COMMENTS

All duplicate receipt stubs representing dues for membership in the league, received from cities and towns, were compared with the secretary's "Register of Receipts," and found properly accounted for to the treasury of the league. This verification of receipts included payments received and credited to the Legislative Reports Fund.

Disbursements from both funds were examined and compared with the secretary's records and found to be as represented in the statements of fund transactions.

The cash balance of \$1,116.29 in the Municipal League Fund, and \$159.56 in the Legislative Reports Fund were found to be in accord with the records of the Fidelity Savings Bank of Marshalltown, Iowa, as shown by the statement of bank balances.
