PREFACE

CERTIFICATION

We, Glen P. Dickinson, Director, Legislative Services Agency, Richard L. Johnson, Legal Services Division Director, and Leslie E. W. Hickey, Iowa Code Editor, certify that, to the best of our knowledge, the Acts and Resolutions in this volume have been prepared from the original enrolled Acts and Resolutions on file in the office of the Secretary of State; are correct copies of those Acts and Resolutions; are published under the authority of the statutes of this state; and constitute the Acts and Resolutions of the 2013 Regular Session of the Eighty-fifth General Assembly of the State of Iowa.

STATUTES AS EVIDENCE

Iowa Code section 622.59 is as follows:

622.59 Printed copies of statutes. Printed copies of the statute laws of this or any other of the United States, or of Congress, or of any foreign government, purporting or proved to have been published under the authority thereof, or proved to be commonly admitted as evidence of the existing laws in the courts of such state or government, shall be admitted in the courts of this state as presumptive evidence of such laws.

EXPLANATORY NOTES

Provisional Code numbers. Code numbers assigned to new sections and subsections in the Acts are provisional and may be changed when the 2014 Iowa Code is published. Changes will be shown in the Tables of Disposition of Acts in the 2014 Iowa Code.

Typographic style. The Acts and Resolutions in this volume are printed as they appear on file in the office of the Secretary of State. No editorial corrections have been made. Underlined type indicates new material added to existing statutes; strike-through type indicates deleted material. Italics within an Act indicate material that the Governor has item vetoed. Item vetoed text is also indicated by asterisks at the beginning and ending of the vetoed material. Superscript numbers indicate explanatory footnotes.

Effective and enactment dates. The Acts of the 2013 Regular Session took effect on July 1, 2013, unless otherwise provided. The date of enactment generally is the date an Act is approved by the Governor, which is shown at the end of each Act. See Iowa Code section 3.7.

State mandates. Iowa Code section 25B.5 requires that for each enacted bill or joint resolution containing a state mandate (defined in section 25B.3), an updated, final estimate of additional local revenue expenditures required by the mandate must be filed with the Secretary of State. Pursuant to Iowa Code section 2B.10 requiring that a notation of the filing of such an estimate be included in the Iowa Acts, a dagger is placed at the beginning of the enacting clause and a footnote is included for any enrolled Act or Resolution for which a mandate notation is required. No enrolled Acts required the filing of such an estimate this year.

Resolutions. Concurrent resolutions and Senate and House resolutions are generally not included. See Senate and House Journals for adopted resolutions.

Orders for legal publications, including the Iowa Acts, should be directed to:

All shareholders who have filed an election or notice of their intention to participate in the election to purchase thereby become parties to the proceeding and shall participate in the purchase in proportion to their ownership of shares as of the date the first election was filed, unless they otherwise agree or the

court otherwise directs. After an election has been filed by the corporation or one or more shareholders, the proceeding under section 490.1430, subsection 2 1, paragraph “b”, shall not be discontinued or settled, nor shall the petitioning shareholder sell or otherwise dispose of the shareholder’s shares, unless the court determines that it would be equitable to the corporation and the shareholders, other than the petitioner, to permit such discontinuance, settlement, sale, or other disposition.

4. If the parties are unable to reach an agreement as provided for in subsection 3, the court, upon application of any party, shall stay the section 490.1430, subsection 2 1, paragraph “b”, proceedings and determine the fair value of the petitioner’s shares as of the day before the date on which the petition under section 490.1430, subsection 2 1, paragraph “b”, was filed or as of such other date as the court deems appropriate under the circumstances.

5. Upon determining the fair value of the shares, the court shall enter an order directing the purchase upon such terms and conditions as the court deems appropriate, which may include payment of the purchase price in installments, where necessary in the interests of equity, provision for security to assure payment of the purchase price and any additional costs, fees, and expenses as may have been awarded, and, if the shares are to be purchased by shareholders, the allocation of shares among them. In allocating petitioner’s shares among holders of different classes of shares, the court shall attempt to preserve the existing distribution of voting rights among holders of different classes insofar as practicable and may direct that holders of a specific class or classes shall not participate in the purchase. Interest may be allowed at the rate and from the date determined by the court to be equitable, but if the court finds that the refusal of the petitioning shareholder to accept an offer of payment was arbitrary or otherwise not in good faith, no interest shall be allowed. If the court finds that the petitioning shareholder has probable grounds for relief under section 490.1430, subsection 2 1, paragraph “b” or “d”, subparagraph (2) or (4), it may award to the petitioning shareholder reasonable fees and expenses of counsel and of any experts employed by the shareholder.

CHAPTER 39

INSURANCE COMPANIES — CREDIT FOR REINSURANCE

S.F. 182

AN ACT relating to credit for reinsurance, including transition, applicability, and effective date provisions.

Be It Enacted by the General Assembly of the State of Iowa:

DIVISION I CREDIT FOR REINSURANCE

Section 1. NEW SECTION. 521B.101 Purpose — legislative intent.

1. The purpose of this chapter is to protect the interests of insureds, claimants, ceding insurers, assuming insurers, and the public generally.

2. The general assembly declares its intent to ensure adequate regulation of insurers and reinsurers and adequate protection for those to whom insurers and reinsurers owe obligations.

3. The general assembly declares that the matters contained in this chapter are fundamental to the business of insurance in accordance with 15 U.S.C. § 1011 – 1012.

Sec. 2. NEW SECTION. 521B.102 Credit allowed certain domestic ceding insurers.

Credit for reinsurance shall be allowed a domestic ceding insurer as either an asset or a reduction from liability on account of reinsurance ceded only when the reinsurer meets the requirements of subsection 1, 2, 3, 4, 5, or 6. Credit shall be allowed under subsection 1, 2, or 3 only respecting cessions of those kinds or classes of business which the assuming insurer is licensed or otherwise permitted to write or assume in the insurer's state of domicile or, in the case of a United States branch of an alien assuming insurer, in the state through which the insurer is entered and licensed to transact insurance or reinsurance. Credit shall be allowed under subsection 3 or 4 only if the applicable requirements of subsection 7 have been satisfied.

1. Credit shall be allowed when the reinsurance is ceded to an assuming insurer that is licensed to transact insurance or reinsurance in this state.

2. Credit shall be allowed when the reinsurance is ceded to an assuming insurer that is accredited by the commissioner as a reinsurer in this state. In order to be eligible for accreditation, an assuming insurer must do all of the following:

a. File with the commissioner evidence of the assuming insurer's submission to this state's jurisdiction.

b. Submit to this state's authority to examine the assuming insurer's books and records.

c. Be licensed to transact insurance or reinsurance in at least one state, or in the case of a United States branch of an alien assuming insurer, be entered through and licensed to transact insurance or reinsurance in at least one state.

d. File annually with the commissioner a copy of the assuming insurer's annual statement filed with the insurance department of the assuming insurer's state of domicile and a copy of the assuming insurer's most recent audited financial statement.

e. Demonstrate to the satisfaction of the commissioner that the assuming insurer has adequate financial capacity to meet the assuming insurer's reinsurance obligations and is otherwise qualified to assume reinsurance from domestic insurers. An assuming insurer is deemed to meet this requirement as of the time of the assuming insurer's application if the assuming insurer maintains a surplus as regards policyholders in an amount of not less than twenty million dollars and the assuming insurer's accreditation has not been denied by the commissioner within ninety days after submission of the assuming insurer's application.

3. a. Credit shall be allowed when the reinsurance is ceded to an assuming insurer that is domiciled in, or in the case of a United States branch of an alien assuming insurer, is entered through, a state that employs standards regarding credit for reinsurance that are substantially similar to those applicable under this chapter and the assuming insurer or United States branch of an alien assuming insurer does all of the following:

(1) Maintains a surplus as regards policyholders in an amount of not less than twenty million dollars.

(2) Submits to the authority of this state to examine the assuming insurer's books and records.

b. The requirement of paragraph "a", subparagraph (1) does not apply to reinsurance ceded and assumed pursuant to pooling arrangements among insurers in the same holding company system.

4. a. Credit shall be allowed when the reinsurance is ceded to an assuming insurer that maintains a trust fund in a qualified United States financial institution, as defined in section 521B.104, subsection 2, for payment of the valid claims of the assuming insurer's United States ceding insurers, their assigns, and successors in interest. To enable the commissioner to determine the sufficiency of the trust fund, the assuming insurer shall report annually to the commissioner information substantially the same as that required to be reported on the national association of insurance commissioners' annual statement form by licensed insurers. The assuming insurer shall submit to examination of the assuming insurer's books and records by the commissioner and bear the expense of examination.

b. Credit for reinsurance shall not be granted under this subsection unless all of the following conditions are satisfied:

(1) The form of the trust and any amendments to the trust have been approved by either of the following:

(a) The commissioner of the state where the trust is domiciled.

(b) The commissioner of another state who, pursuant to the terms of the trust instrument, has accepted principal regulatory oversight of the trust.

(2) The form of the trust and any trust amendments are filed with the commissioner of every state in which the ceding insurer's beneficiaries of the trust are domiciled. The trust instrument shall provide that contested claims are valid and enforceable upon the final order of any court of competent jurisdiction in the United States. The trust shall vest legal title to the trust's assets in its trustees for the benefit of the assuming insurer's United States ceding insurers, their assigns, and successors in interest. The trust and the assuming insurer shall be subject to examination as determined by the commissioner.

(3) The trust remains in effect for as long as the assuming insurer has outstanding obligations due under the reinsurance agreements subject to the trust. No later than February 28 of each year, the trustee of the trust shall report to the commissioner in writing the balance of the trust and list the trust's investments at the preceding year-end, and shall certify the date of termination of the trust, if so planned, or certify that the trust will not expire prior to the following December 31.

c. The following requirements apply to the following categories of assuming insurer:

(1) The trust fund for a single assuming insurer shall consist of funds in trust in an amount not less than the assuming insurer's liabilities attributable to reinsurance ceded by United States ceding insurers, and in addition, the assuming insurer shall maintain a trustee surplus of not less than twenty million dollars, except as provided in subparagraph (2).

(2) At any time after an assuming insurer has permanently discontinued underwriting new business secured by the trust for at least three full years, the commissioner with principal regulatory oversight of the trust may authorize a reduction in the required trustee surplus, but only after a finding, based on an assessment of the risk, that the new required trustee surplus level is adequate for the protection of United States ceding insurers, policyholders, and claimants in light of reasonably foreseeable adverse loss development. The risk assessment may involve an actuarial review, including an independent analysis of reserves and cash flows, and shall consider all material risk factors, including, when applicable, the lines of business involved, the stability of the incurred loss estimates, and the effect of the surplus requirements on the assuming insurer's liquidity or solvency. The minimum required trustee surplus shall not be reduced to an amount less than thirty percent of the assuming insurer's liabilities attributable to reinsurance ceded by United States ceding insurers covered by the trust.

(3) In the case of a group including incorporated and individual unincorporated underwriters, all of the following requirements are met:

(a) For reinsurance ceded under reinsurance agreements with an inception, amendment, or renewal date on or after January 1, 1993, the trust shall consist of a trustee account in an amount not less than the respective underwriters' several liabilities attributable to business ceded by United States domiciled ceding insurers to any underwriter of the group.

(b) For reinsurance ceded under reinsurance agreements with an inception date on or before December 31, 1992, and not amended or renewed after that date, notwithstanding the other provisions of this chapter, the trust shall consist of a trustee account in an amount not less than the respective underwriters' several insurance and reinsurance liabilities attributable to business written in the United States.

(c) In addition to the trusts described in subparagraph divisions (a) and (b), the group shall maintain in trust a trustee surplus of which one hundred million dollars shall be held jointly for the benefit of the United States domiciled ceding insurers of any member of the group for all years of account.

(d) The incorporated members of the group shall not be engaged in any business other than underwriting as a member of the group and shall be subject to the same level of regulation and solvency control by the group's domiciliary regulator as are the unincorporated members of the group.

(e) Within ninety days after its financial statements are due to be filed with the group's domiciliary regulator, the group shall provide to the commissioner an annual certification

by the group's domiciliary regulator of the solvency of each underwriter member, or if a certification is unavailable, financial statements, prepared by independent public accountants, of each underwriter member of the group.

(4) In the case of a group of incorporated underwriters under common administration, the group shall meet all of the following requirements:

(a) Have continuously transacted an insurance business outside the United States for at least three years immediately prior to making application for accreditation.

(b) Maintain aggregate policyholders' surplus of at least ten billion dollars.

(c) Maintain a trust fund in an amount not less than the group's several liabilities attributable to business ceded by United States domiciled ceding insurers to any member of the group pursuant to reinsurance contracts issued in the name of the group.

(d) In addition, maintain a joint trustee surplus of which one hundred million dollars shall be held jointly for the benefit of United States domiciled ceding insurers of any member of the group as additional security for these liabilities.

(e) Within ninety days after the group's financial statements are due to be filed with the group's domiciliary regulator, make available to the commissioner an annual certification of each underwriter member's solvency by the member's domiciliary regulator and financial statements of each underwriter member of the group prepared by the group's independent public accountant.

5. Credit shall be allowed when the reinsurance is ceded to an assuming insurer that has been certified by the commissioner as a reinsurer in this state and the assuming reinsurer secures its obligations in accordance with the following requirements:

a. In order to be eligible for certification, the assuming insurer shall meet all of the following requirements:

(1) The assuming insurer shall be domiciled and licensed to transact insurance or reinsurance in a qualified jurisdiction, as determined by the commissioner pursuant to paragraph "c".

(2) The assuming insurer shall maintain minimum capital and surplus, or its equivalent, in an amount to be determined by the commissioner pursuant to rule.

(3) The assuming insurer shall maintain financial strength ratings from two or more rating agencies deemed acceptable by the commissioner pursuant to rule.

(4) The assuming insurer shall agree to submit to the jurisdiction of this state, appoint the commissioner as the assuming insurer's agent for service of process in this state, and agree to provide security for one hundred percent of the assuming insurer's liabilities attributable to reinsurance ceded by United States ceding insurers, if the assuming insurer resists enforcement of a final United States judgment.

(5) The assuming insurer shall agree to meet applicable information filing requirements as determined by the commissioner, both with respect to an initial application for certification and on an ongoing basis.

(6) The assuming insurer shall satisfy any other requirements for certification deemed relevant by the commissioner.

b. An association including incorporated and individual unincorporated underwriters may be a certified reinsurer. In order to be eligible for certification, the association shall satisfy the requirements of paragraph "a" and in addition satisfy all of the following requirements:

(1) The association shall satisfy the association's minimum capital and surplus requirements through the capital and surplus equivalents (net of liabilities) of the association and its members, which shall include a joint central fund that may be applied to any unsatisfied obligation of the association or any of its members, in an amount determined by the commissioner to provide adequate protection.

(2) The incorporated members of the association shall not be engaged in any business other than underwriting as a member of the association and shall be subject to the same level of regulation and solvency control by the association's domiciliary regulator as are the unincorporated members of the association.

(3) Within ninety days after the association's financial statements are due to be filed with the association's domiciliary regulator, the association shall provide to the commissioner an annual certification by the association's domiciliary regulator, of the solvency of each

underwriter member, or if a certification is unavailable, financial statements, prepared by an independent public accountant, of each underwriter member of the association.

c. The commissioner shall create and publish a list of qualified jurisdictions under which an assuming insurer licensed and domiciled in such jurisdiction is eligible to be considered for certification by the commissioner as a certified reinsurer.

(1) In order to determine whether the domiciliary jurisdiction of a non-United States insurer is eligible to be recognized as a qualified jurisdiction, the commissioner shall evaluate the appropriateness and effectiveness of the reinsurance supervisory system of the jurisdiction, both initially and on an ongoing basis, and consider the rights, benefits, and the extent of reciprocal recognition afforded by the non-United States jurisdiction to reinsurers licensed and domiciled in the United States. In order to be recognized as a qualified jurisdiction, a jurisdiction must agree to share information and to cooperate with the commissioner with respect to all certified reinsurers domiciled within that jurisdiction. A jurisdiction shall not be recognized as a qualified jurisdiction if the commissioner has determined that the jurisdiction does not adequately and promptly enforce final United States judgments and arbitration awards. Additional factors may be considered in the discretion of the commissioner.

(2) A list of qualified jurisdictions shall be published through the national association of insurance commissioners' committee process. The commissioner shall consider this list in determining qualified jurisdictions. If the commissioner recognizes a jurisdiction as qualified that does not appear on the list of qualified jurisdictions, the commissioner shall provide thoroughly documented justification for the recognition in accordance with criteria to be developed by rule.

(3) United States jurisdictions that meet the requirements for accreditation under the national association of insurance commissioners' financial standards and accreditation program shall be recognized as qualified jurisdictions.

(4) If a certified reinsurer's domiciliary jurisdiction ceases to be a qualified jurisdiction, the commissioner may, in the commissioner's discretion, suspend the reinsurer's certification indefinitely, in lieu of revocation.

d. The commissioner shall assign a rating to each certified reinsurer, giving due consideration to the financial strength ratings that have been assigned by rating agencies deemed acceptable to the commissioner pursuant to rule. The commissioner shall publish a list of all certified reinsurers and their ratings.

e. A certified reinsurer shall secure obligations assumed from United States ceding insurers under this subsection at a level consistent with the certified reinsurer's rating, as specified in rules adopted by the commissioner.

(1) In order for a domestic ceding insurer to qualify for full financial statement credit for reinsurance ceded to a certified reinsurer, the certified reinsurer shall maintain security in a form acceptable to the commissioner and consistent with the provisions of section 521B.103, or in a multibeneficiary trust in accordance with subsection 4, except as otherwise provided in this subsection.

(2) If a certified reinsurer maintains a trust to fully secure its obligations subject to subsection 4, and chooses to secure its obligations incurred as a certified reinsurer in the form of a multibeneficiary trust, the certified reinsurer shall maintain separate trust accounts for its obligations incurred under reinsurance agreements issued or renewed as a certified reinsurer with reduced security as permitted by this subsection or comparable laws of other United States jurisdictions and for its obligations subject to subsection 4. It shall be a condition to the grant of certification under this subsection that the certified reinsurer shall bind itself, by the language of the trust and by agreement with the commissioner which has principal regulatory oversight of each such trust account, to fund, upon termination of any such trust account, any deficiency of any other trust account out of the remaining surplus of the terminated trust account.

(3) The minimum trustee surplus requirements provided in subsection 4 are not applicable with respect to a multibeneficiary trust maintained by a certified reinsurer for the purpose of securing obligations under this subsection, except that such a multibeneficiary trust shall maintain a minimum trustee surplus of ten million dollars.

(4) With respect to obligations incurred by a certified reinsurer under this subsection, if the security is insufficient, the commissioner shall reduce the allowable credit by an amount proportionate to the deficiency, and the commissioner has the discretion to impose further reductions in allowable credit upon finding that there is a material risk that the certified reinsurer's obligations will not be paid in full when due.

(5) For purposes of this subsection, a certified reinsurer whose certification has been terminated for any reason shall be treated as a certified reinsurer required to secure all of its obligations.

(a) As used in this subsection, the term "terminated" includes revocation, suspension, voluntary surrender, and inactive status.

(b) If the commissioner continues to assign a higher rating to a certified reinsurer as permitted by other provisions of this subsection, this requirement does not apply to a certified reinsurer in inactive status or to a reinsurer whose certification has been suspended.

f. If an assuming insurer applying for certification as a reinsurer in this state has been certified as a reinsurer in another jurisdiction accredited by the national association of insurance commissioners, the commissioner has the discretion to defer to that jurisdiction's certification, and has the discretion to defer to the rating assigned by that jurisdiction, and the assuming insurer shall be considered to be a certified reinsurer in this state.

g. A certified reinsurer that ceases to assume new business in this state may request to maintain the reinsurer's certification in inactive status in order to qualify for a reduction in the amount of security required for the reinsurer's in-force business. An inactive certified reinsurer shall continue to comply with all applicable requirements of this subsection, and the commissioner shall assign the reinsurer a rating that takes into account, if relevant, the reasons why the reinsurer is not assuming new business.

6. Credit shall be allowed when reinsurance is ceded to an assuming insurer that does not meet the requirements of subsection 1, 2, 3, 4, or 5, but only as to the insurance of risks located in jurisdictions where the reinsurance is required by applicable law or regulation of that jurisdiction.

7. a. If the assuming insurer is not licensed, accredited, or certified to transact insurance or reinsurance in this state, the credit permitted by subsections 3 and 4 shall not be allowed unless the assuming insurer agrees in the reinsurance agreements to do all of the following:

(1) In the event of the failure of the assuming insurer to perform its obligations under the terms of the reinsurance agreement, the assuming insurer, at the request of the ceding insurer, will submit to the jurisdiction of any court of competent jurisdiction in any state of the United States, will comply with all requirements necessary to give the court jurisdiction, and will abide by the final decision of the court or of any appellate court in the event of any appeal, concerning such failure.

(2) The assuming insurer will designate the commissioner or a designated attorney as its true and lawful attorney to receive lawful process in any action, suit, or proceeding instituted by or on behalf of the ceding insurer.

b. This subsection is not intended to conflict with or override the obligation of the parties to a reinsurance agreement to arbitrate their disputes if the obligation to arbitrate is created in the agreement.

8. If the assuming insurer does not meet the requirements of subsection 1, 2, or 3, the credit permitted by subsection 4 or 5 shall not be allowed unless the assuming insurer agrees in a trust agreement to satisfy the following conditions:

a. Notwithstanding any other provisions contained in the trust instrument, if the trust fund is inadequate because the trust fund contains an amount less than the amount required by subsection 4, paragraph "c", or if the grantor of the trust has been declared insolvent or has been placed into receivership, rehabilitation, liquidation, or similar proceedings under the laws of the trust's state or country of domicile, the trustee shall comply with an order of the commissioner with regulatory oversight over the trust or with an order of a court of competent jurisdiction directing the trustee to transfer all of the assets of the trust fund to the commissioner with regulatory oversight over the trust.

b. The assets of the trust shall be distributed, and claims shall be filed and valued, by the commissioner with regulatory oversight over the trust in accordance with the laws of the state

in which the trust is domiciled that are applicable to the liquidation of domestic insurance companies.

c. If the commissioner with regulatory oversight over the trust determines that the assets of the trust fund or any part of the trust fund are not necessary to satisfy the claims of the United States ceding insurers of the grantor of the trust, the assets of the trust or any part of those assets shall be returned by the commissioner with regulatory oversight over the trust to the trustee for distribution in accordance with the trust agreement.

d. The grantor shall waive any right otherwise available to the grantor under United States law that is inconsistent with the provisions of this subsection.

9. If an accredited or certified reinsurer ceases to meet the requirements of this section for accreditation or certification, the commissioner may suspend or revoke the reinsurer's accreditation or certification.

a. The commissioner shall give the reinsurer notice and opportunity for hearing prior to such suspension or revocation. The suspension or revocation shall not take effect until after the commissioner's order on hearing unless one of the following applies:

(1) The reinsurer waives its right to hearing.

(2) The commissioner's order is based on regulatory action by the reinsurer's domiciliary jurisdiction or by the voluntary surrender or termination of the reinsurer's eligibility to transact insurance or reinsurance business in the reinsurer's domiciliary jurisdiction or in the primary certifying state of the reinsurer under subsection 5, paragraph "f".

(3) The commissioner finds that an emergency requires immediate action and a court of competent jurisdiction has not stayed the commissioner's action.

b. While a reinsurer's accreditation or certification is suspended, a reinsurance contract issued or renewed after the effective date of the suspension does not qualify for credit except to the extent that the reinsurer's obligations under the reinsurance contract are secured in accordance with section 521B.103. If a reinsurer's accreditation or certification is revoked, credit for reinsurance shall not be granted after the effective date of the revocation except to the extent that the reinsurer's obligations under the contract are secured in accordance with subsection 5, paragraph "e", or section 521B.103.

10. a. A domestic ceding insurer shall take steps to manage its reinsurance recoverables proportionate to its own book of business. A domestic ceding insurer shall notify the commissioner within thirty days after reinsurance recoverables from any single assuming insurer, or group of affiliated assuming insurers, exceeds fifty percent of the domestic ceding insurer's last reported surplus to policyholders, or after it is determined that reinsurance recoverables from any single assuming insurer, or group of affiliated assuming insurers, is likely to exceed this limit. The notification shall demonstrate that the exposure is safely managed by the domestic ceding insurer.

b. A domestic ceding insurer shall take steps to diversify its reinsurance program. A domestic ceding insurer shall notify the commissioner within thirty days after ceding to any single assuming insurer, or group of affiliated assuming insurers, more than twenty percent of the domestic ceding insurer's gross written premium in the prior calendar year, or after the domestic ceding insurer has determined that the reinsurance ceded to any single assuming insurer, or group of affiliated assuming insurers, is likely to exceed this limit. The notification shall demonstrate that the exposure is safely managed by the domestic ceding insurer.

Sec. 3. NEW SECTION. 521B.103 Limited credit allowed other domestic ceding insurers.

1. An asset or a reduction from liability for reinsurance ceded by a domestic insurer to an assuming insurer not meeting the requirements of section 521B.102, shall be allowed in an amount not exceeding the liabilities carried by the ceding insurer. The reduction shall be in the amount of funds held by or on behalf of the ceding insurer, including funds held in trust for the ceding insurer, under a reinsurance contract with the assuming insurer as security for the payment of obligations under the contract, if the security is held in the United States subject to withdrawal solely by, and under the exclusive control of, the ceding insurer, or in the case of a trust, held in a qualified United States financial institution as defined in section 521B.104, subsection 2.

2. The security may be in the form of any of the following:

a. Cash.

b. A security listed by the securities valuation office of the national association of insurance commissioners, including those securities deemed exempt from filing as defined by the purposes and procedures manual of the securities valuation office and those securities qualifying as admitted assets.

Be It Enacted by the General Assembly of the State of Iowa:

Section 1. NEW SECTION. **522.1 Purpose and scope — legislative intent.**

1. The purpose of this chapter is to require insurers to maintain a risk management framework and complete an own risk and solvency assessment and to provide guidance and instructions for the filing of own risk and solvency assessment reports with the commissioner.

2. The general assembly finds and declares that own risk and solvency assessment summary reports will contain confidential and sensitive information related to an insurer's or insurance group's identification of risks material and relevant to the insurer or insurance group filing the report. This information will include proprietary and trade secret information that has the potential for harm and competitive disadvantage to the insurer or insurance group if the information is made public. It is the intent of the general assembly that own risk and solvency assessment summary reports filed with the commissioner are confidential documents, shall be shared only as provided in this chapter and to assist the commissioner in the performance of the commissioner's duties, and shall not be subject to public disclosure.

Sec. 3. NEW SECTION. 522.3 Risk management framework.

An insurer shall maintain a risk management framework to assist the insurer with identifying, assessing, monitoring, managing, and reporting on the insurer’s material and relevant risks. This requirement is satisfied if the insurance group of which the insurer is a member maintains a risk management framework applicable to the operations of the insurer.

Sec. 4. NEW SECTION. 522.4 Own risk and solvency assessment requirement.

1. Subject to section 522.6, an insurer, or the insurance group of which the insurer is a member, shall regularly conduct an own risk and solvency assessment consistent and comparable with the assessment process contained in the own risk and solvency assessment guidance manual.

2. An own risk and solvency assessment shall be conducted at least annually, but an assessment shall also be conducted at any time when there are significant changes to the risk profile of an insurer or the insurance group of which the insurer is a member.

Sec. 5. NEW SECTION. 522.5 Own risk and solvency assessment summary report.

1. a. Beginning in 2015, an insurer shall annually submit to the commissioner an own risk and solvency assessment summary report or any combination of reports that together contain the information described in the own risk and solvency assessment guidance manual that is applicable to the insurer or the insurance group of which the insurer is a member.

This requirement may be satisfied by the submission of more than one summary report for any combination of insurers in the insurance group provided that the combination of reports submitted includes every insurer in the insurance group.

3. If an insurer does not qualify for exemption pursuant to paragraph "a" of subsection 1, but the insurance group of which the insurer is a member qualifies for exemption pursuant to paragraph "b" of subsection 1, then the only own risk and solvency assessment summary report that is required pursuant to section 522.5 is the report applicable to that insurer.

4. An insurer that does not qualify for exemption pursuant to subsection 1 may apply to the commissioner for a waiver from the requirements of this chapter based upon unique circumstances. In deciding whether to grant the insurer's request for a waiver, the commissioner may consider the type and volume of business written, ownership and organizational structure, and any other factors the commissioner considers relevant to the insurer or the insurance group of which the insurer is a member. If the insurer is part of an insurance group with insurers domiciled in more than one state, the commissioner shall coordinate with the state commissioner that is the lead state commissioner of the insurance group, as determined pursuant to section 522.5, and with the other domiciliary commissioners in considering whether to grant the insurer's request for a waiver.

5. Notwithstanding the exemptions provided in this section, the commissioner may do the following:

6. If an insurer that qualifies for an exemption pursuant to subsection 1 subsequently no longer qualifies for that exemption due to changes in premium as reflected in the insurer's most recent annual statement or in the most recent annual statements of the other insurers in the insurance group of which the insurer is a member, the insurer shall have one year following the year the threshold is exceeded to comply with the requirements of this chapter.

Sec. 7. NEW SECTION. 522.7 Contents of own risk and solvency assessment summary report.

1. The own risk and solvency assessment summary report shall be prepared consistent with the own risk and solvency assessment guidance manual, subject to the requirements of subsection 2. Be It Enacted by the General Assembly of the State of Iowa:

Section 1. Section 257.11, Code 2013, is amended by adding the following new subsection:

NEW SUBSECTION. 6A. *Shared operational functions — increased student opportunities — budget years beginning in 2014 through 2019.*

a. (1) In order to provide additional funding to increase student opportunities and redirect more resources to student programming for school districts that share operational functions, a supplementary weighting of two hundredths per pupil shall be assigned to pupils enrolled in a district that shares with a political subdivision one or more operational functions of a curriculum director, school administration manager, mental health therapist,¹ school nurse, school counselor, or school librarian, or one or more operational functions in the areas of superintendent management, business management, human resources, transportation, or operation and maintenance for at least twenty percent of the school year. The additional weighting shall be assigned for each discrete operational function shared. The operational function sharing arrangement does not need to be a newly implemented sharing arrangement to receive supplementary weighting under this subsection. However, to receive supplementary weighting under this subsection for an ongoing operational function sharing arrangement that began before July 1, 2014, the district shall submit information to the department documenting the cost savings directly attributable to the shared operational functions and describe the district's consideration of additional shared operational functions.

(2) For the purposes of this section, "*political subdivision*" means a city, township, county, school corporation, merged area, area education agency, institution governed by the state board of regents, or any other governmental subdivision.

b. School districts that share operational functions with other school districts are not required to be contiguous school districts. If two or more districts sharing operational functions are not contiguous to each other, the districts separating those districts are not required to be a party to the operational functions sharing arrangement.

c. Supplementary weighting pursuant to this subsection shall be available to a school district for a maximum of five years during the period commencing with the budget year beginning July 1, 2014, through the budget year beginning July 1, 2019. The minimum amount of additional weighting for which a school district shall be eligible is an amount equivalent to ten additional pupils, and the maximum amount of additional weighting for which a school district shall be eligible is an amount equivalent to forty additional pupils. Receipt of supplementary weighting by a school district pursuant to this subsection for more than one year shall be contingent upon the annual submission of information by the district to the department documenting cost savings directly attributable to the shared operational functions. Criteria for determining the number of years for which supplementary weighting shall be received pursuant to this subsection, subject to the five-year maximum, and for determining qualification of operational functions for supplementary weighting shall be determined by the department by rule, through consideration of long-term savings by the school district or increased student opportunities.

d. Supplementary weighting pursuant to this subsection shall be available to an area education agency for a maximum of five years during the period commencing with the budget year beginning July 1, 2014, through the budget year beginning July 1, 2019. The minimum amount of additional funding for which an area education agency shall be eligible is fifty thousand dollars, and the maximum amount of additional funding for which an area education agency shall be eligible is two hundred thousand dollars. The department of management shall annually set a weighting for each area education agency to generate the approved operational sharing expense using the area education agency's special education cost per pupil amount and foundation level. Receipt of supplementary weighting by an area education agency for more than one year shall be contingent upon the annual submission of information by the district to the department documenting cost savings directly attributable to the shared operational functions. Criteria for determining the number of years for which supplementary weighting shall be received pursuant to this subsection, subject to the five-year maximum, and the amount generated by the supplementary weighting, and for determining qualification of operational functions for supplementary weighting shall be determined by the department by rule, through consideration of long-term savings by the area education agency or increased student opportunities.

Sec. 10. NEW SECTION. 437B.1 Purposes.

The purposes of this chapter are to replace property taxes imposed on rate-regulated water utilities with a system of taxation which will remove fluctuations in property taxes by imposing a system of taxation based on the delivery of water, to preserve revenue neutrality and debt capacity for local governments and taxpayers, to preserve neutrality in the allocation and cost impact of any replacement tax among and upon consumers of rate-regulated water utilities in this state, and to provide a system of taxation which reduces existing administrative burdens on state government.

Sec. 11. NEW SECTION. 437B.2 Definitions.

As used in this chapter, unless the context otherwise requires:

1. “*Centrally assessed property tax*” means property tax imposed with respect to the value of property determined by the director pursuant to sections 428.24 to 428.29, Code 2013, and allocated to water service.

2. “*Consumer*” means an end user of water used or consumed within the service area of a water utility. “*Consumer*” includes any master-metered facility even though the water delivered to such facility may ultimately be used by another person. A person to whom water is delivered by a master-metered facility is not a consumer. A “*master-metered facility*” means any multi-occupancy premises where units are separately rented or owned and where individual metering is impractical, where the facility is designated for elderly or handicapped persons and utility costs constitute part of the operating cost and are not apportioned to individual units, or where submetering or resale of service was permitted prior to 1966.

3. “*Delivery*” means the physical transfer of water, excluding nonrevenue water, to a consumer for sale. Physical transfer to a consumer occurs when transportation of water ends and such water becomes available for use or consumption by a consumer.

4. “*Director*” means the director of revenue.

5. “*Lease*” means a contract between a lessor and lessee pursuant to which the lessee obtains a present possessory interest in tangible property without obtaining legal title in such property. A contract to deliver water using operating property within this state is not a lease. “*Capital lease*” means a lease classified as a capital lease under generally accepted accounting principles.

6. “*Local taxing authority*” means a city, county, community college, school district, or other taxing authority located in this state and authorized to certify a levy on property located within such authority for the payment of bonds and interest or other obligations of such authority.

7. “*Local taxing district*” means a geographic area with a common consolidated property tax rate.

8. a. “*Major addition*” means any acquisition on or after January 1, 2012, by a taxpayer, by transfer of ownership, self-construction, or capital lease of any interest in any of the following:

(1) A building in this state where the acquisition cost of all interests acquired exceeds ten million dollars.

(2) A water treatment plant where the acquisition cost of all interests acquired exceeds ten million dollars. For purposes of this paragraph,¹ “*water treatment plant*” means buildings

¹ See chapter 140, §67 herein

and equipment used in that portion of the potable water supply system which in some way alters the physical, chemical, or bacteriological quality of the water.

(3) Water utility operating property within a local taxing district where the acquisition cost of all interests acquired exceeds one million dollars.

(4) Any water utility property in this state acquired by a person not previously subject to taxation under this chapter pursuant to section 437B.12.

b. For purposes of this chapter, the acquisition cost of an asset acquired by capital lease is its capitalized value determined under generally accepted accounting principles.

9. “*Nonrevenue water*” means the difference between the total number of gallons of water carried through the water utility’s distribution system and the number of gallons of water delivered to consumers using the water utility’s distribution system.

10. “*Operating property*” means all property owned by or leased to a water utility, not otherwise taxed separately, which is necessary to and without which the company² could not perform the activities of a water utility.

11. “*Replacement tax*” means the excise tax imposed on the delivery of water under section 437B.3.

12. “*Service area*” means the geographical area within this state to which the water utility delivers water and related services. A water utility’s service area shall be that area described in the water utility’s tariff filed with the utilities board.

12A. “*Taxable value*” means as defined in section 437B.15, subsection 2, paragraph “e”.

13. “*Taxpayer*” means a water utility or other person subject to the replacement tax imposed under section 437B.3.

14. “*Tax year*” means a calendar year beginning January 1 and ending December 31.

15. “*Utilities board*” means the utilities board created in section 474.1.

16. “*Water utility*” or “*rate-regulated water utility*” means a person engaged primarily in the production, delivery, service, or sale of water in a service area, whether formed or organized under the laws of this state or elsewhere, and subject to the rate and service regulation of the utilities board pursuant to chapter 476. “*Water utility*” does not include a cooperative, municipal utility, or other entity engaged primarily in such activities that is not under the jurisdiction of the utilities board.

Sec. 12. NEW SECTION. **437B.3 Replacement tax imposed on delivery of water.**

1. A replacement delivery tax is imposed on each water utility that delivers water to a consumer within the water utility’s service area. The replacement delivery tax imposed by this section is equal to the number of gallons of water delivered to consumers in the water utility’s service area by the taxpayer during the tax year multiplied by the replacement delivery tax rate in effect for the service area.

2. The replacement delivery tax rate for each service area shall be calculated by the director as follows:

a. The director shall determine the centrally assessed property tax liability allocated to water delivery for those water utilities operating within the service area for the assessment year 2011 based on property tax amounts due and payable as the result of that assessment year.

b. The director shall determine the number of gallons of water delivered to consumers in the service area which would have been subject to taxation under this section in calendar year 2011, had such section been in effect for calendar year 2011.

c. The director shall determine a replacement delivery tax rate for each service area by dividing the centrally assessed property tax liability, as determined in paragraph “a”, by the number of gallons of water delivered, as specified in paragraph “b”.

3. a. If for any tax year after calendar year 2012, the total number of gallons of water required to be reported by a water utility pursuant to section 437B.4, subsection 1, paragraph “a”, increases or decreases by more than the threshold percentage from the average of the base year amounts for that water utility for the immediately preceding five calendar years, the replacement tax rate imposed under subsection 1 for that tax year shall be recalculated by the director for that water utility so that the total of the tentative replacement delivery

² See chapter 140, §68 herein

taxes required to be reported pursuant to section 437B.4, subsection 1, paragraph “b”, for that water utility with respect to the tax imposed under subsection 1, shall be as follows:

(1) If the number of gallons of water required to be reported increased by more than the threshold percentage, one hundred two percent of such taxes required to be reported by the water utility for that water utility for the immediately preceding tax year.

(2) If the number of gallons of water required to be reported decreased by more than the threshold percentage, ninety-eight percent of such taxes required to be reported by the water utility for that water utility for the immediately preceding tax year.

b. For purposes of paragraph “a”, subparagraphs (1) and (2), in computing the tax rate under subsection 1, for tax year 2013, the director shall use the centrally assessed property tax liability allocated to water sales computed pursuant to subsection 2, paragraph “a”, or the water utility’s centrally assessed property tax liability for the assessment year 2010, whichever is greater, in lieu of the taxes required to be reported for that water utility for the immediately preceding tax year. In addition, notwithstanding the provisions of this section to the contrary, for tax years 2013, 2014, and 2015, if the total amount of replacement delivery taxes imposed on the water utility in any of those tax years is less than the utility’s centrally assessed property tax liability for the assessment year 2010, the replacement tax rate imposed under subsection 1 for that tax year shall be recalculated by the director so that the total amount of replacement delivery taxes imposed on the water utility for such tax year equals the water utility’s centrally assessed property tax liability for the assessment year 2010.

c. For purposes of this section, “base year amount” means for calendar years prior to tax year 2013, the number of gallons of water delivered to consumers by the water utility which would have been subject to taxation under this section had this section been in effect for such calendar year, and for tax years after calendar year 2012, the number of gallons of water required to be reported by the water utility pursuant to section 437B.4, subsection 1.

d. The threshold percentage shall be five percent.

4. The replacement delivery tax rate in effect for each service area shall be published by the director in the Iowa administrative bulletin on or before May 31 of each year.

5. If recalculation of the replacement delivery tax rate is required pursuant to subsection 3, the new rate shall be published in the Iowa administrative bulletin by the director by no later than May 31 following the end of the tax year. The director shall adjust the tentative replacement tax imposed by subsection 1 and required to be shown on any affected water utility’s return pursuant to section 437B.4, subsection 1, paragraph “b”, to reflect the adjusted replacement delivery tax rate for the tax year, and report such adjustment to the affected water utility on or before June 30 following the end of the tax year. The new replacement delivery tax rate shall apply prospectively, until such time as further adjustment is required.

6. For a service area established as the result of the formation or organization of a new water utility on or after January 1, 2013, the director shall to the extent possible determine a replacement delivery tax rate for the new service area using the procedures of this section and for the information for the year that the water utility was first under the jurisdiction of the utilities board.

Sec. 13. NEW SECTION. 437B.4 Return and payment requirements.

1. Each taxpayer, on or before March 31 following a tax year, shall file with the director a return including but not limited to the following information:

a. The total taxable gallons of water delivered by the water utility to consumers within the service area during the tax year.

b. The tentative replacement taxes imposed by section 437B.3 due for the tax year.

2. A return shall be signed by an officer, or other person duly authorized by the water utility, and must be certified as correct and in accordance with forms and rules prescribed by the director.

3. At the time of filing the return required by subsection 1 with the director, the taxpayer shall calculate the tentative replacement tax due for the tax year. The director shall compute any adjustments to the replacement tax required by subsection 5 and by section 437B.3, subsection 3, and notify the taxpayer of any such adjustments in accordance with the requirements of section 437B.3, subsection 5. The director and the department of management shall compute the allocation of replacement taxes among local taxing districts

and report such allocations to county treasurers pursuant to section 437B.11. Based on such allocations, the treasurer of each county shall notify each taxpayer on or before August 31 following a tax year of its replacement tax obligation to the county treasurer. On or before September 30, 2014, and on or before September 30 of each subsequent year, the taxpayer shall remit to the county treasurer of each county to which such replacement tax is allocated pursuant to section 437B.11, one-half of the replacement tax so allocated, and on or before the succeeding March 31, the taxpayer shall remit to the county treasurers the remaining replacement tax so allocated. If notification of a taxpayer's replacement tax obligation is not mailed by a county treasurer on or before August 31 following a tax year, such taxpayer shall have thirty days from the date the notification is mailed to remit one-half of the replacement tax otherwise required by this subsection to be remitted to such county treasurer on or before September 30. If a taxpayer fails to timely remit replacement taxes as provided in this subsection, the county treasurer of each affected county shall notify the director of such failure.

4. Notwithstanding subsections 1 through 3, a taxpayer shall not be required to file a return otherwise required by this section or remit any replacement tax for any tax year in which the taxpayer's replacement tax liability before credits is three hundred dollars or less, provided that all water utilities shall file a return, regardless of the taxpayer's replacement tax liability.

5. Following the determination of replacement delivery tax rates by the director pursuant to section 437B.3, subsection 2, if an adjustment resulting from a taxpayer appeal is made to taxes levied and paid by a taxpayer with respect to the assessment year 2011 used in determining such rates, the director shall recalculate the replacement delivery tax rate for any affected water utility to reflect the impact of such adjustment as if such adjustment had been reflected in the initial determination of the centrally assessed property tax liability allocated to water service pursuant to section 437B.3, subsection 2, paragraph "a". Rate recalculations shall be made and published in the Iowa administrative bulletin by the director on or before March 31 following the calendar year in which a final determination of the adjustment is made. Taxpayers shall report to the director any increase or decrease in the tentative replacement tax required to be shown to be due pursuant to subsection 1, paragraph "b", for any tax year with the return for the year in which the recalculated tax rates which gave rise to the adjustment are published in the Iowa administrative bulletin. The director and the department of management shall redetermine the allocation of replacement taxes pursuant to section 437B.11 for each affected tax year. If a taxpayer has overpaid replacement taxes, the overpayment shall be reported by the director to such taxpayer and to the appropriate county treasurers and shall be a credit against the replacement taxes owed by such taxpayer for the year in which the recalculated rates which gave rise to the overpayment are published in the Iowa administrative bulletin. If a taxpayer has overpaid centrally assessed property taxes for assessment years prior to tax year 2013, such overpayment shall be a credit against replacement taxes owed by such taxpayer for the year in which the overpayment is determined. Unused credits may be carried forward and used to reduce future replacement tax liabilities until exhausted.

Sec. 14. NEW SECTION. 437B.5 Failure to file return — incorrect return.

1. As soon as practicable after a return required by section 437B.4, subsection 1, is filed, and in any event within three years after such return is filed, the director shall examine the return, determine the tax due if the return is found to be incorrect, and give notice to the taxpayer of the determination as provided in subsection 2. The period for the examination and determination of the correct amount of tax is unlimited in the case of a false or fraudulent return made with the intent to evade any tax or in the case of a failure to file a return.

2. If a return required by section 437B.4, subsection 1, is not filed, or if such return when filed is incorrect or insufficient and the taxpayer fails to file a corrected or sufficient return within twenty days after such return is required by notice from the director, the director shall determine the amount of tax due from information as the director may be able to obtain and, if necessary, may estimate the tax due on the basis of external indices. The director shall give notice of the determination to the taxpayer liable for the tax and to the county treasurers to whom the tax is owed. The determination shall fix the tax unless the taxpayer against whom it is levied, within sixty days after notice of the determination, applies to the director for a

hearing. At the hearing evidence may be offered to support the determination or to prove that it is incorrect. After the hearing the director shall give notice of the decision to the person liable for the tax and to the county treasurers to whom the tax is owed.

3. The three-year period of limitation provided in subsection 1 may be extended by the taxpayer by signing a waiver agreement form provided by the department. The agreement shall stipulate the period of extension and the tax period to which the extension applies. The agreement shall also provide that a claim for refund may be filed by the taxpayer at any time during the period of extension.

Sec. 15. NEW SECTION. 437B.6 Judicial review.

1. Judicial review of the actions of the director may be sought pursuant to chapter 17A, the Iowa administrative procedure Act.

2. For cause and upon a showing by the director that collection of the tax in dispute is in doubt, the court may order the petitioner to file with the clerk of the district court a bond for the use of the appropriate local taxing authorities, with sureties approved by the clerk of the district court, in the amount of the tax appealed from, conditioned upon the performance by the petitioner of any orders of the court.

3. An appeal may be taken by the taxpayer or the director to the supreme court irrespective of the amount involved.

4. A person aggrieved by a decision of the chief financial officer of a city under this chapter may seek review by writ of certiorari within thirty days of the decision sought to be reviewed.

Sec. 16. NEW SECTION. 437B.7 Lien — actions authorized.

1. Whenever a taxpayer who is liable to pay a replacement tax imposed by this chapter refuses or neglects to pay such tax, the amount, including any interest, penalty, or addition to such tax, together with the costs that may accrue, shall be a lien in favor of the chief financial officer of the city or the county treasurer to which the tax is owed upon all property and rights to property, whether real or personal, belonging to the taxpayer. The lien shall be prior to and superior over all subsequent liens upon any personal property within this state, or right to such personal property, belonging to the taxpayer, without the necessity of recording the lien. The requirement for recording, as applied to the replacement tax imposed by this chapter, shall apply only to a lien upon real property. The lien may be preserved against subsequent mortgagees, purchasers, or judgment creditors, for value and without notice of the lien, on any real property situated in a county, by the county treasurer to which replacement tax is owed by filing with the recorder of the county in which the real property is located a notice of the lien. For purposes of the replacement tax collected by a city, the lien may be preserved against subsequent mortgagees, purchasers, or judgment creditors, for value and without notice of the lien, on any real property situated in the county, by the chief financial officer of the city to which replacement tax is owed by filing with the recorder of the county in which the real property is located a notice of the lien.

2. The county recorder of each county shall index each lien showing the applicable entries specified in sections 558.49 and 558.52 and showing, under the names of taxpayers arranged alphabetically, all of the following:

a. The name of the taxpayer.

b. The name of the county treasurer and county or the name of the chief financial officer and city as claimant.

c. Time the notice of lien was filed for recording.

d. Date of notice.

e. Amount of lien then due.

f. Date of assessment.

g. Date when the lien is satisfied.

3. The recorder shall endorse on each notice of lien the day, hour, and minute when filed for recording and the document reference number, shall preserve such notice, shall index the notice in the index, and shall promptly record the lien in the manner provided for recording real estate mortgages. The lien is effective from the time of the indexing of the lien.

4. The county treasurer or chief financial officer of the city shall pay recording fees as provided in section 331.604, for the recording of the lien, or for its satisfaction.

5. Upon the payment of the replacement tax as to which a county treasurer has filed notice with a county recorder, the county treasurer shall promptly file with the recorder a satisfaction of the replacement tax. The recorder shall record the notice of satisfaction showing the applicable entries specified in sections 558.49 and 558.52.

6. Section 445.3 applies with respect to the replacement taxes and special utility property tax levies and penalties and interest imposed by this chapter, except for the provisions limiting the commencement of actions. In addition, at the county treasurer's discretion, chapters 446, 447, and 448 apply in the enforcement of the special utility property tax levies, but any tax deed issued shall not extinguish a tax lien or judgment lien for replacement taxes that has attached to the property.

Sec. 17. NEW SECTION. 437B.8 Service of notice.

1. A notice authorized or required under this chapter may be given by mailing the notice to the taxpayer, addressed to the taxpayer at the address given in the last return filed by the taxpayer pursuant to this chapter, or if no return has been filed, then to the most recent address of the taxpayer obtainable. The mailing of the notice is presumptive evidence of the receipt of the notice by the taxpayer to whom the notice is addressed. A period of time within which some action must be taken for which notice is provided under this section commences to run from the date of mailing of the notice.

2. There is no limitation for the enforcement of a civil remedy pursuant to any proceeding or action taken to levy, appraise, assess, determine, or enforce the collection of any tax or penalty due under this chapter.

Sec. 18. NEW SECTION. 437B.9 Penalties — offenses — limitation.

1. A taxpayer is subject to the penalty provisions in section 421.27 with respect to any replacement tax due under this chapter. A taxpayer shall also pay interest on the delinquent replacement tax at the rate in effect under section 421.7 for each month computed from the date the payment was due, counting each fraction of a month as an entire month. The penalty and interest shall be paid to the county treasurer, or in the case of penalty and interest associated with a municipal transfer replacement tax to the city financial officer, and shall be disposed of in the same manner as other receipts under this chapter. Unpaid penalties and interest may be enforced in the same manner as provided for unpaid replacement tax under this chapter.

2. A taxpayer, or officer, member, or employee of the taxpayer, who willfully attempts to evade the replacement tax imposed or the payment of the replacement tax is guilty of a class "D" felony.

3. The issuance of a certificate by the director or a county treasurer stating that a replacement tax has not been paid, that a return has not been filed, or that information has not been supplied pursuant to this chapter is prima facie evidence of such failure.

4. A taxpayer, or officer, member, or employee of the taxpayer, required to pay a replacement tax, or required to make, sign, or file an annual return or supplemental return, who willfully makes a false or fraudulent annual return, or who willfully fails to pay at least ninety percent of the replacement tax or willfully fails to make, sign, or file the annual return, as required, is guilty of a fraudulent practice.

5. For purposes of determining the place of trial for a violation of this section, the situs of an offense is in the county of the residence of the taxpayer, officer, member, or employee of the taxpayer charged with the offense, unless the taxpayer, officer, member, or employee of the taxpayer is a nonresident of this state or the residence cannot be established, in which event the situs of the offense is in Polk county.

6. Prosecution for an offense specified in this section shall be commenced within six years after the commission of the offense.

Sec. 19. NEW SECTION. 437B.10 Correction of errors — refunds or credits of replacement tax paid — information confidential — penalty.

1. *a.* If an amount of replacement tax, penalty, or interest has been paid which was not due under this chapter, a county treasurer to whom such erroneous payment was made shall do one of the following:

(1) Credit the amount of the erroneous payment against any replacement tax due, or to become due, from the taxpayer on the books of the city or county.

(2) Refund the amount of the erroneous payment to the taxpayer.

b. Claims for refund or credit of replacement taxes paid shall be filed with the director. A claim for refund or credit that is not filed with the director within three years after the replacement tax payment upon which a refund or credit is claimed became due, or one year after the replacement tax payment was made, whichever time is later, shall not be allowed. A claim for refund or credit of tax alleged to be unconstitutional not filed with the director within ninety days after the replacement tax payment upon which a refund or credit is claimed became due shall not be allowed. As a precondition for claiming a refund or credit of alleged unconstitutional taxes, such taxes must be paid under written protest which specifies the particulars of the alleged unconstitutionality. Claims for refund or credit may only be made by, and refunds or credits may only be made to, the person responsible for paying the replacement tax, or such person's successors. The director shall notify affected county treasurers of the acceptance or denial of any refund claim. Section 421.10 applies to claims denied by the director.

2. a. It is unlawful for any present or former officer or employee of the state to divulge or to make known in any manner to any person the gallons of water delivered by a water utility disclosed on a tax return, return information, or investigative or audit information. A person who violates this section is guilty of a serious misdemeanor. If the offender is an officer or employee of the state, such person, in addition to any other penalty, shall also be dismissed from office or discharged from employment. This section does not prohibit turning over to duly authorized officers of the United States or tax officials of other states such information pursuant to agreement between the director and the secretary of the treasury of the United States or the secretary's delegate or pursuant to a reciprocal agreement with another state.

b. Local taxing authority employees are deemed to be officers and employees of the state for purposes this of³ subsection.

3. Unless otherwise expressly permitted by a section referencing this chapter, the gallons of water delivered by a taxpayer in a service area shall not be divulged to any person or entity, other than the taxpayer, the department of revenue, or the internal revenue service for use in a matter unrelated to tax administration. This prohibition precludes persons or entities other than the taxpayer, the department of revenue, or the internal revenue service from obtaining such information from the department of revenue. A subpoena, order, or process which requires the department of revenue to produce such information to a person or entity, other than the taxpayer, the department of revenue, or internal revenue service, for use in a nontax proceeding is void.

4. Notwithstanding subsections 2 and 3, the chief financial officer of any local taxing authority and any designee of such officer shall have access to any computations made by the director pursuant to the provisions of this chapter, and any tax return or other information used by the director in making such computations, which affect the replacement tax owed by any such taxpayer.

5. Claims for refund or credit of special utility property tax levies shall be filed with the appropriate county treasurer. Subsection 1 applies with respect to the special utility property tax levy and the county treasurer shall have the same authority as is granted to the director under this section.

Sec. 20. NEW SECTION. **437B.11 Allocation of revenue.**

1. The director and the department of management shall compute the allocation of all replacement tax revenues among the local taxing districts in accordance with this section and shall report such allocation by local taxing districts to the county treasurers on or before August 15 following a tax year.

2. The director shall determine and report to the department of management the total replacement taxes to be collected from each taxpayer for the tax year on or before July 30 following such tax year.

³ See chapter 140, §69 herein

3. a. All replacement taxes owed by a taxpayer shall be allocated among the local taxing districts in which such taxpayer's property is located in accordance with a general allocation formula determined by the department of management on the basis of general property tax equivalents. General property tax equivalents shall be determined by applying the levy rates reported by each local taxing district to the department of management on or before June 30 following a tax year to the taxable value of taxpayer property allocated to each such local taxing district as adjusted and reported to the department of management in such tax year by the director pursuant to the procedures required pursuant to section 437B.15. The general allocation formula for a tax year shall allocate to each local taxing district that portion of the replacement taxes owed by each taxpayer which bears the same ratio as such taxpayer's general property tax equivalents for each local taxing district bears to such taxpayer's total general property tax equivalents for all local taxing districts in Iowa.

b. If, during the tax year, a taxpayer transferred operating property or an interest in operating property to another taxpayer, the transferee taxpayer's replacement tax associated with that property shall be allocated, for the tax year in which the transfer occurred, under this section in accordance with the general allocation formula on the basis of the general property tax equivalents of the transferor taxpayer.

c. Notwithstanding the provisions of this section, if during the tax year a person who was not a taxpayer during the prior tax year acquires a new major addition, as defined in section 437B.2, subsection 8, paragraph "a", subparagraph (4), the replacement tax associated with that major addition shall be allocated, for that tax year, under this section in accordance with the general allocating formula on the basis of the general property tax equivalents established under paragraph "a" of this subsection, except that the levy rates established and reported to the department of management on or before June 30 following the tax year in which the major addition was acquired shall be applied to the prorated assessed value of the major addition. For purposes of this paragraph, "*prorated assessed value of the major addition*" means the assessed value of the major addition as of January 1 of the year following the tax year in which the major addition was acquired multiplied by the percentage derived by dividing the number of months that the major addition existed during the tax year by twelve, counting any portion of a month as a full month.

4. On or before August 31 following tax years 2013, 2014, and 2015, each county treasurer shall compute a special utility property tax levy or tax credit for each taxpayer for which a replacement tax liability for each such tax year is reported to the county treasurer pursuant to subsection 1, and shall notify the taxpayer of the amount of such tax levy or tax credit. The amount of the special utility property tax levy or credit shall be determined for each taxpayer by the county treasurer by comparing the taxpayer's total replacement tax liability allocated to taxing districts in the county pursuant to this section with the anticipated tax revenues from the taxpayer for all taxing districts in the county. If the taxpayer's total replacement tax liability allocated to taxing districts in the county is less than the anticipated tax revenues from the taxpayer for all taxing districts in the county, the county treasurer shall levy a special utility property tax equal to the shortfall which shall be added to and collected with the replacement tax owed by the taxpayer to the county treasurer for the tax year pursuant to section 437B.4, subsection 3. If the taxpayer's total replacement tax liability allocated to taxing districts in the county exceeds the anticipated tax revenues from the taxpayer for all taxing districts in the county, the county treasurer shall issue a credit to the taxpayer which shall be applied to reduce the taxpayer's replacement tax liability to the county treasurer for the tax year. If the taxpayer's total replacement tax liability allocated to taxing districts in the county equals the anticipated tax revenues from the taxpayer for all taxing districts in the county, no levy or credit is required. Replacement tax liability for purposes of this subsection means replacement tax liability before credits allowed by section 437B.4, subsection 5. A recalculation of a special utility property tax levy or credit shall not be made as a result of a subsequent recalculation of replacement tax liability under section 437B.4, subsection 5, or adjustment to assessed value under section 437B.15. "*Anticipated tax revenues from a taxpayer*" means the product of the total levy rates imposed by the taxing districts and the value of taxpayer property allocated to the taxing districts and reported to the county auditor. Special utility property tax levies and credits shall be treated as replacement taxes for purposes of section 437B.7. If a special utility property tax levy

payment becomes delinquent, the delinquent payment shall accrue interest and penalty in the same manner and amount as the replacement tax under section 437B.9.

5. The replacement tax, as adjusted by any special utility property tax levy or credit and remitted to a county treasurer by each taxpayer, shall be treated as a property tax when received and shall be disbursed by the county treasurer as taxes on real estate. Notwithstanding the allocation provisions of this section, nothing in this section shall deny any municipality which has enacted an ordinance or entered into an agreement for the division and allocation of taxes authorized under section 403.19 and under which ordinance or agreement the taxes collected in respect of properties owned by any of the taxpayers remitting replacement taxes pursuant to the provisions of this chapter are being divided and allocated, the right to receive its share of the replacement tax revenues collected for any year which would otherwise be paid to such municipality under the terms of any such ordinance or agreement had this chapter not been enacted. To the extent that adjustment must be made to the allocation described in this section to give effect to the terms of such ordinances or agreements, the department of management and the county treasurer shall make such adjustments.

6. In lieu of the adjustment provided for in subsection 5, the assessed value of property described in section 403.19, subsection 1, may be reduced by the city or county by the amount of the taxable value of the property described in section 437B.12 included in such area on January 1, 2011, pursuant to amendment of the ordinance adopted by such city or county pursuant to section 403.19.

7. The utility replacement tax task force created in section 437A.15 shall study the effects of the replacement tax on local taxing authorities, local taxing districts, consumers, and taxpayers through January 1, 2016. If the task force recommends modifications to the replacement tax that will further the purposes of tax neutrality for local taxing authorities, local taxing districts, taxpayers, and consumers, consistent with the stated purposes of this chapter, the department of management shall transmit those recommendations to the general assembly.

Sec. 21. NEW SECTION. 437B.12 Assessment exclusive.

All operating property and all other property that is primarily and directly used in the delivery of water subject to replacement tax is exempt from taxation except as otherwise provided by this chapter.

Sec. 22. NEW SECTION. 437B.13 Statutes applicable — rate calculations.

1. The director shall administer and enforce the replacement tax imposed by this chapter in the same manner as provided in and subject to sections 422.68, 422.70, 422.71, and 422.75.

2. The calculation of tax rates and adjustments to such rates by the director pursuant to this chapter do not constitute rulemaking subject to the provisions of chapter 17A.

Sec. 23. NEW SECTION. 437B.14 Tax imposition.

An annual statewide property tax of three cents per one thousand dollars of assessed value is imposed upon all property described in section 437B.12 on the assessment date of January 1.

Sec. 24. NEW SECTION. 437B.15 Adjustment to assessed value — reporting requirements.

1. a. A taxpayer whose property is subject to the statewide property tax shall report to the director by July 1, 2013, and by May 1 of each subsequent tax year, on forms prescribed by the director, the book value, as of the beginning and end of the preceding calendar year, of all of the following:

(1) The local amount of any major addition by local taxing district.

(2) The statewide amount of any major addition without notation of location.

(3) Any building in Iowa at acquisition cost of more than ten million dollars that was originally placed in service by the taxpayer prior to January 1, 2012, and that was transferred or disposed of in the preceding calendar year, listed by local taxing district.

(4) All other taxpayer property without notation of location.

(5) The local amount of any major addition eligible for the urban revitalization exemption provided for in chapter 404, by situs.

(6) All other transferred taxpayer property, in addition to any transferred property reported under subparagraph (3), listed by local taxing district.

(7) Any water utility operating property at acquisition cost of more than one million dollars that was transferred or disposed of in the preceding calendar year, listed by local taxing district.

b. For purposes of this section:

(1) “*Book value*” means acquisition cost less accumulated depreciation determined under generally accepted accounting principles.

(2) “*Taxpayer property*” means property described in section 437B.12.

(3) “*To dispose of*” means to sell, abandon, decommission, or retire an asset.

(4) “*Transfer*” means a transaction which results in a change of ownership of taxpayer property and includes a capital lease transaction.

c. For purposes of this subsection, “*taxpayer*” includes a person who would have been a taxpayer in calendar year 2012 had the provisions of this chapter been in effect for the 2012 assessment year.

d. If a taxpayer owns or leases pursuant to a capital lease less than the entire interest in a major addition, the local amount and statewide amount, if any, of such major addition shall be apportioned to the taxpayer on the basis of its percentage interest in such major addition.

2. a. Beginning January 1, 2013, the assessed value of taxpayer property shall be adjusted annually as provided in this section. The director, with respect to each taxpayer, shall do all of the following:

(1) Adjust the assessed value of taxpayer property in each local taxing district by the change in book value during the preceding calendar year of the local amount of any major addition reported within such local taxing district.

(2) Adjust the assessed value of taxpayer property in each local taxing district by allocating the change in book value during the preceding calendar year of the statewide amount and all other taxpayer property described in subsection 1, paragraph “a”, subparagraph (5), to the assessed value of all taxpayer property in the state pro rata according to its preadjustment value.

(3) In the case of taxpayer property described in subsection 1, paragraph “a”, subparagraphs (3), (4), and (7), decrease the assessed value of taxpayer property in each local taxing district by the assessed value reported within such local taxing district.

(4) In the event of a merger or consolidation of two or more taxpayers, to determine the assessed value of the surviving taxpayer, combine the assessed values of such taxpayers immediately prior to the merger or consolidation.

(5) In the event any taxpayer property is eligible for the urban revitalization tax exemption described in chapter 404, adjust the assessed value of taxpayer property within each affected local taxing district to reflect such exemption.

(6) In the event the assessed value of taxpayer property is adjusted as a result of taxpayer appeals, reduce the assessed value of taxpayer property in each local taxing district to reflect such adjustment. The adjustment shall be allocated in proportion to the allocation of the taxpayer’s assessed value among the local taxing districts determined without regard to this adjustment. An adjustment to the assessed value of taxpayer property shall be made as of January 1 of the year following the date on which the adjustment is finally determined.

b. In no event shall the adjustments set forth in this subsection reduce the assessed value of taxpayer property in any local taxing district below zero.

c. The director, on or before October 31 of each assessment year, shall report to the department of management and to the auditor of each county the adjusted assessed value of taxpayer property as of January 1 of such assessment year for each local taxing district. For purposes of this subsection, the assessed value of taxpayer property in each local taxing district subject to adjustment under this section by the director means the assessed value of such property as of the preceding January 1 as determined and allocated among the local taxing districts by the director.

d. Nothing in this chapter shall be interpreted to authorize local taxing authorities to exclude from the calculation of levy rates the taxable value of taxpayer property reported to county auditors pursuant to this subsection.

e. In addition to reporting the assessed values as described in this subsection, the director, on or before October 31 of each assessment year, shall also report to the department of management and to the auditor of each county the taxable value of taxpayer property as of January 1 of such assessment year for each local taxing district. For purposes of this chapter, “taxable value” means the value for all property subject to the replacement tax annually determined by the director, by dividing the estimated annual replacement tax liability for that property by the current fiscal year’s consolidated taxing district rate for the taxing district where that property is located, then multiplying the quotient by one thousand. A taxpayer who paid more than five hundred thousand dollars in replacement tax in the previous tax year or who believes the taxpayer’s replacement tax liability will vary more than ten percent from the previous tax year shall report to the director by October 1 of the current calendar year, on forms prescribed by the director, the estimated replacement tax liability that will be attributable to all of the taxpayer’s property subject to replacement tax for the current tax year. The department shall utilize the estimated replacement tax liability as reported by the taxpayer or the taxpayer’s prior year’s replacement tax amounts to estimate the current tax year’s taxable value for that property. Furthermore, a taxpayer who has a new major addition of operating property which is put into service for the first time in the current calendar year shall report to the director by October 1 of the current calendar year, or at the time the major addition is put into service, whichever time is later, on forms prescribed by the director, the cost of the major addition and, if not previously reported, shall report the estimated replacement taxes which that asset will generate in the current calendar year. For the purposes of computing the taxable value of property in a taxing district, the taxing district’s share of the estimated replacement tax liability shall be the taxing district’s percentage share of the assessed value allocated by property tax equivalent multiplied by the total estimated replacement tax. The assessed value allocated by property tax equivalent shall be determined by dividing the taxpayer’s current year assessed valuation in a taxing district by one thousand, and then multiplying by the prior year’s consolidated tax rate.

Sec. 25. NEW SECTION. 437B.16 Tax exemptions.

Except as provided in section 437B.12, all property tax exemptions in the Code do not apply to property subject to the statewide property tax unless such exemptions expressly refer to the statewide property tax, except that if property was exempt from property tax on January 1, 2013, such exemption shall continue until the exemption expires, is phased out, or is repealed. The property of a taxpayer who does not owe any replacement tax is exempt from the statewide property tax for the coinciding assessment year.

Sec. 26. NEW SECTION. 437B.17 Return and payment requirements.

1. Each water utility whose property is subject to the statewide property tax shall file with the director a return, on or before March 31 following the assessment year, including but not limited to the following information:

b. The amount of statewide property tax computed on such assessed value.

2. The first return under subsection 1 is due on or before February 28, 2014.

3. A return shall be signed by an officer, or other person duly authorized by the taxpayer, and must be certified as correct and in accordance with rules and forms prescribed by the director.

4. At the time of filing the return with the director, the taxpayer shall calculate the statewide property tax owed for the assessment year and shall remit to the director the statewide property tax required to be shown due on the return.

5. Notwithstanding subsections 1 through 4, a taxpayer is not required to file a return under this section or to remit any statewide property tax for any tax year in which the taxpayer’s statewide property tax liability is one dollar or less.

Sec. 27. NEW SECTION. 437B.18 Statutes applicable.

1. Sections 437B.5, 437B.6, 437B.8, and 437B.9, and section 437B.10, subsection 1, are applicable to water utilities whose property is subject to the statewide property tax.

2. *a.* Section 422.26 applies with respect to the statewide property tax and penalties imposed by this chapter, except that, as applied to any tax imposed by this chapter, the lien provided shall be prior to and superior over all subsequent liens upon any personal property within this state or right to such personal property belonging to the taxpayer, without the necessity of recording the lien as provided in section 422.26. The requirement for recording, as applied to the statewide property tax imposed by this chapter, shall apply only to a lien upon real property. In order to preserve such lien against subsequent mortgagees, purchasers, or judgment creditors, for value and without notice of the lien, on any real property situated in a county, the director shall file with the recorder of the county in which the real property is located a notice of the lien.

b. The county recorder of each county shall index each lien showing the applicable entries specified in sections 558.49 and 558.52 and showing, under the names of taxpayers arranged alphabetically, all of the following:

- (7) Date when the lien is satisfied.

c. The lien is effective from the time of the indexing of the lien.

d. The director, from moneys appropriated to the department of revenue for this purpose, shall pay recording fees as provided in section 331.604 for the recording of the lien, or for its satisfaction.

e. Upon the payment of the statewide property tax as to which the director has filed notice with a county recorder, the director shall promptly file with the recorder a satisfaction of the statewide property tax. The recorder shall enter the satisfaction on the notice on file in the recorder's office and indicate that fact on the index.

Sec. 28. NEW SECTION. 437B.19 Deposit of tax proceeds.

All revenues received from imposition of the statewide property tax shall be deposited in the general fund of the state. Fifty percent of the revenues shall be available, as appropriated by the general assembly, to the department of management for salaries, support, services, and equipment to administer the replacement tax. The balance of the revenues shall be available, as appropriated by the general assembly, to the department of revenue for salaries, support, services, and equipment to administer and enforce the replacement tax and the statewide property tax.

Sec. 29. NEW SECTION. 437B.20 Records.

Sec. 32. Section 443.2, unnumbered paragraph 2, Code 2013, is amended to read as follows:

The county auditor shall list the aggregate actual value and the aggregate taxable value of all taxable property within the county and each political subdivision including property subject to the statewide property tax imposed under section 437A.18 or 437B.14 on the tax list in order that the actual value of the taxable property within the county or a political subdivision may be ascertained and shown by the tax list for the purpose of computing the debt-incurring capacity of the county or political subdivision. As used in this section, “*actual value*” is the value determined under section 441.21, subsections 1 to 3, prior to the reduction to a percentage of actual value as otherwise provided in section 441.21. “*Actual value*” of property subject to statewide property tax is the assessed value under section 437A.18 or 437B.14.

The implementation and initial imposition of the replacement taxes pursuant to chapter 437B is not intended to result in an increase in the rates and charges for the sale of water that is subject to regulation by the board and in effect on January 1, 2013.

b. The cost of the replacement taxes imposed by chapter 437A or 437B shall be allocated among and within customer classes in a manner that will replicate the tax cost burden of the current property tax on individual customers to the maximum extent practicable.

Sec. 34. IMPLEMENTATION — EMERGENCY RULES. The department of revenue shall adopt administrative rules under section 17A.4, subsection 3, and section 17A.5, subsection 2, paragraph “b”, to implement this Act including but not limited to rules requiring water utilities to report all information and data necessary for the department to carry out the provisions of this Act and the rules shall be effective immediately upon filing unless a later date is specified in the rules. After nonrecurring costs have been paid, if the surcharge is less than the maximum allowed and the fund surplus is less than twenty five percent of the approved annual operating budget, the program manager shall, upon application of the joint E911 service board, increase the surcharge in an amount calculated to result in a surplus of twenty five percent of the approved annual operating budget. When prorated expenses are paid, the remaining unpaid expenses shall no longer be eligible for payment under this paragraph.

Sec. 7. Section 34A.7A, subsection 2, paragraph e, Code 2013, is amended to read as follows:

NEW SUBSECTION. 5. This section is repealed July 1, 2016.

Sec. 66. NEW SECTION. **284.11 State supplemental assistance for high-need schools.**

1. *Findings and intent.* The general assembly finds that students whose first language is not English, who have special needs, or who come from low-income backgrounds face potential obstacles to learning. Schools across Iowa, both urban and rural, have increasing numbers of students who face these challenges. Therefore, it is the intent of the general assembly to provide supplemental assistance to the highest-need schools in Iowa to address these challenges. This section provides for state assistance to allow school districts to develop extended learning time programs, hire instructional support staff, provide additional professional development, or supplement the salary of teachers in the identified schools.

2. *Department's responsibilities.* The department shall do the following:

a. Collect relevant data and establish a list of high-need schools eligible for state supplemental assistance. The department shall establish a process and criteria to determine which schools are placed on the list and the department shall revise the list annually. Criteria for the determination of which high-need schools shall be placed on the list shall be based upon factors that include but are not limited to the socioeconomic status of the students enrolled in the school, the percentage of the school's student body who are limited English proficient students, student academic growth, certified instructional staff attrition, and geographic balance. The department may approve or disapprove requests for revision of the list, which a school district submits pursuant to subsection 3.

b. Develop a standardized process for distributing moneys appropriated for supplemental assistance for high-need schools under section 284.13, subsection 1, paragraph "00e", to school districts. In determining the process for distribution of such moneys, the department shall take into consideration the amount of moneys appropriated for supplemental assistance in high-need schools for the given year and the minimal amount of moneys needed to increase the academic achievement of students. A school district receiving moneys pursuant to this section shall certify annually to the department how the moneys distributed to the school district pursuant to this section were used by the school district.

c. Review the use and effectiveness of the funds distributed to school districts for supplemental assistance in high-need schools under this section, and consider the findings and recommendations of the commission on educator leadership and compensation submitted pursuant to section 284.15, subsection 13, relating to the use and effectiveness of

the funds distributed to school districts under this section. The department shall submit its findings and recommendations in a report to the general assembly by January 15 annually.

3. *School district request for approval.* A school district may request on an annual basis approval from the department for additions to the list of high-need schools the department maintains pursuant to subsection 2 based upon the unique local conditions and needs of the school district. The criteria used to determine the placement of high-need schools on the list in accordance with subsection 2, does not restrict the department from adding a high-need school to the list as requested by a school district on the basis of unique local conditions and needs pursuant to this subsection.

4. *Moneys received and miscellaneous income.* The distribution of moneys allocated pursuant to section 284.13, subsection 1, paragraph "00e", to a school district shall be made in one payment on or about October 15 of the fiscal year for which the appropriation is made, taking into consideration the relative budget and cash position of the state resources. Such moneys shall not be commingled with state aid payments made under section 257.16 to a school district and shall be accounted for by the local school district separately from state aid payments. Payments made to school districts under this section are miscellaneous income for purposes of chapter 257. A school district shall maintain a separate listing within its budget for payments received and expenditures made pursuant to this section.

5. *Moneys received to supplement salaries.* Moneys received by a school district pursuant to section 284.13, subsection 1, paragraph "00e", shall be used to supplement and not supplant the salary being received by a teacher in a high-need school, and shall not be considered under chapter 20 by an arbitrator or other third party in determining a comparison of the wages of teachers in that high-need school with the wages of teachers in other buildings or in another school district.

(6) The receipt of funding by a school district for the purposes of this paragraph "0e", and the need for additional funding for the purposes of this paragraph "0e", or the enrollment count of eligible students under this chapter, shall not be considered to be unusual circumstances, create an unusual need for additional funds, or qualify under any other circumstances that may be used by the school budget review committee to grant supplemental aid to or establish a modified supplemental amount for a school district under section 257.31.

b. The amount of the credit for each parcel or property unit for which a claim for credit under this chapter has been approved shall be equal to the product of the amount of actual value determined under paragraph "a" times the difference, stated as a percentage, between the assessment limitation percentage applicable to the parcel or property unit under section 441.21, subsection 5, and the assessment limitation percentage applicable to residential property under section 441.21, subsection 4, divided by one thousand dollars, and then multiplied by the consolidated levy rate or average consolidated levy rate per one thousand dollars of taxable value applicable to the parcel or property unit for the fiscal year for which the credit is claimed as certified by the county auditor under section 426C.3, subsection 5.

Each taxing district shall receive its share of the business property tax credit allowed on each eligible parcel or property unit in such taxing district in the proportion that the levy made by such taxing district upon the parcel or property unit bears to the total levy upon the parcel or property unit by all taxing districts. However, the several taxing districts shall not draw the moneys so credited until after the semiannual allocations have been received by the county treasurer, as provided in this section. Each county treasurer shall show on each taxpayer receipt the amount of credit received from the fund.

2. The director of revenue shall authorize the department of administrative services to draw warrants on the fund payable to the county treasurers of the several counties of the state in the amounts certified by the department.

3. The amount due each county shall be paid in two payments on November 15 and March 15 of each fiscal year, drawn upon warrants payable to the respective county treasurers. The two payments shall be as nearly equal as possible.

If the board of supervisors disallows a claim for credit under section 426C.3, subsection 4, the board of supervisors shall send written notice, by mail, to the claimant at the claimant's last known address. The notice shall state the reasons for disallowing the claim for the credit. The board of supervisors is not required to send notice that a claim for credit is disallowed if the claimant voluntarily withdraws the claim. Any person whose claim is disallowed under the provisions of this chapter may appeal from the action of the board of supervisors to the district court of the county in which the parcel or property unit is located by giving written notice of such appeal to the county auditor within twenty days from the date of mailing of notice of such action by the board of supervisors.

The amount of such erroneous credit, when collected, shall be deposited in the fund.

2. The claimant or board of supervisors may appeal any decision of the director of revenue to the state board of tax review pursuant to section 421.1, subsection 5. 4. For valuations established as of January 1, 1979, the percentage of actual value at which agricultural and residential property shall be assessed shall be the quotient of the dividend and divisor as defined in this section. The dividend for each class of property shall be the dividend as determined for each class of property for valuations established as of January 1, 1978, adjusted by the product obtained by multiplying the percentage determined for that year by the amount of any additions or deletions to actual value, excluding those resulting from the revaluation of existing properties, as reported by the assessors on the abstracts of assessment for 1978, plus six percent of the amount so determined. However, if the difference between the dividend so determined for either class of property and the dividend for that class of property for valuations established as of January 1, 1978, adjusted by the product obtained by multiplying the percentage determined for that year by the amount of any additions or deletions to actual value, excluding those resulting from the revaluation of existing properties, as reported by the assessors on the abstracts of assessment for 1978, is less than six percent, the 1979 dividend for the other class of property shall be the dividend as determined for that class of property for valuations established as of January 1, 1978, adjusted by the product obtained by multiplying the percentage determined for that year by the amount of any additions or deletions to actual value, excluding those resulting from the revaluation of existing properties, as reported by the assessors on the abstracts of assessment for 1978, plus a percentage of the amount so determined which is equal to the percentage by which the dividend as determined for the other class of property for valuations established as of January 1, 1978, adjusted by the product obtained by multiplying the percentage determined for that year by the amount of any additions or deletions to actual value, excluding those resulting from the revaluation of existing properties, as reported by the assessors on the abstracts of assessment for 1978, is increased in arriving at the 1979 dividend for the other class of property. The director shall utilize information reported on abstracts of assessment submitted pursuant to section 441.45 in determining such percentage. For valuations established as of January 1, 1980, and each assessment year thereafter beginning before January 1, 2013, the percentage of actual value as equalized by the director of revenue as provided in section 441.49 at which agricultural and residential property shall be assessed shall be calculated in accordance with the methods provided

herein in this subsection, including the limitation of increases in agricultural and residential assessed values to the percentage increase of the other class of property if the other class increases less than the allowable limit adjusted to include the applicable and current values as equalized by the director of revenue, except that any references to six percent in this subsection shall be four percent. For valuations established as of January 1, 2013, and each assessment year thereafter, the percentage of actual value as equalized by the director of revenue as provided in section 441.49 at which agricultural and residential property shall be assessed shall be calculated in accordance with the methods provided in this subsection, including the limitation of increases in agricultural and residential assessed values to the percentage increase of the other class of property if the other class increases less than the allowable limit adjusted to include the applicable and current values as equalized by the director of revenue, except that any references to six percent in this subsection shall be three percent.

The divisor for each class of property shall be the total actual value of all such property in 1979, as equalized by the director of revenue pursuant to section 441.49, plus the amount of value added to the total actual value by the revaluation of existing properties in 1980. H.F. 640

AN ACT relating to liquids which are flammable or combustible, by providing for the storage, marketing, and distribution of such liquids, providing for the marketing and distribution of liquids classified as motor fuel, including a conventional blendstock for oxygenate blending, and blended and unblended gasoline and diesel fuel, extending the period for determining the rates of the motor fuel tax based on calculating the distribution of ethanol blended gasoline and other motor fuel, including fees and penalties, and including effective date provisions.

Be It Enacted by the General Assembly of the State of Iowa:

DIVISION I
LEGISLATIVE INTENT

Section 1. USE OF RENEWABLE FUELS. The general assembly finds and declares all of the following:

1. In accordance with the federal Energy Policy Act of 2005, Pub. L. No. 109-58, as amended by the federal Energy Independence and Security Act of 2007, Pub. L. No. 110-140, the United States has demonstrated its commitment to the long-term policy of increasing the production of clean renewable fuels according to a renewable fuel standard, sometimes referred to as “RFS2,” by requiring the increased domestic production and use of renewable fuels, which include total renewable biofuels such as ethanol, advanced biofuels, cellulosic and agricultural waste-based biofuels, and biomass-based biodiesel.

2. The renewable fuel standard provides the foundation for reducing dependence on foreign sources of crude oil, reducing the price of domestic transportation fuels, reducing greenhouse gases, increasing farm income, and encouraging the development and expansion of a new industry, and consequently promoting economic growth.

3. The rising price of petroleum hampers this nation’s economic recovery and contributes to increasing retail prices, including increased costs attributable to the transportation of food and other goods, that drain the finances of both consumers and business.

4. The United States Environmental Protection Agency is responsible for establishing and implementing the renewable fuel standard, including by requiring that certain volumes of various types of biofuels be blended in transportation fuels each year with authority to adjust those volumes due to availability.

5. The United States government should renew its commitment to this nation’s energy security, move the United States toward greater energy independence and security as required by the federal Energy Independence and Security Act, and use all efforts to meet the highest possible renewable fuel volume requirements set forth in the renewable fuel standard in order to ensure that this nation achieves energy independence.

DIVISION II
MOTOR FUEL MARKETING

Sec. 2. Section 214A.1, Code 2013, is amended by adding the following new subsections:

NEW SUBSECTION. 8A. “*Distributor*” means the same as defined in section 452A.2.

TERRY E. BRANSTAD, *Governor*

Dear Mr. Secretary:

I hereby transmit Senate File 396, an Act relating to government operations and efficiency and other related matters, and including effective date and applicability provisions.

Senate File 396 is approved on this date with the following exceptions, which I hereby disapprove.

I am unable to approve Sections 40, 42, and 43 in their entirety. These items require the director of the department of administrative services to purchase a new payroll system for the executive branch. From the beginning of my administration, I asked state agencies to work diligently to reduce administrative costs and reduce overhead costs. At my direction, many efficiency and cost-control measures are already being implemented by the executive branch departments. My administration is committed to reducing the size and cost of government by 15% through efficiencies and new technologies that allow for savings. I believe a mandate to purchase a payroll system at this time is inappropriate. The department may review the payroll system and determine the best way to proceed while protecting and serving the taxpayers of Iowa.

I am unable to approve Section 41 in its entirety. This item prohibits non-contract employees from bumping contract employees in the case of a reduction in force. In order to achieve increased efficiencies within state government, my administration is committed to finding areas where we can consolidate duplicative efforts. However, in doing so we must strive to ensure that various classifications of employees are treated fairly. The executive branch will continue to implement policies that will reduce the size and cost of government by 15% and this provision would be an impediment in achieving this goal.

For the above reasons, I respectfully disapprove the designated items in accordance with Amendment IV of the Amendments of 1968 to the Constitution of the State of Iowa. All other items in Senate File 396 are hereby approved as of this date.

Sincerely,
TERRY E. BRANSTAD, *Governor*

TERRY E. BRANSTAD, *Governor*

Dear Mr. Secretary:

I hereby transmit Senate File 406, an Act relating to involuntary commitments for persons with substance-related disorders, mental illness, and intellectual disabilities, and providing for the creation of a mental health advocate division in the department of inspections and appeals and including effective date provisions.

Senate File 406 is approved on this date with the following exception, which I hereby disapprove.

I am unable to approve of the item designated as Divisions I and II in their entirety. This item establishes new positions of mental health advocates within the Iowa Department of Inspections and Appeals. Currently, these advocates work at the county level. In the newly redesigned mental health and disability services system, it is best for these positions to remain at the local level where services will be managed and delivered regionally. I look forward to continuing to work with the House and Senate on implementing Mental Health redesign in a manner that best serves Iowans and fits within my goals for efficient and effective state government.

For the above reasons, I respectfully disapprove the designated item in accordance with Amendment IV of the Amendments of 1968 to the Constitution of the State of Iowa. All other items in Senate File 406 are hereby approved as of this date.

Sincerely,
TERRY E. BRANSTAD, Governor

The amount calculated for a county shall be subject to review by the auditor of that county or subject to independent audit. The Medicaid offset amounts calculated by the department for a county for a fiscal year are not official until certified by the director of human services and submitted to the governor and general assembly by October 15 immediately following the end of the fiscal year for which the offset amounts were calculated.

To the extent a county’s repayment obligation for a fiscal year exceeds the amount of any equalization payment due the county for that fiscal year, the county shall, for the following

fiscal year, reduce the dollar amount of the county's services fund levy by the amount of the excess.

e. A county's repayment pursuant to this subsection shall be remitted on or before January 1 of the fiscal year in which repayment is due and shall be credited to the property tax relief fund. The health care delivery model shall focus on addressing population health through primary and team-based care that incorporates the attributes of a medical home as specified in chapter 135, division XXII.

(3) Ensure accessibility of medical assistance program recipients to an adequate and qualified workforce by most efficiently utilizing the skills of the available workforce.

(5) Implementation of a stakeholder process. In addition to the oversight and input provided by the legislative advisory council, the department shall hold public, local listening sessions throughout the state, collaborate with consumer groups and provider groups, and partner with other state agencies such as the department on aging and the department of public health to elicit input and feedback on the model design.

(6) Development of a multipayer approach including the medical assistance and children's health insurance programs, private payers, and Medicare.

(7) Oversight of the administration of the model design project.

(8) Engagement of providers beyond the large, integrated health systems to maximize access to all levels of care within an integrated model program by medical assistance recipients.

Sec. 187. EFFECTIVE UPON ENACTMENT AND CONTINGENT IMPLEMENTATION. This division of this Act, being deemed of immediate importance, takes effect upon enactment. However, the department of human services shall implement the sections of this division of this Act enacting chapter 249N, and section 249A.3, subsection 1, paragraph “v”, and amending section 426B.3, effective January 1, 2014, contingent and only upon receipt of federal approval of the state plan amendment or waiver request submitted under this division of this Act.

Approved June 20, 2013, with exceptions noted.

TERRY E. BRANSTAD, *Governor*

Dear Mr. Secretary:

I hereby transmit Senate File 446, an Act relating to appropriations for health and human services and including other related provisions and appropriations, providing penalties, and including effective, retroactive, and applicability date provisions.

Senate File 446 contains new language specifying the process for Iowa Medicaid reimbursement of an abortion procedure. This language applies to the remainder of this fiscal year, as well as fiscal year 2014 and 2015. This new legislative language represents a compromise between Democrats and Republicans in the legislature on the issue of whether taxpayer dollars should be used to reimburse hospitals or doctors for abortions. The new legislative language does not allow or require a governor to approve any procedure in advance. The decision about whether to undergo an abortion procedure continues to remain with the mother and her physician. With this new language, the legislature has asked a governor to approve or disapprove a bill submitted by a provider for taxpayer-funded Medicaid reimbursement after the procedure is performed.

Senate File 446 is approved on this date with the following exceptions, which I hereby disapprove.

I am unable to approve the designated portion of the item designated as Section 2, subsection 1. This item creates two additional long-term care resident's advocates positions. As of today, there are eight long-term care resident's advocates, serving the needs of Iowa's vulnerable seniors. Currently, the Department on Aging is in the process of an aging system redesign and is thoroughly reviewing state services. It is important to ensure that all new positions are consistent with the redesign so that Iowa can best serve the needs of aging Iowans. The effect of this disapproval shall cause the \$200,000 contained in this item to revert to the General Fund.

I am unable to approve the designated portion of the item designated as Section 3, subsection 8, lettered paragraph e. This item provides \$28,644 for the costs of an emergency medical services task force that is disapproved. Due to the fact that the new task force is not created, the money is not needed. Iowa is fortunate to have many dedicated professional and volunteer emergency medical services personnel. These Iowans give their time to provide critical care in emergency situations as first responders. The Iowa Department of Public Health helps provide oversight, assistance and acts as a regulatory body for the profession to ensure Iowans statewide get a high level of care. The Department of Public Health will continue to work to improve our system. An additional task force, growing the size, scope and cost of government is not an effective use of taxpayer dollars at this time. The effect of this disapproval shall cause the \$28,644 contained in this item to revert to the General Fund.

I am unable to approve the designated portion of the item designated as Section 4, subsection 2, lettered paragraph d. This item creates a redundant, overly burdensome mandate requiring the Iowa Veterans' Home to make expenditure reports monthly to the Legislative Services Agency for fiscal year 2014. I strongly support transparency efforts that publicly disclose how departments spend their resources and this information is already available within the State's accounting and budgeting systems.

I am unable to approve the designated portion of the item designated as Section 12, subsection 19, lettered paragraph e. This item requires the Department of Human Services to report on cost containment strategies. The Department of Human Services, Department of Management and the Legislative Services Agency meet on a monthly basis to determine projections for the Medical Assistance appropriation. Information relating to cost containment strategies is shared during these meetings. While I strongly support transparency efforts that publicly disclose how departments spend their resources, this information is already available within the State's accounting and budgeting systems.

I am unable to approve the designated portion of the item designated as Section 12, subsection 20. This item allocates \$8,715,473 for the waiting list for medical assistance home and community based services waivers. The effect of this disapproval shall cause the \$8,715,473 contained in this item to revert to the General Fund. Past history demonstrates that funding specifically earmarked to buy down the waiting list is not a successful long-term solution. Additionally, the Iowa Health and Wellness Plan will be implemented January 1, 2014. The Iowa Health and Wellness Plan will provide access for Iowans currently on the waiting list to high quality health care, including home and community based services.

I am unable to approve the designated portion of the item designated as Section 26, subsection 1. This item prohibits external approvals that are designed to ensure budget integrity, stability and predictability. Management must have the ability and flexibility to allocate resources where they are most effective and needed. In addition, this item creates a redundant, overly burdensome mandate requiring the department to report to the chairpersons and ranking members of the appropriations committees on a monthly basis. While I strongly support transparency efforts that publicly disclose how departments spend their resources, this information is already available within the State's accounting and budgeting systems.

I am unable to approve the designated portion of the item designated as Section 27, subsection 2. This item requires the Department of Human Services to report operational and

program expenditures at least monthly to the Legislative Services Agency. While I strongly support transparency efforts that publicly disclose how departments spend their resources, this information is already available within the State's accounting and budgeting systems.

I am unable to approve the designated portion of the item designated as Section 27, subsection 5. This item transfers \$250,000 to the Department of Inspections and Appeals and creates two new FTEs to implement a new mental health advocate division within the Department of Inspections and Appeals. Currently, these advocates work at the county level. In the newly redesigned mental health and disability services system, it is best for these positions to remain at the local level where the services will be managed and delivered regionally. I look forward to continuing work with the General Assembly to implement the mental health and disability services redesign in a manner that best serves Iowans and serves our goals for an efficient and effective state government. The language creating a new mental health advocate division was an item that was disapproved in Senate File 406. The effect of this disapproval shall cause the \$250,000 contained in this item to revert to the General Fund.

I am unable to approve the designated portion of the item designated as Section 29, subsection 8. This item requires that all provider reimbursement rate increases in this section be used to increase the compensation and costs of employment for non-administrative staff. The Department of Human Services does not have the ability to monitor providers to determine compliance. In addition, it is not appropriate to direct provider increases in this manner. Providers are best equipped to manage their own budgets.

I am unable to approve the item designated as Section 49 in its entirety. This item amends the Iowa Code to require that any penalties imposed by the Director of the Iowa Department on Aging against a long-term care facility are automatically appropriated to the Office of the Long-Term Care Resident's Advocate. Currently, these funds are deposited in the General Fund. The Office of the Long-Term Care Resident's Advocate is funded by the General Fund. I oppose this change which uses fines to automatically fund Office of the Long-Term Care Resident's Advocate because it sets a dangerous precedent and creates a conflict of interest.

I am unable to approve the designated portion of the item designated as Division X in its entirety. This item creates a new emergency medical services task force and report. Iowa is fortunate to have many dedicated professional and volunteer emergency medical services personnel. These Iowans give their time to provide critical care in emergency situations as first responders. The Iowa Department of Public Health helps provide oversight, assistance and acts as a regulatory body for the profession to ensure Iowans statewide receive a high level of care. The Department of Public Health will continue to work to improve our system. An additional task force, growing the size, scope and cost of government is not an effective use of taxpayer dollars at this time.

I am unable to approve the designated portion of the item designated as Section 83, paragraph 5, subparagraph b. This item causes funds deposited into the Autism Support Program Fund to not revert to the General Fund. It creates new, permanent carry-forward language which does not work to advance my goal of predictability and sustainability for government budgeting.

I am unable to approve the designated portion of the item designated as Section 84, paragraph 2. This item directs the Department of Human Services to enter into a sole-source contract without the benefit of a competitive bidding process. It is important to allow for a full review process and thoroughly plan new initiatives. In addition, competitively bid contracts ensure the best value for taxpayer dollars and that more people are served when this value is maximized.

I am unable to approve of the item designated as Division XIX in its entirety. This item creates a new committee to study how to provide care for people who are sexually aggressive, combative or have unmet psychiatric needs. My administration currently has a work group

that is working together to propose constructive recommendations. The work group is open to public input. An additional committee is not needed at this time.

I am unable to approve of the item designated as the portion of Section 128 that amends 2011 Iowa Acts, chapter 63, section 36, subsection 4. This item would require a report to be given to the chairpersons and ranking members of the joint appropriations subcommittee on health and human services relating to changes in law or rules needed to implement telepharmacy on a state-wide basis. This report is not necessary due to the fact that this information is available upon request by the General Assembly.

I am unable to approve the designated portion of the item designated as Section 132, subsection 1. This item creates two new long-term care resident's advocates positions for fiscal year 2015. As of today, there are eight long-term care resident's advocates, serving the needs of Iowa's vulnerable seniors. Currently, the Department on Aging is in the process of an aging system redesign and is thoroughly reviewing state services. It is important to ensure that all new positions are consistent with the redesign so that Iowa can best serve the needs of aging Iowans. The effect of this disapproval shall cause the \$100,000 contained in this item to revert to the General Fund.

I am unable to approve the designated portion of the item designated as Section 134, subsection 2, lettered paragraph d. This item creates a redundant, overly burdensome mandate requiring the Iowa Veterans' Home to make expenditure reports monthly to the Legislative Services Agency for fiscal year 2015. While I strongly support transparency efforts that publicly disclose how departments spend their resources, this information is already available within the State's accounting and budgeting systems.

I am unable to approve the designated portion of the item designated as Section 142, subsection 18, lettered paragraph d. This item requires the Department of Human Services to report on cost containment strategies for fiscal year 2015. The Department of Human Services, Department of Management and the Legislative Services Agency meet on a monthly basis to determine projections for the Medical Assistance appropriation. Information relating to cost containment strategies is shared during these meetings. While I strongly support transparency efforts that publicly disclose how departments spend their resources, this information is already available within the State's accounting and budgeting systems.

I am unable to approve the designated portion of the item designated as Section 156, subsection 1. This item prohibits external approvals that are designed to ensure budget integrity, stability and predictability. Management must have the ability and flexibility to allocate resources where they are most effective and needed. In addition, this item creates a redundant, overly burdensome mandate requiring the department to report to the chairpersons and ranking members of the appropriations committees on a monthly basis. While I strongly support transparency efforts that publicly disclose how departments spend their resources, this information is already available within the State's accounting and budgeting systems.

I am unable to approve the designated portion of the item designated as Section 157, subsection 2. This item requires the Department of Human Services to report operational and program expenditures at least monthly to the Legislative Services Agency for fiscal year 2015. While I strongly support transparency efforts that publicly disclose how departments spend their resources, this information is already available within the State's accounting and budgeting systems.

I am unable to approve the designated portion of the item designated as Section 157, subsection 5. This item transfers \$125,000 to the Department of Inspections and Appeals for two new FTEs to implement a new mental health advocate division within the Department of Inspections and Appeals. Currently, these advocates work at the county level. In the newly redesigned mental health and disability services system, it is best for these positions to remain at the local level where the services will be managed and delivered regionally. I

look forward to continuing work with the General Assembly to implement the mental health and disability services redesign in a manner that best serves Iowans and serves our goals for an efficient and effective state government. The language creating a new mental health advocate division was an item that was disapproved in Senate File 406. The effect of this disapproval shall cause the \$125,000 contained in this item to revert to the General Fund.

For the above reasons, I respectfully disapprove the designated items in accordance with Amendment IV of the Amendments of 1968 to the Constitution of the State of Iowa. All other items in Senate File 446 are hereby approved as of this date.

Sincerely,
TERRY E. BRANSTAD, Governor

The department shall attempt to provide job opportunities at the farms for inmates by encouraging labor-intensive farming or gardening where appropriate; using inmates to grow produce and meat for institutional consumption; researching the possibility of instituting food canning and cook-and-chill operations; and exploring opportunities for organic farming and gardening, livestock ventures, horticulture, and specialized crops.

Sec. 5. JUDICIAL DISTRICT DEPARTMENTS OF CORRECTIONAL SERVICES.

1. There is appropriated from the general fund of the state to the department of corrections for the fiscal year beginning July 1, 2013, and ending June 30, 2014, for salaries, support, maintenance, and miscellaneous purposes, the following amounts, or so much thereof as is necessary, to be allocated as follows:

| d. For the fourth judicial district department of correctional services: | | |
| | \$ | 5,459,309 |
| e. For the fifth judicial district department of correctional services, including funding for electronic monitoring devices for use on a statewide basis: | | |

| f. For the sixth judicial district department of correctional services: | | |

| g. For the seventh judicial district department of correctional services: | | |
| | \$ | 7,609,781 |
| h. For the eighth judicial district department of correctional services: | | |
| | \$ | 8,206,613 |

2. Each judicial district department of correctional services, within the funding available, shall continue programs and plans established within that district to provide for intensive supervision, sex offender treatment, diversion of low-risk offenders to the least restrictive sanction available, job development, and expanded use of intermediate criminal sanctions.

3. Each judicial district department of correctional services shall provide alternatives to prison consistent with chapter 901B. The alternatives to prison shall ensure public safety while providing maximum rehabilitation to the offender. A judicial district department of correctional services may also establish a day program.

4. The governor's office of drug control policy shall consider federal grants made to the department of corrections for the benefit of each of the eight judicial district departments of correctional services as local government grants, as defined pursuant to federal regulations.

5. The department of corrections shall continue to contract with a judicial district department of correctional services to provide for the rental of electronic monitoring equipment which shall be available statewide.

Sec. 6. DEPARTMENT OF CORRECTIONS — REALLOCATION OF APPROPRIATIONS. Notwithstanding section 8.39, within the moneys appropriated in this division of this Act to the department of corrections, the department may reallocate the moneys appropriated and allocated as necessary to best fulfill the needs of the correctional institutions, administration of the department, and the judicial district departments of correctional services. However, in addition to complying with the requirements of sections 904.116 and 905.8 and providing notice to the legislative services agency, the department of corrections shall also provide notice to the department of management, prior to the effective date of the revision or reallocation of an appropriation made pursuant to this section. The department of corrections shall not reallocate an appropriation or allocation for the purpose of eliminating any program.

Sec. 7. INTENT — REPORTS.

1. The department of corrections in cooperation with townships, the Iowa cemetery associations, and other nonprofit or governmental entities may use inmate labor during the fiscal year beginning July 1, 2013, to restore or preserve rural cemeteries and historical landmarks. The department in cooperation with the counties may also use inmate labor to clean up roads, major water sources, and other water sources around the state.

2. On a quarterly basis the department shall provide a status report regarding private-sector employment to the legislative services agency beginning on July 1, 2013. The report shall include the number of offenders employed in the private sector, the combined number of hours worked by the offenders, the total amount of allowances, and the distribution of allowances pursuant to section 904.702, including any moneys deposited in the general fund of the state.

3. The department of corrections, in cooperation with the attorney general's office, shall submit a report to the co-chairpersons and ranking members of the joint appropriations subcommittee on the justice system, and the legislative agency,¹ by January 15, 2014. The report shall detail the results of the central pharmacy pilot project that utilizes the Iowa

¹ According to enrolled Act; the phrase "legislative services agency" probably intended

prescription drug corporation’s voucher program for indigent offenders. The report shall include but is not limited to the number of offenders annually served by the pilot project, funding sources, and the recidivism rates of offenders in the pilot project.

Sec. 8. ELECTRONIC MONITORING REPORT. The department of corrections shall submit a report on electronic monitoring to the general assembly, to the co-chairpersons and the ranking members of the joint appropriations subcommittee on the justice system, and to the legislative services agency by January 15, 2014. The report shall specifically address the number of persons being electronically monitored and break down the number of persons being electronically monitored by offense committed. The report shall also include a comparison of any data from the prior fiscal year with the current year.

Sec. 9. STATE AGENCY PURCHASES FROM PRISON INDUSTRIES.

1. As used in this section, unless the context otherwise requires, “state agency” means the government of the state of Iowa, including but not limited to all executive branch departments, agencies, boards, bureaus, and commissions, the judicial branch, the general assembly and all legislative agencies, institutions within the purview of the state board of regents, and any corporation whose primary function is to act as an instrumentality of the state.

2. State agencies are hereby encouraged to purchase products from Iowa state industries, as defined in section 904.802, when purchases are required and the products are available from Iowa state industries. State agencies shall obtain bids from Iowa state industries for purchases of office furniture during the fiscal year beginning July 1, 2013, exceeding \$5,000 or in accordance with applicable administrative rules related to purchases for the agency.

Sec. 10. IOWA LAW ENFORCEMENT ACADEMY.

1. There is appropriated from the general fund of the state to the Iowa law enforcement academy for the fiscal year beginning July 1, 2013, and ending June 30, 2014, the following amount, or so much thereof as is necessary, to be used for the purposes designated:

For salaries, support, maintenance, miscellaneous purposes, including jailer training and technical assistance, and for not more than the following full-time equivalent positions:

| | | |
|-------|------|-----------|
| | \$ | 1,001,698 |
| | FTEs | 23.88 |

It is the intent of the general assembly that the Iowa law enforcement academy may provide training of state and local law enforcement personnel concerning the recognition of and response to persons with Alzheimer’s disease.

The Iowa law enforcement academy may temporarily exceed and draw more than the amount appropriated in this subsection and incur a negative cash balance as long as there are receivables equal to or greater than the negative balance and the amount appropriated in this subsection is not exceeded at the close of the fiscal year.

2. The Iowa law enforcement academy may select at least five automobiles of the department of public safety, division of state patrol, prior to turning over the automobiles to the department of administrative services to be disposed of by public auction, and the Iowa law enforcement academy may exchange any automobile owned by the academy for each automobile selected if the selected automobile is used in training law enforcement officers at the academy. However, any automobile exchanged by the academy shall be substituted for the selected vehicle of the department of public safety and sold by public auction with the receipts being deposited in the depreciation fund to the credit of the department of public safety, division of state patrol.

Sec. 11. STATE PUBLIC DEFENDER. There is appropriated from the general fund of the state to the office of the state public defender of the department of inspections and appeals for the fiscal year beginning July 1, 2013, and ending June 30, 2014, the following amounts, or so much thereof as is necessary, to be allocated as follows for the purposes designated:

1. For salaries, support, maintenance, miscellaneous purposes, and for not more than the following full-time equivalent positions:

TERRY E. BRANSTAD, *Governor*

Dear Mr. Secretary:

I hereby transmit Senate File 447, an Act relating to appropriations to the justice system and including effective dates.

Senate File 447 is approved on this date with the following exceptions, which I hereby disapprove.

I am unable to approve the designated portion of the item designated as Section 1, subsection 1, lettered paragraph b. This item unduly restricts the Department of Justice from closing facilities and transitioning to new, more effective community-based services for victims. The program must have the flexibility to provide services to victims in the most efficient and effective way possible.

I am unable to approve the designated portion of the item designated as Section 1, subsection 1, lettered paragraph b. This item creates carry-forward language which is unnecessary for the Department of Justice. The carry-forward language does not advance my goals of returning predictability and sustainability to government budgeting.

I am unable to approve the designated portion of the item designated as Section 3, subsection 1, lettered paragraph a. This item requires the Department of Corrections to submit a report to the legislature regarding plans for the Fort Madison Correctional Facility. Although I support transparency efforts, this requirement is redundant as this report was submitted on January 15, 2013 and is already available to the legislature.

I am unable to approve the item designated as Section 4, subsection 1, lettered paragraph a. This item contains policy language pertaining to the Department of Corrections entering into a new contract in excess of \$100,000 for privatized services during fiscal year 2014 without prior notification of the legislature and employee organizations. However, this item allows the department to renew existing contracts without notification. This item would prevent the department from obtaining services for inmates in an effective and efficient manner. This notification unnecessarily impedes on the department's management authority.

I am unable to approve the designated portion of the item designated as Section 19, subsection 1, lettered paragraph b. This item creates carry-forward language which is unnecessary for the Department of Justice. The carry-forward language does not advance my goals of returning predictability and sustainability to government budgeting.

I am unable to approve the designated portion of the item designated as Section 21, subsection 1, lettered paragraph a. This item requires the Department of Corrections to submit a report to the legislature regarding plans for the Fort Madison Correctional Facility. Although I support transparency efforts, this requirement is redundant as this report was submitted on January 15, 2013 and is already available to the legislature.

I am unable to approve the item designated as Division IV in its entirety. This item creates a task force to study the creation of a consolidated fire and police public safety training facility. Iowa is fortunate to have dedicated firefighters and police officers. These Iowans dedicate

their lives to protecting the safety and welfare of Iowans. The Department of Public Safety and the Iowa Law Enforcement Academy will continue to work to improve our system. It is my administration's goal to reduce the size and cost of government by 15% and as such, I believe this issue can be reviewed without growing the size and cost of government.

I am unable to approve the item designated as Section 45 in its entirety. This item creates carry-forward language from the balance of the Cigarette Fire Safety Standard fund to the Victim Assistance Grants program. The carry-forward language does not advance my goals of returning predictability and sustainability to government budgeting.

I am unable to approve the item designated as Section 55 in its entirety. This item permanently increases the standing limited appropriation of \$1.2 million for the Consumer Education and Litigation Fund to \$2 million. Currently, any increase over the current standing limited appropriation is reviewed by the legislature and additional funds are provided annually based on need. Before this automatic increase is made permanent, further review by the legislature needs to be conducted.

For the above reasons, I respectfully disapprove the designated items in accordance with Amendment IV of the Amendments of 1968 to the Constitution of the State of Iowa. All other items in Senate File 447 are hereby approved as of this date.

Sincerely,
TERRY E. BRANSTAD, *Governor*

TERRY E. BRANSTAD, *Governor*

Dear Mr. Secretary:

I hereby transmit Senate File 452, an Act relating to state and local finances by making appropriations, providing for fees, providing for legal responsibilities, providing for certain employee benefits, and providing for properly related matters, and including penalties and effective date and retroactive and other applicability provisions.

Senate File 452 is approved on this date with the following exceptions, which I hereby disapprove.

I am unable to approve the item designated as Section 30 in its entirety. This item allocates \$200,000 for the chronic care consortium. The strategic planning work is duplicative of efforts already taking place within Medicaid. Additionally, the revenue from the Clinical Health Coach training program will eventually allow the Iowa Chronic Care Consortium Board to become a self-sustaining enterprise.

I am unable to approve the item designated as Section 31 in its entirety. This language restricts the Department from fulfilling its mission. It is not appropriate to direct departments to treat employees differently solely based on an employee's classification. Additionally, departments are best equipped to manage their own budgets. This does not affect the \$1.7 million appropriation approved in Senate File 447.

I am unable to approve the item designated as Section 32 in its entirety. This language unnecessarily restricts the Department from fulfilling its mission. It is not appropriate to direct departments to treat employees differently solely based on an employee's classification. Additionally, departments are best equipped to manage their own budgets. This does not affect the \$850,000 approved in Senate File 447.

I am unable to approve the item designated as Section 33 in its entirety. This language unnecessarily restricts the Department from fulfilling its mission. It is not appropriate to direct departments to treat employees differently solely based on an employee's classification. Additionally, departments are best equipped to manage their own budgets. This does not affect the \$2,571,309 approved in Senate File 447.

I am unable to approve the item designated as Section 34 in its entirety. This language unnecessarily restricts the Department from fulfilling its mission. It is not appropriate to direct departments to treat employees differently solely based on an employee's classification. Additionally, departments are best equipped to manage their own budgets. This does not affect the \$1,285,655 approved in Senate File 447.

I am unable to approve the item designated as Division XI in its entirety. This item increases the annual tax credit cap on the Historical Preservation and Cultural and Entertainment District Tax Credits. Currently, there is an Executive Order 80 Stakeholder group reviewing this tax credit program. It is my plan to approach Historical Preservation tax credits in a comprehensive and thoughtful manner. As such, I look forward to continuing to work with members of the House and Senate as this program is reviewed.

I am unable to approve the item designated as Division XXI in its entirety. This language is an attempt to provide financial relief to certain private providers of services to students related to compliance with special and general education billing requirements. The nature of the issue centers on what is and is not allowable as an educational expense in these facilities. This item would legalize what are currently non-permissive expenditures for educational funding to include a long list of expenditures that are non-educational, including expenditures related to administration, facilities, and mental health costs. This would cause an expansion of allowable expenditures and many of these facilities were complying with current law and therefore not billing for these expenses; therefore, the State would see an increase in spending as a result of these provisions. Due to the fact many school districts already operate at a deficit related to education expenditures, this increase would be directly passed on to local property taxes.

I am unable to approve the designated portion of the item designated as Section 182. Currently, the State passes federal funds through to the counties. This item requires the State to cover any reduction of funds for the counties should the federal government fail to live up to its funding promises. The federal government has not passed a budget in more than four years and has amassed more than \$16 trillion in debt. I believe the federal financial picture is unsustainable in the long-term, and, therefore, obligating State taxpayer funds in such an unpredictable manner is not in the best interest of hardworking Iowa taxpayers.

For the above reasons, I respectfully disapprove the designated items in accordance with Amendment IV of the Amendments of 1968 to the Constitution of the State of Iowa. All other items in Senate File 452 are hereby approved as of this date.

Sincerely,
TERRY E. BRANSTAD, *Governor*

TERRY E. BRANSTAD, *Governor*

Dear Mr. Secretary:

I hereby transmit House File 638, an Act relating to and making appropriations to state departments and agencies from the Rebuild Iowa Infrastructure Fund and the Technology Reinvestment Fund, providing for related matters, and including effective date provisions.

House File 638 is approved on this date with the following exceptions, which I hereby disapprove.

I am unable to approve the designated portion of the item designated as Section 1, subsection 1, lettered paragraph a. This item allocates funds for the moving of all employees housed in the Wallace Building to a new location, and for the repairs and maintenance of the Wallace Building. I made it clear that my top priority for the State Capitol Complex is the repair and remodeling of the State Historical Building. The \$1.8 million shall revert to the Rebuild Iowa Infrastructure Fund.

I am unable to approve Section 1, subsection 1, lettered paragraph b in its entirety. These items allocate funds in fiscal years 2014 and 2015 for the moving of all employees housed in the Wallace Building to a new location, and for the repairs and maintenance of the Wallace Building. Infrastructure investments must be made pursuant to a long-term strategic plan. I made it clear that my top priority for the State Capitol Complex is the repair and remodeling of the State Historical Building.

I am unable to approve Section 1, subsection 3, lettered paragraph b in its entirety. This item appropriates \$1 million for the River Enhancement Community Attraction and Tourism

program. The Iowa Economic Development Authority (IEDA) did not request this item and it was not a part of the budget recommendation I submitted to the General Assembly.

I am unable to approve the item designated as Section 1, subsection 4 in its entirety. This item appropriates \$300,000 for the renovation and construction of certain nursing facilities. Currently, the State of Iowa reimburses nursing facilities for construction and renovation through the current Medicaid cost reporting and reimbursement rates. The Department of Human Services did not request this item. Additionally, nursing facilities are receiving a \$15,268,148 provider rate increase based on the cost reports submitted to the State, \$1 million more than I recommended as part of the budget recommendation I submitted to the General Assembly.

I am unable to approve the item designated as Division VIII in its entirety. This item requires the IEDA to conduct a study to determine the effectiveness of giving priority to projects that attract the highest number of visitors and highest match levels from the Community Attraction and Tourism (CAT) fund. The CAT program has been an important economic development tool for smaller communities throughout our state. This provision suggests a shift in the program's policy focus which I cannot support.

I am unable to approve Section 44 in its entirety. This item allocates \$800,000 for the moving of all employees housed in the Wallace Building to a new location, and for the repairs and maintenance of the Wallace Building. I made it clear that my top priority for the State Capitol Complex is the repair and remodeling of the State Historical Building. The \$800,000 shall revert to the Rebuild Iowa Infrastructure Fund.

For the above reasons, I respectfully disapprove the designated items in accordance with Amendment IV of the Amendments of 1968 to the Constitution of the State of Iowa. All other items in House File 638 are hereby approved as of this date.

Sincerely,
TERRY E. BRANSTAD, *Governor*

Approved June 20, 2013, with exceptions noted.

TERRY E. BRANSTAD, Governor

Dear Mr. Secretary:

I hereby transmit House File 648, an Act relating to state and local finances by making transfers and appropriations and including effective date and applicability provisions.

House File 648 is approved on this date with the following exceptions, which I hereby disapprove.

I am unable to approve the item designated as Division II in its entirety. This item provides supplemental appropriations from the General Fund to the Judicial Retirement and Peace Officer Retirement Funds. While these retirement plans have funding shortfalls, trying to make up for these shortfalls should not be borne only by taxpayers of the State. Iowa needs a comprehensive, long-term, sustainable plan for making up the shortfall in these retirement funds. The plan should include both the State and the participants of the plan as financial partners in bringing these funds to financial balance. The division also eliminates the annual standing appropriation of \$5,000,000 to the Peace Officer Retirement Fund. My disapproval of the division restores \$5,000,000 in funding starting in fiscal year 2014.

I am unable to approve the item designated as Section 9, paragraph 6, subparagraph c in its entirety. This item provides \$1,000,000 in maintenance funding for community colleges. I did not include this spending in my budget recommendation. Community colleges have received other increases and additional funding for the next fiscal year in other areas beyond my recommendations. Therefore, this funding is not approved.

I am unable to approve the item designated as Section 9, paragraph 10, subparagraph b in its entirety. This item provides \$50,000 to fund a new public safety training and facilities task force. This funding is no longer necessary due to the fact that the new task force was disapproved in Senate File 447.

I am unable to approve the item designated as Section 9, paragraph 10, subparagraph c in its entirety. This item provides \$150,000 to regional emergency response training centers, distributed on an equal basis. Providing funding to entities without guidance or oversight is not an efficient use of taxpayer funds.

I am unable to approve the item designated as Section 9, paragraph 11, subparagraph g in its entirety. This item spends \$3,000,000 to plan and design a new project, the University of Iowa Pharmacy Building Renovation. Early estimates reveal an anticipated cost of at least \$67,600,000. Until strategic plans and sustainable financing are secure, it is not appropriate to spend taxpayer money designing and planning the project. The Iowa Board of Regents should continue to engage in a long-term strategic planning process to review infrastructure needs in light of changes in educational technology. Technology and innovation should make it feasible to deliver high-quality education to students at a lower tuition and infrastructure cost, as delivery of educational services will require less physical presence on college campuses in the future.

I am unable to approve the item designated as Section 9, paragraph 11, subparagraph h in its entirety. This item spends \$2,500,000 to plan and design a new project, the Iowa State University Biosciences Building. Early estimates reveal an anticipated cost of at least \$42,500,000. Until strategic plans and sustainable financing are secure, it is not appropriate to spend taxpayer money designing and planning the project. The Iowa Board of Regents should continue to engage in a long-term strategic planning process to review infrastructure needs in light of changes in educational technology. Technology and innovation should make it feasible to deliver high-quality education to students at a lower tuition and infrastructure cost, as delivery of educational services will require less physical presence on college campuses in the future.

I am unable to approve the item designated as Section 9, paragraph 11, subparagraph i in its entirety. This item spends \$1,500,000 to plan and design a new project, the University of Northern Iowa Schindler Education Center Renovation. Early estimates reveal an anticipated cost of at least \$31,600,000. Until strategic plans and sustainable financing are secure, it is not appropriate to spend taxpayer money designing and planning the project. The Iowa Board of Regents should continue to engage in a long-term strategic planning process to review infrastructure needs in light of changes in educational technology. Technology and

innovation should make it feasible to deliver high-quality education to students at a lower tuition and infrastructure cost, as delivery of educational services will require less physical presence on college campuses in the future.

I am unable to approve the item designated as Section 9, paragraph 12 in its entirety. This item provides \$150,000 for the operation of a contract air traffic control tower in Dubuque. Earlier this year, concerns existed that federal sequestration of funds could withhold funds and affect operation of this control tower. However, federal funding was restored. The state funds are no longer needed.

I am unable to approve the item designated as Section 9, paragraph 14 in its entirety. This item provides \$300,000 for an entity to provide education and training for occupations in Iowa's renewable energy production industries and related educational opportunities. While I support renewable energy and the job opportunities associated with it, this spending provides state taxpayer dollars for a program pursuant to a federal grant with no state guidance or oversight. This is not the best use of state taxpayer funds. We have already provided \$15.8 million in fiscal year 2014 for workforce training through the Iowa Skilled Worker and Job Creation Fund, an increase of \$7.8 million over fiscal year 2013.

I am unable to approve the item designated as Section 10 in its entirety. This item transfers \$13,000,000 to the risk pool at the Department of Human Services for payment of mental health costs at the county level. Under the new Iowa Health and Wellness Plan, Iowans will have access to high quality mental health services. These services will be fully funded by federal dollars which greatly reduces the demand on county mental health funds. Counties are already receiving additional funds aiding the redesign of the mental health system, including \$11,628,317 in transition funds and \$29,820,478 in equalization funding, as well as the \$110,656,258 to be collected statewide in property taxes to support mental health services. The additional risk pool funding is not necessary at this time.

For the above reasons, I respectfully disapprove the designated items in accordance with Amendment IV of the Amendments of 1968 to the Constitution of the State of Iowa. All other items in House File 648 are hereby approved as of this date.

Sincerely,
TERRY E. BRANSTAD, *Governor*
