(2) Prior to April 1, the captive company shall file a report covering the immediately preceding calendar year with the commissioner to provide sufficient information to support the captive company’s premium tax return under section 432.1A.

c. Each captive company shall use generally accepted accounting principles, unless the commissioner requires, approves, or accepts the use of statutory accounting principles or any other comprehensive accounting principles for the company’s report. The commissioner may require, approve, or accept any appropriate or necessary modifications of statutory accounting principles or other comprehensive accounting principles based on the type of insurance and kinds of insurers that are included in a captive company’s report. The report may include letters of credit that are established, issued, or confirmed by any of the following:

(1) A bank chartered in this state.

(3) A bank chartered by another state, if approved by the commissioner.

d. The qualified actuary shall submit a memorandum to the commissioner that details the qualified actuary’s support for the actuarial opinion. The commissioner may require that additional information be submitted to supplement the actuarial opinion.

e. All captive companies shall be audited annually by an independent certified public accountant and shall annually file the audited financial report with the commissioner on or before June 1, as a supplement to the annual report required under section 521J.7, subsection 1.

f. A captive company may request an extension to file a report required by this section. A written request for an extension must be received by the commissioner not less than ten days before the filing due date, and the request must contain sufficient details to enable the commissioner to make an informed decision regarding the request. The commissioner may grant a thirty-day extension upon a determination by the commissioner that a captive company has good cause for the extension.

g. A captive company may be required to file a report on the captive company’s financial condition on a semiannual, quarterly, monthly, or other basis as determined by the commissioner.

h. Captive companies shall file all reports required under this section in the form and manner prescribed by the commissioner by rule.

2. All reports filed pursuant to this section shall be considered confidential and shall not be a public record.

Sec. 11. NEW SECTION. 521J.8 Examinations.

¹ See chapter 119, §41 herein

1. *a.* Except for captive risk retention groups as provided under paragraph “c”, the commissioner may examine each captive company’s compliance with this chapter, and may examine the affairs, transactions, accounts, records, and assets of each captive company as the commissioner deems necessary.

b. The commissioner shall upon the completion of an examination under paragraph “a”, or at such regular intervals prior to completion of an examination as the commissioner determines, prepare an account of the costs incurred in performing and preparing the report of the examination which shall be charged to and paid by the captive company examined. If the captive company fails or refuses to pay the charges, the charges may be recovered in an action brought in the name of the state.

c. The commissioner shall examine the affairs, transactions, accounts, records, and assets of each captive risk retention group as the commissioner deems necessary, but no less frequently than every three calendar years. A report produced pursuant to the examination of a captive risk retention group under this section shall be a public record.

2. Except as provided in subsection 3, this section shall apply to all business written by a captive company.

3. An examination of a branch captive company shall be conducted only on the branch business and branch operations if all of the following requirements are met:

a. The branch captive company annually provides the commissioner a certificate of compliance, or equivalent, that was issued by or filed with the licensing authority of the jurisdiction in which the branch captive company is formed.

b. The branch captive company demonstrates to the satisfaction of the commissioner that the company is operating in sound financial condition and in compliance with all applicable law and regulations of the jurisdiction in which the branch captive company is formed.

4. As a condition of authorization of a branch captive company, the alien captive company shall grant authority to the commissioner for examination of the affairs of the alien captive company in the jurisdiction in which the alien captive company is formed.

5. The applicable provisions of chapter 507 shall apply to examinations conducted under this chapter.

Sec. 12. NEW SECTION. 521J.9 Suspension or revocation.

1. A captive company’s certificate of authority to conduct the business of insurance in this state may be suspended or revoked by the commissioner for any of the following reasons:

a. Insolvency or impairment of capital or surplus.

b. Failure to meet and maintain the minimum capital and surplus requirements under section 521J.4.

c. Refusal or failure to submit an annual report pursuant to section 521J.7, or to submit any other report or statement required by law or by lawful order of the commissioner.

d. Failure to comply with the captive company’s own charter, bylaws, or other organizational document.

j. Failure to comply with the laws of this state.

2. *a.* If the commissioner finds upon examination, hearing, or other review that a captive company has committed an act specified in subsection 1, the commissioner may suspend or revoke the company’s certificate of authority if the commissioner deems it in the best interest of the public or of the policyholders of the captive company.

b. If the commissioner does not revoke a captive company’s certificate of authority during a suspension imposed by the commissioner under paragraph “a”, the company’s certificate of authority may be reinstated if the commissioner finds that the cause of the suspension has been rectified.

Sec. 13. NEW SECTION. 521J.10 Excess workers’ compensation insurance.

1. A captive company may provide excess workers' compensation insurance to the captive company's parent and affiliated companies unless the laws of the state that has jurisdiction over the transaction prohibits the captive company from providing excess workers' compensation insurance.

2. A captive company may reinsure workers' compensation of a qualified self-insured plan of the captive company's parent and affiliated companies.

Sec. 14. NEW SECTION. 521J.11 Captive mergers.

1. A merger between captive stock insurers, or a merger between captive mutual insurers, shall meet the requirements of chapter 521 and section 521J.5, as applicable. The commissioner may, at the commissioner's discretion, provide notice to the public of a proposed merger prior to the commissioner's approval or disapproval of a merger.

2. An industrial insured group formed as a stock insurer or as a mutual insurer may be converted to or merged with a reciprocal insurer under this section.

3. A plan for conversion or merger shall meet all of the following requirements:

a. (1) The plan shall be fair and equitable to the shareholders in the case of a stock insurer, or to the policyholders in the case of a mutual insurer.

(2) The plan shall provide for the purchase of the shares of any nonconsenting shareholder of a stock insurer, or of the policyholder interests of any nonconsenting policyholder of a mutual insurer.

b. A plan for conversion to a reciprocal insurer must be approved by the commissioner. The commissioner shall not approve a plan unless the plan meets all of the following requirements:

(1) The plan provides for a hearing upon notice to the insurer, directors, officers, and stockholders or policyholders who have the right to appear at the hearing, unless the commissioner waives or modifies the requirements for the hearing.

(2) (a) In the case of a stock insurer, the plan provides for the conversion of the existing stockholder interests into subscriber interests in the resulting reciprocal insurer proportionate to the existing stockholder interests, and is approved by a majority of the shareholders who are entitled to vote, and who are represented at a regular or special meeting at which a quorum is present either in person or by proxy.

(b) In the case of a mutual insurer, the plan provides for the conversion of the existing policyholder interests into subscriber interests in the resulting reciprocal insurer proportionate to the existing policyholder interests, and is approved by a majority of the voting interests of the policyholders who are represented at a regular or special meeting at which a quorum is present either in person or by proxy.

(3) The plan meets the applicable requirements of section 521J.5.

c. If the commissioner approves a plan of conversion, the certificate of authority for the converting insurer shall be amended to state that the converting insurer is a reciprocal insurer. The conversion shall be effective and the corporate existence of the converting entity shall cease to exist on the date on which the amended certificate of authority is issued to the attorney-in-fact for the reciprocal insurer. The resulting reciprocal insurer shall file the articles of merger or the articles of conversion with the secretary of state.

Sec. 15. NEW SECTION. 521J.12 Captive insurance — regulatory and supervision fund — appropriation.

1. A captive insurance regulatory and supervision fund is established in the state treasury under the control of the division. The fund shall consist of all moneys deposited in the fund pursuant to this section and any other moneys appropriated to or deposited in the fund.

2. All fees, assessments, fines, and administrative penalties collected under this chapter shall be deposited in the fund.

3. Moneys in the fund are appropriated to the division to administer this chapter, including the maintenance of staff, associated expenses, and necessary contractual services, and for the reimbursement of reasonable expenses incurred by the division to promote captive insurance in this state.

4. *a.* Notwithstanding section 8.33, moneys in the fund that remain unencumbered or unobligated at the close of a fiscal year shall not revert but shall remain available for expenditure for the purposes designated.

b. At the close of each fiscal year, if unencumbered or unobligated moneys remaining in the captive insurance regulatory and supervision fund exceed five hundred thousand dollars, moneys in excess of that amount shall be transferred from the captive insurance regulatory and supervision fund to the general fund of the state.

5. The division may temporarily use moneys from the general fund of the state to pay expenses in excess of moneys available in the captive insurance regulatory and supervision fund for the purposes designated in this section if those additional expenditures are fully reimbursable and the division reimburses the general fund of the state in full by the close of the fiscal year. Because any general fund moneys used shall be fully reimbursed, such temporary use of moneys from the general fund of the state shall not constitute an appropriation for purposes of calculating the state general fund expenditure limitation pursuant to section 8.54.

Sec. 16. NEW SECTION. 521J.13 Legal investments.

1. *a.* Industrial insured captive companies and captive risk retention groups shall comply with investment requirements as established by the commissioner by rule. The commissioner may approve the use of alternative reliable methods of valuation and rating.

b. If a captive company's admitted assets total less than five million dollars, the commissioner may approve an investment of up to twenty percent of the captive company's admitted assets in rated credit instruments in any one investment that meets the requirements established by the commissioner by rule.

2. A pure captive company, or a protected cell captive company, shall not be subject to any restrictions on allowable investments, except that the commissioner may prohibit or limit any investment that threatens the solvency or liquidity of the pure captive company.

3. Any captive company may make loans to any of the captive company's affiliates with prior written approval of the commissioner, and each loan must be evidenced by a note in a form as approved by the commissioner by rule. Loans made from minimum capital and surplus funds required by section 521J.4 shall be prohibited.

Sec. 17. NEW SECTION. 521J.14 Reinsurance.

1. Subject to the prior approval of the commissioner, a captive company may provide reinsurance on risks ceded by any other insurer.

2. Any captive company may take credit for reserves on risks, or portions of risks, ceded to reinsurers as provided under chapter 521B. In order to cede or take credit for the reinsurance of risks or portions of risks ceded to reinsurers that do not comply with chapter 521B, a captive company shall obtain the prior approval of the commissioner.

3. Insurance by a captive company of any workers' compensation qualified self-insured plan of the captive company's parent and affiliates shall be deemed to be reinsurance under this chapter.

4. In addition to reinsurers authorized under chapter 521B, a captive company may take credit for the reinsurance of risks or portions of risk ceded to a pool or exchange acting as a reinsurer which has been authorized by the commissioner. The commissioner may require documents, financial information, or other evidence that such a reinsurance pool or exchange will be able to provide adequate security for the reinsurance pool's or exchange's financial obligations. The commissioner may deny authorization or impose any limitations on the activities of a reinsurance pool or exchange that, in the commissioner's judgment, are necessary and proper to provide adequate security for the ceding captive company and for the protection and benefit of the public.

5. No credit shall be allowed for reinsurance if the reinsurance contract does not result in the complete transfer of the risk or liability to the reinsurer.

6. No credit shall be allowed, as an asset or a deduction from liability, to any ceding insurer for reinsurance unless the reinsurance is payable by the assuming insurer on the basis of the liability of the ceding insurer under the contract reinsured without diminution because of the insolvency of the ceding insurer.

7. Reinsurance under this section shall be effected through a written agreement of reinsurance setting forth the terms, provisions, and conditions governing the reinsurance. The commissioner may require that complete copies of all reinsurance agreements be filed with and approved by the commissioner.

Sec. 18. NEW SECTION. **521J.15 Rating organizations.**

A captive company shall not be required to join a rating organization.

Sec. 19. NEW SECTION. **521J.16 Compulsory organizations.**

A captive company shall not join or contribute financially to any plan, pool, association, or guaranty or insolvency fund in this state. A captive company, a captive company's insureds, a captive company's parent, and any company affiliated with a captive company shall not receive any benefit from a plan, pool, association, or guaranty or insolvency fund for claims arising out of the operations of the captive company.

Sec. 20. NEW SECTION. **521J.17 Protected cell captive companies.**

1. One or more sponsors may form a protected cell captive company.

2. A protected cell captive company formed or authorized under this chapter shall be subject to all of the following requirements:

a. (1) A protected cell captive company may establish one or more protected cells subject to the prior written approval of the commissioner of a plan of operation submitted by the protected cell captive company for each protected cell. The plan of operation shall include but is not limited to the specific business objectives and investment guidelines of the protected cell.

(2) Upon the commissioner's approval of the protected cell captive company's plan of operation, the company, in accordance with the approved plan of operation, may attribute insurance obligations with respect to its insurance business to the protected cell.

(3) A protected cell captive company shall transfer all assets attributable to a protected cell to one or more separately established and separately identified protected cell accounts bearing the name or designation of that protected cell. Each protected cell shall have a distinct name or designation that must include the words "protected cell". Protected cell assets shall be held in the protected cell accounts for the purpose of satisfying the obligations of the specific protected cell.

(4) Each protected cell shall be incorporated. An incorporated protected cell may be organized and operated in any form of business organization as authorized by the commissioner by rule. Each protected cell of a protected cell captive company shall be treated as a captive insurance company under this chapter, except that the limit on maximum yearly aggregate taxes paid under section 432.1A, subsection 4, shall not apply. Unless otherwise permitted by the organizational document of a protected cell captive company, each protected cell of the protected cell captive company must have the same directors, secretary, and registered office as the protected cell captive company.

b. All attributions of assets and liabilities between a protected cell and the protected cell captive company's general account shall be in accordance with the plan of operation and the participant contracts as approved by the commissioner. No other attribution of assets and liabilities shall be made by a protected cell captive company between the protected cell captive company's general account and the company's protected cells. Any attribution of assets and liabilities between the general account and a protected cell shall be in cash or in readily marketable securities with established market values.

c. The establishment of a protected cell shall create, with respect to the protected cell, a legal person separate from the protected cell captive company. Amounts attributed to a protected cell under this chapter, including assets transferred to a protected cell account, shall be owned by the protected cell and the protected cell captive company shall not be a trustee, or hold itself out to be a trustee, with respect to the protected cell assets of that protected cell account.

d. A protected cell captive company may contract with or arrange for an investment adviser or other third party, approved by the commissioner, to manage the protected cell assets of a protected cell if all remuneration, expenses, and other compensation of the third party are

paid from the protected cell assets of that protected cell, and not from the protected cell assets of other protected cells or the assets of the protected cell captive company's general account.

e. (1) A protected cell captive company shall establish the administrative and accounting procedures necessary to properly identify each protected cell of the protected cell captive company, and the protected cell assets and protected cell liabilities attributable to each protected cell. The directors of a protected cell captive company shall be responsible for all of the following:

(a) Maintaining the assets and liabilities of protected cells separately, and separately identifiable, from the assets and liabilities of the protected cell captive company's general account.

(b) Maintaining protected cell assets and protected cell liabilities attributable to one protected cell separate, and separately identifiable, from protected cell assets and protected cell liabilities attributable to another protected cell.

(2) If a protected cell captive company fails to comply with subparagraph (1), the remedy of tracing shall be applicable to protected cell assets commingled with protected cell assets of other protected cells, or commingled with the assets of the protected cell captive company's general account. The remedy of tracing shall not be the exclusive remedy.

f. When establishing a protected cell, a protected cell captive company shall attribute assets with a value at least equal to the reserves attributed to that protected cell to the protected cell.

3. Each protected cell shall be accounted for separately on the books and records of the protected cell captive company to reflect the financial condition and result of operations of the protected cell, including but not limited to the net income or loss, dividends or other distributions to participants, and any other factor provided in the participant contract, or as required by the commissioner by rule.

4. The assets of a protected cell shall not be chargeable with liabilities arising from any other insurance business of the protected cell captive company.

5. A protected cell captive company shall not make a sale, exchange, or other transfer of assets among any of the company's protected cells without the consent of the participants of each affected protected cell.

6. A protected cell shall not make a sale, exchange, transfer of assets, dividend, or distribution to a sponsor or to a participant without the commissioner's prior written approval, which shall not be given if the sale, exchange, transfer, dividend, or distribution will result in the insolvency or impairment of the protected cell.

7. A protected cell captive company shall annually file with the commissioner any financial reports required by the commissioner, as established by rule, and shall include, without limitation, accounting statements detailing the finances of each protected cell.

8. A protected cell captive company shall notify the commissioner in writing within ten business days from the date that a protected cell has become impaired or insolvent, or is otherwise unable to meet its claim or expense obligations.

9. A participant contract shall not take effect without the commissioner's prior written approval.

10. An addition of any new protected cell, or the withdrawal of any participant of an existing protected cell, shall constitute a change in the business plan of the protected cell captive company, and the change shall not become effective without the prior written approval of the commissioner.

11. With respect to each protected cell, business written by a protected cell captive company shall be fronted by an insurance company authorized under the laws of any state, or as approved by the commissioner.

12. If a protected cell captive company's business is reinsured, with respect to each protected cell, the protected cell captive company shall comply with at least one of the following requirements:

a. The business shall be reinsured by a reinsurer authorized or approved by the commissioner.

b. The business shall be secured by a trust fund that is located in the United States for the benefit of policyholders and claimants, and which is funded by an irrevocable letter of credit or other asset that is acceptable to the commissioner, and that is subject to all of the following:

(1) The amount of security provided by the trust fund shall not be less than the reserves associated with the liabilities that are not fronted or reinsured, including but not limited to reserves for losses that are allocated for loss adjustment expenses, incurred but not reported losses, and unearned premiums for business written through the participant's protected cell.

(2) The commissioner may require the protected cell captive company to increase the funding of any trust.

(3) If the form of security in the trust is a letter of credit, the letter of credit shall be established, issued, or confirmed by a bank chartered in this state, a member of the federal reserve system, or a bank chartered by another state if the bank is approved by the commissioner.

(4) The commissioner shall approve the form and terms of the trust and trust instrument.

Sec. 21. NEW SECTION. 521J.18 Sponsors — qualifications.

A sponsor of a protected cell captive company may be any person approved by the commissioner, based on the commissioner's determination that the approval of such person as a sponsor is consistent with the purposes of this chapter. In evaluating the qualifications of a proposed sponsor, the commissioner shall consider the type and structure of the proposed sponsor entity, the sponsor's experience in financial operations, the sponsor's financial stability, the sponsor's business reputation, and any other factors deemed relevant by the commissioner. A risk retention group shall not be a sponsor of a protected cell captive company.

Sec. 22. NEW SECTION. 521J.19 Delinquency.

1. Except as otherwise provided in this section, chapter 507C shall apply to a protected cell captive company.

2. Upon any order of supervision, rehabilitation, or liquidation of a protected cell captive company, the receiver shall manage the assets and liabilities of the protected cell captive company pursuant to this section.

3. Notwithstanding chapter 507C or any other provision to² law to the contrary, in the conservation, rehabilitation, or liquidation of a protected cell captive company, all of the following requirements shall be met:

a. The assets and liabilities of a protected cell shall at all times be kept separate from, and shall not be commingled with, those of other protected cells and the protected cell captive company.

b. The assets of a protected cell shall not be used to pay any expenses or claims other than the expenses or claims attributable to the protected cell.

c. If the sponsor consents and the commissioner has granted prior written approval, the assets of the protected cell captive company's general account may be used to pay any expenses or claims attributable solely to a protected cell or protected cells of the protected cell captive company. Notwithstanding section 521J.4, if the assets of the protected cell captive company's general account are used to pay expenses or claims attributed solely to a protected cell or protected cells of the protected cell captive company, the sponsor shall not be required to contribute additional capital and surplus to the protected cell captive company's general account.

d. A protected cell captive company's capital and surplus shall be available at all times to pay any expenses of, or claims against, the protected cell captive company.

4. Notwithstanding chapter 507C or any other provision of law to the contrary, in the event of an insolvency of a protected cell captive company where the commissioner determines that one or more protected cells remain solvent, the commissioner may separate such cells from the protected cell captive company and, on application of the sponsor, may allow for the conversion of such protected cells into one or more new or existing protected cell captive companies, or one or more other captive companies, pursuant to a plan of operation approved by the commissioner.

Sec. 23. NEW SECTION. 521J.20 Participants.

² See chapter 119, §42 herein

Individuals, business entities, and sponsors may be a participant in a protected cell captive company. A participant shall not be required to be a shareholder of a protected cell captive company, or of the protected cell captive company's affiliate.

Sec. 24. NEW SECTION. **521J.21 Investments — combined assets.**

The assets of two or more protected cells may be combined for the purpose of investment by a protected cell captive company, and combining the protected cells' assets shall not be construed as defeating the segregation of the assets for accounting or any other purpose. Protected cell captive companies and protected cells shall comply with the applicable investment requirements contained in section 521J.13; however, compliance with such investment requirements shall be waived for protected cell captive companies to the extent that credit for reinsurance ceded to reinsurers is allowed under section 521J.14, or to the extent that waiver of compliance with the investment requirements is deemed reasonable and appropriate by the commissioner. The commissioner may exercise discretion in approving the accounting standards used by the company.

Sec. 25. NEW SECTION. **521J.22 Dormant captive companies.**

1. As used in this section, "*dormant captive company*" means a captive company, other than a captive risk retention group, that meets all of the following:

a. The captive company has ceased transacting the business of insurance, including the issuance of insurance policies.

b. The captive company does not have any remaining liabilities associated with its insurance business transactions or insurance policies issued prior to the captive company's filing of an application for a certificate of dormancy under subsection 2.

2. Any captive company that is domiciled in this state and that complies with this section may apply to the commissioner for a certificate of dormancy. A certificate of dormancy shall be subject to expiration five calendar years from the date that the certificate is issued, and the commissioner shall not renew a certificate of dormancy.

3. a. A captive company that has been issued a certificate of dormancy shall comply with all of the following:

(1) The dormant captive company shall possess and maintain unimpaired, paid-in capital and surplus of not less than twenty-five thousand dollars.

(2) Within ninety calendar days of the dormant captive company's fiscal year end, the company shall annually submit to the commissioner a report on the company's financial condition, verified by oath of two of the company's executive officers, in the form and manner as established by the commissioner by rule.

(3) The dormant captive company shall pay an annual one thousand dollar dormancy tax, due on or before March 1, if for any portion of the immediately preceding calendar year the captive company held a certificate of dormancy. Each series of members and each protected cell shall be considered separate for purposes of paying the annual dormancy tax under a certificate of dormancy. A dormant captive company is not otherwise liable for any annual renewal as provided in section 521J.2, subsection 4, paragraph "b".

b. A dormant captive insurance company that has been issued a certificate of dormancy shall not be subject to or liable for the payment of tax under section 432.1A from the date the certificate of dormancy is issued through the date the certificate of dormancy expires.

4. A dormant captive company shall be subject to examination under section 521J.9 for any year in which the company does not qualify as a dormant captive company. In the commissioner's discretion, a dormant captive company shall be subject to examination under section 521J.9 for any year in which the dormant captive company qualifies as a dormant captive company.

5. Prior to a dormant captive company issuing an insurance policy, the dormant captive company shall apply to the commissioner for approval to surrender the company's certificate of dormancy and to resume conducting the business of insurance.

6. A dormant captive company's certificate of dormancy shall be revoked if the company violates this section.

Sec. 26. NEW SECTION. 521J.23 Workers' compensation — compliance with state and federal laws.

1. This chapter shall not be construed to exempt a captive company, a captive company's parent, or a captive company's affiliated companies from compliance with applicable state and federal laws governing workers' compensation insurance.

2. This chapter shall not be construed to divest the division of workers' compensation of any jurisdiction, as authorized by law, over workers' compensation self-insurance plans.

Sec. 27. NEW SECTION. 521J.24 Books and records.

1. a. Unless otherwise approved by the commissioner, a captive company shall maintain the captive company's original books, records, documents, accounts, vouchers, and agreements in this state and make them available for examination and inspection by the commissioner as requested by the commissioner. The captive company may store and reproduce the books, records, documents, accounts, vouchers, and agreements electronically.

b. All books, records, documents, accounts, vouchers, and agreements shall be kept in a manner that the commissioner can readily ascertain the captive company's financial condition, affairs, and operations; can readily verify the captive company's financial statements; and can confirm the captive company's compliance with this chapter.

2. Unless otherwise approved by the commissioner, all books, records, documents, accounts, vouchers, and agreements maintained by a captive company under subsection 1 shall remain available in the state until the commissioner approves destruction or other disposition of the books, records, documents, accounts, vouchers, and agreements.

Sec. 28. NEW SECTION. 521J.26 Risk management of controlled unaffiliated business — standards.

The commissioner may adopt rules establishing standards to ensure that a parent or affiliated company is able to exercise control of the risk management function of any controlled unaffiliated business to be insured by a captive company. If rules are not adopted to establish standards pursuant to this section, the commissioner may approve the coverage of such risks on a case-by-case basis.

Sec. 29. NEW SECTION. 521J.27 Rules.

KIM REYNOLDS, *Governor*

Dear Mr. Secretary,

I hereby transmit Senate File 563, an Act relating to the judicial branch, including appropriations to the judicial branch, apportionment of district associate judges, video recordings, noncontract attorney appointment, and contracting authority.

When individuals charged with a crime are without the financial means to hire their own legal counsel, the government is required to provide them with an attorney. The State Public Defender (“SPD”) has primary responsibility to provide such representation. If a conflict arises or the SPD lacks the necessary resources, then a private attorney with a contract with the SPD is appointed. When both the SPD or private contract attorneys cannot provide representation, judges can appoint a private attorney in the area, or as the Code provides, a “noncontract attorney.”

Section 8 of Senate File 563 would require a noncontract attorney’s consent before being appointed to represent an indigent individual. Proponents of this legislation argue that representing indigents will cause financial burdens not seen in other licensed professions. But the constitutional right to counsel cannot be so easily subverted. All attorneys owe a duty to the legal profession to accept such an appointment if needed. And of course, this change creates the possibility that if no attorneys consent, indigent individuals will be left without legal representation. *That* possibility would truly bring about the crisis forewarned by some.

Attorneys should be encouraged to contract with the SPD, and I am proud to approve an hourly rate increase for those attorneys in Senate File 562. I also applaud the efforts of our voluntary bar association to recruit attorneys to contract with the SPD. If successful, those efforts would eliminate the need for Section 8 of Senate File 563, as noncontract attorneys are only appointed as a last resort.

For these reasons, I respectfully disapprove Senate File 563 in part, only as specified above, in accordance with Article III, Section 16 of the Iowa Constitution of the State of Iowa. The remainder of Senate File 563 not disapproved as stated herein is approved on this date.

Sincerely,
KIM REYNOLDS, *Governor*

422.16 Withholding of income tax at source — penalties — interest — declaration of estimated tax — bond.

1. As used in this section, unless the context otherwise requires, “withholding agent” means any individual, fiduciary, estate, trust, corporation, partnership or association in whatever capacity acting and including all officers and employees of the state of Iowa, or any municipal corporation of the state of Iowa and of any school district or school board of the state, or of any political subdivision of the state of Iowa, or any tax-supported unit of government that is obligated to pay or has control of paying or does pay to any resident or nonresident of the state of Iowa or the resident’s or nonresident’s agent any wages that are subject to the Iowa income tax in the hands of such resident or nonresident, or any of the above-designated entities making payment or having control of making such payment of any taxable Iowa income to any nonresident. The term “withholding agent” shall also include an officer or employee of a corporation or association, or a member or employee of a partnership, who as such officer, employee, or member has the responsibility to perform an act under this section and who subsequently knowingly violates the provisions of this section. The term “withholding agent”

shall also include every employer as defined in this subchapter and further defined in the Internal Revenue Code.

2. a. (1) Every withholding agent paying wages to an Iowa resident, or nonresident working in Iowa, shall deduct and withhold from the wages an amount which will approximate the annual tax liability of the person on a calendar year basis, calculated on the basis of tables to be prepared by the department and schedules or percentage rates, based on the wages, to be prescribed by the department.

(2) Every employee or other person shall declare to the withholding agent the amount of the employee's or other person's withholding allowance to be used in applying the tables and schedules or percentage rates. However, the amount of withholding allowance declared shall not exceed the amount to which the employee or other person is entitled except as allowed under sections 3402(m)(1) and 3402(m)(3) of the Internal Revenue Code and as allowed by rules prescribed by the director. The claiming of an amount of withholding allowance in excess of entitlement is a serious misdemeanor.

b. (1) In the case of a nonresident having income subject to taxation by Iowa, but not subject to withholding of such tax under this subsection or subject to the provisions of section 422.16B, a withholding agent shall withhold from such income at the same rate as provided in this subsection. A withholding agent and nonresident shall be subject to the provisions of this section, according to the context, except that a withholding agent may be absolved of the requirement to withhold taxes from the income of a nonresident upon receipt of a certificate from the department issued in accordance with the provisions of section 422.17.

(2) In the case of a nonresident having income from a trade or business carried on by the nonresident in whole or in part within the state of Iowa, the nonresident shall be considered to be subject to the provisions of this paragraph unless such trade or business is of such nature that the business entity itself, as a withholding agent, is required to and does withhold Iowa income tax from the distributions made to such nonresident from such trade or business.

c. For the purposes of this subsection, at a rate specified by the department, state income tax shall be withheld from pensions, annuities, other similar periodic payments, and other income payments under sections 3402(o), 3402(p), 3402(s), 3405(a), 3405(b), and 3405(c) of the Internal Revenue Code made to Iowa residents if the payments are subject to Iowa tax.

d. For the purposes of this subsection, state income tax shall be withheld on winnings in excess of six hundred dollars derived from gambling activities authorized under chapter 99B or 99G. State income tax shall be withheld on winnings in excess of one thousand dollars from gambling activities authorized under chapter 99D. State income tax shall be withheld on winnings in excess of one thousand two hundred dollars derived from slot machines authorized under chapter 99F.

e. For the purposes of this subsection, state income tax shall be withheld at the highest rate described in section 422.5A from supplemental wages of an employee in those circumstances in which the employer treats the supplemental wages as wholly separate from regular wages for purposes of withholding and federal income tax is withheld from the supplemental wages under section 3402(g) of the Internal Revenue Code.

3. a. A withholding agent is not required to withhold state income tax from payments subject to taxation made to a nonresident for commodity credit certificates, grain, livestock, domestic fowl, or other agricultural commodities or products sold to a withholding agent by a nonresident or the nonresident's representative, if the withholding agent provides on forms prescribed by the department information relating to the sales required by the department to determine the state income tax liabilities of a nonresident. However, a withholding agent may elect to make estimated tax payments on behalf of a nonresident on the basis of the net income of the nonresident from the agricultural commodities or products, if the estimated tax payments are made on or before the last day of the first month after the end of the tax years of the nonresident.

b. Nonresidents engaged in any facet of feature film, television, or educational production using the film or videotape disciplines in the state are not subject to Iowa withholding if the employer has applied to the department for exemption from the withholding requirement and the department has determined that any nonresident receiving wages would be entitled to a credit against Iowa income taxes paid.

c. Individuals described in section 29C.24 are not subject to withholding, as provided in that section.

4. a. A withholding agent required to deduct and withhold tax under subsection 2 shall file a return on or before the last day of the month following the quarterly period on forms prescribed by the director and remit to the department the amount of tax due at the following frequencies:

(1) A withholding agent shall remit income tax withheld on a quarterly basis if the withholding agent withholds less than six thousand dollars annually and no more than five hundred dollars in any one month. Payment shall be due on the same day as the quarterly return.

(2) A withholding agent shall remit income tax withheld on a monthly basis if the withholding agent withholds more than five hundred dollars in any one month and not more than five thousand dollars in a semimonthly period. Payment shall be made on or before the fifteenth day of the month following the month of withholding, except that a deposit for the third month in a calendar quarter shall be due on the same day as the quarterly return.

(3) A withholding agent shall remit income tax withheld on a semimonthly basis if the withholding agent withholds more than five thousand dollars in a semimonthly period. The first semimonthly deposit for the period from the first of the month through the fifteenth of the month is due on the twenty-fifth day of the month in which the withholding occurs. The second monthly deposit for the period from the sixteenth of the month through the end of the month is due on the tenth day of the month following the month in which the withholding occurs.

(4) A withholding agent may elect to remit on an annual basis if the withholding agent employs not more than two employees and expects to employ the employees for the full calendar year. The electing withholding agent shall remit the full amount of income taxes required to be withheld from the wages of the employees for the full calendar year with the quarterly return for the first calendar quarter. The amount to be paid shall be computed as if the employees were employed for the full calendar year for the same wages and with the same pay periods as prevailed during the first quarter of the year with respect to such employees. The electing withholding agent shall only remit the lump sum payment with the written consent of all employees involved. The withholding agent shall be entitled to recover from the employee any part of the lump sum payment that represents an advance to the employee. If a withholding agent pays a lump sum with the first quarterly return, the withholding agent shall be excused from filing further quarterly returns for the calendar year involved unless the withholding agent hires other or additional employees.

b. Every withholding agent on or before February 15 following the close of the calendar year in which the withholding occurs shall send to the department copies of income statements required by subsection 8. At the discretion of the director, the withholding agent shall not be required to send income statements if the information is available from the internal revenue service or other state or federal agencies.

c. If the director has reason to believe that the collection of the tax provided for in subsection 2 is in jeopardy, the director may require the withholding agent to file a return as required in paragraph "a", and pay the tax at any time, in accordance with section 422.30. The director may authorize incorporated banks, trust companies, or other depositories authorized by law which are depositories or financial agents of the United States or of this state, to receive any tax imposed under this chapter, in the manner, at the times, and under the conditions the director prescribes. The director shall also prescribe the manner, times, and conditions under which the receipt of the tax by those depositories is to be treated as payment of the tax to the department.

d. The director, in cooperation with the department of management, may periodically change the filing and remittance thresholds by administrative rule if in the best interest of the state and the taxpayer.

5. Every withholding agent who fails to withhold or pay to the department any sums required by this chapter to be withheld and paid, shall be personally, individually, and corporately liable to the state of Iowa, and any sum withheld in accordance with the provisions of subsection 2, shall be deemed to be held in trust for the state of Iowa.

Notwithstanding section 489.304, this subsection applies to a member or manager of a limited liability company.

6. In the event a withholding agent fails to withhold and pay over to the department any amount required to be withheld under subsection 2, such amount may be assessed against such withholding agent in the same manner as prescribed for the assessment of income tax under the provisions of this subchapter and subchapter VI.

7. Whenever the director determines that any withholding agent has failed to withhold or pay over to the department sums required to be withheld under subsection 2, the unpaid amount shall be a lien as described in section 422.26, shall attach to the property of that withholding agent, and in all other respects the procedure with respect to such lien shall apply as set forth in section 422.26.

8. *a.* Every withholding agent required to deduct and withhold tax under subsection 2 shall furnish to each employee, nonresident, or other person with respect to the income paid by the employer or withholding agent to each employee, nonresident, or other person during the calendar year, on or before January 31 of the succeeding year, or, in the case of an employee, if the employment of the employee is terminated before the close of the calendar year, within thirty days from the day on which the last payment of wages or other taxable income is made, if requested by the employee, but not later than January 31 of the following year, an income statement showing all of the following:

(1) The name and address of the employer or withholding agent, and the taxpayer identification number of the employer or withholding agent.

(2) The name of the employee, nonresident, or other person and the taxpayer identification number of that employee, nonresident, or other person, together with the last known address of the employee, nonresident, or other person to whom wages or other taxable income has been paid during the period.

(3) The gross amount of wages or other taxable income paid to the employee, nonresident, or other person.

(4) The total amount deducted and withheld as tax under the provisions of subsection 2.

(5) The total amount of federal income tax withheld.

b. An income statement required to be furnished by this subsection with respect to any wages or other taxable Iowa income or any additional information required to be displayed on the income statement shall be in such form or forms as the director may prescribe by rule.

9. A withholding agent shall be liable for the payment of the tax required to be deducted and withheld or the amount actually deducted, whichever is greater, under subsection 2. Any amount deducted and withheld as tax under subsection 2 during any calendar year upon the wages of any employee, nonresident, or other person shall be allowed as a credit to the employee, nonresident, or other person against the tax imposed by section 422.5 for the tax year in which it was withheld, irrespective of whether or not such tax has been, or will be, paid by the withholding agent to the department as provided by this chapter.

10. *a.* If the amount of income tax withheld by the withholding agent on behalf of an employee, nonresident, or other person after complying with this section is more than the income tax liability of said employee, nonresident, or other person as determined under the provisions of this subchapter, the overpayment of tax may first be credited against any income tax or installment payment then due the state of Iowa by the employee, nonresident, or other person for the tax year, and any balance of one dollar or more shall be refunded to the employee, nonresident, or other person with interest in accordance with section 421.60, subsection 2, paragraph "e".

b. Amounts less than one dollar shall be refunded to the taxpayer, nonresident, or other person only upon written application, in accordance with section 422.73, and only if the application is filed within twelve months after the due date of the return.

c. Refunds in the amount of one dollar or more provided for by this subsection shall be paid by the treasurer of state by warrants drawn by the director of the department of administrative services, or an authorized employee of the department of administrative services, and the taxpayer's return of income shall constitute a claim for refund for this purpose, except in respect to amounts of less than one dollar. There is appropriated, out of any funds in the state treasury not otherwise appropriated, a sum sufficient to carry out the provisions of this subsection.

11. *a.* In addition to any other penalty provided by law, a withholding agent required to furnish or file an income statement required by this chapter is subject to a civil penalty of five hundred dollars for each occurrence of the following:

(1) Willful failure to furnish an employee, nonresident, or other person with an income statement.

(2) Willfully furnishing an employee, nonresident, or other person with a false or fraudulent income statement.

(3) Willful failure to file an income statement with the department.

(4) Willfully filing a false or fraudulent income statement with the department.

b. A withholding agent is subject to the penalty as provided in section 421.27. Any penalty assessed under section 421.27 shall be in addition to the tax or additional tax due under this section. The taxpayer shall also pay interest on the tax or additional tax at the rate in effect under section 421.7, for each month counting each fraction of a month as an entire month, computed from the date the semimonthly, monthly, or quarterly deposit form was required to be filed. The penalty and interest become a part of the tax due from the withholding agent.

c. If any withholding agent, being a domestic or foreign corporation, required under the provisions of this section to withhold on wages or other taxable Iowa income subject to this chapter, fails to withhold the amounts required to be withheld, make the required returns or remit to the department the amounts withheld, the director may, having exhausted all other means of enforcement of the provisions of this chapter, certify such fact or facts to the secretary of state, who shall thereupon cancel the articles of incorporation or foreign registration statement, as the case may be, of such corporation, and the rights of such corporation to carry on business in the state of Iowa shall cease. The secretary of state shall immediately notify by registered mail such domestic or foreign corporation of the action taken by the secretary of state. The provisions of section 422.40, subsection 3, shall be applicable.

d. The department shall, upon request of any fiduciary, furnish said fiduciary with a certificate of acquittance showing that no liability as a withholding agent exists with respect to the estate or trust for which said fiduciary acts, provided the department has determined that there is no such liability.

12. *a.* (1) Taxpayers filing a return shall make estimated tax payments if their Iowa income tax liability can reasonably be expected to amount to two hundred dollars or more for the year.

(2) In the cases of farmers and fishermen, the exceptions provided in the Internal Revenue Code with respect to making estimated payments apply.

b. (1) The estimated tax shall be paid in quarterly installments. The first installment shall be paid on or before the last day of the fourth month of the taxpayer's tax year for which the estimated payments apply. The other installments shall be paid on or before the last day of the sixth month of the tax year, the last day of the ninth month of the tax year, and the last day of the first month after the tax year. A taxpayer may elect to pay an installment prior to the due date.

(2) If a taxpayer filing a return has reason to believe that the taxpayer's Iowa income tax may increase or decrease, either for purposes of meeting the requirement to make estimated tax payments or for the purpose of increasing or decreasing estimated tax payments, the taxpayer shall increase or decrease any subsequent estimated tax payments accordingly.

(3) Any tax still payable after applying credits for taxes paid through withholding, estimated tax, and composite return tax, is due and payable on or before the end of the fourth month following the close of the tax year.

c. If a taxpayer is unable to make the taxpayer's estimated tax payments, the payments may be made by a duly authorized agent, or by the guardian or other person charged with the care of the person or property of the taxpayer.

d. (1) Estimated tax paid is a credit against the amount of tax found payable on a final, completed return, as provided in subsection 10, relating to the credit for the tax withheld against the tax found payable on a return properly and correctly prepared under sections 422.5 through 422.25.

(2) Any overpayment of one dollar or more shall be refunded to the taxpayer and the return constitutes a claim for refund for this purpose. Amounts less than one dollar shall not be refunded.

(3) The method provided by section 6654 of the Internal Revenue Code for determining what is applicable to the addition to tax for underpayment of the tax payable applies to persons required to make payments of estimated tax under this section except the amount to be added to the tax for underpayment of estimated tax is an amount determined at the rate in effect under section 421.7. 3. The person who filed the application and a licensed physician and surgeon or osteopathic physician and surgeon, mental health professional, or certified alcohol and drug counselor certified by the nongovernmental Iowa board of substance abuse certification who has examined the respondent in connection with the commitment hearing shall be present

The applicant, respondent, and the respondent's attorney may waive the presence, televised appearance, or telephonic appearance of the licensed physician and surgeon or osteopathic physician and surgeon, mental health professional, or certified alcohol and drug counselor who examined the respondent and agree to submit as evidence the written report of the licensed physician and surgeon or osteopathic physician and surgeon, mental health professional, or certified alcohol and drug counselor. The court shall receive all relevant and material evidence, but the court is not bound by the rules of evidence. A presumption in favor of the respondent exists, and the burden of evidence and support of the contentions made in the application shall be upon the person who filed the application. If upon completion of the hearing the court finds that the contention that the respondent is a person with a substance-related disorder has not been sustained by clear and convincing evidence, the court shall deny the application and terminate the proceeding.

Sec. 3. Section 229.12, subsection 3, paragraph b, Code 2023, is amended to read as follows:

b. The licensed physician or mental health professional who examined the respondent shall be present at the hearing unless the court for good cause finds that the licensed physician's or mental health professional's presence or testimony is not necessary. The applicant, respondent, and the respondent's attorney may waive the presence, televised appearance, or the telephonic appearance of the licensed physician or mental health professional who examined the respondent and agree to submit as evidence the written report of the licensed physician or mental health professional. The respondent's attorney shall inform the court if the respondent's attorney reasonably believes that the respondent, due to diminished capacity, cannot make an adequately considered waiver decision. "Good cause" for finding that the testimony of the licensed physician or mental health professional who examined the respondent is not necessary may include but is not limited to such a waiver. If the court determines that the testimony of the licensed physician or mental health professional is necessary, the court may allow the licensed physician or the mental health professional to testify by telephone or televised means.

Sec. 4. Section 229.12, subsection 3, paragraph a, Code 2023, is amended to read as follows:

a. The respondent's welfare shall be paramount and the hearing shall be conducted in as informal a manner as may be consistent with orderly procedure, but consistent therewith the issue shall be tried as a civil matter. The hearing may be held by video or telephone conference at the discretion of the court. Such discovery as is permitted under the Iowa rules of civil procedure shall be available to the respondent. The court shall receive all relevant and material evidence which may be offered and need not be bound by the rules of evidence. f. Any information submitted to the data system that is subsequently required to be expunged by the laws of the member state contributing the information shall be removed from the data system.

11. *Rulemaking.*

a. The commission shall promulgate reasonable rules in order to effectively and efficiently achieve the purpose of the compact. Notwithstanding the foregoing, in the event the commission exercises its rulemaking authority in a manner that is beyond the scope of the purposes of the compact, or the powers granted hereunder, then such an action by the commission shall be invalid and have no force or effect.

b. The commission shall exercise its rulemaking powers pursuant to the criteria set forth in this subsection and the rules adopted thereunder. Rules and amendments shall become binding as of the date specified in each rule or amendment.

c. If a majority of the legislatures of the member states rejects a rule, by enactment of a statute or resolution in the same manner used to adopt the compact within four years of the date of adoption of the rule, then such rule shall have no further force and effect in any member state.

d. Rules or amendments to the rules shall be adopted at a regular or special meeting of the commission.

e. Prior to promulgation and adoption of a final rule by the commission, and at least thirty days in advance of the meeting at which the rule will be considered and voted upon, the commission shall file a notice of proposed rulemaking in all of the following places:

- (1) On the internet site of the commission or other publicly accessible platform.

(1) All persons wishing to be heard at the hearing shall notify the executive director of the commission or other designated member in writing of their desire to appear and testify at the hearing not less than five business days before the scheduled date of the hearing.

(2) Hearings shall be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.

(3) All hearings shall be recorded. A copy of the recording shall be made available on request.

(4) Nothing in this paragraph "h" shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the commission at hearings required by this subsection.

j. Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the commission shall consider all written and oral comments received.

k. If no written notice of intent to attend the public hearing by interested parties is received, the commission may proceed with promulgation of the proposed rule without a public hearing.

l. The commission shall, by majority vote of all members, take final action on the proposed rule and shall determine the effective date of the rule, if any, based on the rulemaking record and the full text of the rule.

m. Upon determination that an emergency exists, the commission may consider and adopt an emergency rule without prior notice, opportunity for comment, or hearing, provided that the usual rulemaking procedures provided in the compact and in this subsection shall be retroactively applied to the rule as soon as reasonably possible, in no event later than ninety days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that must be adopted immediately in order to do any of the following:

- (1) Meet an imminent threat to public health, safety, or welfare.
- (2) Prevent a loss of commission or member state funds.
- (3) Meet a deadline for the promulgation of an administrative rule that is established by federal law or rule.
- (4) Protect public health and safety.

n. The commission or an authorized committee of the commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the internet site of the commission. The revision shall be subject to challenge by any person for a period of thirty days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing and delivered to the chair of the commission prior to the end of the notice period. If no challenge is made, the revision shall take effect without further action. If the revision is challenged, the revision shall not take effect without the approval of the commission.

12. *Oversight, dispute resolution, and enforcement.*

a. *Oversight.*

(1) The executive, legislative, and judicial branches of state government in each member state shall enforce this compact and take all actions necessary and appropriate to effectuate the compact's purposes and intent. The provisions of this compact and the rules promulgated hereunder shall have standing as statutory law.

(2) All courts shall take judicial notice of the compact and the rules in any judicial or administrative proceeding in a member state pertaining to the subject matter of this compact which may affect the powers, responsibilities, or actions of the commission.

(3) The commission shall be entitled to receive service of process in any such proceeding and shall have standing to intervene in such a proceeding for all purposes. Failure to provide service of process to the commission shall render a judgment or order void as to the commission, this compact, or the promulgated rules.

b. *Default, technical assistance, and termination.*

(1) If the commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this compact or the promulgated rules, the commission shall do all of the following:

(a) Provide written notice to the defaulting state and other member states of the nature of the default, the proposed means of curing the default, or any other action to be taken by the commission.

(b) Provide remedial training and specific technical assistance regarding the default.

c. If a state in default fails to cure the default, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the member states, and all rights, privileges, and benefits conferred by this compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

d. Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the commission to the governor, the majority and minority leaders of the defaulting state's legislature, and each of the member states.

e. A state that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

f. The commission shall not bear any costs related to a state that is found to be in default or that has been terminated from the compact unless agreed upon in writing between the commission and the defaulting state.

g. The defaulting state may appeal the action of the commission by petitioning the United States district court for the District of Columbia or the federal district where the commission has its principal offices. The prevailing member shall be awarded all costs of such litigation including reasonable attorney fees.

h. *Dispute resolution.*

(1) Upon request by a member state, the commission shall attempt to resolve disputes related to the compact that arise among member states and between member and nonmember states.

(2) The commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes as appropriate.

i. *Enforcement.*

(1) The commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this compact.

(2) By majority vote, the commission may initiate legal action in the United States district court for the District of Columbia or the federal district where the commission has its principal offices against a member state in default to enforce compliance with the provisions of the compact and its promulgated rules and bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of such litigation including reasonable attorney fees.

(3) The remedies herein shall not be the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or state law.

13. *Date of implementation of the counseling compact commission and associated rules, withdrawal, and amendment.*

a. The compact shall come into effect on the date on which the compact statute is enacted into law in the tenth member state. The provisions, which become effective at that time, shall be limited to the powers granted to the commission relating to assembly and the promulgation of rules. Thereafter, the commission shall meet and exercise rulemaking powers necessary to the implementation and administration of the compact.

b. Any state that joins the compact subsequent to the commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the compact becomes law in that state. Any rule that has been previously adopted by the commission shall have the full force and effect of law on the day the compact becomes law in that state.

c. Any member state may withdraw from this compact by enacting a statute repealing the same.

(1) A member state's withdrawal shall not take effect until six months after enactment of the repealing statute.

(2) Withdrawal shall not affect the continuing requirement of the withdrawing state's professional counseling licensing board to comply with the investigative and adverse action reporting requirements of this compact prior to the effective date of withdrawal.

d. Nothing contained in this compact shall be construed to invalidate or prevent any professional counseling licensure agreement or other cooperative arrangement between a member state and a nonmember state that does not conflict with the provisions of this compact.

e. This compact may be amended by the member states. No amendment to this compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.

14. *Construction and severability.* This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence, or provision of this compact is declared to be contrary to the constitution of any member state or of the United States or the applicability thereof to any government, agency, person, or circumstance is held invalid, the validity of the

remainder of this compact and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any member state, the compact shall remain in full force and effect as to the remaining member states and in full force and effect as to the member state affected as to all severable matters.

15. *Binding effect of compact and other laws.*

a. A licensee providing professional counseling services in a remote state under the privilege to practice shall adhere to the laws and regulations, including scope of practice, of the remote state.

b. Nothing herein prevents the enforcement of any other law of a member state that is not inconsistent with the compact.

c. All laws in a member state in conflict with the compact are superseded to the extent of the conflict.

d. All lawful actions of the commission, including all rules and bylaws properly promulgated by the commission, are binding upon the member states.

e. All permissible agreements between the commission and the member states are binding in accordance with their terms.

f. In the event any provision of the compact exceeds the constitutional limits imposed on the legislature of any member state, the provision shall be ineffective to the extent of the conflict with the constitutional provision in question in that member state.

(2) Any action by the Medicaid payor to enforce its rights under section 249A.54 with respect to such claim is commenced not later than six years after the Medicaid payor submits the claim for payment.

5. Notwithstanding any provision of law to the contrary, the time limitations, requirements, and allowances specified in this section shall apply to third-party obligations under this section.

6. The department may adopt rules pursuant to chapter 17A as necessary to administer this section. Rules governing the exchange of information under this section shall be consistent with all laws, regulations, and rules relating to the confidentiality or privacy of personal information or medical records, including but not limited to the federal Health Insurance Portability and Accountability Act of 1996, Pub. L. No. 104-191, and regulations promulgated in accordance with that Act and published in 45 C.F.R. pts. 160 – 164.

Sec. 2. Section 249A.54, Code 2023, is amended by striking the section and inserting in lieu thereof the following:

249A.54 Responsibility for payment on behalf of Medicaid-eligible persons — liability of other parties.

1. It is the intent of the general assembly that a Medicaid payor be the payor of last resort for medical services furnished to recipients. All other sources of payment for medical services are primary relative to medical assistance provided by the Medicaid payor. If benefits of a third party are discovered or become available after medical assistance has been provided by the Medicaid payor, it is the intent of the general assembly that the Medicaid payor be repaid in full and prior to any other person, program, or entity. The Medicaid payor shall be repaid in full from and to the extent of any third-party benefits, regardless of whether a recipient is made whole or other creditors are paid.

2. For the purposes of this section:

a. “*Collateral*” means all of the following:

(1) Any and all causes of action, suits, claims, counterclaims, and demands that accrue to the recipient or to the recipient’s agent, related to any covered injury or illness, or medical services that necessitated that the Medicaid payor provide medical assistance to the recipient.

(2) All judgments, settlements, and settlement agreements rendered or entered into and related to such causes of action, suits, claims, counterclaims, demands, or judgments.

(3) Proceeds.

b. “*Covered injury or illness*” means any sickness, injury, disease, disability, deformity, abnormality disease, necessary medical care, pregnancy, or death for which a third party is, may be, could be, should be, or has been liable, and for which the Medicaid payor is, or may be, obligated to provide, or has provided, medical assistance.

c. “*Medicaid payor*” means the department or any person, entity, or organization that is legally responsible by contract, statute, or agreement to pay claims for medical assistance including but not limited to managed care organizations and other entities that contract with the state to provide medical assistance under chapter 249A.

d. “*Medical service*” means medical or medically related institutional or noninstitutional care, or a medical or medically related institutional or noninstitutional good, item, or service covered by Medicaid.

e. “*Payment*” as it relates to third-party benefits, means performance of a duty, promise, or obligation, or discharge of a debt or liability, by the delivery, provision, or transfer of third-party benefits for medical services. “*To pay*” means to make payment.

f. “*Proceeds*” means whatever is received upon the sale, exchange, collection, or other disposition of the collateral or proceeds from the collateral and includes insurance payable because of loss or damage to the collateral or proceeds. “*Cash proceeds*” include money, checks, and deposit accounts and similar proceeds. All other proceeds are “*noncash proceeds*”.

g. “*Recipient*” means a person who has applied for medical assistance or who has received medical assistance.

h. “*Recipient’s agent*” includes a recipient’s legal guardian, legal representative, or any other person acting on behalf of the recipient.

i. “*Third party*” means an individual, entity, or program, excluding Medicaid, that is or may be liable to pay all or a part of the expenditures for medical assistance provided by a Medicaid payor to the recipient. A third party includes but is not limited to all of the following:

(1) A third-party administrator.

(2) A pharmacy benefits manager.

(3) A health insurer.

(4) A self-insured plan.

(5) A group health plan, as defined in section 607(1) of the federal Employee Retirement Income Security Act of 1974.

(6) A service benefit plan.

(7) A managed care organization.

(8) Liability insurance including self-insurance.

(9) No-fault insurance.

(10) Workers’ compensation laws or plans.

(11) Other parties that by law, contract, or agreement are legally responsible for payment of a claim for medical services.

j. “*Third-party benefits*” mean any benefits that are or may be available to a recipient from a third party and that provide or pay for medical services. “*Third-party benefits*” may be created

by law, contract, court award, judgment, settlement, agreement, or any arrangement between a third party and any person or entity, recipient, or otherwise. "Third-party benefits" include but are not limited to all of the following:

- (1) Benefits from collateral or proceeds.
- (2) Health insurance benefits.
- (3) Health maintenance organization benefits.
- (4) Benefits from preferred provider arrangements and prepaid health clinics.
- (5) Benefits from liability insurance, uninsured and underinsured motorist insurance, or personal injury protection coverage.

- (6) Medical benefits under workers' compensation.

- (7) Benefits from any obligation under law or equity to provide medical support.

3. Third-party benefits for medical services shall be primary to medical assistance provided by the Medicaid payor.

4. a. A Medicaid payor has all of the rights, privileges, and responsibilities identified under this section. Each Medicaid payor is a Medicaid payor to the extent of the medical assistance provided by that Medicaid payor. Therefore, Medicaid payors may exercise their Medicaid payor's rights under this section concurrently.

b. Notwithstanding the provisions of this subsection to the contrary, if the department determines that a Medicaid payor has not taken reasonable steps within a reasonable time to recover third-party benefits, the department may exercise all of the rights of the Medicaid payor under this section to the exclusion of the Medicaid payor. If the department determines the department will exercise such rights, the department shall give notice to third parties and to the Medicaid payor.

5. A Medicaid payor may assign the Medicaid payor's rights under this section, including but not limited to an assignment to another Medicaid payor, a provider, or a contractor.

6. After the Medicaid payor has provided medical assistance under the Medicaid program, the Medicaid payor shall seek reimbursement for third-party benefits to the extent of the Medicaid payor's legal liability and for the full amount of the third-party benefits, but not in excess of the amount of medical assistance provided by the Medicaid payor.

7. On or before the thirtieth day following discovery by a recipient of potential third-party benefits, a recipient or the recipient's agent, as applicable, shall inform the Medicaid payor of any rights the recipient has to third-party benefits and of the name and address of any person that is or may be liable to provide third-party benefits.

8. When the Medicaid payor provides or becomes liable for medical assistance, the Medicaid payor has the following rights which shall be construed together to provide the greatest recovery of third-party benefits:

a. The Medicaid payor is automatically subrogated to any rights that a recipient or a recipient's agent or legally liable relative has to any third-party benefit for the full amount of medical assistance provided by the Medicaid payor. Recovery pursuant to these subrogation rights shall not be reduced, prorated, or applied to only a portion of a judgment, award, or settlement, but shall provide full recovery to the Medicaid payor from any and all third-party benefits. Equities of a recipient or a recipient's agent, creditor, or health care provider shall not defeat, reduce, or prorate recovery by the Medicaid payor as to the Medicaid payor's subrogation rights granted under this paragraph.

b. By applying for, accepting, or accepting the benefit of medical assistance, a recipient or a recipient's agent or legally liable relative automatically assigns to the Medicaid payor any right, title, and interest such person has to any third-party benefit, excluding any Medicare benefit to the extent required to be excluded by federal law.

- (1) The assignment granted under this paragraph is absolute and vests legal and equitable title to any such right in the Medicaid payor, but not in excess of the amount of medical assistance provided by the Medicaid payor.

- (2) The Medicaid payor is a bona fide assignee for value in the assigned right, title, or interest and takes vested legal and equitable title free and clear of latent equities in a third party. Equities of a recipient or a recipient's agent, creditor, or health care provider shall not defeat or reduce recovery by the Medicaid payor as to the assignment granted under this paragraph.

c. The Medicaid payor is entitled to and has an automatic lien upon the collateral for the full amount of medical assistance provided by the Medicaid payor to or on behalf of the recipient for medical services furnished as a result of any covered injury or illness for which a third party is or may be liable.

(1) The lien attaches automatically when a recipient first receives medical services for which the Medicaid payor may be obligated to provide medical assistance.

(2) The filing of the notice of lien with the clerk of the district court in the county in which the recipient's eligibility is established pursuant to this section shall be notice of the lien to all persons. Notice is effective as of the date of filing of the notice of lien.

(3) If the Medicaid payor has actual knowledge that the recipient is represented by an attorney, the Medicaid payor shall provide the attorney with a copy of the notice of lien. However, this provision of a copy of the notice of lien to the recipient's attorney does not abrogate the attachment, perfection, and notice satisfaction requirements specified under subparagraphs (1) and (2).

(4) Only one claim of lien need be filed to provide notice and shall provide sufficient notice as to any additional or after-paid amount of medical assistance provided by the Medicaid payor for any specific covered injury or illness. The Medicaid payor may, in the Medicaid payor's discretion, file additional, amended, or substitute notices of lien at any time after the initial filing until the Medicaid payor has been repaid the full amount of medical assistance provided by Medicaid or otherwise has released the liable parties and recipient.

(5) A release or satisfaction of any cause of action, suit, claim, counterclaim, demand, judgment, settlement, or settlement agreement shall not be effective as against a lien created under this paragraph, unless the Medicaid payor joins in the release or satisfaction or executes a release of the lien. An acceptance of a release or satisfaction of any cause of action, suit, claim, counterclaim, demand, or judgment and any settlement of any of the foregoing in the absence of a release or satisfaction of a lien created under this paragraph shall prima facie constitute an impairment of the lien, and the Medicaid payor is entitled to recover damages on account of such impairment. In an action on account of impairment of a lien, the Medicaid payor may recover from the person accepting the release or satisfaction or the person making the settlement the full amount of medical assistance provided by the Medicaid payor.

(6) The lack of a properly filed claim of lien shall not affect the Medicaid payor's assignment or subrogation rights provided in this subsection nor affect the existence of the lien, but shall only affect the effective date of notice.

(7) The lien created by this paragraph is a first lien and superior to the liens and charges of any provider of a recipient's medical services. If the lien is recorded, the lien shall exist for a period of seven years after the date of recording. If the lien is not recorded, the lien shall exist for a period of seven years after the date of attachment. If recorded, the lien may be extended for one additional period of seven years by rerecording the claim of lien within the ninety-day period preceding the expiration of the lien.

9. Except as otherwise provided in this section, the Medicaid payor shall recover the full amount of all medical assistance provided by the Medicaid payor on behalf of the recipient to the full extent of third-party benefits. The Medicaid payor may collect recovered benefits directly from any of the following:

a. A third party.

b. The recipient.

c. The provider of a recipient's medical services if third-party benefits have been recovered by the provider. Notwithstanding any provision of this section to the contrary, a provider shall not be required to refund or pay to the Medicaid payor any amount in excess of the actual third-party benefits received by the provider from a third party for medical services provided to the recipient.

d. Any person who has received the third-party benefits.

10. a. A recipient and the recipient's agent shall cooperate in the Medicaid payor's recovery of the recipient's third-party benefits and in establishing paternity and support of a recipient child born out of wedlock. Such cooperation shall include but is not limited to all of the following:

(1) Appearing at an office designated by the Medicaid payor to provide relevant information or evidence.

(2) Appearing as a witness at a court proceeding or other legal or administrative proceeding.

(3) Providing information or attesting to lack of information under penalty of perjury.

(4) Paying to the Medicaid payor any third-party benefit received.

(5) Taking any additional steps to assist in establishing paternity or securing third-party benefits, or both.

b. Notwithstanding paragraph "a", the Medicaid payor has the discretion to waive, in writing, the requirement of cooperation for good cause shown and as required by federal law.

c. The department may deny or terminate eligibility for any recipient who refuses to cooperate as required under this subsection unless the department has waived cooperation as provided under this subsection.

11. On or before the thirtieth day following the initiation of a formal or informal recovery, other than by filing a lawsuit, a recipient's attorney shall provide written notice of the activity or action to the Medicaid payor.

12. A recipient is deemed to have authorized the Medicaid payor to obtain and release medical information and other records with respect to the recipient's medical services for the sole purpose of obtaining reimbursement for medical assistance provided by the Medicaid payor.

13. a. To enforce the Medicaid payor's rights under this section, the Medicaid payor may, as a matter of right, institute, intervene in, or join in any legal or administrative proceeding in the Medicaid payor's own name, and in any or a combination of any, of the following capacities:

(1) Individually.

(2) As a subrogee of the recipient.

(3) As an assignee of the recipient.

(4) As a lienholder of the collateral.

b. An action by the Medicaid payor to recover damages in an action in tort under this subsection, which action is derivative of the rights of the recipient, shall not constitute a waiver of sovereign immunity.

c. A Medicaid payor, other than the department, shall obtain the written consent of the department before the Medicaid payor files a derivative legal action on behalf of a recipient.

d. When a Medicaid payor brings a derivative legal action on behalf of a recipient, the Medicaid payor shall provide written notice no later than thirty days after filing the action to the recipient, the recipient's agent, and, if the Medicaid payor has actual knowledge that the recipient is represented by an attorney, to the attorney of the recipient, as applicable.

e. If the recipient or a recipient's agent brings an action against a third party, on or before the thirtieth day following the filing of the action, the recipient, the recipient's agent, or the attorney of the recipient or the recipient's agent, as applicable, shall provide written notice to the Medicaid payor of the action, including the name of the court in which the action is brought, the case number of the action, and a copy of the pleadings. The recipient, the recipient's agent, or the attorney of the recipient or the recipient's agent, as applicable, shall provide written notice of intent to dismiss the action at least twenty-one days before the voluntary dismissal of an action against a third party. Notice to the Medicaid payor shall be sent as specified by rule.

14. On or before the thirtieth day before the recipient finalizes a judgment, award, settlement, or any other recovery where the Medicaid payor has the right to recovery, the recipient, the recipient's agent, or the attorney of the recipient or recipient's agent, as applicable, shall give the Medicaid payor notice of the judgment, award, settlement, or recovery. The judgment, award, settlement, or recovery shall not be finalized unless such notice is provided and the Medicaid payor has had a reasonable opportunity to recover under the Medicaid payor's rights to subrogation, assignment, and lien. If the Medicaid payor is not given notice, the recipient, the recipient's agent, and the recipient's or recipient's agent's attorney are jointly and severally liable to reimburse the Medicaid payor for the recovery received to the extent of medical assistance paid by the Medicaid payor. The notice required under this subsection means written notice sent via certified mail to the address listed on

the department's internet site for a Medicaid payor's third-party liability contact. The notice requirement is only satisfied for the specific Medicaid payor upon receipt by the specific Medicaid payor's third-party liability contact of such written notice sent via certified mail.

15. *a.* Except as otherwise provided in this section, the entire amount of any settlement of the recipient's action or claim involving third-party benefits, with or without suit, is subject to the Medicaid payor's claim for reimbursement of the amount of medical assistance provided and any lien pursuant to the claim.

b. Insurance and other third-party benefits shall not contain any term or provision which purports to limit or exclude payment or the provision of benefits for an individual if the individual is eligible for, or a recipient of, medical assistance, and any such term or provision shall be void as against public policy.

16. In an action in tort against a third party in which the recipient is a party and which results in a judgment, award, or settlement from a third party, the amount recovered shall be distributed as follows:

a. After deduction of reasonable attorney fees, reasonably necessary legal expenses, and filing fees, there is a rebuttable presumption that all Medicaid payors shall collectively receive two-thirds of the remaining amount recovered or the total amount of medical assistance provided by the Medicaid payors, whichever is less. A party may rebut this presumption in accordance with subsection 17.

b. The remaining recovered amount shall be paid to the recipient.

c. If the recovered amount available for the repayment of medical assistance is insufficient to satisfy the competing claims of the Medicaid payors, each Medicaid payor shall be entitled to the Medicaid payor's respective pro rata share of the recovered amount that is available.

17. *a.* A recipient or a recipient's agent who has notice or who has actual knowledge of the Medicaid payor's rights to third-party benefits under this section and who receives any third-party benefit or proceeds for a covered injury or illness shall on or before the sixtieth day after receipt of the proceeds pay the Medicaid payor the full amount of the third-party benefits, but not more than the total medical assistance provided by the Medicaid payor, or shall place the full amount of the third-party benefits in an interest-bearing trust account for the benefit of the Medicaid payor pending a determination of the Medicaid payor's rights to the benefits under this subsection.

b. If federal law limits the Medicaid payor to reimbursement from the recovered damages for medical expenses, a recipient may contest the amount designated as recovered damages for medical expenses payable to the Medicaid payor pursuant to the formula specified in subsection 16. In order to successfully rebut the formula specified in subsection 16, the recipient shall prove, by clear and convincing evidence, that the portion of the total recovery which should be allocated as medical expenses, including future medical expenses, is less than the amount calculated by the Medicaid payor pursuant to the formula specified in subsection 16. Alternatively, to successfully rebut the formula specified in subsection 16, the recipient shall prove, by clear and convincing evidence, that Medicaid provided a lesser amount of medical assistance than that asserted by the Medicaid payor. A settlement agreement that designates the amount of recovered damages for medical expenses is not clear and convincing evidence and is not sufficient to establish the recipient's burden of proof, unless the Medicaid payor is a party to the settlement agreement.

c. If the recipient or the recipient's agent filed a legal action to recover against the third party, the court in which such action was filed shall resolve any dispute concerning the amount owed to the Medicaid payor, and shall retain jurisdiction of the case to resolve the amount of the lien after the dismissal of the action.

d. If the recipient or the recipient's agent did not file a legal action, to resolve any dispute concerning the amount owed to the Medicaid payor, the recipient or the recipient's agent shall file a petition for declaratory judgment as permitted under rule of civil procedure 1.1101 on or before the one hundred twenty-first day after the date of payment of funds to the Medicaid payor or the date of placing the full amount of the third-party benefits in a trust account. Venue for all declaratory actions under this subsection shall lie in Polk county.

e. If a Medicaid payor and the recipient or the recipient's agent disagree as to whether a medical claim is related to a covered injury or illness, the Medicaid payor and the recipient or

the recipient's agent shall attempt to work cooperatively to resolve the disagreement before seeking resolution by the court.

f. Each party shall pay the party's own attorney fees and costs for any legal action conducted under this subsection.

18. Notwithstanding any other provision of law to the contrary, when medical assistance is provided for a minor, any statute of limitation or repose applicable to an action or claim of a legally responsible relative for the minor's medical expenses is extended in favor of the legally responsible relative so that the legally responsible relative shall have one year from and after the attainment of the minor's majority within which to file a complaint, make a claim, or commence an action.

19. In recovering any payments in accordance with this section, the Medicaid payor may make appropriate settlements.

20. If a recipient or a recipient's agent submits via notice a request that the Medicaid payor provide an itemization of medical assistance paid for any covered injury or illness, the Medicaid payor shall provide the itemization on or before the sixty-fifth day following the day on which the Medicaid payor received the request. Failure to provide the itemization within the specified time shall not bar a Medicaid payor's recovery, unless the itemization response is delinquent for more than one hundred twenty days without justifiable cause. A Medicaid payor shall not be under any obligation to provide a final itemization until a reasonable period of time after the processing of payment in relation to the recipient's receipt of final medical services. A Medicaid payor shall not be under any obligation to respond to more than one itemization request in any one-hundred-twenty-day period. The notice required under this subsection means written notice sent via certified mail to the address listed on the department's internet site for a Medicaid payor's third-party liability contact. The notice requirement is only satisfied for the specific Medicaid payor upon receipt by the specific Medicaid payor's third-party liability contact of such written notice sent via certified mail.

21. The department may adopt rules to administer this section and applicable federal requirements.

DIVISION II

Sec. 3. NEW SECTION. 249A.13 Medicaid managed care organization premiums fund.

1. A Medicaid managed care organization premiums fund is created in the state treasury under the authority of the department of health and human services. Moneys collected by the director of the department of revenue as taxes on premiums pursuant to section 432.1A shall be deposited in the fund.

2. Moneys in the fund are appropriated to the department of health and human services for the purposes of the medical assistance program.

3. Notwithstanding section 8.33, moneys in the fund that remain unencumbered or unobligated at the close of a fiscal year shall not revert but shall remain available for expenditure for the purposes designated. Notwithstanding section 12C.7, subsection 2, interest or earnings on moneys in the fund shall be credited to the fund.

Sec. 4. NEW SECTION. 432.1A Health maintenance organization — medical assistance program — premium tax.

1. Pursuant to section 514B.31, subsection 3, a health maintenance organization contracting with the department of health and human services to administer the medical assistance program under chapter 249A, shall pay as taxes to the director of the department of revenue for deposit in the Medicaid managed care organization premiums fund created in section 249A.13, an amount equal to two and one-half percent of the premiums received and taxable under subsection 514B.31, subsection 3.

2. Except as provided in subsection 3, the premium tax shall be paid on or before March 1 of the year following the calendar year for which the tax is due. The commissioner of insurance may suspend or revoke the license of a health maintenance organization subject to the premium tax in subsection 1 that fails to pay the premium tax on or before the due date.

3. *a.* Each health maintenance organization transacting business in this state that is subject to the tax in subsection 1 shall remit on or before June 1, on a prepayment basis, an amount equal to one-half of the health maintenance organization's premium tax liability for the preceding calendar year.

b. In addition to the prepayment amount in paragraph "a", each health maintenance organization subject to the tax in subsection 1 shall remit on or before August 15, on a prepayment basis, an additional one-half of the health maintenance organization's premium tax liability for the preceding calendar year.

c. The sums prepaid by a health maintenance organization under paragraphs "a" and "b" shall be allowed as credits against the health maintenance organization's premium tax liability for the calendar year during which the payments are made. If a prepayment made under this subsection exceeds the health maintenance organization's annual premium tax liability, the excess shall be allowed as a credit against the health maintenance organization's subsequent prepayment or tax liabilities under this section. The commissioner of insurance shall authorize the department of revenue to make a cash refund to a health maintenance organization, in lieu of a credit against subsequent prepayment or tax liabilities under this section, if the health maintenance organization demonstrates the inability to recoup the funds paid via a credit. The commissioner of insurance shall adopt rules establishing a health maintenance organization's eligibility for a cash refund, and the process for the department of revenue to make a cash refund to an eligible health maintenance organization from the Medicaid managed care organization premiums fund created in section 249A.13. The commissioner of insurance may suspend or revoke the license of a health maintenance organization that fails to make a prepayment on or before the due date under this subsection.

d. Sections 432.10 and 432.14 are applicable to premium taxes due under this section.

a. The escrow account shall be sufficiently funded by the applicant prior to the issuance of the nursing facility license under this section.

1. Beginning July 1, 2023, and ending no later than June 30, 2026, the department shall impose for an initial period of twelve months a temporary moratorium on submission of applications for new construction of a nursing facility or a permanent change in bed capacity of a nursing facility that increases the bed capacity of the nursing facility. The department, in consultation with the department of health and human services, may extend the moratorium in six-month increments following the conclusion of the initial twelve-month period, but for no longer than a total of thirty-six months.

2. The department, in consultation with the department of health and human services, may waive the moratorium as specified in this section if any of the following applies:

a. The departments jointly determine there is a specialized need for the nursing facility beds requested.

b. CHAPTER 1

TERMINATIONS OF PREGNANCY — FETAL HEARTBEAT

H.F. 732

AN ACT prohibiting and requiring certain actions relating to abortion involving the detection of a fetal heartbeat, and including effective date provisions.

Be It Enacted by the General Assembly of the State of Iowa:

Section 1. NEW SECTION. **146E.1 Definitions.**

As used in this chapter, unless the context otherwise requires:

1. “*Abortion*” means the termination of a human pregnancy with the intent other than to produce a live birth or to remove a dead fetus.
2. “*Fetal heartbeat*” means cardiac activity, the steady and repetitive rhythmic contraction of the fetal heart within the gestational sac.
3. “*Fetal heartbeat exception*” means any of the following:
 - a. The pregnancy is the result of a rape which is reported within forty-five days of the incident to a law enforcement agency or to a public or private health agency which may include a family physician.
 - b. The pregnancy is the result of incest which is reported within one hundred forty days of the incident to a law enforcement agency or to a public or private health agency which may include a family physician.
 - c. Any spontaneous abortion, commonly known as a miscarriage, if not all of the products of conception are expelled.
 - d. The attending physician certifies that the fetus has a fetal abnormality that in the physician’s reasonable medical judgment is incompatible with life.
4. “*Medical emergency*” means the same as defined in section 146A.1.
5. “*Physician*” means a person licensed under chapter 148.
6. “*Reasonable medical judgment*” means a medical judgment made by a reasonably prudent physician who is knowledgeable about the case and the treatment possibilities with respect to the medical conditions involved.
7. “*Unborn child*” means the same as defined in section 146A.1.

Sec. 2. NEW SECTION. **146E.2 Abortion prohibited — detectable fetal heartbeat.**

1. Except in the case of a medical emergency or fetal heartbeat exception, a physician shall not perform an abortion unless the physician has first complied with the prerequisites of chapter 146A and has tested the pregnant woman as specified in this subsection, to determine if a fetal heartbeat is detectable.

a. In testing for a detectable fetal heartbeat, the physician shall perform an abdominal ultrasound, necessary to detect a fetal heartbeat according to standard medical practice and including the use of medical devices, as determined by standard medical practice and specified by rule of the board of medicine.

b. Following the testing of the pregnant woman for a detectable fetal heartbeat, the physician shall inform the pregnant woman, in writing, of all of the following:

- (1) Whether a fetal heartbeat was detected.
- (2) That if a fetal heartbeat was detected, an abortion is prohibited.

c. Upon receipt of the written information, the pregnant woman shall sign a form acknowledging that the pregnant woman has received the information as required under this subsection.

2. a. A physician shall not perform an abortion upon a pregnant woman when it has been determined that the unborn child has a detectable fetal heartbeat, unless, in the physician's reasonable medical judgment, a medical emergency or fetal heartbeat exception exists.

b. Notwithstanding paragraph "a", if a physician determines that the probable postfertilization age, as defined in section 146B.1, of the unborn child is twenty or more weeks, the physician shall not perform an abortion upon a pregnant woman when it has been determined that the unborn child has a detectable fetal heartbeat, unless in the physician's reasonable medical judgment the pregnant woman has a condition which the physician deems a medical emergency, as defined in section 146B.1, or the abortion is necessary to preserve the life of an unborn child.

3. A physician shall retain in the woman's medical record all of the following:

a. Documentation of the testing for a fetal heartbeat as specified in subsection 1 and the results of the fetal heartbeat test.

b. The pregnant woman's signed form acknowledging that the pregnant woman received the information as required under subsection 1.

4. This section shall not be construed to impose civil or criminal liability on a woman upon whom an abortion is performed in violation of this section.

5. The board of medicine shall adopt rules pursuant to chapter 17A to administer this section.

Sec. 3. EFFECTIVE DATE. This Act, being deemed of immediate importance, takes effect upon enactment.

Approved July 14, 2023
