In conducting our audits, we became aware of an aspect concerning the Department's operations for which we believe corrective action is necessary. As a result, we have developed a recommendation which is reported on the following page. We believe you should be aware of this recommendation, which pertains to the Department's statutory requirements and other matters. Findings Reported in the State’s Single Audit Report:

No matters were noted.

Findings Reported in the State’s Report on Internal Control:

No matters were noted.

Other Findings Related to Internal Control:

No matters were noted.

Finding Related to Statutory Requirements and Other Matters:

- (1) Targeted Small Businesses – Chapter 73.16 of the Code of Iowa requires the Director of each state agency or department of state government (state agency) having purchasing authority, in cooperation with the Targeted Small Business (TSB) Marketing and Compliance Manager of the Iowa Economic Development Authority (IEDA), to establish a procurement goal for certified targeted small businesses each fiscal year. The procurement goal shall include the procurement of goods and services, including construction, but excluding utility services. The goal shall be stated in terms of a dollar amount and at a level exceeding the procurement levels from certified targeted small businesses during the previous fiscal year.

Departments with an established TSB procurement goal are required to report the dollar amount of purchases from certified targeted small businesses to the TSB Marketing and Compliance Manager of the IEDA within 15 business days following the end of each calendar quarter.

The Department did not provide one of the four required quarterly reports to the TSB Marketing and Compliance Manager of the IEDA within 15 business days as required.

Recommendation – The Department should ensure quarterly reports are submitted to the TSB Marketing and Compliance Manager of the IEDA within 15 business days, as required.

Response – As a result of the State of Iowa’s alignment efforts, the Department doubled in size on July 1, 2024. The Administrative Assistant tasked with completing and submitting the TSB report was temporarily assigned multiple other duties related to the addition of nearly 500 FTE’s and preparation efforts for the Department’s consolidation and physical move to a new building. The Department hired a full-time purchasing position in the third quarter of fiscal year 2024 and has since tasked the TSB completion and submission to this role. The Department will strive to ensure the report is submitted in a timely manner going forward.

Conclusion – Response accepted.
