**STATE OF IOWA
DEPARTMENT OF COMMERCE
DIVISION OF BANKING
Office of the Superintendent**

Statement of Policy

In support of the humanitarian principles embodied within the Constitution of the United States of America, as well as state and federal legislation designed to eliminate discrimination in the work place, the Iowa Department of Commerce, Division of Banking, is firmly committed to the administration of policies and programs in a manner which assures equal opportunity to all of its employees, applicants, and program beneficiaries; to provide equal opportunity for training and advancement of employees; to provide programs and facilities which are accessible to persons with disability; and to administer its programs in a manner free of discrimination on the basis of race, color, creed, religion, gender, disability, national origin, or age.

To facilitate equity and maximize the use of available human resources, all policies, practices, and procedures of the Division of Banking are designed to ensure that recruitment, hiring selection, promotions, transfers, compensation, benefits, and training will be administered in a fair and nondiscriminatory manner.

This Division's ongoing commitment to employment equality shall be implemented and monitored by an EEO Officer designate who in turn shall report directly to the Superintendent of Banking regarding the degree of success in maintaining Affirmative Action goals. Not unlike other organizational goals, performance in Affirmative Action shall also be measured and included among performance reviews of this Division's staff.

Moreover, as a public agency, the Iowa Department of Commerce, Division of Banking recognizes its responsibility to serve as a model to the private sector in the formulation of its commitment against discriminatory employment practices and as matter of public record has addressed itself to the implementation of a program designed to achieve the utilization of human skills and resources based solely upon merit and fitness with no relevance attached to race, religion, color, sex, national origin, age, or disability.
