

January is National Mentoring Month

Welcome to National Mentoring Month! Iowa MENTOR is celebrating this annual campaign aimed at expanding quality mentoring opportunities to connect more of our community's young people with caring adults.

Research shows that mentors play a powerful role in providing young people with the tools to make positive choices, attend and engage in school, and reduce or avoid negative behaviors. In turn, these young people are:

- 55% more likely to be enrolled in college.
- 81% more likely to report participating regularly in sports or extracurricular activities.
- 78% more likely to volunteer regularly in their communities.
- More than twice as likely to say they held a leadership position in a club or sports team.

Yet, the same research shows that one in three young people in our country will grow up without a mentor.

National Mentoring Month is the time of year where engagement from community members interested in becoming a mentor is highest. This year, with the support of the mentoring community, we are encouraging the public to go beyond just digital engagement and become involved in real life. Mentoring relationships are at their best when connections are made between a caring adult and a young person who knows that someone is there to help guide them through life choices.

To become a mentor, go to mentoring.org and take the first step via the Mentoring Connector. To learn more about the role mentoring plays in our community, visit the [Iowa MENTOR](https://iowamentor.org) website.

Iowa Volunteer Hall of Fame Nominations Open

Nominations for the 2024 Iowa Volunteer Hall of Fame Awards are now being accepted! Nominations must be submitted online or postmarked by January 20, 2024;

honorees will be recognized during a special ceremony at the Capitol in April. Details and nomination materials can be found on the [Volunteer Iowa website](#).

Induction into the Iowa Volunteer Hall of Fame is the highest state-level honor volunteers can receive; the people selected have changed the community, the state, the nation, or the world through the gifts of their time and talent. Inductees are recognized both during a special ceremony held in the State Capitol Building and by having their names engraved on the Volunteer Hall of Fame plaque on permanent display in the State Historical Museum. Since the award's inception in 1989, over 175 Iowans have been honored.

Any Iowa individual, national service member (current or alum), family, group, organization, nonprofit, business, or corporation, who has made a long-lasting positive and meaningful difference in the lives of people through their volunteer service activities, may be nominated for the [Iowa Volunteer Hall of Fame](#).

Anyone with questions or needing assistance with the nomination form can contact [Rebecca Gernes](#).

Volunteer Iowa Day at the Capitol

Volunteer Iowa and Iowa MENTOR host Volunteer Iowa Day at the Capitol each year to share with legislators the latest information on the tremendous contributions volunteers and mentors make and their impact in Iowa's communities. It is also an opportunity to educate lawmakers about the impacts their policy decisions have on Volunteer Iowa programs and services. This year, Volunteer Iowa Day at the Capitol will be on Thursday, February 1.

Staff members and participants from Volunteer Iowa programs including AmeriCorps, AmeriCorps Seniors, RSVP, Volunteer Centers and Mentoring Programs, will share with lawmakers the impact their programs have across the state and will inform them about the tremendous program support and resources provided to them by Volunteer Iowa and Iowa MENTOR. Commissioners and programs of Volunteer Iowa are invited to take part in this annual event to help us:

- Highlight the importance of service and volunteering in Iowa
- Build legislators' awareness of policy issues important for expanding our sector
- Provide a venue for volunteer and national service programs to connect with their local legislators

TRAINING WEBINAR: The training webinar will prepare attendees with information about the day and Volunteer Iowa's current policy priorities. [Join the training webinar](#) at 11:00am on January 17. A recording will be made available after the webinar.

The Volunteer Iowa staff create a handbook each year that can help attendees navigate through the process to prep for the day, reach out to legislators, and help with social media the day of the event. For more information, contact info@volunteeriowa.org or 800.308.5987. [Register today to join us](#) for Volunteer Iowa Day at the Capitol!

MLK Day of Service

The Martin Luther King, Jr., National Day of Service is a defining moment each year when Americans across the country step up to make communities more equitable and take action to create the Beloved Community of Dr. King's dream. MLK Day is the only federal holiday designated as a National Day of Service to encourage all Americans to volunteer to improve their communities.

Together, we can strengthen ties to our communities and one other while we address critical issues that divide us. Visit the [AmeriCorps MLK Day website](#) for more information.

Iowa MENTOR's Director Mary Sheka Retires

Volunteer Iowa and Iowa MENTOR would like to celebrate Mary Sheka as she retired from her role as Director of Iowa MENTOR (formerly known as

the Iowa Mentoring Partnership) on January 4. Mary served in this role with Volunteer Iowa for ten years. With Mary at the helm, Iowa MENTOR expanded the number of mentoring programs in the state to 42 today, serving 65 counties across Iowa.

Throughout her career, Mary has worked with and advocated for young people. She's served in the fields of K-12 education, mentoring and counseling. Mary's vivacious personality, bright smile, and leadership skills will be missed by all of the Volunteer Iowa staff and commissioners. We wish her the best as she plans to spend her retirement traveling across the country (and volunteering, of

course).

Funding Opportunity for Cities

Applications are now open for three "Training + Implementation Funding" programs to empower change through volunteer engagement, culminating in a 9/11 Day of Service. Ten cities or municipalities will be selected for this opportunity. At the heart of this initiative lies the belief that volunteering is a cornerstone of strong, vibrant communities. When cities harness the power of volunteers effectively, they can achieve extraordinary results.

- [City Volunteer Engagement Initiative](#): Specially tailored for cities and municipalities, this cohort-based program provides training and \$4,000 to support city staff to develop, implement, and enhance volunteer engagement strategies that align with their unique needs and objectives. **Application deadline extended to January 22, 2024.**

Each program includes comprehensive training and capacity building, implementation funding, and individualized coaching. Participants will implement what they learn and host a 9/11 Day of Service in their community. Applications are now open. Contact info@volunteeriowa.org with any questions.
