Big Prizes Coming in Pot O' Gold Raffle

Players can win up to an estimated \$1 million playing this new game beginning Jan. 17

Iowa Lottery players could win up to an estimated \$1 million playing the Iowa Lottery's Pot O' Gold Raffle!

Beginning January 17, clerks may sell raffle tickets from the lottery terminal with a unique, eight-digit number. The Iowa Lottery will sell only 120,000 \$20 raffle tickets for a chance at up to an estimated \$1 million prize. Raffle players also will have a chance to win other prizes estimated at \$100,000 and \$1,000. Tickets for the Pot O' Gold Raffle are scheduled to be on sale through March 13, but sales may end sooner if the 120,000 tickets sell out before that date.

How To Sell a Raffle Ticket

- Touch the "Raffle" icon on the main screen of the Extrema terminal (see Figure 1).
- Choose how many tickets to print, or "NONE" to cancel the transaction.
- Confirm the purchase with the player. Touch "PRINT" to print the ticket or "CANCEL" to cancel the transaction.

Important Notes:

Once printed, tickets may not be cancelled. If a clerk prints a raffle ticket in error, it may be resold to another player.

Players may not choose a raffle number or use a play slip; the terminal will assign the next consecutive number to each ticket.

The Raffle icon will remain on the Extrema screen as long as raffle tickets are still for sale. On the day tickets sell out, if a retailer

Eastern Iowa Couple Wins \$200,000 Playing Powerball

A North English couple has been playing the same set of Powerball numbers for years and now they've won \$200,000.

About four or five years ago, Robert Kelley's wife, Carolyn, tracked the Powerball numbers to help find their lucky set of numbers.

"My wife kept track of all the winning numbers for about three months," explained Kelley. They made a list of the ones that hit most often and have been playing the same numbers ever since.

Kelley, a 69-year-old, semi-retired carpenter, made it a habit to watch the Powerball drawings every Wednesday and Saturday night.

"My wife, she was going to bed last night and

I told her to come downstairs, I had something to show her," laughed Kelley. "She couldn't believe it.... She got downstairs and I said, 'Look here, we got the winning numbers!' She still didn't believe it."

After the shock of their win, the Kelleys had a hard time sleeping.

"Tossing and turning. And waking up and going to sleep, waking up," said Kelley. "A million things running through your mind."

When asked what they planned to do with their

winnings, the Kelleys already had a plan.

"We're going to pay our house off and our vehicles. Put the rest in savings," stated Kelley. "I'm not going to retire. I'm just going to slow down a little bit."

The Kelleys bought their winning Powerball ticket at Casey's, 504 S. Main St. in North English where they planned to go and share the good news with the clerks. 🎉

Star Spangled Bucks (pull-tab)

Cost: \$1
Top Prize: \$125
Odds: 1 in 6.74
Begin Ordering: Jan. 11

Play by peeling apart the five tabs located on the back of the ticket. Three symbols are printed under each tab. Check all five tab areas. If three consecutive symbols printed vertically or diagonally under any of the tabs match identically any of the winning combinations shown on the ticket front, the player wins the corresponding prize. The arrow connecting the symbols indicates you are a winner.
