Auditor of State's Independent Report on Compliance
for the U.S. Department of Treasury Coronavirus State and Local Fiscal
Recovery Funds Program (CSLFRF) Requirements for an Alternative CSLFRF
Compliance Examination Engagement

To the Officials of Jones County:

We have examined Jones County's compliance with the compliance requirements "activities allowed or unallowed" and "allowable cost/cost principles" (the specified requirements) as described in Part IV "Requirements for an Alternative Compliance Examination Engagement for Recipients that Would Otherwise Be Required to Undergo a Single Audit or Program-Specific Audit as a Result of Receiving Coronavirus State and Local Fiscal Recovery Funds" of the CSLFRF section of the 2024 OMB *Compliance Supplement* (referred to herein as "Requirements for an Alternative CSLFRF Compliance Examination Engagement") during the year ended June 30, 2024. Management of Jones County is responsible for Jones County's compliance with the specified requirements. Our responsibility is to express an opinion on Jones County's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants, the standards applicable to attestation engagements contained in Government Auditing Standards, issued by the Comptroller General of the United States and in the "Requirements for an Alternative CSLFRF Compliance Examination Engagement". Those standards and requirements require that we plan and perform the examination to obtain reasonable assurance about whether Jones County complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether Jones County complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgement, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

Our examination does not provide a legal determination on Jones County's compliance with specified requirements.

In our opinion, Jones County complied, in all material respects, with the specified requirements referenced above during the year ended June 30, 2024.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we are required to report all deficiencies which are considered to be significant deficiencies or material weaknesses in internal control, fraud, and noncompliance with provisions of laws, regulations, contracts or grant agreements that have a material effect on Jones County's compliance with the specified requirements and any other instances that warrant the attention of those charged with governance. We are also required to obtain and report the views of responsible officials concerning the findings, conclusions, and recommendations, as well as any planned corrective actions. We performed our examination to express an opinion on Jones County's compliance with the specified requirements and not for the purpose of expressing an opinion on the internal control over the specified requirements or on compliance and other matters; accordingly, we express no such opinions. The results of our tests disclosed no matters that are required to be reported under Government Auditing Standards.

Intended Purpose

The purpose of this examination report is solely to express an opinion on whether Jones County complied, in all material respects with the specified requirements referenced above during the year ended June 30, 2024. Accordingly, this report is not suitable for any other purpose.

We would like to acknowledge the many courtesies and assistance extended to us by personnel of Jones County during the course of our examination engagement. Should you have any questions concerning any of the above matters, we shall be pleased to discuss them with you at your convenience.
