2025 Prizes

Grand Prize Drawing

Every check-in counts as an automatic entry into a giveaway for a **three-night stay at a four-bedroom cabin at Springbrook State Park near Guthrie Center**. There is no limit to the number of entries!

Redeem Points for Prizes

Earn and "bank" points that can be redeemed for various prizes. Each park has a different point value (either 100, 200 or 300 points), with remote parks earning higher points. Once points are redeemed, your passholder points reset to zero. So cash-in early, or bank points for higher level prizes:

500 points – any passholder redeeming at this level gets **\$5 off an overnight camping stay**.

1,000 points – first 500 passholders to redeem at this level get a **beautiful state park sticker created by Iowa artist Naomi Friend**. Choose from 20 different designs!

2,500 points – first 300 passholders to redeem at this level get a **free Iowa state park t-shirt!** This year's design features the iconic tower at Pilot Knob State Park, which celebrated its 100th anniversary this past year.

T-shirts and sticker prizes sponsored by Travel Iowa.

Find the "Hidden Gem" in each park!

Each park and forest on the passport includes a description of a "Hidden Gem" feature, such as a historical marker, scenic overlook, special trail and more, specially picked by park staff.
