for the purpose of setoff only. Section 422.72, subsection 1, does not apply to this paragraph.

c. Before setoff, a state agency shall, at least annually, submit to the collection entity the information required by paragraph "b" along with the amount of each person's liability to and the amount of each claim on the state agency. The collection entity may, by rule, require more frequent submissions.

d. Before setoff, the amount of a person's claim on a state agency and the amount of a person's liability to a state agency shall constitute a minimum amount set by rule of the collection entity.

e. Upon submission of an allegation of liability by a state agency, the collection entity shall notify the state agency whether the person allegedly liable is entitled to payment from a state agency, and, if so entitled, shall notify the state agency of the amount of the person's entitlement and of the person's last address known to the collection entity. The collection entity shall, after the state agency has sent notice to the person liable or, if the liability is owing and payable to the clerk of the district court, the collection entity has sent notice to the person liable, set off the amount owed to the agency against any amount which a state agency owes that person. The collection entity shall refund any balance of the amount to the person. The collection entity shall periodically transfer amounts set off to the state agencies entitled to them. If a person liable to a state agency gives written notice of intent to contest an allegation, a state agency shall hold a refund or rebate until final disposition of the allegation. Upon completion of the setoff, a state agency shall notify in writing the person who was liable or, if the liability is owing and payable to the clerk of the district court, shall comply with the procedures as provided in paragraph "j".

i. The department of revenue's existing right to credit against tax due or to become due under section 422.73 is not to be impaired by a right granted to or a duty imposed upon the collection entity or other state agency by this section. This section is not intended to impose

upon the collection entity or the department of revenue any additional requirement of notice, hearing, or appeal concerning the right to credit against tax due under section 422.73.

(3) Upon completion of the setoff, the collection entity shall file, at least monthly, with the clerk of the district court a notice of satisfaction of each obligation to the full extent of all moneys collected in satisfaction of the obligation. The clerk shall record the notice and enter a satisfaction for the amounts collected and a separate written notice is not required.

4. *State reciprocal agreements.* The director shall have the authority to enter into reciprocal agreements with the departments of revenue of other states that have enacted legislation that is substantially equivalent to the setoff procedure provided in this section for the recovery of an amount due because of a default on a guaranteed student or parental loan under chapter 261. A reciprocal agreement shall also be approved by the college student aid commission. The agreement shall authorize the department to provide by rule for the setoff of state income tax refunds or rebates of defaulters from states with which Iowa has a reciprocal agreement and to provide for sending lists of names of Iowa defaulters to the states with which Iowa has a reciprocal agreement for setoff of that state's income tax refunds.

2. Vouchers for postage, stamped envelopes, and postal cards may be audited as soon as an order for them is entered.

3. The departments, the general assembly, and the courts shall pay their claims in a timely manner. If a claim for services, supplies, materials, or a contract which is payable from the state treasury remains unpaid after sixty days following the receipt of the claim or the satisfactory delivery, furnishing, or performance of the services, supplies, materials, or contract, whichever date is later, the state shall pay interest at the rate of one percent per month on the unpaid amount of the claim. 2. Notwithstanding subsection 1, the court may assess not less than two times the amount of damages which the state sustains because of the act of the person described in subsection 1, if the court finds all of the following:

a. The person committing the violation furnished officials of the state responsible for investigating false claims violations with all information known to such person about the violation within thirty days after the date on which the person first obtained the information.

b. The person fully cooperated with the state investigation of such violation.

c. At the time the person furnished the state with the information about the violation, a criminal prosecution, civil action, or administrative action had not commenced under this chapter with respect to such violation, and the person did not have actual knowledge of the existence of an investigation into such violation.

3. A person violating this section shall also be liable to the state for the costs of a civil action brought to recover any such penalty or damages.

4. Any information furnished pursuant to subsection 2 is deemed confidential information exempt from disclosure pursuant to chapter 22.

5. This section shall not apply to claims, records, or statements made under Tit. X relating to state revenue and taxation.

Sec. 340. NEW SECTION. 685.3 Investigations and prosecutions — powers of prosecuting authority — civil actions by individuals as qui tam plaintiffs and as private citizens — jurisdiction of courts.

1. The attorney general shall diligently investigate a violation under section 685.2. If the attorney general finds that a person has violated or is violating section 685.2, the attorney general may bring a civil action under this section against that person.

2. a. A person may bring a civil action for a violation of this chapter for the person and for the state, in the name of the state. The person bringing the action shall be referred to as the qui tam plaintiff. Once filed, the action may be dismissed only if the court and the attorney general provide written consent to the dismissal and the reasons for such consent.

b. A copy of the complaint and written disclosure of substantially all material evidence and information the person possesses shall be served on the attorney general pursuant to the Iowa rules of civil procedure. The complaint shall also be filed in camera, shall remain under seal for at least sixty days, and shall not be served on the defendant until the court so orders. The state may elect to intervene and proceed with the action within sixty days after the state receives both the complaint and the material evidence and the information.

c. The state may, for good cause shown, move the court for extensions of the time during which the complaint remains under seal under paragraph “b”. Any such motions may be supported by affidavits or other submissions in camera. The defendant shall not be required to respond to any complaint filed under this section until twenty days after the complaint is unsealed and served upon the defendant pursuant to rule 1.302 of the Iowa rules of civil procedure.

d. Before the expiration of the sixty-day period or any extensions obtained under paragraph “c”, the state shall do one of the following:

(1) Proceed with the action, in which case the action shall be conducted by the state.

(2) Notify the court that the state declines to take over the action, in which case the qui tam plaintiff shall have the right to conduct the action.

e. When a person brings an action under this section, no person other than the state may intervene or bring a related action based on the facts underlying the pending action.

3. a. If the state proceeds with the action, the state shall have the primary responsibility for prosecuting the action, and shall not be bound by an act of the qui tam plaintiff. Such qui tam plaintiff shall have the right to continue as a party to the action, subject to the limitations specified in paragraph "b".

b. (1) The state may move to dismiss the action, notwithstanding the objections of the qui tam plaintiff if the qui tam plaintiff has been notified by the state of the filing of the motion and the court has provided the qui tam plaintiff with an opportunity for a hearing on the motion.

(2) The state may settle the action with the defendant notwithstanding the objections of the qui tam plaintiff if the court determines, after a hearing, that the proposed settlement is fair, adequate, and reasonable under all of the circumstances. Upon a showing of good cause, such hearing may be held in camera.

(3) Upon a showing by the state that unrestricted participation during the course of the litigation by the qui tam plaintiff would interfere with or unduly delay the state's prosecution of the case, or would be repetitious, irrelevant, or for purposes of harassment, the court may, in its discretion, impose limitations on the qui tam plaintiff's participation, including but not limited to any of the following:

(a) Limiting the number of witnesses the qui tam plaintiff may call.

(b) Limiting the length of the testimony of such witnesses.

(c) Limiting the qui tam plaintiff's cross-examination of witnesses.

(d) Otherwise limiting the participation by the qui tam plaintiff in the litigation.

(4) Upon a showing by the defendant that unrestricted participation during the course of the litigation by the qui tam plaintiff would be for purposes of harassment or would cause the defendant undue burden or unnecessary expense, the court may limit the participation by the qui tam plaintiff in the litigation.

c. If the state elects not to proceed with the action, the qui tam plaintiff shall have the right to conduct the action. If the state so requests, the state shall be served with copies of all pleadings filed in the action and shall be supplied with copies of all deposition transcripts at the state's expense. When a qui tam plaintiff proceeds with the action, the court, without limiting the status and rights of the qui tam plaintiff, may permit the state to intervene at a later date upon a showing of good cause.

d. Whether or not the state proceeds with the action, upon a showing by the state that certain actions of discovery by the qui tam plaintiff would interfere with the state's investigation or prosecution of a criminal or civil matter arising out of the same facts, the court may stay such discovery for a period of not more than sixty days. Such a showing shall be conducted in camera. The court may extend the sixty-day period upon a further showing in camera that the state has pursued the criminal or civil investigation or proceedings with reasonable diligence and any proposed discovery in the civil action will interfere with the ongoing criminal or civil investigation or proceedings.

e. Notwithstanding subsection 2, the state may elect to pursue the state's claim through any alternate remedy available to the state, including any administrative proceeding to determine a civil penalty. If any such alternate remedy is pursued in another proceeding, the qui tam plaintiff shall have the same rights in such proceeding as such qui tam plaintiff would have had if the action had continued under this section. Any finding of fact or conclusion of law made in such other proceeding that has become final, shall be conclusive as to all such parties to an action under this section. For purposes of this paragraph, a finding or conclusion is final if it has been finally determined on appeal to the appropriate court of the state, if all time for filing such an appeal with respect to the finding or conclusion has expired, or if the finding or conclusion is not subject to judicial review.

4. a. (1) If the state proceeds with an action brought by a qui tam plaintiff under subsection 2, the qui tam plaintiff shall, subject to subparagraph (2), receive at least fifteen percent but not more than twenty-five percent of the proceeds of the action or settlement of the claim,

depending upon the extent to which the qui tam plaintiff substantially contributed to the prosecution of the action.

(2) If the action is one which the court finds to be based primarily on disclosures of specific information, other than information provided by the qui tam plaintiff, relating to allegations or transactions in a criminal, civil, or administrative hearing, or in a legislative, administrative or state auditor report, hearing, audit, or investigation, or from the news media, the court may award an amount the court considers appropriate, but in no case more than ten percent of the proceeds, taking into account the significance of the information and the role of the qui tam plaintiff in advancing the case to litigation.

(3) Any payment to a qui tam plaintiff under subparagraph (1) or (2) shall be made from the proceeds. Any such qui tam plaintiff shall also receive an amount for reasonable expenses which the appropriate court finds to have been necessarily incurred, plus reasonable attorney fees and costs. All such expenses, fees, and costs shall be awarded against the defendant.

b. If the state does not proceed with an action under this section, the qui tam plaintiff or person settling the claim shall receive an amount which the court decides is reasonable for collecting the civil penalty and damages. The amount shall be not less than twenty-five percent and not more than thirty percent of the proceeds of the action or settlement and shall be paid out of such proceeds. Such qui tam plaintiff or person shall also receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorney fees and costs. All such expenses, fees, and costs shall be awarded against the defendant.

c. Whether or not the state proceeds with the action, if the court finds that the action was brought by a qui tam plaintiff who planned and initiated the violation of section 685.2 upon which the action was brought, the court may, to the extent the court considers appropriate, reduce the share of the proceeds of the action which the qui tam plaintiff would otherwise receive under paragraph "a" or "b", taking into account the role of that qui tam plaintiff in advancing the case to litigation and any relevant circumstances pertaining to the violation. If the qui tam plaintiff is convicted of criminal conduct arising from the qui tam plaintiff's role in the violation of section 685.2, the qui tam plaintiff shall be dismissed from the civil action and shall not receive any share of the proceeds of the action. Such dismissal shall not prejudice the right of the state to continue the action represented by the attorney general.

d. If the state does not proceed with the action and the qui tam plaintiff conducts the action, the court may award to the defendant reasonable attorney fees and expenses if the defendant prevails in the action and the court finds that the claim of the qui tam plaintiff was clearly frivolous, clearly vexatious, or brought primarily for purposes of harassment.

5. a. A court shall not have jurisdiction over an action brought by a former or present member of the Iowa national guard under this chapter against a member of the Iowa national guard arising out of such person's services in the Iowa national guard.

b. A qui tam plaintiff shall not bring an action under subsection 2 which is based upon allegations or transactions which are the subject of a civil suit or an administrative civil penalty proceeding in which the state is already a party.

c. A court shall not have jurisdiction over an action under this section based upon the public disclosure of allegations or transactions in a criminal, civil, or administrative hearing, or in a legislative, administrative, or state auditor report, hearing, audit, or investigation, or from the news media, unless the action is brought by the attorney general or the qui tam plaintiff is an original source of the information.

d. The state is not liable for expenses which a person incurs in bringing an action under this section.

6. Any employee, contractor, or agent who is discharged, demoted, suspended, threatened, harassed, or in any other manner discriminated against in the terms and conditions of employment because of lawful acts performed by the employee, contractor, or agent on behalf of the employee, contractor, or agent or associated others in furtherance of other efforts to stop a violation of this chapter, shall be entitled to all relief necessary to make the employee, contractor, or agent whole. Such relief shall include reinstatement with the same seniority status such employee, contractor, or agent would have had but for the discrimination, two times the amount of back pay, interest on the back pay, and compensation for any special damages sustained as a result of the discrimination, including litigation costs

and reasonable attorney fees. An employee, contractor, or agent may bring an action in the appropriate district court of the state for the relief provided in this subsection.

Sec. 341. NEW SECTION. 685.4 Procedure — statute of limitations.

1. A subpoena requiring the attendance of a witness at a trial or hearing conducted under this chapter may be served at any place in the state, or through any means authorized in the Iowa rules of civil procedure.

2. A civil action under this chapter may not be brought more than six years after the date on which the violation of section 685.2 is committed, or more than three years after the date when facts material to the right of action are known or reasonably should have been known by the official of state charged with responsibility to act in the circumstances, but in no event more than ten years after the date on which the violation is committed, whichever occurs last.

3. If the state elects to intervene and proceed with an action brought under this chapter, the state may file its own complaint or amend the complaint of a qui tam plaintiff to clarify or add detail to the claims in which the state is intervening and to add any additional claims with respect to which the state contends it is entitled to relief. For statute of limitations purposes, any such state pleading shall relate back to the filing date of the complaint of the qui tam plaintiff who originally brought the action, to the extent that the claim of the state arises out of the conduct, transactions, or occurrences set forth, or attempted to be set forth, in the prior complaint of that person.

4. In any action brought under section 685.3, the state shall prove all essential elements of the cause of action, including damages, by a preponderance of the evidence.

5. Notwithstanding any other provision of law, the Iowa rules of criminal procedure, or the Iowa rules of evidence, a final judgment rendered in favor of the state in any criminal proceeding charging fraud or false statements, whether upon a verdict after trial or upon a plea of guilty or nolo contendere, shall estop the defendant from denying the essential elements of the offense in any action which involves the same transaction as in the criminal proceeding and which is brought under section 685.3.

Sec. 342. NEW SECTION. 685.5 Jurisdiction.

1. Any action under section 685.3 may be brought in any county in which the defendant or, in the case of multiple defendants, any one defendant can be found, resides, transacts business, or in which any act proscribed by section 685.2 occurred. An original notice as required by the Iowa rules of civil procedure shall be issued by the appropriate district court and served in accordance with the Iowa rules of civil procedure.

2. A seal on the action ordered by the court under section 685.3 shall not preclude the state, local government, or the qui tam plaintiff from serving the complaint, any other pleadings, or the written disclosure of substantially all material evidence and information possessed by the qui tam plaintiff on the law enforcement authorities that are authorized under the law of the state or local government to investigate and prosecute such actions on behalf of such governments, except that such seal applies to the law enforcement authorities so served to the same extent as the seal applies to other parties in the action.

Sec. 343. NEW SECTION. 685.6 Civil investigative demands.

1. Issuance and service.

a. If the attorney general, or a designee, for the purposes of this section, has reason to believe that any person may be in possession, custody, or control of any documentary material or information relevant to a false claims law investigation, the attorney general, or a designee, may, before commencing a civil proceeding under section 685.3, subsection 1, or other false claims law, or making an election under section 685.3, subsection 2, issue in writing and cause to be served upon such person, a civil investigative demand requiring any of the following of such person:

b. If such demand is for the production of documentary material, the demand shall provide all of the following:

(1) Describe each class of documentary material to be produced with such definiteness and certainty as to permit such material to be fairly identified.

(4) Notify the person receiving the demand of the right to be accompanied by an attorney and any other representative.

(5) Describe the general purpose for which the demand is being issued and the general nature of the testimony, including the primary areas of inquiry, which will be taken pursuant to the demand.

e. Any civil investigative demand issued under this section which is an express demand for any product of discovery shall not be returned or returnable until twenty days after a copy of such demand has been served upon the person from whom the discovery was obtained.

f. The date prescribed for the commencement of oral testimony pursuant to a civil investigative demand issued under this section shall be a date which is not less than seven days after the date on which demand is received, unless the attorney general or an assistant attorney general designated by the attorney general determines that exceptional circumstances are present which warrant the commencement of such testimony within a lesser period of time.

g. The attorney general shall not authorize the issuance under this section of more than one civil investigative demand for oral testimony by the same person, unless the person requests otherwise or unless the attorney general, after investigation, notifies that person in writing that an additional demand for oral testimony is necessary.

b. Any such demand which is an express demand for any product of discovery, supersedes any inconsistent order, rule, or provision of law, other than this section, preventing or restraining disclosure of such product of discovery to any person. Disclosure of any product of discovery pursuant to any such express demand does not constitute a waiver of any right or privilege which the person making such disclosure may be entitled to invoke to resist discovery of trial preparation materials.

4. *Service.*

c. Any person upon whom any civil investigative demand for the production of documentary material has been served under this section shall make such material available for inspection and copying to the false claims law investigator identified in such demand at the principal place of business of such person, or at such other place as the false claims law investigator and the person agree and prescribe in writing, or as the court may direct under subsection 9. (1) In the case of a natural person, the person to whom the demand is directed.

(2) In the case of a person other than a natural person, the person or persons responsible for answering each interrogatory.

b. If any interrogatory is objected to, the reasons for the objection shall be stated in the certificate instead of an answer. The certificate shall state that all information required by the demand and in the possession, custody, control, or knowledge of the person to whom the demand is directed has been submitted. To the extent that any information is not furnished, the information shall be identified and reasons set forth with particularity regarding the reasons why the information was not furnished.

7. *Oral examinations.*

a. The examination of any person pursuant to a civil investigative demand for oral testimony served under this section shall be taken before an officer authorized to administer oaths and affirmations by the laws of this state or of the place where the examination is held. d. When the testimony is fully transcribed, the false claims law investigator or the officer before whom the testimony is taken shall afford the witness, who may be accompanied by counsel, a reasonable opportunity to examine and read the transcript, unless such examination and reading are waived by the witness. Any changes in form or substance which the witness desires to make shall be entered and identified upon the transcript by the officer or the false claims law investigator, with a statement of the reasons given by the witness for making such changes. The transcript shall then be signed by the witness, unless the witness in writing waives the signing, is ill, cannot be found, or refuses to sign. If the transcript is not signed by the witness within thirty days after being afforded a reasonable opportunity to examine the transcript, the officer or the false claims law investigator shall sign the transcript and state on the record the fact of the waiver, illness, absence of the witness, or the refusal to sign, together with the reasons, if any, for the waiver, illness, absence, or refusal.

Such person may not otherwise object to or refuse to answer any question, and may not directly or through counsel otherwise interrupt the oral examination. If such person refuses to answer any question, a petition may be filed in the district court of the state under subsection 9 for an order compelling such person to answer such question.

Nothing in this subparagraph is intended to prevent disclosure to the general assembly, including any committee or subcommittee of the general assembly, or to any other agency of the state for use by such agency in furtherance of its statutory responsibilities.

(4) While in the possession of the custodian and under such reasonable terms and conditions as the attorney general shall prescribe all of the following shall apply, as applicable:

e. (1) In the event of the death, disability, or separation from service in the department of justice of the custodian of any documentary material, answers to interrogatories, or transcripts of oral testimony produced pursuant to a civil investigative demand under this section, or in the event of the official relief of such custodian from responsibility for the custody and control of such material, answers, or transcripts, the attorney general shall promptly do all of the following:

During the pendency of the petition, the court may stay, as it deems proper, compliance with the demand and the running of the time allowed for compliance with the demand.

d. At any time during which any custodian is in custody or control of any documentary material or answers to interrogatories produced, or transcripts of oral testimony given, by any person in compliance with any civil investigative demand issued under subsection 1, such person, and in the case of an express demand for any product of discovery, the person from whom such discovery was obtained, may file, in the district court of⁷³ state for the judicial district within which the office of such custodian is located, and serve upon such custodian, a petition for an order of such court to require the performance by the custodian of any duty imposed upon the custodian by this section.

5. If a timely written response and request for a court hearing is not received by the unit and a party does not deny paternity, the administrator shall enter an order in accordance with section 252F.4.

Upon receipt of a written challenge of paternity establishment, or upon initiation by the unit, the administrator shall enter *ex parte* administrative orders requiring the mother, child or children involved, and the putative father to submit to paternity testing. Either the mother or putative father may contest paternity under this chapter.

b. The orders shall be filed with the clerk of the district court in the county where the notice was filed and have the same force and effect as a court order for paternity testing.

c. The unit shall issue copies of the respective administrative orders for paternity testing to the mother and putative father in person, or by regular mail to the last known address of each, or if applicable, to the last known address of the attorney for each.

d. If a paternity test is ordered under this section, the administrator shall direct that inherited characteristics be analyzed and interpreted, and shall appoint an expert qualified as an examiner of genetic markers to analyze and interpret the results. The test shall be of a type generally acknowledged as reliable by accreditation entities designated by the secretary of the United States department of health and human services and shall be performed by a laboratory approved by an accreditation entity.

e. The party contesting paternity shall be provided one opportunity to reschedule the paternity testing appointment if the testing is rescheduled prior to the date of the originally scheduled appointment.

However, if the action is the result of a request from a foreign jurisdiction, the unit shall issue a copy of the results to the initiating agency in that foreign jurisdiction.

g. Verified documentation of the chain of custody of the blood or genetic specimens is competent evidence to establish the chain of custody. The testimony of the appointed expert is not required. A verified expert's report of test results which indicate a statistical probability of paternity is sufficient authenticity of the expert's conclusion.

h. A verified expert's report shall be admitted as evidence to establish administrative paternity, and, if a court hearing is scheduled to resolve the issue of paternity, shall be admitted as evidence and is admissible at trial.

i. If the verified expert concludes that the test results show that the putative father is not excluded and that the probability of the putative father's paternity is ninety-five percent or higher, there shall be a rebuttable presumption that the putative father is the biological father, and the evidence shall be sufficient as a basis for administrative establishment of paternity.

(1) In order to challenge the presumption of paternity, a party shall file a written notice of the challenge with the district court within twenty days from the date the paternity test results are issued or mailed to all parties by the unit. Any challenge to a presumption of paternity resulting from paternity tests, or to paternity test results filed after the lapse of the twenty-day time frame shall not be accepted or admissible by the unit or the court.

(2) A copy of the notice challenging the presumption of paternity shall be provided to any other party in person, or by mailing the notice to the last known address of each party, or if applicable, to the last known address of each party's attorney.

(3) The party challenging the presumption of paternity has the burden of proving that the putative father is not the father of the child.

(4) The presumption of paternity may be rebutted only by clear and convincing evidence.

j. If the verified expert concludes that the test results indicate that the putative father is not excluded and that the probability of the putative father's paternity is less than ninety-five percent, the administrator shall order a subsequent administrative paternity test or certify the case to the district court for resolution in accordance with the procedures and time frames specified in paragraph "i" and section 252F.5.

k. If the results of the test or the verified expert's analysis are timely challenged as provided in this subsection, the administrator, upon the request of a party and advance payment by the contestant or upon the unit's own initiative, shall order that an additional test be performed by the same laboratory or an independent laboratory. If the party requesting additional testing does not advance payment, the administrator shall certify the case to the district court in accordance with paragraph "i" and section 252F.5.

l. When a subsequent paternity test is conducted, the time frames in this chapter associated with paternity tests shall apply to the most recently completed test.

m. If the paternity test results exclude the putative father as a potential biological father of the child or children, and additional tests are not requested by either party or conducted on the unit's initiative, or if additional tests exclude the putative father as a potential biological father, the unit shall withdraw its action against the putative father and shall file a notice of the withdrawal with the clerk of the district court, and shall provide a copy of the notice to each party in person, or by regular mail sent to each party's last known address, or if applicable, the last known address of the party's attorney.

n. Except as provided in paragraph "k", the unit shall advance the costs of genetic testing. If paternity is established and paternity testing was conducted, the unit shall enter an order or, if the action proceeded to a court hearing, request that the court enter a judgment for the costs of the paternity tests consistent with applicable federal law. In a proceeding under this chapter, a copy of a bill for genetic testing shall be admitted as evidence without requiring third-party foundation testimony and shall constitute prima facie evidence of the amount incurred for genetic testing.

The refunds shall be made as follows:

destruction or dismantling shall return the plates to the department and within thirty days thereafter make a statement of such destruction or dismantling and make claim for refund. With reference to the destruction or dismantling of a vehicle, no refund shall be allowed unless a junking certificate has been issued, as provided in section 321.52.

2. b. If the vehicle is stolen, the owner shall give notice of the theft to the department within five days. If the vehicle is not recovered by the owner thirty days prior to the end of the current registration year, the owner shall make a statement of the theft and make claim for refund.

4. d. If the vehicle is registered by the county treasurer during the current registration year and the owner or lessee registers the vehicle for proportional registration under chapter 326, the owner of the registered vehicle shall surrender the registration plates to the county treasurer and may file a claim for refund. In lieu of a refund, a credit for the annual registration fees paid to the county treasurer may be applied by the department to the owner or lessee's proportional registration fees upon the surrender of the county plates and registration.

5. e. A refund for trailers and semitrailers issued a multiyear registration plate shall be paid by the department upon application.

6. f. For purposes of section 321.127, the unexpired months remaining in the registration year shall be calculated on the basis of the effective date of the out-of-state registration. The term "owner" for purposes of this section shall include a person in whom is vested right

19. a. A municipality, upon entering into a development or redevelopment agreement pursuant to section 403.8, subsection 1, or as otherwise permitted in this chapter, may enter into a written assessment agreement with the developer of taxable property in the urban renewal area which establishes a minimum actual value of the land and completed improvements to be made on the land until a specified termination date which shall not be later than the date after which the tax increment will no longer be remitted to the municipality pursuant to section 403.19, subsection 2. The assessment agreement shall be presented to the appropriate assessor. The assessor shall review the plans and specifications for the improvements to be made and if the minimum actual value contained in the assessment agreement appears to be reasonable, the assessor shall execute the following certification upon the agreement:

Upon completion of the improvements, the assessor shall value the property as required by law, except that the actual value shall not be less than the minimum actual value contained in the assessment agreement. This subsection does not prohibit the assessor from assigning a higher actual value to the property or prohibit the owner from seeking administrative or legal remedies to reduce the actual value assigned except that the actual value shall not be reduced below the minimum actual value contained in the assessment agreement. An assessor, county auditor, board of review, director of revenue, or court of this state shall not reduce or order the reduction of the actual value below the minimum actual value in the agreement during the term of the agreement regardless of the actual value which may result from the incomplete construction of improvements, destruction or diminution by any cause, insured or uninsured, except in the case of acquisition or reacquisition of the property by a public entity. Recording of an assessment agreement complying with this subsection constitutes notice of the assessment agreement to a subsequent purchaser or encumbrancer of the land or any part of it, whether voluntary or involuntary, and is binding upon a subsequent purchaser or encumbrancer.

Sec. 134. Section 403.6, unnumbered paragraph 2, Code 2009, is amended by striking the unnumbered paragraph.

At no time shall the monthly pension or payment to the beneficiary be less than the amount which was paid at the time of such member's retirement or death.

2. b. All monthly pensions adjusted as provided in this section shall be payable beginning on July 1 or January 1 of the year which the adjustment is made and shall continue in effect until the next adjustment at which time the monthly pension shall again be recomputed and all monthly pensions adjusted in accordance with the computations.

3. c. The adjustment of pensions required by this section shall recognize the retired or deceased member's position on the salary scale within the member's rank at the time of retirement or death. In the event that the rank or position held by the retired or deceased member at the time of retirement or death is subsequently abolished, adjustments in the pensions of the member or of the member's spouse or children shall be computed by the board of trustees as though such rank or position had not been abolished and salary increases had been granted to such rank or position on the same basis as that granted to other ranks and positions in the department.

4. At no time shall the monthly pension or payment to the member be less than one hundred fifty dollars.

Sec. 8. **NEW SECTION. 203D.3A Fees.**

The department shall collect fees as provided in this section, if established by the board pursuant to section 203D.5, at rates determined by the board as provided in that section. A person required to pay a fee shall use forms and deliver the payment to the department as required by the department.

1. *a.* A person who applies for the issuance of a new license as a grain dealer pursuant to section 203.5 or a warehouse operator pursuant to sections 203C.7 and 203C.33 shall pay the department an initial participation fee as part of the application.

(1) In calculating the amount of the initial participation fee, an applicant for a license shall be deemed a licensee paying the full amount of the participation fee owing on the licensee's first anniversary date as provided in paragraph "b". The department must be satisfied that the applicant is calculating the amount due in good faith and using the best information available.

(2) If the department issues the license, the licensee shall recalculate the participation fee when making a payment on the licensee's first installment date as provided in paragraph "b". The licensee may notify the department of any overpayment and shall notify the department of any underpayment by the licensee's first installment date in a manner and according to procedures required by the department. The department shall refund any overpayment to the licensee and the licensee shall pay any additional amount resulting from an underpayment.

b. A licensee shall pay a participation fee on four successive installment dates, with each installment date occurring on the last date of the fund's fiscal quarter as provided in section 203D.3. The licensee shall pay twenty-five percent of the total participation fee assessed on each installment date. However, nothing in this subsection prevents a licensee from paying the participation fee on an accelerated basis. A licensee shall pay the first installment on the last date of the fund's fiscal quarter immediately following the licensee's anniversary date.

(1) For a licensed grain dealer, the anniversary date is the last date to apply for the renewal of the grain dealer's license before the license expires as provided in section 203.5.

(2) For a licensed warehouse operator, the anniversary date is the last date to apply for the renewal of the warehouse operator's license before the license expires as provided in section 203C.37.

c. A licensee is delinquent if the licensee fails to submit the payment when due or if, upon examination, an underpayment of the fee is found by the department.

d. A licensee shall not pass on the cost of a participation fee to sellers. The department may suspend or revoke the license of a grain dealer for passing on the cost, as provided in chapter 203.

2. *a.* A per-bushel fee shall be assessed on all purchased grain. However, if the grain dealer provides documentation regarding the transaction satisfactory to the department, the following transactions shall be excluded from the per-bushel fee:

(1) Grain purchased from the United States government or any of its subdivisions or agencies.

(2) Grain purchased from a person licensed as a grain dealer in any jurisdiction.

(3) Grain purchased under a credit-sale contract.

b. The grain dealer shall forward the per-bushel fee to the department on a quarterly basis in the manner and using the forms prescribed by the department. A licensee is delinquent if the licensee fails to submit the full fee or quarterly forms when due or if, upon examination, an underpayment of the fee is found by the department. The grain dealer is subject to a penalty of ten dollars for each day the grain dealer is delinquent or an amount equal to the amount of the deficiency, whichever is less. However, a licensee who fails to submit the full fee or quarterly forms when due, is subject to a minimum payment of ten dollars. The department may establish and apply a margin of error in determining whether a grain dealer is delinquent. The per-bushel fee shall be collected only once on each bushel of grain.

c. A grain dealer may choose to pass on the cost of a per-bushel fee to the sellers by an itemized discount noted on the settlement sheet. However, if the per-bushel fee is not in effect, no grain dealer shall make such a discount on the purchase of grain. A discount made nominally for the per-bushel fee while the fee is not in effect is grounds for license suspension or revocation under chapter 203.

Sec. 9. Section 203D.5, Code Supplement 2009, is amended to read as follows:

203D.5 Adjustments to fee Fees — imposition, adjustment, or waiver.

Be It Enacted by the General Assembly of the State of Iowa:

Section 1. NEW SECTION. 84C.1 Title.

This chapter shall be known as the “*Iowa Worker Adjustment and Retraining Notification Act*”.

Sec. 2. NEW SECTION. 84C.2 Definitions.

For the purposes of this chapter:

1. “*Aggrieved employee*” means an employee who has worked for the employer ordering the business closing or mass layoff and who, as a result of the failure by the employer to comply with section 84C.3, did not receive timely notice either directly or through the employee’s representative.

2. “*Business closing*” means the permanent or temporary shutdown of a single site of employment of one or more facilities or operating units that will result in an employment loss for twenty-five or more employees, other than part-time employees.

3. “*Department*” means the department of workforce development.

4. “*Employee*” means a worker who may reasonably expect to experience an employment loss as a consequence of a proposed business closing or mass layoff by an employer.

5. “*Employer*” means a person who employs twenty-five or more employees, excluding part-time employees.

6. “*Employment loss*” means an employment termination, other than a discharge for cause, voluntary separation, or retirement; a layoff exceeding six months; or a reduction in hours of more than fifty percent of work of individual employees during each month of a six-month period. “*Employment loss*” does not include instances when a business closing or mass layoff is the result of the relocation or consolidation of part or all of the employer’s business and, before the business closing or mass layoff, the employer offers to transfer the employee to a different site of employment within a reasonable commuting distance with no more than a six-month break in employment.

7. “*Mass layoff*” means a reduction in employment force that is not the result of a business closing and results in an employment loss at a single site of employment during any thirty-day period of twenty-five or more employees, other than part-time employees.

8. “*Part-time employee*” means an employee who is employed for an average of fewer than twenty hours per week or an employee, including a full-time employee, who has been employed for fewer than six of the twelve months preceding the date on which notice is required.¹

10. “*Single site of employment*” refers to a single location or a group of contiguous locations, such as a group of structures that form a campus or business park or separate facilities across the street from each other.

Sec. 3. NEW SECTION. 84C.3 Notice — requirements.

1. a. An employer who plans a business closing or a mass layoff shall not order such action until the end of a thirty-day period which begins after the employer serves written notice of such action to the affected employees or their representatives and to the department. However, if an applicable collective bargaining agreement designates a different notice period, the notice period in the collective bargaining agreement shall govern. The employer

¹ See chapter 1188, §24 herein

shall provide notice to the department if the worker is covered by a collective bargaining agreement.

b. An employer who has previously announced and carried out a short-term mass layoff of six months or less which is extended beyond six months due to business circumstances not reasonably foreseeable at the time of the initial mass layoff is required to give notice when it becomes reasonably foreseeable that the extension is required. A mass layoff extending beyond six months from the date the mass layoff commenced for any other reason shall be treated as an employment loss from the date of commencement of the mass layoff.

c. In the case of the sale of part or all of a business, the seller is responsible for providing notice of any business closing or mass layoff which will take place up to and on the effective date of the sale. The buyer is responsible for providing notice of any business closing or mass layoff that will take place thereafter.

2. a. Notice from the employer to the affected employees or their representatives and to the department shall be in written form and shall contain the following:

(1) The name and address of the employment site where the business closing or mass layoff will occur, and the name and telephone number of a company official to contact for further information.

(2) A statement as to whether the planned action is expected to be permanent or temporary and, if the entire business is to be closed, a statement to that effect.

(3) The expected date of the first employment loss and the anticipated schedule for employment losses.

(4) The job titles of positions to be affected and the names of the employees currently holding the affected jobs. The notice to the department shall also include the addresses of the affected employees. The department shall maintain the confidentiality of the names and addresses of employees received by the department.

b. The notice may include additional information useful to the employees, such as information about available dislocated worker assistance, and, if the planned action is expected to be temporary, the estimated duration, if known.

3. Any reasonable method of delivery to the affected employees or their representatives, and the department which is designed to ensure receipt of notice of at least thirty days before the planned action is acceptable. In the case of notification directly to affected employees, insertion of notice into pay envelopes is a viable option.

Sec. 4. NEW SECTION. 84C.4 Notice — exemptions, special circumstances.

1. *Strike or lockout.* If a business closing or mass layoff constitutes a strike or constitutes a lockout not intended to evade the requirements of this chapter, notice is not required to be given by the employer. This chapter does not require an employer to serve written notice when permanently replacing an employee who is deemed to be an economic striker under the federal National Labor Relations Act. This chapter shall not be deemed to validate or invalidate any judicial or administrative ruling relating to the hiring of permanent replacements for economic strikers under the federal National Labor Relations Act. If an employer hires temporary workers to replace employees during the course of a strike or lockout and later terminates these temporary workers at the conclusion of the strike or lockout, this chapter does not require an employer to serve written notice on the terminated temporary workers.

2. *Rolling layoffs.*

a. When affected employees will not be terminated on the same date, the date of the first individual employment loss within the thirty-day notice period triggers the notice requirement. An employee's last day of employment is considered the date of that employee's layoff. The first and subsequent groups of terminated employees are entitled to a full thirty days' notice.

b. An employer shall give notice if the number of employment losses of two or more actions in any ninety-day period triggers the notice requirements in section 84C.3 for a business closing or a mass layoff. An employer is not required to give notice if the number of employment losses from one action in a thirty-day period does not meet the requirements of section 84C.3. All employment losses in any ninety-day period shall be aggregated to trigger the notice requirement unless the employer demonstrates to the department that

the employment losses during the ninety-day period are the result of separate and distinct actions and causes.

3. *Extended notice.* Additional notice is required if the date or schedule of dates of a planned business closing or mass layoff is extended beyond the date or the ending date of any period announced in the original notice.

a. If the postponement is for less than thirty days, the additional notice shall be given as soon as possible to the affected employees or their representatives and the department and shall include reference to the earlier notice, the date to which the planned action is postponed, and the reasons for the postponement. The notice shall be given in a manner which will provide the information to all affected employees.

b. If the postponement is for more than thirty days, the additional notice shall be treated as new notice subject to the provisions of section 84C.3.

4. *Faltering company.* An exception to the thirty-day notice applies to business closings but not to mass layoffs if the requirements of this subsection are met and the exception shall be narrowly construed.

a. An employer must have been actively seeking capital or business at the time that the thirty-day notice would have been required by seeking financing or refinancing through the arrangement of loans or the issuance of stocks, bonds, or other methods of internally generated financing, or by seeking additional money, credit, or business through any other commercially reasonable method. The employer must identify specific actions taken to obtain capital or business.

b. The employer must, at the time notice is actually given, provide a statement of explanation for reducing the notice period in addition to the other notice requirements in section 84C.3.

c. There must have been a realistic opportunity to obtain the financing or business sought.

d. The financing or business sought must have been sufficient, if obtained, to have enabled the employer to avoid or postpone the shutdown. The employer must be able to objectively demonstrate that the amount of capital or the volume of new business sought would have enabled the company to keep the facility, operating unit, or site open for a reasonable period of time.

e. The employer reasonably and in good faith must have believed that giving the required notice would have precluded the employer from obtaining the needed capital or business. The employer must be able to objectively demonstrate that the employer reasonably thought that a potential customer or source of financing would have been unwilling to provide the new business or capital if notice had been given. This condition may be satisfied if the employer can show that the financing or business source would not choose to do business with a troubled company or with a company whose workforce would be looking for other jobs.

5. *Unforeseeable business circumstance.* An exception to the thirty-day notice applies to business closings and to mass layoffs if the requirements of this subsection are met.

a. Business circumstances occurred that were not reasonably foreseeable at the time that the thirty-day notice would have been required.

b. The employer must, at the time notice is actually given, provide a statement of explanation for reducing the notice period in addition to the other notice requirements in section 84C.3.

c. An important indicator of a reasonably unforeseeable business circumstance is that the circumstance is caused by some sudden, dramatic, and unexpected action or condition outside the employer's control.

d. The employer must exercise commercially reasonable business judgment as would a similarly situated employer in predicting the demands of the employer's particular market. The employer is not required to accurately predict general economic conditions that also may affect demand for products or services.

6. *Natural disaster.* An exception to the thirty-day notice applies to business closings and to mass layoffs if the requirements of this subsection are met.

a. A natural disaster occurred at the time notice would have been required.

b. The employer must, at the time notice is actually given, provide a statement of explanation for reducing the notice period in addition to the other requirements to notice in section 84C.3.

c. Floods, earthquakes, droughts, storms, tornadoes, and similar effects of nature are natural disasters under this subsection.

d. An employer must be able to demonstrate that the business closing or mass layoff is a direct result of the natural disaster.

e. If a business closing or mass layoff occurs as an indirect result of a natural disaster, this exception does not apply but the unforeseeable business circumstance exception may be applicable.²

Sec. 5. NEW SECTION. **84C.5 Enforcement and penalties.**

 - b. The requirements for special jurisdiction under section 633.810 are met.

Sec. 11. NEW SECTION. 633.810 Special jurisdiction.

Sec. 12. NEW SECTION. 633.811 Exclusive and continuing jurisdiction.

Except as otherwise provided in section 633.810, a court that has appointed a guardian or issued a protective order consistent with this chapter has exclusive and continuing jurisdiction over the proceeding until terminated by the court or the appointment or order expires by its own terms.

Sec. 13. NEW SECTION. 633.812 Appropriate forum.

1. A court of this state with jurisdiction under section 633.809 to appoint a guardian or issue a protective order may decline to exercise its jurisdiction if it determines at any time that a court of another state is a more appropriate forum.
2. If a court of this state declines to exercise its jurisdiction under subsection 1, the court shall either dismiss or stay the proceeding. The court may impose any condition the court

considers just and proper, including the condition that a petition for the appointment of a guardian or issuance of a protective order be filed promptly in another state.

3. In determining whether it is an appropriate forum, the court shall consider all of the following:

- a. Any expressed preference of the respondent.
- b. Whether abuse, neglect, or exploitation of the respondent has occurred or is likely to occur and which state could best protect the respondent from the abuse, neglect, or exploitation.
- c. The length of time the respondent was physically present in or was a legal resident of this state or another state.
- d. The distance of the respondent from the court in each state.

If at any time a court of this state determines that the court acquired jurisdiction to appoint a guardian or issue a protective order because of unjustifiable conduct, the court may do any of the following:

1. Decline to exercise jurisdiction.
2. Exercise jurisdiction for the limited purpose of fashioning an appropriate remedy to ensure the health, safety, and welfare of the respondent or the protection of the respondent's property or prevent a repetition of the unjustifiable conduct, including staying the proceeding until a petition for the appointment of a guardian or issuance of a protective order is filed in a court of another state having jurisdiction.
3. Continue to exercise jurisdiction after considering all of the following:
 - a. The extent to which the respondent and all persons required to be notified of the proceedings have acquiesced in the exercise of the court's jurisdiction.
 - b. Whether it is a more appropriate forum than the court of any other state under the factors set forth in section 633.812.
 - c. Whether the court of any other state would have jurisdiction under factual circumstances in substantial conformity with the jurisdictional standards of section 633.809.
4. If a court of this state determines that the court acquired jurisdiction to appoint a guardian or issue a protective order because a party seeking to invoke its jurisdiction engaged in unjustifiable conduct, the court may assess necessary and reasonable expenses against that party, including attorney fees, investigative fees, court costs, communication expenses, witness fees and expenses, and travel expenses. The court shall not assess fees, costs, or expenses of any kind against this state or a governmental subdivision, agency, or instrumentality of this state unless authorized by law other than this division.

Sec. 15. NEW SECTION. 633.814 Notice of proceeding.

If a petition for the appointment of a guardian or issuance of a protective order is brought in this state and this state was not the respondent's home state on the date the petition was filed, in addition to complying with the notice requirements of this state, notice of the petition must be given to those persons who would be entitled to notice of the petition if a proceeding were brought in the respondent's home state. 2. If the court in this state does not have jurisdiction under section 633.809, whether at the time the petition is filed or at any time before the appointment or issuance of the order, the court shall stay the proceeding and communicate with the court in the other state. The petition must include a certified copy of the other state's provisional order of transfer.

2. Notice of a petition under subsection 1 must be given to those persons that would be entitled to notice if the petition were to petition for the appointment of a guardian or issuance of a protective order in both the transferring state and this state. 5. The court shall issue a final order accepting the proceeding and appointing the guardian or conservator as guardian or conservator in this state upon its receipt from the court from which the proceeding is being transferred of a final order issued under provisions similar to section 633.816 transferring the proceeding to this state.

Sec. 10. NEW SECTION. 535B.19 Trust account requirements for closing agents.

A licensee acting as a closing agent shall comply with all of the following:

b. The cost of establishing and administering an individual interest-bearing trust account in which the interest would be transmitted to the client, including any needed tax forms.

c. The capability of the financial institution to calculate and pay interest to individual clients through subaccounting or otherwise.

5. The licensee shall notify the administrator of the name of each financial institution in which a trust account is maintained and the name of the account on forms acceptable to the administrator. A licensee may maintain more than one trust account provided it advises the administrator of the multiple accounts.

6. A licensee shall only deposit trust funds in a trust account and shall not commingle the licensee's personal funds or other funds in the trust account with the exception that a licensee may deposit and keep a sum not to exceed one thousand dollars in the trust account from the licensee's personal funds, which sum shall be specifically identified and deposited to cover bank service charges relating to the trust account or to advance funds to pay incidental fees as permitted in section 535B.20, subsection 2.

7. Moneys deposited in a trust account are not subject to execution or attachment or to any claim against the licensee.

8. A licensee shall not knowingly keep or cause to be kept any money in any bank, credit union, or other financial institution under any name designating the moneys as belonging to a client of the licensee, unless the money was actually entrusted to the licensee for deposit in trust.

Sec. 11. NEW SECTION. 535B.20 Disbursing from a trust account.

A licensee acting as a closing agent shall not make, in a real estate closing, a disbursement from a trust account on behalf of another person, unless the following conditions are met:

2. Nothing in this section prohibits a closing agent licensee from advancing funds not exceeding one thousand dollars from a trust account or otherwise on behalf of a party to a real estate closing for the purpose of paying incidental fees, such as conveyance

and recording fees, in order to effect and close the sale, purchase, exchange, transfer, encumbrance, or lease of residential real property that is the subject of the real estate closing.

A minimum term of imprisonment in a county jail or community-based correctional facility imposed on a person convicted of a second or subsequent offense under subsection 2, paragraph "b" or "c" shall be served on consecutive days. However, if the sentencing court finds that service of the full minimum term on consecutive days would work an undue hardship on the person, or finds that sufficient jail space is not available and is not reasonably expected to become available within four months after sentencing to incarcerate the person serving the minimum sentence on consecutive days, the court may order the person to serve the minimum term in segments of at least forty-eight hours and to perform a specified number of hours of unpaid community service as deemed appropriate by the sentencing court.

a. Any conviction or revocation deleted from motor vehicle operating records pursuant to section 321.12 shall not be considered as a previous offense.

b. Deferred judgments entered pursuant to section 907.3 for violations of this section shall be counted as previous offenses.

The courts shall judicially notice the statutes of other states which define offenses substantially equivalent to the one defined in this section and can therefore be considered corresponding statutes. Each previous violation on which conviction or deferral of judgment was entered prior to the date of the violation charged shall be considered and counted as a separate previous offense.

9. A person shall not be convicted and sentenced for more than one violation of this section for actions arising out of the same event or occurrence, even if the event or occurrence involves more than one of the conditions specified in subsection 1.

10. The clerk of the district court shall immediately certify to the department a true copy of each order entered with respect to deferral of judgment, deferral of sentence, or pronouncement of judgment and sentence for a defendant under this section.

b. When charged with a violation of subsection 1, paragraph "c", a person may assert, as an affirmative defense, that the controlled substance present in the person's blood or urine was prescribed or dispensed for the person and was taken in accordance with the directions of a practitioner and the labeling directions of the pharmacy, as that person and place of business are defined in section 155A.3.

12. In any prosecution under this section, evidence of the results of analysis of a specimen of the defendant's blood, breath, or urine is admissible upon proof of a proper foundation.

a. The alcohol concentration established by the results of an analysis of a specimen of the defendant's blood, breath, or urine withdrawn within two hours after the defendant was driving or in physical control of a motor vehicle is presumed to be the alcohol concentration at the time of driving or being in physical control of the motor vehicle.

b. The presence of a controlled substance or other drug established by the results of analysis of a specimen of the defendant's blood or urine withdrawn within two hours after the defendant was driving or in physical control of a motor vehicle is presumed to show the presence of such controlled substance or other drug in the defendant at the time of driving or being in physical control of the motor vehicle.

c. The department of public safety shall adopt nationally accepted standards for determining detectable levels of controlled substances in the division of criminal investigation's initial laboratory screening test for controlled substances.

13. a. In addition to any fine or penalty imposed under this chapter, the court shall order a defendant convicted of or receiving a deferred judgment for a violation of this section to

make restitution for damages resulting directly from the violation, to the victim, pursuant to chapter 910. An amount paid pursuant to this restitution order shall be credited toward any adverse judgment in a subsequent civil proceeding arising from the same occurrence. However, other than establishing a credit, a restitution proceeding pursuant to this section shall not be given evidentiary or preclusive effect in a subsequent civil proceeding arising from the same occurrence.

b. The court may order restitution paid to any public agency for the costs of the emergency response resulting from the actions constituting a violation of this section, not exceeding five hundred dollars per public agency for each such response. For the purposes of this paragraph, “*emergency response*” means any incident requiring response by fire fighting, law enforcement, ambulance, medical, or other emergency services. A public agency seeking such restitution shall consult with the county attorney regarding the expenses incurred by the public agency, and the county attorney may include the expenses in the statement of pecuniary damages pursuant to section 910.3.

14. In any prosecution under this section, the results of a chemical test shall not be used to prove a violation of subsection 1, paragraph “b” or “c”, if the alcohol, controlled substance, or other drug concentration indicated by the chemical test minus the established margin of error inherent in the device or method used to conduct the chemical test does not equal or exceed the level prohibited by subsection 1, paragraph “b” or “c”.

However, if the court suspends a person’s sentence under section 321J.2, subsection 2 ~~5~~, paragraph “e” “a”, the court shall order the offender to serve time in the county jail as provided in section 321J.2, subsection 2 ~~5~~, paragraph “e” “a”, notwithstanding any provision to the contrary in section 903.4.

a. To support medical assistance program utilization shortfalls.

Each participating hospital shall receive the same percentage increase, but the percentage may differ depending on whether the basis for the base rate increase is the diagnostic related groups or ambulatory patient classifications.

b. The percentage increase shall be calculated by dividing the amount calculated under subparagraph (1) by the amount calculated under subparagraph (2) as follows:

(1) The amount under the Medicare upper payment limit for the fiscal year beginning July 1, 2010, for participating hospitals.

(2) The projected expenditures for participating hospitals for the fiscal year beginning July 1, 2010, as determined by the fiscal management division of the department, plus the amount calculated under subparagraph (1).

6. For the fiscal year beginning July 1, 2011, and for each fiscal year beginning July 1, thereafter, the payments to participating hospitals shall continue to be calculated based on the upper payment limit as calculated for the fiscal year beginning July 1, 2010.

7. Reimbursement of participating hospitals shall incorporate the rebasing process for inpatient and outpatient services for state fiscal year 2012. However, the total amount of increased funding available for reimbursement attributable to rebasing shall not exceed four million five hundred thousand dollars for state fiscal year 2012 and six million dollars for state fiscal year 2013.
