FINANCIAL AND MUNICIPAL ACCOUNTING

REPORT OF THE DEPARTMENT

The financial transactions of cities and towns of Iowa for the municipal year, March 31, 1932, to April 1, 1933, are covered by this report.

Included in the statistical tables are returns complete from each of the 110 cities and from 798 of the incorporated towns of the state. The cities and towns of the state have cooperated in every way with this department throughout the fiscal year. Annual statements were received from all cities and all towns with the exception of Bouton, Center Junction, Elkhart, Hinton, Lake Park, and Osterdock.

EXAMINATION

The law provides that the Auditor of State shall, at least once every two years, audit and report upon the financial conditions and transactions of all cities having a population of two thousand or more, under Section 113 of the Code of 1931, and may examine other cities and towns, upon request by the proper officials, or upon receipt of a petition signed by twenty-five or more taxpayers residing within the city or town. School districts may also procure an examination and audit on their accounts and affairs upon request by the proper officials or by a petition signed by twenty-five or more taxpayers residing within the district. See Section 124, Code of 1931.

The League of Iowa Municipalities has gone on record several times as favoring the extension of the examination law to embrace all cities and towns.

The 1930 Federal Census is incorporated in this report.

COMMENTS

All duplicate receipt stubs representing dues paid by cities and towns were checked and found properly accounted for to the Treasurer of the League. This verification of receipts included the payments to the Legislative Fund, the expense of which is in the form of reports to the various municipalities on proposed legislative acts governing cities and towns.

No detail schedule of receipts and disbursements is attached for the reason that such information is furnished you by Secretary Pierce.

Expenditures were checked and verified by comparing cancelled vouchers and the register of checks issued. These were found to be as represented.

The cash balance of \$42.09 in the General League fund was found to be in accord with the records of the Fidelity Savings Bank of Marshalltown, Iowa. Bank certificate is hereto attached.
