NEWS RELEASE

Contact: Brian Brustkern
515/281-5834

FOR RELEASE

February 2, 2024

Auditor of State Rob Sand today released an audit report on the Iowa Centennial Memorial Foundation for the year ended May 31, 2023.

The Iowa Centennial Memorial Foundation was incorporated January 5, 1949 and was established as a result of an Executive Order transferring the assets of the Iowa Centennial Committee to the Foundation. A fund was established to recognize and encourage outstanding ability and leadership as a permanent observance of the Centennial.

For the year ended May 31, 2023, the Foundation reported additions of \$11,539 from investment income, a 93.1% increase over the prior year. The increase in investment income was due to higher interest rates on certificates of deposit and other investments.

Deductions for the year totaled \$1,307, a 54.0% increase over the prior year. The increase in deductions was due to an increase in website hosting rates from fiscal year 2022 to fiscal year 2023.

AUDIT FINDINGS:

Consistent with the prior year, Sand reported no findings pertaining to the Iowa Centennial Memorial Foundation.

A copy of the audit report is available for review on the Auditor of State's website at [Audit Reports – Auditor of State](#).

Officials of the Iowa Centennial Memorial Foundation
Des Moines, Iowa

Dear Officials:

I am pleased to submit to you the financial and compliance audit report for the Iowa Centennial Memorial Foundation for the fiscal year ended May 31, 2023. The audit was performed pursuant to the Foundation's Articles of Incorporation and in accordance with U.S. auditing standards and the standards applicable to financial audits contained in Government Auditing Standards.

I appreciate the cooperation and courtesy extended by the officials and employees of the Iowa Centennial Memorial Foundation throughout the audit. If I or this office can be of any further assistance, please contact me or my staff at 515-281-5834.

Sincerely,

A handwritten signature in black ink, appearing to read "Rob Sand".

Independent Auditor's Report

To the Members of the Iowa Centennial Memorial Foundation:

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of the Iowa Centennial Memorial Foundation as of and for the year ended May 31, 2023, and the related Notes to Financial Statements, which collectively comprise the Foundation's basic financial statements listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the fiduciary net position of the Iowa Centennial Memorial Foundation as of May 31, 2023, and the changes in its financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report. We are required to be independent of the Iowa Centennial Memorial Foundation, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Iowa Centennial Memorial Foundation's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and Government Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Iowa Centennial Memorial Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Iowa Centennial Memorial Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Management has omitted Management's Discussion and Analysis which accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such omitted information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. Our opinion on the basic financial statements is not affected by this omitted information.

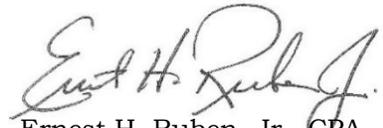

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Iowa Centennial Memorial Foundation's basic financial statements. We previously audited, in accordance with the standards referred to in the third paragraph of this report, the financial statements for the nine years ended May 31, 2022 (which are not presented herein) and expressed unmodified opinions on those financial statements. The supplementary information included in Schedules 1 and 2 is presented for purposes of additional analysis and is not a required part of the basic financial statements.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the supplementary information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated December 14, 2023 on our consideration of the Iowa Centennial Memorial Foundation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, the articles of incorporation and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the effectiveness of the Iowa Centennial Memorial Foundation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Iowa Centennial Memorial Foundation's internal control over financial reporting and compliance.

Ernest H. Ruben, Jr., CPA
Chief Deputy Auditor of State

Notes to Financial Statements

May 31, 2023

(1) Summary of Significant Accounting Policies

The Iowa Centennial Memorial Foundation, a part of the State of Iowa, was incorporated January 5, 1949. It was established as a result of an Executive Order transferring the assets of the Iowa Centennial Committee to the Foundation. The funds were originally accumulated by selling an Iowa Centennial fifty cent silver coin for \$2.50 to \$3.00 each. The intention was to use the funds for the observance of the Centennial. However, the coins were received too late to fulfill the original intention. Therefore, a fund was established to recognize and encourage outstanding ability and potential leadership, as well as to encourage and recognize outstanding service of Iowa citizens, as a permanent observance of the Centennial. This is to be accomplished by the use of scholarships, awards and medals and by providing for historical exhibits.

It is the duty of the Governor to serve as president of the Iowa Centennial Memorial Foundation; it is the duty of the Treasurer of State to serve as treasurer of the Iowa Centennial Memorial Foundation; it is the duty of the Attorney General to serve as legal counsel of the Iowa Centennial Memorial Foundation; and it is the duty of the president of the State Board of Education to serve as secretary of the Iowa Centennial Memorial Foundation. In addition to the above, four citizens of the state who do not hold elective or full-time appointive positions shall administer the Foundation. All former Governors of the state residing or maintaining their legal residence within the state are non-voting honorary members of the Foundation.

Two bound volumes of the history of the Iowa Centennial coin have been prepared. One copy of the history is at the University Library at the State University of Iowa, Iowa City, and the other is in the Archives in the Iowa State Historical Building.

A detailed report of the coins is in the vault of the Treasurer of State, stored with the 872 unsold Centennial coins.

The financial statements of the Foundation have been prepared in conformity with U.S. generally accepted accounting principles as prescribed by the Governmental Accounting Standards Board. The more significant of the Foundation's accounting policies are described below.

A. Reporting Entity

The financial statements include all funds of the Foundation.

B. Measurement Focus, Basis of Accounting and Financial Statement Presentation

The Foundation is accounted for using the economic resources measurement focus and the accrual basis of accounting. Additions are recorded when earned and deductions are recorded when a liability is incurred, regardless of the timing of related cash flows.

The Foundation is a fiduciary fund and is classified as a private purpose trust for financial statement purposes. A private purpose trust is used to report a trust arrangement under which income benefits individuals, private organizations or other governments. The Foundation is used to account for resources which may be expended only to recognize and encourage outstanding ability and potential leadership, as well as to encourage and recognize outstanding service of Iowa citizens, as a permanent observance of the Centennial. This is to be accomplished by the use of scholarships, awards and medals and by providing for historical exhibits.

C. Centennial Memorial Coins

The inventory of Centennial Memorial coins is valued at cost, which is fifty cents each, and represents a total of 872 coins. Three hundred fifty coins are currently for sale in commemoration of Iowa Statehood. Five hundred are to be sold in 2046 to pay expenses of celebrating the 200th anniversary of Statehood. Twenty-two are reserved for the use of the Iowa Centennial Memorial Foundation for gifts, awards, etc.

(2) Cash and Investments

The Iowa Centennial Memorial Foundation's deposits at May 31, 2023 were entirely covered by federal depository insurance or by the State Sinking Fund in accordance with Chapter 12C of the Code of Iowa. This Chapter provides for additional assessments against the depositories to insure there will be no loss of public funds.

Investments are reported at fair value in accordance with GASB Statement No. 72, Fair Value Measurement and Application. Changes in unrealized gain or loss on the carrying value of the investments are reported as a component of investment income in the Statement of Changes in Fiduciary Net Position.

At May 31, 2023, the Foundation had certificates of deposit and US Treasury Bills totaling \$601,279.

Interest rate risk – The Foundation's investment policy limits the investment of operating funds (funds expected to be expended in the current budget year or within 15 months of receipt) to instruments that mature within 397 days. Funds not identified as operating funds may be invested in investments with maturities longer than 397 days, but the maturities shall be consistent with the needs and use of the Foundation.

Concentration of credit risk – The Foundation places no limit on the amount which may be invested in any one issuer. More than 5.0% of the Foundation's investments are in U.S. Treasury investments.

(3) Net Position

Article V of the Foundation's Articles of Incorporation states:

This Corporation shall allocate no more than fifty percent of its annual income to unrestricted (expendable) fund balance (net position) until such time as the assets held by this Corporation have been increased to the value of \$500,000 and it shall allocate no more than seventy-five percent of its annual income to unrestricted (expendable) fund balance (net position) until the Corporation shall have increased its assets to the value of \$1,000,000 or more. The restrictions contained herein shall not apply when the asset value exceeds \$1,000,000. The unrestricted (expendable) fund balance (net position) may be used to carry out any and all objects and purposes of the Corporation.

For purposes of allocating its annual income between restricted (nonexpendable) and unrestricted (expendable) fund balance (net position), the Foundation Board has defined annual income earned to exclude market value changes for securities intended to be held until maturity.

At June 30, 2022, the Foundation had the following investments in U.S. Treasury Bills:

Fair Value	Maturity	Credit Risk
\$ 54,503	August 3, 2023	Not Rated
78,730	September 21, 2023	Not Rated
58,111	January 25, 2024	Not Rated
<u>\$ 191,344</u>		

The Foundation uses the fair value hierarchy established by generally accepted accounting principles based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets. Level 2 inputs are significant other observable inputs. Level 3 inputs are significant unobservable inputs.

The recurring fair value measurements for the Foundations securities was determined using the last reported sales price at current exchange rates. (Level 1 inputs)

The changes in net position are as follows:

	Restricted	
	Nonexpendable	Expendable
Balance June 1, 2022	\$ 767,472	26,291
25% of annual income earned in the year ended May 31, 2023	2,939	-
Balance of annual income	-	8,600
Other expenses	-	(1,307)
Balance May 31, 2023	<u>\$ 770,411</u>	<u>33,584</u>

Independent Auditor's Report on Internal Control
over Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed in Accordance with
Government Auditing Standards

To the Members of the Iowa Centennial Memorial Foundation:

We have audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, the financial statements of the Iowa Centennial Memorial Foundation as of and for the year ended May 31, 2023, and the related Notes to Financial Statements, which collectively comprise the Foundation's basic financial statements, and have issued our report thereon dated December 14, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Iowa Centennial Memorial Foundation's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Iowa Centennial Memorial Foundation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Iowa Centennial Memorial Foundation's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility a material misstatement of the Foundation's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control which is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting we consider to be material weaknesses. However, material weaknesses may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Iowa Centennial Memorial Foundation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations and the articles of incorporation, non-compliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance or other matters which are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing and not to provide an opinion on the effectiveness of the Foundation's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Foundation's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

We would like to acknowledge the many courtesies and assistance extended to us by personnel of the Iowa Centennial Memorial Foundation during the course of our audit. Should you have any questions concerning any of the above matters, we shall be pleased to discuss them with you at your convenience.
