The Honorable Chester J. Culver  
The Honorable Patty Judge  
Members of the 82<sup>nd</sup> General Assembly  
State Capitol Building  
Des Moines, IA 50319

Dear Governor Culver, Lieutenant Governor Judge, and Members of the 82<sup>nd</sup> General Assembly:

At the end of every year, the Iowa Commission on the Status of Women (ICSW) reviews its accomplishments.

The ICSW is proud of the past year's achievements, and pleased to present to you our 35<sup>th</sup> Annual Report. The following pages detail the activities and programs that were carried out in 2006.

The ICSW celebrates the progress in women's rights that has been made in Iowa, and continues to address inequities, advocating for full participation by women in the economic, social, and political life of the state. In this advocacy role, as mandated by the *Code of Iowa*, we educate, inform, and develop new ideas to bring a fresh viewpoint to bear on the issues facing Iowa women and their families.

If you are interested in any of our concerns and issues, please call or write the ICSW at 515/281-4461 or [dhr.icsw@iowa.gov](mailto:dhr.icsw@iowa.gov), go to our website at [www.state.ia.us/dhr/sw](http://www.state.ia.us/dhr/sw), or stop by the Commission office in the Lucas Building, and we will be happy to discuss them with you.

On behalf of our Commissioners and the staff, I thank Governor Culver, Lt. Governor Judge, and Members of the General Assembly for the commitment you have shown to improving the status of women by funding our Commission and passing legislation that helps Iowa women.

We look forward to working with you in 2007.

Sincerely,

Holly A. Sagar  
Chairperson

## Section 2: Programs and Projects

*The Iowa Commission on the Status of Women (ICSW) works on numerous projects and programs in seeking to advance the status of women in the economic, political, and social life of the state. It collects employment related information and works toward pay equity; monitors legislation and strives to equalize women's participation in policy-making positions in the government and private sectors; and recognizes Iowa leaders through the Iowa Women's Hall of Fame, the Write Women Back Into History Essay Contest, and the Cristine Wilson Medal for Equality and Justice.*

### ECONOMIC LIFE

*The ICSW strives to improve Iowa women's tenuous economic status by conducting various employment-related programs and studies to assist women statewide to work to achieve pay equity.*

In 2005, Iowa women working full time made 75 cents for every \$1 a man made. In 2005, 60.3 percent of women made \$25,000 or less while 61.8 percent of men made \$25,000 or more. This

wage disparity reflects the occupational choices of males and females, the wage differences between male- and female-dominated jobs, and the gender pay gap that exists in many of the same occupations.

Both women's and men's wages would rise if wage discrimination were corrected. Workers, whether men or women, in female-dominated jobs – such as receptionists, secretaries, nurse aides, and child care providers – are paid less than workers in similar jobs not dominated by women.

## Section 2

---

Differences in pay scales among occupations that are dominated by one gender or the other contribute to pay inequities as seen in the table on page 5.

### **Wage/Benefits Studies**

**Wage Survey:** In 1993, the ICSW initiated a Department of Employment Services study on gender-wage disparity in Iowa. That report revealed, among other things, that Iowa women, on average, made 68 cents per dollar that Iowa men made. In 1999, the ICSW requested that Iowa Workforce Development conduct research to replicate the 1993 study. The results of the updated study, released in 2000, showed that women, on average, earned 73 cents per dollar that Iowa men made. The study also found that 64 percent of women earned annual wages of \$25,000 or less, while 67 percent of males earned \$25,000 or more. In 2003 the U.S. Census Bureau reported that women in the United States made only 76 cents for every dollar men made. The median earnings for Iowa men who worked year-round, full-time was \$39,275 in 2005 compared to \$29,384 for full-time women workers.

**Iowa Certified Nursing Assistant Wage and Benefits Survey:** A statewide wage and benefits survey of Iowa Certified Nurse Assistants (CNAs) was released in June 2001, showing that Iowa CNAs are underpaid – 96 percent earned less than \$12 per hour, with the median wage being \$9.16. In 2004, as part of the Iowa Better Jobs Better Care Coalition, another statewide wage and benefit survey was conducted. In addition to Certified Nursing Assistants, Pool Workers and Home Care Workers were also surveyed. The 2004 survey showed that 96% of CNAs were women. The median wage increased to \$10.55. Eighty-two percent earned less than \$12. Twenty-five percent of respondents have no health insurance,

compared to 14 percent of all Iowans.

**Contingency Workers Study:** The ICSW initiated a study of contingency workers' wages with Boddy Media Group in late 2000. The study, which was released in December 2001, reported the impact on women of contingency jobs, such as temporary, part-time, and contractual work, usually with few or no benefits and no job security. It found that two-thirds of Iowa's contingency workers were female. A typical contingency worker was most likely to be urban, single, parenting pre-school age children, have no more than a high-school education and work in sales/marketing. Forty-one percent earned \$10.99 per hour or less and 57 percent received no benefits.

**Follow-up to *Employees' Wages and Benefits: Domestic Violence and Sexual Assault Projects 1997 Report and Recommendations*:** In 1997, the ICSW conducted a study of the wages and benefits of employees in domestic violence/sexual assault projects (dv/sa) across the state. The study revealed significantly low wages across the board, with many employees living at, below, or barely over the poverty line. Because of the increase over the past several years in federal and state monies available to dv/sa projects, the ICSW made, in its report on the study, wage recommendations for specific job descriptions, using comparable jobs in state government as a comparison. The response was overwhelming. In a 1998 ICSW follow-up to the study, the Commission's study was credited for approximately \$112,000 in pay increases in dv/sa jobs statewide. This study and follow-up survey continue to be distributed and influence wages and benefits for employees in dv/sa projects not only in Iowa but across the United States. In 2004, the ICSW updated the wage ranges.

## Section 2

---

### Pay Equity Initiatives

**Equal Pay Day:** The ICSW commemorated Equal Pay Day on Tuesday, April 25, 2006, which symbolized the day when women's wages catch up to men's wages from the previous week. Because women earn less, on average, they must work nearly seven days to earn what the average man would earn in five.

### ***Show Me The Money: Paycheck Negotiation Workshop: Paycheck Negotiation***

**Workshop:** In order to help address wage disparity, a paycheck negotiation workshop was held on April 22, 2006 in Davenport to give women the tools to negotiate for higher compensation when they are offered employment or at an annual/performance review. The workshop, Show Me The Money, consisted of a panel presentation, role playing, retirement planning and a question and answer session. In addition to the ICSW, the event was sponsored by Business and Professional Women/Davenport, Quad City Federation of Labor AFL-CIO, Quad Cities National Organization of Women, PACG Women's Issues Forum, Progressive Action for the Common Good, and the United Way of the Quad Cities Area.

### Publications

***How to Get Your Bearings - How to Get a Job:*** The guide, for Iowa women who are looking for a job or who are seeking a better job, includes information on how to write a resume, conduct an interview, obtain personal counseling if needed, fix a car, find housing, etc. Containing one-third more information than previous editions, the guide, revised by Dr. Judith Anne Conlin, is distributed primarily through the displaced homemaker programs and Family Development and Self-Sufficiency programs across the state. Funding for the guide was provided by Iowa Workforce Development and

the Carl D. Perkins Applied Technology and Vocational Education Act.

### Videos

***Exploring Nontraditional Occupations for Women: Is This Job for You?:*** This informative 12-minute video (also available with closed captioning) illustrates Iowa women in nontraditional occupations with an emphasis on the skilled trades, apprenticeship and vocational-technical careers. The video is available for both loan and purchase.

### ***Show Me The Money: Paycheck Negotiation Workshop: Paycheck Negotiation Workshop:***

Similar to the 2006 workshop, the November 2001 workshop consisted of a panel presentation, role playing, pension planning and a question and answer session. A video of the workshop was produced and is available to borrow free of charge.

### POLITICAL LIFE

***While the ICSW works hard at eliminating the "sticky floor"--women who are stuck in low-paying jobs with few benefits and opportunities for advancement--it also recognizes the need to break the "glass ceiling" in government and private sector policy-making positions. In addition, the ICSW annually researches, submits, and advocates for a program of Proposals to the Governor and General Assembly. It also follows legislation pertinent to women and, in particular, those bills that relate to its Proposals. The Executive Director of the ICSW is registered as a lobbyist to the Iowa Legislature and Executive Branch.***

## Section 2

### Roster of Qualified Women

In 1970, the Governor's Commission on the Status of Women assumed responsibility for developing a roster of Iowa women qualified for appointments to paid and volunteer positions on state boards and commissions. When the Commission was made statutory in 1972, it continued to develop the roster and to submit names for the Governor's consideration in making appointments. Appointment resume forms are provided upon request; they include biographical information, educational background, work experience, organizations, and information on areas of interest. Each year it advertises the availability of appointment resumes in the *IoWoman*, the Friends of ICSW newsletter that is sent to 8,400 organizations and individuals statewide. The Roster of Qualified Women has contributed significantly to the expanding role of women in government. Since the need was perceived and the Roster was developed, the number of appointments of women has increased dramatically. Since 1987, gender balance on boards and commissions has been mandated, a legislative change for which the Commission advocated.

### Legislative Proposals

#### Aging Issues and Long-Term Care

In 2006, Iowa ranked fourth in the percentage of population over 85 years of age, fifth in the percentage of population over 75 years of age, and fifth in the percentage of population over 65 years of age. Additionally in 2005, 59 percent of Iowans over 65 were women. As the baby boom generation gets older, the need for both paid and unpaid caregivers will increase. A 2004 ICSW study on CNA wages and benefits found that 82 percent earn under \$12 per hour with few benefits and high turnover. A typical family caregiver in today's society is an educated, working, married woman in her mid-forties who spends about twenty hours per week providing unpaid care to her mother. To address the needs of aging Iowans, and of paid and unpaid caregivers for dependent adults, the ICSW supports:

1. Amendment of state tax policy in the *Code of Iowa* Chapter 422.9(2)(e) regarding tax deduction to include spouse, brother, and sister for whom in-home care is given.
2. More standardized education, continuing education, and opportunities for advancement for direct care workers by supporting implementation of the recommendations of the Direct Care Workers Task Force.
3. Increased funding to the Iowa Department of Elder Affairs for the following:
  - Abuse Initiative into additional counties
  - Additional state long-term care ombudsmen within the Iowa Department of Elder Affairs.

- Activation of the Office of Substitute Decision Maker within the Iowa Department of Elder Affairs, which was mandated in 2005.
- Home and Community Based Services, and
- Iowa CareGivers Association funding.

#### Child Care

Seventy-nine percent of married women with children under 18 were in the labor force in 2005. According to the 2004 American Community Survey, Iowa is fourth in the nation to have women in the workforce with children under age six. Child care is an economic and social infrastructure issue that affects the bottom line for business, the standard of living for families, and the future competitiveness of the state. To insure quality affordable child care, in particular for women seeking training and/or employment, the ICSW supports:

1. **State investments in Head Start, Early Head Start and other early childhood programs that emphasize school-readiness. (2007 Priority)**
2. An increase in funding levels for the Iowa Community Empowerment for quality early childhood programs for zero to five.
3. Requirement that all child care/preschool settings adhere to standards that ensure quality care and experiences.
4. Separate appropriation to Iowa Department of Public Health of at least \$1.2 million for child care nurse consultant program.
5. A child care and/or preschool subsidy for every Iowa family whose income is up to 185% of poverty.

---

## Section 2

---

6. A professional development system for child care/preschool workers of prerequisite and on-going training.
7. Increased funding for quality after-school programs from the Healthy Iowans Tobacco Trust Fund to the Department of Education.

### **Economics**

In 2005, 64.6 percent of Iowa women age 16 and older were in the workforce, which represented 47.3 percent of the total workforce. The 2005 American Community Survey found that Iowa women earned 74.8 percent of what Iowa men earn. According to the Iowa wage study released in 2000, 64 percent of female respondents reported annual wages of \$25,000 or less while 66 percent of males reported wages over \$25,000. To address the economic needs of Iowa women, the ICSW supports:

1. **An increase in the minimum wage. (2007 Priority)**
2. **Legislative proposals addressing predatory lending, including predatory home mortgage lending, payday loans, tax refund anticipation loans and car title loans. (2007 Priority)**
3. Increased funding of \$186,000 to ICSW, which includes \$24,000 for training on issues of violence against women, \$93,000 for Iowans in Transition grants, and \$69,000 for an Iowa money school program.
4. Development of a plan for extending a comparable worth policy to all public employees in Iowa, with state assistance to local government entities in conducting comparable worth studies and a plan for making state revenue-sharing monies at future dates contingent upon adopting comparable worth pay schedules for local government employees.

5. Development of a plan to achieve pay equity for employees in private industry furthering the goal of eliminating wage discrimination on the basis of gender.
6. Legislation to outlaw the unfair employment practice of discrimination based on a person's use of Family and Medical Leave.
7. Establishing a vehicle for partial wage compensation for a person taking family and medical leave.
8. Instituting an At-Home Infant Care (AHIC) program.
9. Implementation of the recommendations of the Targeted Small Business Task Force.
10. Opposing an amendment to the Iowa Constitution providing for public vote on tax increases.

### **Equality**

The *2006 Status of Iowa Women Report* documents the need for continuing to improve the quality of life for women in this state. To achieve equality while improving the status of women, the ICSW recommends:

1. **Amending the Iowa Civil Rights Act to prohibit discrimination on the basis of sexual orientation and gender identity. (2007 Priority)**
2. Enactment of a bill requiring all school districts to adopt anti-discrimination, anti-harassment, and anti-bullying policies to protect all students.
3. State funding to provide staff and support for the provision of technical assistance on educational equity for school districts and to monitor implementation of Iowa's

6. Gender balance on boards and commissions of political subdivisions of the state.
7. Adequate funding for the Iowa Civil Rights Commission.

### **Health**

Good health is essential to leading a productive and fulfilling life and to participating fully in the economic, social, and political life of the state. It requires safe and healthful physical and social environments, sufficient incomes, safe and adequate housing, proper nutrition, preventive treatment, and education on maintaining healthful behaviors. It is an irony that many health care workers do not earn enough to afford their own health care coverage. To increase the quality of health in women, the ICSW supports:

- 1. Focusing on health care reform until health care coverage is accessible and affordable for all Iowans. (2007 Priority)**
2. \$1 tobacco tax increase.
3. Legislation to allow local control in regulating smoke free environments.

4. Full funding and implementation of the State Children's Health Care Initiative (*hawk-i*), with consideration of available options including coverage of parents.

### **Insurance**

In recognition of the needs of all persons to insure against the risks related to illness, disability, retirement and death, and in particular noting the needs of persons following divorce or disability or death of a spouse, the ICSW supports:

1. Expanding mental health parity to include eating disorders, panic and anxiety disorders, post traumatic stress disorder and substance abuse treatment.
2. Elimination of discriminatory practices on the basis of gender or marital status in the issuance or operation of any type of insurance policy, plan, program, or coverage, including but not limited to rates, payments, or benefits; for example, exclusion of obstetrical care for unwed dependents.
3. Requiring Iowa regulated insurance plans that cover prescriptions and/or vaccines to cover HPV vaccine.

4. Expansion of relationship definition for family coverage health insurance to include members in the same household.

Women in Iowa have unique needs relative to the administration of justice in all areas, including legal assistance. The female prison population in Iowa is on the rise, climbing from fewer than 100 in 1985 to 658 in 2006. The ICSW supports:

That same year, 4,141 adult, teenage, and child survivors of sexual assault sought services from Iowa’s sexual assault crisis centers. In light of the number and degree of violent incidents committed against women, the ICSW supports:

- 1. Increased funding for domestic violence and sexual assault programs in the state budget. (2007 Priority)**

that prohibits persons who have committed domestic violence or who are subject to a no-contact order from possessing firearms.

5. Establishing affirmative defense for victims of domestic violence to the crime of child endangerment for a) knowingly permitting a child or minor to be present at a location where Methamphetamine is manufactured or a precursor is possessed with an intent to manufacture and b) cohabitating with a person after knowing the person is required to register or is on the sex offender registry.

  13. Continued funding for foster children with the Preparation for Adult Living program (PALs).

### Welfare

In 2006 the Iowa FIP grant could be tripled and a family of three receiving the benefit would still be in poverty according to federal guidelines. To endorse Iowa's efforts to reform the welfare system, particularly to make services available that promote economic self-sufficiency, the ICSW supports:

1. Increased grant level for the Family Investment Program (FIP).
2. Full funding for child care, education, and training for Family Investment Program (FIP) participants through the maintenance of effort requirement for Temporary Assistance for Needy Families (TANF).

**Jeannette Eyerly**  
Jeannette Eyerly, an Iowan for more than 90 years, is an award-winning author of books for children and teens and an advocate for mental health. First published at age eight,

she wrote twenty books of fiction for young people, two books of poetry and co-authored a book on writing young adult novels. She graduated from the University of Iowa in 1930 with a bachelor's degree in English. After co-

writing a nationally syndicated column in the late 1950s, Eyerly later wrote eighteen novels for young adults, in which the subject matter was ahead of its time - high school drop-outs, abortion, suicide, divorce, and alcoholism. Her work in the public policy arena for treatment of mental illness in Iowa has changed the face of how services are delivered and the stigma attached to mental illness. Following the Community Mental Health Center Act of 1963, Eyerly began a grassroots effort in Des Moines to establish an alternative to hospital care for mental illness. Her dogged determination led to the 1969 establishment of the Polk County Mental Health

## Section 2

Center, of which she was a founding member. It was renamed the Eyerly-Ball Community Mental Health Services in 1995 to honor her work. She also is a former member of the Iowa Commission for the Blind and past president of the Des Moines Child Guidance Center. She was born on June 7, 1908 in Topeka, Kansas. She was married 65 years to the late Frank Eyerly, managing editor of The Des Moines Register and Tribune and is the mother of two daughters. She has six grandchildren and nine great-grandchildren.

### **Christine H. B. Grant**

Christine H. B. Grant, associate professor of sports administration and former women's athletic director at the University of Iowa, is a nationally known advocate for gender equity in intercollegiate athletics. As a result of her leadership

following her appointment in 1973, the women's athletic program reached national prominence. Her recognition of disparities in the resources allotted to women's and men's athletics led her to become a champion of Title IX of the Education Amendments of 1972. Grant has served as an expert consultant to the Health, Education and Welfare Office for Civil Rights Title IX Task Force. In addition, she has served as an expert witness in numerous Title IX cases, and as a consultant on women's athletics, and has also published widely on intercollegiate athletics and equity issues. She was a founding member of the Association for Intercollegiate Athletics for Women and later served as its President. After serving on the Board of the National Association of Collegiate Women's Athletic Administrators, she was then elected its President. Grant was a member of the U.S. Olympic Committee in 1980 and was selected as a field hockey judge for the 1980 Moscow Olympic Games. Although she

officially retired as athletic director from the University of Iowa in 2000, she continued to teach in the graduate program in the Department of Health and Sport Studies until May 2006. Her work as an advocate for gender equity in college and high school athletics will continue. She was born in Bo'ness, Scotland on May 27, 1936.

### **Dorothy Marion Bouleris Paul**

Dorothy Marion Bouleris Paul, born in New York State, is a world citizen who emphasizes her connections with the world's people by providing leadership in organizations dedicated to

human rights and world peace. A true internationalist, Paul was executive director of the Iowa Division of the United Nations Association of the United States (UNA-USA) from 1979 to 1996. She then served as executive director for programs from 1996 to 2000. She participated in six international conferences, including being the UNA-USA official observer for the 1995 UN Fourth World Conference on Women in Beijing, China and the 1992 UN Conference on Environment and Development in Rio de Janeiro, Brazil. In 1995, she was awarded the UNA-USA Arnold Goodman Award in recognition of her unending creative talents in producing world class programs linking UNA with other non-governmental organizations, public officials, the media and educational institutions throughout the State of Iowa and the region. Since 2000, she has worked with the University of Iowa Center for Human Rights as Executive Director and most recently as the associate director for community affairs. She has been active in many other community activities including the Iowa City Human Rights Commission, Iowa City Foreign Relations Council, Rotary Club of Iowa City

(noon), Emma Goldman Clinic for Women, and Human Rights Iowa City.

### **Margaret Wragg Sloss**

Margaret Wragg Sloss, a pioneer in nontraditional careers for women, was born on October 28, 1901 in Cedar Rapids, Iowa. An incredible leader for women in science, particularly veterinary science, and education, she earned a bachelor's degree in zoology from Iowa State College in 1923, and a master's degree in microscopic anatomy in 1932. In 1923, she became the first female staff member in veterinary medicine at ISU as a pathology laboratory technician. Sloss contributed to changing the admissions policy at the veterinary school to allow admission to women. She applied for admission into the doctoral program and was denied. She persisted and was allowed to enroll in classes following her research on land-grant admissions policies that stated admissions could not be refused based on sex. In 1938, Sloss became the first woman at Iowa State College to earn the Doctor of Veterinary Medicine degree, the 27th in the USA. Although she taught at Iowa State College from 1941, she did not reach full professor until 1965. In 1940, Sloss was one of 100 women pursuing nontraditional careers who were invited by Carrie Chapman Catt to attend the Women's Centennial Congress in New York City. She was invited by Eleanor Roosevelt to the White House in 1944. She established the Women's Veterinary Medicine Association in 1947 and served two years as its president. Sloss died December 11, 1979 and is interred in the Iowa State University cemetery. ISU named the Margaret Sloss Women's Center in her honor in 1981.

### ***Write Women Back Into History* Statewide Essay Contest**

The *Write Women Back Into History* Essay Contest, cosponsored by the ICSW, the Iowa Department of Education, and the State Historical Society of Iowa, is administered each year by the ICSW and is open for participation by students in grades 6-9. Guidelines for the essay contest are made available on the ICSW's website and were e-mailed to previously participating teachers. Announcement of the contest was made to Area Education Agencies and in the press and education-related publications. Teachers are asked to encourage their students to write an original essay about a woman who they believe should be written into history. The purpose of the contest is to celebrate Women's History Month--March--and to increase the awareness of contributions made by Iowa women. Prizes are awarded to the first three winners and their teachers in the two grade divisions 6-7th and 8-9th. Special awards are given to the best essay on a woman volunteer and the best essays on women in science and engineering. Prizes include Women's History Month books and other memorabilia. The first-place winners also receive cash prizes.

**Judging:** Teachers are encouraged to sponsor the contest in their classroom. One finalist may then be submitted from each classroom to be judged by a committee made up of Iowa writers, historians, activists, and representatives of the sponsoring agencies. The 2006 judges were Jillian Duquaine-Watson, Drake University; Charles Grigsby, Crime Victim Assistance Division; Carol Heaverlo, Program for Women in Science and Engineering; Sophia Magill, General Public; Mollie Michelfelder, Iowa Commission on the Status of Women; Naomi Peuse, State Historical Society of Iowa; Michelle Rubin, General Public; Bill Silag, Iowa Department of Education; and Kathy Tumpek, Grand View College.

In 2006 the directory was continually expanded and updated; approximately 6,200 persons are in the database for one or more of the 66 categories of interest and/or experience. As an ongoing commission program, the directory will continue to expand its database and its usefulness throughout the state, and additional persons and organizations will be identified on a regular basis. Printouts of category lists are available for a minimal fee from the ICSW; the Iowa women's organizations listing is free.

#### **Internship/Volunteer Opportunities**

The ICSW continued contact about available internships in its office to four-year colleges and universities statewide. Four interns were selected during the year. Many schools placed the

announcements in internship directories at their career planning and placement offices.

**Cristine Wilson Award Recipients:** In 1999 the ICSW developed a small publication featuring the Cristine Wilson Medal recipients. The piece was updated in 2006 and printed and posted to the website prior to the Iowa Women's Hall of Fame Ceremony--when the award is presented.

***IoWoman:*** The ICSW edited six issues of this Friends of the Iowa Commission on the Status of Women bimonthly newsletter in 2006. The publication serves to inform Iowans of state and federal legislation and state and national issues, programs, and services of particular concern to women. In 2006, approximately 8,500 individuals and organizations received the *IoWoman* via mail or by e-mail (26.5 percent). Printing and postage of the newsletter were paid for by the Friends.

***Iowa Women's Hall of Fame Book:*** The ICSW updated the book featuring biographies of all 128 women in the Hall of Fame. It also includes updates on members.

**Other:** In addition to the previously listed publications, the ICSW reprinted its brochure; *My Medical Records Manager*; Osteoporosis

Fact Sheet; *Pregnancy Discrimination Fact Sheet*; and *Sexual Harassment: It's Against the Law*. Video and audio tapes on various topics are also available for public access.

### Technology/Web Site

Contained on the site are such items as ICSW publications, including *IoWoman* newsletters; information on projects such as Women's History Month, Iowa Women's Hall of Fame and Gender-Specific Services Task Force; calendar of events; and legislation. ### Information/Referral

ICSW responded to calls year-round from individuals who sought help and/or information on issues related to women's rights. ## SECTION 4: Contractual Agreements

*The Iowa Commission on the Status of Women (ICSW) has contractual agreements to administer state fund appropriations to public and private nonprofit programs providing services to Iowans in Transition (displaced homemakers, single parents, and female offenders) and to administer state fund appropriations to the Iowa Coalition Against Domestic Violence (ICADV) and the Iowa Coalition Against Sexual Assault (IowaCASA) for training on issues related to domestic violence and sexual assault.*

### IOWANS IN TRANSITION GRANTS

During fiscal year 2006, the ICSW administered \$92,000 in state fund appropriations -- decreased 53.5 percent from \$198,000 in FY2001 -- as grants to five public and private nonprofit programs providing services to displaced homemakers, single parents, and female offenders, or Iowans in Transition. Displaced homemakers are individuals who have worked principally in the home providing unpaid household services for family members. They are persons who are unemployed or underemployed; have had or would have difficulty finding appropriate paid employment; and have been dependent on the income of another family member or on government assistance, and are no longer supported by that income. Programs that work with displaced homemakers, single parents, and female offenders help them deal with the trauma of their situation and prepare them for education and training toward self-sufficiency.

Reports from the programs with grants during fiscal year 2006 show a total of 1,376 (597 displaced homemakers, 632 single parents, and 147 female offenders) were served with counseling (995); support services (769); workshop seminars (455); ABE, GED, and English as a Second Language (146); academic upgrading (300); and training for a degree (913). Sixty-six percent went on to education and training to prepare for higher-paying jobs. At intake, 68 percent were receiving welfare. Of those served, 1,307 were women and 69 were men. Racial breakdown follows: 1,059 whites, 205 African-American, 61 Latinas, 40 American Indians, 7 Asian-Pacific Islander and 4 unknown. Since July 1999, 17 of the 23 programs serving displaced homemakers in Iowa have closed. Ten of those programs had received ICSW Iowans in Transition grant funding.

**Fiscal Year 2007 Grants:** The ICSW also administered \$92,000 in grants for fiscal year 2007. Applicants for the grants were accepted from freestanding entities and subgroups or special programs sponsored by a larger organization. Eleven applications were received from the programs located statewide. In June, the five-member Iowans in Transition Grant Review and Selection Committee met and made grant recommendations. The committee included Mike Whitlatch, chair; Kile Beisner; Lora Kelly-Benck; Joan Kennedy; Jule Reynolds; and Charlotte Nelson, *ex officio*. Six grant proposal applications were denied due to insufficient funding.

**Iowa New Choices:** Commission staff participated in monthly conference calls with displaced homemaker and single parent coordinators and facilitated a meeting on March 23-24 regarding updates and funding issues on programs.

### **VIOLENCE AGAINST WOMEN**

Addressing the priority area of violence against women is done through a cooperative relationship with the Iowa Coalition Against Domestic Violence (ICADV) and the Iowa Coalition Against Sexual Assault (IowaCASA). Resources and information are shared among the offices, thereby enhancing the ICSW's ability to carry out

its responsibilities through interaction with these private, nonprofit agencies. Together, they work to strengthen efforts to prevent sexual assault and domestic violence, and to support programs that provide services to victims. The two organizations were located with the ICSW until April of 1995.

**Fiscal Year 2006 and 2007:** The ICSW administered state fund appropriations of \$13,000 to IowaCASA to provide training to the public and community professionals on issues of sexual assault. ICADV was awarded \$13,000 to provide training to the general public, criminal justice system personnel, and community professionals on issues of domestic violence.

During fiscal year 2006, IowaCASA made 23 presentations to 313 members of the general public while providing technical assistance to 2,349 callers. Staff also made 93 presentations to 3,058 community professionals statewide and handled 11,444 technical assistance calls.

During fiscal year 2006, ICADV made 20 presentations to 1,135 members of the general public while providing technical assistance to 4,006 callers. Staff also made 164 presentations to 3,795 community professionals statewide and handled 6,565 technical assistance calls. ### JUVENILE JUSTICE GRANT

#### Iowa Gender-Specific Services Task Force

The ICSW renewed its intra-agency contract with the Iowa Division of Criminal and Juvenile Justice Planning (CJJP) to provide staff support to the Iowa Gender-Specific Services Task Force funded through the U.S. Department of Justice. The Coordinator for the Task Force, a Commission employee fulfilled the contract terms, including convening the monthly Task Force meetings. The Iowa Juvenile Justice Advisory Council developed the Task Force to contribute to CJJP's and the State Advisory Group's activities as well as make recommendations related to gender-specific services. The Task Force involves key stakeholders in Iowa's juvenile justice system, particularly service providers who want comprehensive fundamental change in the juvenile justice system that will enhance the understanding and utilization of innovative gender-responsive approaches in all programs and services, particularly those that serve the adolescent female population of Iowa's juvenile justice system. The ICSW made periodic presentations and reports to the Iowa Juvenile Justice Advisory Council on the progress of the Juvenile Justice Grant Project.

#### “Whispers and Screams” Conference

Directed by the Task Force, the ICSW coordinated the conference, *Whispers & Screams are hard to hear: Creating an audience for girls' voices, Chapter 10: You Must Be Present to Win*, which was held June 1-2, 2006 in Ames. How being present creates opportunities for girls to be winners!?*” provided a critical examination of the specialized treatment interventions necessary in ones work with juvenile female offenders while Brown's enlightening session, “*Fighting Like a Girl: Myth, Reality and Media*” offered a thoughtful look at relational aggression among young women and the media's role in perpetuating the behavior. One hundred percent of respondents evaluated the overall content and level of information offered at the conference as good or excellent.

#### Annual Task Force Retreat

### CHAPTER 10 WAIVER RULES

**435—10.1(17A) Definition.** The term “waiver” as used in this chapter means a prescribed waiver or variance from a specific rule or set of rules of this division applicable only to an identified person on the basis of the particular circumstances of that person.

**435—10.2(17A) Scope of chapter.** This chapter creates generally applicable standards and a generally applicable process for granting individual waivers from rules adopted by the division in situations when no other more specifically applicable law provides for waivers. To the extent another more specific provision of law purports to govern the issuance of a waiver from a particular rule, the more specific waiver provision shall supersede this chapter with respect to any waiver from that rule.

**435—10.3(17A) Applicability.** This chapter applies only to waivers of those division rules that are within the exclusive rule-making authority of the division. This chapter shall not apply to rules that merely define the meaning of a statute, or other provisions of law or precedent, if the division does not possess statutory authority to bind a court, to any extent, with its definition.

**435—10.4(17A) Compliance with law.** The division may not issue a waiver under this chapter unless (1) the legislature has delegated authority sufficient to justify the action; and (2) the waiver is consistent with statute and other provisions of law. No waiver may be granted under this chapter from any mandatory requirement imposed by statute.

**435—10.5(17A) Criteria for a waiver.** The division may issue an order, in response to a completed petition or on its own motion, granting a waiver from a rule adopted by the division, in whole or in part, as applied to the circumstances of a specified person, if the division finds that the waiver is consistent with rules 10.3(17A) and 10.4(17A) of this chapter, that the waiver would not prejudice the substantial legal rights of any person, and either that:

1. The application of the rule to the person at issue does not advance, to any extent, any of the purposes for the rule or set of rules; or

2. The following criteria have been met:

\*The application of the rule or set of rules to the person at issue would result in an undue hardship or injustice to that person; and

\* The waiver on the basis of the particular circumstances relative to the specified person would be consistent with the overall public interest.

In determining whether a waiver would be consistent with the public interest, the division administrator shall consider whether, if a waiver is granted, the public health, safety, and welfare will be adequately protected by other means that will ensure a result that is substantially equivalent to full compliance with the rule.

**435—10.6(17A) Division discretion.** The final decision to grant or deny a waiver shall be vested in the division administrator. This decision shall be made at the discretion of the division upon consideration of relevant facts.

**435—10.7(17A) Burden of persuasion.** The burden of persuasion shall be on the petitioner to demonstrate by clear and convincing evidence that the division should exercise its discretion to grant a waiver based upon the criteria contained in rule 10.5(17A) of this chapter.

**435—10.8(17A) Contents of petition.** A petition for a waiver shall include the following information where applicable and known to the requester:

---

## Section 6

---

1. The name, address, and telephone number of the entity or person for whom a waiver is requested and the case number of any related contested case.
2. A description and citation of the specific rule or set of rules from which a waiver is requested.
3. The specific waiver requested, including a description of the precise scope and operative period for which the petitioner wants the waiver to extend.
4. The relevant facts that the petitioner believes would justify a waiver. This statement shall include a signed statement from the petitioner attesting to the accuracy of the facts represented in the petition and a statement of reasons that the petitioner believes will justify a waiver.
5. A history of any prior contacts between the petitioner and the division relating to the activity affected by the proposed waiver, including any notices of violation, contested case hearings, or investigative reports relating to the activity within the past five years.
6. Any information known to the requester relating to the division's treatment of similar cases.
7. The name, address, and telephone number of any public agency or political subdivision which also regulates the activity in question or which might be affected by the granting of a waiver.
8. The name, address, and telephone number of any person or entity that would be adversely affected by the granting of a petition.
9. The name, address, and telephone number of any person with knowledge of the relevant facts relating to the proposed waiver.
10. Signed releases of information authorizing persons with knowledge of the waiver request to furnish the division with information relevant to the waiver.

**435—10.9(17A) Additional information.** Prior to issuing an order granting or denying a waiver, the division may request additional information from the petitioner relative to the petition and surrounding circumstances. If the petition was not filed in a contested case, the division may, on its own motion or at the petitioner's request, schedule a telephonic or in-person meeting between the petitioner and a representative from the division to discuss the petition and surrounding circumstances.

**435—10.10(17A) Notice.** The division shall acknowledge the petition upon receipt. The division shall ensure that, within 30 days of the receipt of the petition, notice of the pendency of the petition and a concise summary of its contents have been provided to all persons to whom notice is required by any provision of law. In addition, the division may give notice to other persons. To accomplish this notice provision, the division may require the petitioner to serve the notice on all persons to whom notice is required by any provision of law and provide a written statement to the division attesting to the fact that notice has been provided.

**435—10.11(17A) Hearing procedures.** The provisions of Iowa Code sections 17A.10 to 17A.18A regarding contested case hearings shall apply to any petition for a waiver of a rule or set of rules filed within a contested case and shall otherwise apply to division proceedings for a waiver only when the division so provides by rule or order or is required to do so by statute or other binding law.

**435—10.12(17A) Ruling.** An order granting or denying a waiver shall be in writing and shall contain a reference to the particular person and rule or portion thereof to which the order pertains, a statement of the relevant facts and reasons upon which the action is based, and a description of the precise scope and operative time period of a waiver if one is issued.

**435—10.13(17A) Conditions.** The division may condition the granting of the waiver on such conditions that the division deems to be reasonable and appropriate in order to achieve the objectives of the particular rule in question through alternative means.

**435—10.14(17A) Time for ruling.** The division shall grant or deny a petition for a waiver as soon as practicable but, in any event, shall do so within 120 days of its receipt unless the petitioner agrees to a later date. However, if a petition is filed in a contested case, then the division may grant or deny the petition at the time the final decision in that contested case is issued.

**435—10.15(17A) When deemed denied.** Failure of the division to grant or deny a petition within the required time period shall be deemed a denial of that petition by the division. However, the division shall remain responsible for issuing an order denying a waiver as required by rule 10.12(17A).

**435—10.16(17A) Service of orders.** Within seven days of its issuance, any order issued under this chapter shall be transmitted to the petitioner or the person to whom the order pertains and to any other person entitled to such notice by any provision of the law.

**435—10.17(17A) Record keeping.** Subject to the provisions of Iowa Code section 17A.3(1) "e," the division shall

---

maintain a record of all orders granting and denying waivers under this chapter. All final rulings in response to requests for waivers shall be indexed and copies distributed to members of the administrative rules review committee upon request. All final rulings shall also be available for inspection by the public at the division office during regular business hours.

**435—10.18(17A) Cancellation of a waiver.** A waiver issued by the division pursuant to this chapter may be withdrawn, canceled, or modified if, after appropriate notice and hearing, the division issues an order finding any of the following:

1. The person who was the subject of the waiver order withheld from the division or knowingly misrepresented to the division material facts relevant to the propriety or desirability of the waiver; or
2. The alternative means of ensuring that the public health, safety, and welfare will be adequately protected after issuance of the waiver order has been demonstrated to be insufficient, and no other means exists to protect the substantial legal rights of any person; or
3. The subject of the waiver order has failed to comply with all of the conditions contained in the order.

**435—10.19(17A) Violations.** A violation of a condition in a waiver order shall be treated as a violation of the particular rule for which the waiver was granted. As a result, the recipient of a waiver under this chapter who violates a condition of the waiver may be subject to the same remedies or penalties as a person who violates the rule at issue.

**435—10.20(17A) Defense.** After the division issues an order granting a waiver, the order shall constitute a defense, within the terms and the specific facts indicated therein, for the person to whom the order pertains in any proceeding in which the rule in question is sought to be invoked.

**435—10.21(17A) Appeals.** Appeals within the division from a decision granting or denying a waiver shall be in accordance with Iowa Code chapter 17A and division rules. These appeals shall be taken within 30 days of the issuance of the ruling granting or denying the waiver request, unless a different time is provided by rule or statute. These rules are intended to implement Executive Order Number 11 and Iowa Code section 17A.9A.
