REPORT

Hon. C. W. Storms,
Auditor of State,
Des Moines, Iowa.

Dear Sir:

In accordance with your instructions and the request of Secretary Frank G. Pierce, I have made an audit and examination of the Municipal League Fund, the Legislative Reports Fund, and the Municipal Electric Subdivision Fund of the Secretary-Treasurer of the League of Iowa Municipalities for the period beginning August 1, 1936, and ending July 31, 1937.

I herewith hand you my report.

Respectfully,

(Signed) T. E. DEHART,
Examiner.

COMMENTS

All duplicate receipts issued for league dues and legislative reports were verified with the Secretary's "Register of Receipts" and found to be correct.

A total of \$9,370.00 was collected in league dues, and this includes the \$10.00 mentioned in the prior report. A total of \$140.00 was collected in registration fees at the Davenport convention. Collections in the legislative report fund totaled \$2,399.70.

Expenditures were verified by the checks issued and with the original bills where available. It was found that some checks, which are shown on the "Detail of Disbursements" were not properly indorsed. It was also noted that claims for traveling expense of the Secretary of the Electrical Subdivision were not filed with the checks and we believe that this should be done.

The distribution of expenditures in this report may vary from those shown in the Secretary's report, due to a difference in allocating the items. Balances in the three funds were verified by certifications from the depository bank.

In the Legislative Report Fund two receipts of \$5.00 each are shown for the towns of Minburn and Bellevue. These towns say they have mailed only one check, so evidently the receipts have been issued for the wrong towns.

In the Electrical Subdivision Fund, receipts from the Municipal Supply Company and F. G. Pierce are to reimburse the fund for services of the secretary performed for them.

From the showing made by this fund during the period covered, the examiner questions whether or not it is practical, since it is almost entirely supported by transfers from the League Fund.
