# FINANCE AND MUNICIPAL ACCOUNTING

## REPORT OF THE DEPARTMENT.

In submitting the Fourteenth annual report of the Department of Finance and Municipal Accounting pride is taken in the fact that the tables of financial transactions and statistics set forth herein represent to a greater degree than has heretofore been shown, the business of the cities and towns of the state.

Of the 891 cities and incorporated towns in the state, all of the cities have this year submitted reports of their transactions and all but 51 of the smaller towns have filed their annual statements with the Auditor of State.

These reports and statements are tabulated in the following tables, showing in detail and by departments and divisions the financial condition of the various municipal corporations.

## EXTENDING EXAMINING AUTHORITY.

In the last annual report of the Municipal Accounting Department, attention was called to the fact that the League of Iowa Municipalities had, by resolution, declared in favor of amending the law so that the Auditor of State will have authority to make examinations and audits of all the cities and towns of the state.

It is the belief of this department that the recommendation is strictly in line with the promotion of good municipal government, but is is recognized that the expense of the annual or biennial examination would work considerable of a hardship on many of the smaller municipalities and, until the legislature can see its way clear to provide for the financial care of examinations of these small towns, the extension of the power of the Auditor, as far as they are concerned, may not seem advisable. It is believed, however, that the law can, with good effect be so amended that all of the cities of the state must come under its operation.

## COMMISSION-MANAGER CITIES.

A notable accession to the roll of City Manager cities of the state, during the past year, has been brought about by the adoption of this plan of government by the city of Dubuque, heretofore

operated as a special charter city. There has been no addition to the list of cities under the commission form of government.

The municipalities now being operated by City Managers are: Dubuque, Webster City, Clarinda, Newton, Estherville, Mount Pleasant, Iowa Falls, Anamosa, Manchester, New Hampton and Villisca.

The commission governed cities are: Des Moines, Sioux City, Cedar Rapids, Burlington, Ottumwa, Fort Dodge, Marshalltown, Mason City and Keokuk.

## RECEIPTS AND PAYMENTS.

The 840 cities and towns listed and carried forward in the tables included in this report, show total receipts for the year, from all sources, amounting to $25,432,663, and expenses amounting to $24,843,295. The total cash on hand in the treasuries of these cities and towns at the beginning of the year was $5,396,049, and the cash on hand at the close of the year was $5,985,417, a net gain of cash on hand for the year, amounting to $589,368. The detailed transactions of each city and town, showing receipts and expenditures by funds, departments and related divisions of municipal government, are shown in the tables hereto appended, there being 18 tables devoted to transactions of the cities and four to the towns.

## CITY AND TOWN OFFICIALS.

There will also be found in the report a complete list of the principal officers of the cities and towns, Mayor, Clerk and Treasurer, with the date of time of expiration of their term of office in each instance.

## LEAGUE OF IOWA MUNICIPALITIES.

In conformity with the law adopted by the 35th General Assembly the annual financial report of the Secretary-Treasurer of the Iowa League of Municipalities is made a part of this report. This statement includes a list of the cities and towns of the state holding membership in the league.
